The Collector has no objection to pass Packages, which are intended for private use, and not for Sale unopened—provided that at the time they are applied for, satisfactory proof of their contents in the shape of Invoices, Bills, or Letters of Advice are produced. In the absence of these documents, owners should depute a person to be present at the opening of their Packages.

The Collector has nothing to do with the landing of Packages from Ships, nor with forwarding them to their owners or destinations.

NOTIFICATION.—In modification of the rules for bonding Salt, promulgated on the 28th September 1841, under the authority of the Board of Customs, Salt and Opium, it is hereby notified, that parties desirous of bonding imported Salt in private Warehouses, may apply to the Collector of Customs for a license in the form C, appended to Act No. XXV. of 1836.

If the Board are satisfied, on the Collector's report, that the Warehouses mentioned in the application are well adapted for the secure custody of the Salt, a license will be granted under Section XIX. of the abovementioned Act, and Salt may then be bonded therein, under the restrictions provided by the Act in respect of any other article of merchandize bonded in a private Warehouse.

A portion of the Government Golahs at Sulkea will be set apart from the 15th proximo as a public Warehouse for the reception of Salt, on the same terms, at a fixed rent; and will continue to be available for that purpose, until required by Government.

The rate of wastage allowed upon Salt, so Warehoused, will be at the rate of four per cent. per annum, upon the quantity weighed over the ship's side; but the Import duty will be settled on the quantity so delivered, according to the provision of Section XVIII. Act No. XXV. of 1836.

Warehouses licensed for the reception of Salt under bond, will not be available for goods of any other description.

All expenses attending the receipt, storage, custody and delivery of Salt at Warehouses licensed as above, or in the Sulkea Golahs, will be borne by the parties availing themselves of the privilege.

Parties who are unable to provide Warehouses so constructed and situated as, in the opinion of the Board, effectually to provide for the secure custody of Salt while under bond, will be allowed, as before, to Warehouse their Salt under the rules of the 28th September 1841, which otherwise remain in full force, except in so far as they are modified by this Notification.

By order of the Board of Customs, Salt and Opium, the 30th June 1847,

CECIL BEADON, *Offg. Secretary.*

7th.—No Tender of Money, Sub-Treasurer's Receipts or Public Securities, on account of Opium, upon which the prescribed deposit may not have been made before 4 o'Clock of the 15th July 1847, will be afterwards accepted.

8th.—The Opium now advertised for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Tuesday the 27th of July 1847, and in case any lots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or even Public Securities that may have been deposited on account of such lots or chests, shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium, shall think fit, and the first Purchaser shall be required to make good any loss or difference of price between that obtained at the re-sale, and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9th.—Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood, that the Certificates or Orders so taken out shall be considered final and not afterwards changeable for other Certificates or Orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less than the number of lots or chests originally required to be included in each Certificate or Order.

10th.—No Sub-Treasurer's Receipts, or Deposit of Public Securities, under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the Purchaser in the Sale Book, or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such Purchaser, and the Securities so deposited will be returned when clearance has been made by the said Purchaser or his order.

11th.—The Officer Superintending the Sale on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time, a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid.

12th.—With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified, that the Officer of Government Superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first bonâ fide bidder for a lot, after it has been offered for Sale in the mode here described, shall be held and declared to be the Purchaser of the said lot, and the Officer of Government Superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper; provided always, that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2d Clause of these Conditions.

13th.—The Purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of twenty-five lots, and for the lots so purchased, the Purchaser shall deposit for each lot 25 per Cent. even money of the amount bid by him for the first lot, and pay the same price per chest as that for which he purchased his first lot; provided always, that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th.—In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th.—The following Papers, together with samples of the Opium for Sale will be exhibited

for inspection on the day of Sale, or may be seen previously to that date, by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1—Certificate of the Opium now advertized for Sale.

No. 2—Report of the Examination of such Opium.

16th.—The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for the years 1845-46, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the Drug when packed at Behar and Benares, and a statement of the average weight of six chests from each dispatch at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the Purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th.—Any further information respecting weight or quality of the Opium advertised for sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium; but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the drug, which may be preferred in reference to chests after the sale and delivery of the Opium for shipment.

By Order of the Board of Customs, Salt and Opium,

CECIL BEADON, *Offg. Secretary.*

NOTIFICATION.—The Secretary Military Board begs to call the particular attention of Heads of Offices to the following paragraphs of the Government Notification, dated the 11th September 1839, the instructions contained in which are not in all cases acted up to.

Para. 3d, directing that the number of Assistants, Clerks and Section Writers, by whom the Stationery is used, may be separately and distinctly stated in each Indent.

Para. 8th, requiring all Public Officers immediately on receiving a supply of Stationery, to forward receipts in duplicate for the same.

Para. 12th, which is in substance as follows: In order to reduce the number of Indents, and thus to simplify the clerical business of the Stationery Office, persons holding the situations below enumerated, will include in their own Annual Indents the Stationery required for the use of the Subordinate Officers under their control, and for the separate Offices dependent on them for their supply, viz. Judges, Magistrates, Collectors of Land Revenue, Collectors of Customs, Controller of Government Steam Vessels, Master Attendants, Commissariat Officers, Governor General's Agents, Salt Agents and Opium Agents.

II. Complaints having been frequently made, that the quantity of Stationery when received does not agree with that exhibited in the Invoice or Receipts, it is desirable that on the arrival of the Stationery at its destination, the Box or Boxes be opened in the presence of the Head of the Office, and the contents compared with the Receipts sent from the Stationery Office for signature.

III. Particular attention is also called to the Notification of the 25th February last, relative to the dates on or before which Indents are required to be sent in from Stations above and below Allahabad.

*Fort William, Home Department, Legislative, the 3d July, 1847.*

The following Draft of a proposed Act was read in Council for the first time on the 3d of July, 1847:

ACT No. —— OF 1847.

*An Act for remedying a defect in the Law regarding undiscovered defaults in the prosecution of Suits.*

Whereas inconvenience has resulted from the rule that the discovery of defaults in the prosecution of suits and appeals brought in any Court of the East India Company, within the Territories subject to the Presidencies of Bengal and Madras, invalidates all proceedings in such suits and appeals, which may have been had since the occurrence of such default:

It is hereby enacted, that in the said Courts every default of a plaintiff or appellant, in all suits or appeals now pending or hereafter to be brought, and in all suits which have been decided but are still open to appeal, shall be held to be cured whenever the opposite party, passing over the default, shall have taken any step in the suit or appeal, and whenever the Court shall have passed judgment in the suit or appeal, whether such opposite party shall or shall not have taken any such step.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be re-considered at the first Meeting of the Legislative Council of India after the 3d day of October next.

NOTIFICATION.—In modification of the rules for bonding Salt, promulgated on the 28th September 1841, under the authority of the Board of Customs, Salt and Opium, it is hereby notified, that parties desirous of bonding imported Salt in private Warehouses, may apply to the Collector of Customs for a license in the form C appended to Act No. XXV. of 1836.

If the Board are satisfied, on the Collector's report, that the Warehouses mentioned in the application are well adapted for the secure custody of the Salt, a license will be granted under Section XIX. of the abovementioned Act, and Salt may then be bonded therein, under the restrictions provided by the Act in respect of any other article of merchandize b nded in a private Warehouse.

A portion of the Government Golahs at Sulkea will be set apart from the 15th proximo as a public Warehouse for the reception of Salt, on the same terms, at a fixed rent; and will continue to be available for that purpose, until required by Government.

The rate of wastage allowed upon Salt, so Warehoused, will be at the rate of four per cent. per annum, upon the quantity weighed over the ship's side; but the Import duty will be settled on the quantity so delivered, according to the provision of Section XVIII. Act No. XXV. of 1836.

Warehouses licensed for the reception of Salt under bond, will not be available for goods of any other description.

All expenses attending the receipt, storage, custody and delivery of Salt at Warehouses licensed as above, or in the Sulkea Golahs, will be borne by the parties availing themselves of the privilege.

Parties who are unable to provide Warehouses so constructed and situated as, in the opinion of the Board, effectually to provide for the secure custody of Salt while under bond, will be allowed, as before, to Warehouse their Salt under the rules of the 28th September 1841, which otherwise remain in full force, except in so far as they are modified by this Notification.

By order of the Board of Customs, Salt and Opium, the 30th June 1847,

| | | |
|---|---|---|
| Produce of Behar Agency, ..... | Chests | 1,685 |
| Ditto of Benares ditto,..... | „ | 724 |
| Total Chests,... | | 2,409 |

## CONDITIONS OF SALE.

1st.—The Opium will be sold for Exportation by Sea only, and no Certificate will be granted except to cover such Export.

2d.—The Opium will be ordinarily offered for Sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price; except under the circumstances for which provision is made by Clause the 12th of the Conditions of Sale.

3d.—The Sale shall commence at the hour of 11 A. M., and shall not be continued after the hour of 5 P. M; but if at that hour any of the lots advertized for Sale shall remain unsold, the Sale may at the discretion of the Board of Customs, Salt and Opium, be resumed on the next day following (not being Sunday or a public Holiday) at the hour of 11 A. M., and so on until the whole of the remaining lots are disposed of; or, if the quantity of 2,409 Chests shall not be sold on the day advertized, the Board may dispose of the Lots which remain on hand at a future Sale.

4th.—Each Lot to contain Five Chests.

5th.—A deposit in a Promissory Note for 25 per Cent. even money of the amount for which each lot is knocked down, shall be made by the purchaser in the Sale Room, and before the lot is Registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the Purchasers at this Office, by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'Clock of the afternoon of Thursday, the 15th of July, 1847; or on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid, shall have been delivered in, shall be re-sold at such time or times, and under such conditions of re-sale as the Board of Customs, Salt and Opium, shall see fit, and all losses and expences whatsoever attending such re-sale, shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6th.—The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 15th of July, 1847, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7th.—No Tender of Money, Sub-Treasurer's Receipts or Public Securities, on account of Opium, upon which the prescribed deposit may not have been made before 4 o'Clock of the 15th July 1847, will be afterwards accepted.

8th.—The Opium now advertised for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Tuesday the 27th of July 1847, and in case any lots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or even Public Securities that may have been deposited on account of such lots or chests, shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium, shall think fit, and the first Purchaser shall be required to make good any loss or difference of price between that obtained at the re-sale, and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9th.—Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood, that the Certificates or Orders so taken out shall be considered final and not afterwards changeable for other Certificates or Orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less than the number of lots or chests originally required to be included in each Certificate or Order.

10th.—No Sub-Treasurer's Receipts, or Deposit of Public Securities, under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the Purchaser in the Sale Book, or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such Purchaser, and the Securities so deposited will be returned when clearance has been made by the said Purchaser or his order.

11th.—The Officer Superintending the Sale on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time, a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid.

12th.—With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified, that the Officer of Government Superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first bonâ fide bidder for a lot, after it has been offered for Sale in the mode here described, shall be held and declared to be the Purchaser of the said lot, and the Officer of Government Superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper; provided always, that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2d Clause of these Conditions.

13th.—The Purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of twenty-five lots, and for the lots so purchased, the Purchaser shall deposit for each lot 25 per Cent. even money of the amount bid by him for the first lot, and pay the

same price per chest as that for which he purchased his first lot; provided always, that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th.—In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th.—The following Papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date, by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1—Certificate of the Opium now advertized for Sale.

No. 2—Report of the Examination of such Opium.

16th.—The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for the years 1845-46, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the Drug when packed at Behar and Benares, and a statement of the average weight of six chests from each dispatch at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the Purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th.—Any further information respecting weight or quality of the Opium advertised for sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium; but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the drug, which may be preferred in reference to chests after the sale and delivery of the Opium for shipment.

By Order of the Board of Customs, Salt and Opium,

The following Draft of a proposed Act was read in Council for the first time on the 3d of July, 1847:

ACT No. —— OF 1847.

*An Act for remedying a defect in the Law regarding undiscovered defaults in the prosecution of Suits.*

Whereas inconvenience has resulted from the rule that the discovery of defaults in the prosecution of suits and appeals brought in any Court

It is hereby enacted, that in the said Courts every default of a plaintiff or appellant, in all suits or appeals now pending or hereafter to be brought, and in all suits which have been decided but are still open to appeal, shall be held to be cured whenever the opposite party, passing over the default, shall have taken any step in the suit or appeal, and whenever the Court shall have passed judgment in the suit or appeal, whether such opposite party shall or shall not have taken any such step.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be re-considered at the first Meeting of the Legislative Council of India after the 3d day of October next.

NOTIFICATION.—In modification of the rules for bonding Salt, promulgated on the 28th September 1841, under the authority of the Board of Customs, Salt and Opium, it is hereby notified, that parties desirous of bonding imported Salt in private Warehouses, may apply to the Collector of Customs for a license in the form C, appended to Act No. XXV. of 1836.

If the Board are satisfied, on the Collector's report, that the Warehouses mentioned in the application are well adapted for the secure custody of the Salt, a license will be granted under Section XIX. of the abovementioned Act, and Salt may then be bonded therein, under the restrictions provided by the Act in respect of any other article of merchandize bonded in a private Warehouse.

A portion of the Government Golahs at Sulkea will be set apart from the 15th proximo as a public Warehouse for the reception of Salt, on the same terms, at a fixed rent; and will continue to be available for that purpose, until required by Government.

The rate of wastage allowed upon Salt, so Warehoused, will be at the rate of four per cent. per annum, upon the quantity weighed over the ship's side; but the Import duty will be settled on the quantity so delivered, according to the provision of Section XVIII. Act No. XXV. of 1836.

Warehouses licensed for the reception of Salt under bond, will not be available for goods of any other description.

All expenses attending the receipt, storage, custody and delivery of Salt at Warehouses licensed as above, or in the Sulkea Golahs, will be borne by the parties availing themselves of the privilege.

Parties who are unable to provide Warehouses so constructed and situated as, in the opinion of the Board, effectually to provide for the secure custody of Salt while under bond, will be allowed, as before, to Warehouse their Salt under the rules of the 28th September 1841, which otherwise remain in full force, except in so far as they are modified by this Notification.

By order of the Board of Customs, Salt and Opium, the 30th June 1847,

CECIL BEADON, *Offg. Secretary.*

| | | |
|---|---|---|
| Produce of Behar Agency, | Chests | 1,685 |
| Ditto of Benares ditto, | „ | 724 |
| Total Chests,... | | 2,409 |

### CONDITIONS OF SALE.

1st.—The Opium will be sold for Exportation by Sea only, and no Certificate will be granted except to cover such Export.

2d.—The Opium will be ordinarily offered for Sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price; except under the circumstances for which provision is made by Clause the 12th of the Conditions of Sale.

3d.—The Sale shall commence at the hour of 11 A. M., and shall not be continued after the hour of 5 P. M; but if at that hour any of the lots advertized for Sale shall remain unsold, the Sale may at the discretion of the Board of Customs, Salt and Opium, be resumed on the next day following (not being Sunday or a public Holiday) at the hour of 11 A. M., and so on until the whole of the remaining lots are disposed of; or, if the quantity of 2,409 Chests shall not be sold on the day advertized, the Board may dispose of the Lots which remain on hand at a future Sale.

4th.—Each Lot to contain Five Chests.

5th.—A deposit in a Promissory Note for 25 per Cent. even money of the amount for which each lot is knocked down, shall be made by the purchaser in the Sale Room, and before the lot is Registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the Purchasers at this Office, by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'Clock of the afternoon of Thursday, the 15th of July, 1847; or on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid, shall have been delivered in, shall be re-sold at such time or times, and under such conditions of re-sale as the Board of Customs, Salt and Opium, shall see fit, and all losses and expences whatsoever attending such re-sale, shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6th.—The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 15th of July, 1847, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7th.—No Tender of Money, Sub-Treasurer's Receipts or Public Securities, on account of Opium, upon which the prescribed deposit may not have been made before 4 o'Clock of the 15th July 1847, will be afterwards accepted.

8th.—The Opium now advertised for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Tuesday the 27th of July 1847, and in case any lots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or even Public Securities that may have been deposited on account of such lots or chests, shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium, shall think fit, and the first Purchaser shall be required to make good any loss or difference of price between that obtained at the re-sale, and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9th.—Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood, that the Certificates or Orders so taken out shall be considered final and not afterwards changeable for other Certificates or Orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less than the number of lots or chests originally required to be included in each Certificate or Order.

10th.—No Sub-Treasurer's Receipts, or Deposit of Public Securities, under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the Purchaser in the Sale Book, or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such Purchaser, and the Securities so deposited will be returned when clearance has been made by the said Purchaser or his order.

11th.—The Officer Superintending the Sale on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time, a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid.

12th.—With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified, that the Officer of Government Superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first bonâ fide bidder for a lot, after it has been offered for Sale in the mode here described, shall be held and declared to be the Purchaser of the said lot, and the Officer of Government Superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper; provided always, that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2d Clause of these Conditions.

13th.—The Purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of twenty-five lots, and for the lots so purchased, the Purchaser shall deposit for each lot 25 per Cent. even money of the amount bid by him for the first lot, and pay the same price per chest as that for which he purchased his first lot; provided always, that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th.—In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th.—The following Papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date, by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1—Certificate of the Opium now advertized for Sale

No. 2—Report of the Examination of such Opium.

16th.—The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for the years 1845-46, the same precautions have been taken as those which have been observed during past years to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the Drug when packed at Behar and Benares, and a statement of the average weight of six chests from each dispatch at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the Purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th.—Any further information respecting weight or quality of the Opium advertised for sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium; but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the drug, which may be preferred in reference to chests after the sale and delivery of the Opium for shipment.

By Order of the Board of Customs, Salt and Opium,

CECIL BEADON, *Offg. Secretary.*

*Fort William, Home Department, Legislative, the 3d July* 1847.

The following Draft of a proposed Act was read in Council for the first time on the 3d of July 1847.

ACT No. —— OF 1847.

*An Act to amend the Law regarding the taking of Mochulkas or Penal Recognizances.*

I. It is hereby enacted, that Section 4, Regulation IV. of 1825, of the Bengal Code, is repealed.

II. And it is hereby enacted, that in the Territories subject to the Presidency of Bengal, it shall be lawful for the Zillah and City Magistrates and Joint Magistrates to take Mochulkas or Penal Recognizances according to established usage in all cases wherein it may appear just and necessary to require the same for the maintenance of the peace in their respective jurisdictions although the party to be bound in such recognizances may not have been convicted of any specific offence, provided that the amount of the recognizance in all such cases shall be proportionate to the condition in life of the said party and to the circumstances of the case.

III. And it is hereby enacted, that in cases of an aggravated nature wherein it may appear necessary to require security for keeping the peace in addition to the recognizance of the party, it shall be lawful for such Magistrates to direct the same and to fix a reasonable amount for the security bond to be executed by the surety or sureties.

IV. And it is hereby enacted, that whenever it shall appear to the Magistrate that the period for which the party should be bound to keep the peace with or without additional security, need not exceed one year, it shall be lawful for him without reference to superior authority to give directions accordingly, and in default of such recognizance or additional security, to commit the party to prison in the Civil Jail until he shall do what has been required of him.

V. And it is hereby enacted, that whenever it shall appear to the Magistrate that the period for which the party should be bound to keep the peace with or without additional security ought to exceed the period of one year, the Magistrate shall record his opinion to that effect with an order specifying the amount of recognizance and security as well as the number of sureties which should in his judgment be required, and the period for which the recognizance and security should be required, which however shall in no case exceed three years. If the party shall not furnish the recognizance and security so required, the proceedings shall be laid before the Sessions Judge, who after examining them and calling for any further information which he may think necessary, shall pass orders on the case confirming, modifying or annulling the orders of the Magistrate, and if the orders so passed by the Sessions Judge confirm to any extent the requisition for recognizance or securities the Sessions Judge shall direct the Magistrate to commit the party to prison in the Civil Jail until he shall do what has been required of him.

VI. Provided always and it is hereby enacted, that no party shall be kept in prison under this Act for a longer period than that for which the recognizance and securities have been required from him.

VII. And it is hereby enacted, that the Provisions contained in Sections 5, 6 and 7, of Regulations VIII. of 1818, of the Bengal Code, shall be applicable to all persons confined under this Act, and to all sureties who shall have given security under this Act.

VIII. And it is hereby enacted, that all sentences and orders passed under this Act shall be appealable subject to the general provisions which regulate appeals.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be reconsidered at the first meeting of the Legislative Council of India after the 3d day of September next.

The following Draft of a proposed Act was read in Council for the first time on the 3d of July, 1847:

ACT No. —— OF 1847.

*An Act for remedying a defect in the Law regarding undiscovered defaults in the prosecution of Suits.*

Whereas inconvenience has resulted from the rule that the discovery of defaults in the prosecution of suits and appeals brought in any Court of the East India Company, within the Territories subject to the Presidencies of Bengal and Madras, invalidates all proceedings in such suits and appeals, which may have been had since the occurrence of such default:

It is hereby enacted, that in the said Courts every default of a plaintiff or appellant, in all suits or appeals now pending or hereafter to be brought, and in all suits which have been decided but are still open to appeal, shall be held to be cured whenever the opposite party, passing over the default, shall have taken any step in the suit or appeal, and whenever the Court shall have passed judgment in the suit or appeal, whether such opposite party shall or shall not have taken any such step.

Ordered, that the Draft now read be published for general information.

The following Draft of a proposed Act was read in Council for the first time on the 3d of July 1847.

ACT No. —— OF 1847.

*An Act to amend the Law regarding the taking of Mochulkas or Penal Recognizances.*

I. It is hereby enacted, that Section 4, Regulation IV. of 1825, of the Bengal Code, is repealed.

II. And it is hereby enacted, that in the Territories subject to the Presidency of Bengal, it shall be lawful for the Zillah and City Magistrates and Joint Magistrates to take Mochulkas or Penal Recognizances according to established usage in all cases wherein it may appear just and necessary to require the same for the maintenance of the peace in their respective jurisdictions although the party to be bound in such recognizances may not have been convicted of any specific offence, provided that the amount of the recognizance in all such cases shall be proportionate to the condition in life of the said party and to the circumstances of the case.

III. And it is hereby enacted, that in cases of an aggravated nature wherein it may appear necessary to require security for keeping the peace in addition to the recognizance of the party, it shall be lawful for such Magistrates to direct the same and to fix a reasonable amount for the security bond to be executed by the surety or sureties.

IV. And it is hereby enacted, that whenever it shall appear to the Magistrate that the period for which the party should be bound to keep the peace with or without additional security, need not exceed one year, it shall be lawful for him without reference to superior authority to give directions accordingly, and in default of such recognizance or additional security, to commit the party to prison in the Civil Jail until he shall do what has been required of him.

V. And it is hereby enacted, that whenever it shall appear to the Magistrate that the period for which the party should be bound to keep the peace with or without additional security ought to exceed the period of one year, the Magistrate shall record his opinion to that effect with an order specifying the amount of recognizance and security as well as the number of sureties which should in his judgment be required, and the period for which the recognizance and security should be required, which however shall in no case exceed three years. If the party shall not furnish the recognizance and security so required, the proceedings shall be laid before the Sessions Judge, who after examining them and calling for any further information which he may think necessary, shall pass orders on the case confirming, modifying or annulling the orders of the Magistrate, and if the orders so passed by the Sessions Judge confirm to any extent the requisition for recognizance or securities the Sessions Judge shall direct the Magistrate to commit the party to prison in the Civil Jail until he shall do what has been required of him.

VI. Provided always and it is hereby enacted, that no party shall be kept in prison under this Act for a longer period than that for which the recognizance and securities have been required from him.

VII. And it is hereby enacted, that the Provisions contained in Sections 5, 6 and 7, of Regulations VIII. of 1818, of the Bengal Code, shall be applicable to all persons confined under this Act, and to all sureties who shall have given security under this Act.

VIII. And it is hereby enacted, that all sentences and orders passed under this Act shall be appealable subject to the general provisions which regulate appeals.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be reconsidered at the first meeting of the Legislative Council of India after the 3d day of September next.

*Fort William, Home Department, Legislative, the 10th July, 1847.*

The following extract from the proceedings of the Hon'ble the President of the Council of India in Council, in the Legislative branch of the Home Department, under date the 10th July 1847, is published for general information:

Read a second time the Draft of a proposed Act dated the 7th November 1846, and published in the Calcutta Gazette of the 11th November 1846, for the Survey and Assessment of Lands in the Town of Calcutta, within the local limits of the jurisdiction of Her Majesty's Supreme Court of Judicature.

*Resolution.*—The Hon'ble the President in Council resolves, that the following amended Draft on the subject be published for general information.

ACT No. —— OF 1847.

*An Act for the Survey of Lands in the Town of Calcutta, within the Local limits of the Jurisdiction of Her Majesty's Supreme Court of Judicature.*

Whereas it is expedient that a correct Survey should be made of all lands in the Town of Calcutta within the local limits of Her Majesty's Supreme Court of Judicature:

It is therefore hereby enacted, that it shall be lawful for the Governor of Bengal to appoint an Officer to Survey the lands situate within the said local limits, and such Officer shall proceed to Survey the same and to register the names of the owners and occupiers thereof as far as they can be ascertained, and such Officer shall, by public notification, invite all persons owning or occupying lands and tenements within the said local limits to appear before him in person or by duly constituted attorney at whatever place within the said limits his office may be held, and to bring with him all Pottahs, Ground Rent Bills, Bills of Sale, or other writings requisite for the ascertainment of the past and present boundaries of such lands.

II. And it is hereby enacted, that the said Officer shall for the purposes of this Act have full power and authority at all seasonable hours in the day time to enter or to direct his Subordinate Officers to enter into and upon any land or tenement within the said local limits, and in and upon the land on which any house, building or other erection is built or building or intended to be built, and into and upon any buildings or any part thereof without being liable to any action at law or suit in Equity, or any other legal proceedings or molestation whatsoever for or on account of such entry into, or of any thing done or to be done in any part thereof in pursuance of this Act. Provided, that such Officer or Subordinate Officers shall not enter upon any lands or tenements which may be occupied at the time unless with the consent of the occupier thereof, without previously giving the said occupier reasonable notice of his or their intention to do so. Provided also, that if any action shall be commenced in the Supreme Court against any such Officer or Subordinate Officer for any entry made or other thing done under the authority of, or in pursuance of this Act, it shall be lawful for him or them to plead the general issue and to give the special matter in evidence.

III. And it is hereby enacted, that if any person at any time shall obstruct or molest the said Officer or any of his subordinate Officers in the performance and execution of his or their duty, or any thing which they are required to do by or by virtue or in consequence of this Act, every such person so offending shall be guilty of a misdemeanour and shall on conviction before a Magistrate for the Town of Calcutta, forfeit and pay for every such offence any sum not exceeding 200 Rupees.

IV. And whereas such notification as is directed by Section 1 of this Act, may not in all cases be effectual, it is therefore hereby enacted, that it shall be lawful for the Surveying Officer to cause any person owning or occupying lands or tenements within the said local limits, or his Agents or representatives, to be served with a special notice under his official seal and signature, stating the purpose for which the attendance of such person is required, and any document essential for the purposes of this Act which such person is to bring with him and the period within which such person is to attend, and if such person cannot be found the notice shall be affixed to his usual place of residence if that be within the said local limits, or if not, then on the Premises to be surveyed. Provided always, that no person shall be required to produce any Title Deed which such person may object to produce.

V. And it is hereby enacted, that for any investigation connected with the purposes of this Act it shall be lawful for the Surveying Officer by writing under his hand to summon any person whatsoever to attend as a witness at a time and place to be specified in such Summons, and that every witness so duly summoned to attend as aforesaid, who shall not attend, or who attending shall refuse to give evidence on oath or solemn affirmation or declaration, or to answer all such questions as the Surveying Officer may legally demand shall be liable to be attached in the Supreme Court upon complaint made in like manner as if such witness had neglected to attend on any trial in such Supreme Court.

VI. And it is hereby enacted, that any witness examined before such Surveying Officer shall be examined upon oath, which such Surveying Officer is hereby authorized to administer. Provided always, that in all cases wherein a solemn declaration or affirmation would be allowed in Her Majesty's Courts of Judicature to be substituted for an oath, the said Surveying Officer shall substitute such solemn declaration or affirmation for an oath.

VII. And it is hereby enacted, that any witness wilfully and knowingly giving false testimony on oath or solemn declaration or affirmation before such Surveying Officer shall be deemed guilty of wilful and corrupt perjury.

Ordered, that the Draft be reconsidered at the first meeting of the Legislative Council of India after the 10th day of September next.

ACT No. —— OF 1847.

*An Act to amend the Law regarding the taking of Mochulkas or Penal Recognizances.*

I. It is hereby enacted, that Section 4, Regulation IV. of 1825, of the Bengal Code, is repealed.

II. And it is hereby enacted, that in the Territories subject to the Presidency of Bengal, it shall be lawful for the Zillah and City Magistrates and Joint Magistrates to take Mochulkas or Penal Recognizances according to established usage in all cases wherein it may appear just and necessary to require the same for the maintenance of the peace in their respective jurisdictions although the party to be bound in such recognizances may not have been convicted of any specific offence, provided that the amount of the recognizance in all such cases shall be proportionate to the

condition in life of the said party and to the circumstances of the case.

III. And it is hereby enacted, that in cases of an aggravated nature wherein it may appear necessary to require security for keeping the peace in addition to the recognizance of the party, it shall be lawful for such Magistrates to direct the same and to fix a reasonable amount for the security bond to be executed by the surety or sureties.

And it is hereby enacted, that whenever it shall appear to the Magistrate that the period for which the party should be bound to keep the peace with or without additional security, need not exceed one year, it shall be lawful for him without reference to superior authority to give directions accordingly, and in default of such recognizance or additional security, to commit the party to prison in the Civil Jail until he shall do what has been required of him.

V. And it is hereby enacted, that whenever it shall appear to the Magistrate that the period for which the party should be bound to keep the peace with or without additional security ought to exceed the period of one year, the Magistrate shall record his opinion to that effect with an order specifying the amount of recognizance and security as well as the number of sureties which should in his judgment be required, and the period for which the recognizance and security should be required, which however shall in no case exceed three years. If the party shall not furnish the recognizance and security so required, the proceedings shall be laid before the Sessions Judge, who after examining them and calling for any further information which he may think necessary, shall pass orders on the case confirming, modifying or annulling the orders of the Magistrate, and if the orders so passed by the Sessions Judge confirm to any extent the requisition for recognizance or securities the Sessions Judge shall direct the Magistrate to commit the party to prison in the Civil Jail until he shall do what has been required of him.

VI. Provided always and it is hereby enacted, that no party shall be kept in prison under this Act for a longer period than that for which the recognizance and securities have been required from him.

VII. And it is hereby enacted, that the Provisions contained in Sections 5, 6 and 7, of Regulations VIII. of 1818, of the Bengal Code, shall be applicable to all persons confined under this Act, and to all sureties who shall have given security under this Act.

*Fort William, Home Department, Legislative, the 10th July, 1847.*

The following extract from the proceedings of the Hon'ble the President of the Council of India in Council, in the Legislative branch of the Home Department, under date the 10th July 1847, is published for general information:

Read a second time the Draft of a proposed Act dated the 7th November 1846, and published in the Calcutta Gazette of the 11th November 1846, for the Survey and Assessment of Lands in the Town of Calcutta, within the local limits of the jurisdiction of Her Majesty's Supreme Court of Judicature.

*Resolution.*—The Hon'ble the President in Council resolves, that the following amended Draft on the subject be published for general information.

ACT NO. —— OF 1847.

*An Act for the Survey of Lands in the Town of Calcutta, within the Local limits of the Jurisdiction of Her Majesty's Supreme Court of Judicature.*

Whereas it is expedient that a correct Survey should be made of all lands in the Town of Calcutta within the local limits of Her Majesty's Supreme Court of Judicature:

It is therefore hereby enacted, that it shall be lawful for the Governor of Bengal to appoint an Officer to Survey the lands situate within the said local limits, and such Officer shall proceed to Survey the same and to register the names of the owners and occupiers thereof as far as they can be ascertained, and such Officer shall, by public notification, invite all persons owning or occupying lands and tenements within the said local limits to appear before him in person or by duly constituted attorney at whatever place within the said limits his office may be held, and to bring with him all Pottahs, Ground Rent Bills, Bills of Sale, or other writings requisite for the ascertainment of the past and present boundaries of such lands.

II. And it is hereby enacted, that the said Officer shall for the purposes of this Act have full power and authority at all seasonable hours in the day time to enter or to direct his Subordinate Officers to enter into and upon any land or tenement within the said local limits, and in and upon the land on which any house, building or other erection is built or building or intended to be built, and into and upon any buildings or any part thereof without being liable to any action at law or suit in Equity, or any other legal proceedings or molestation whatsoever for or on account of such entry into, or of any thing done or to be done in any part thereof in pursuance of this Act. Provided, that such Officer or Subordinate Officers shall not enter upon any lands or tenements which may be occupied at the time unless with the consent of the occupier thereof, without previously giving the said occupier reasonable notice of his or their intention to do so. Provided also, that if any action shall be commenced in the Supreme Court against any such Officer or Subordinate Officer for any entry made or other thing done under the authority of, or in pursuance of this Act, it shall be lawful for him or them to plead the general issue and to give the special matter in evidence.

III. And it is hereby enacted, that if any person at any time shall obstruct or molest the said Officer or any of his subordinate Officers in the performance and execution of his or their duty, or any thing which they are required to do by or by virtue or in consequence of this Act, every such person so offending shall be guilty of a misdemeanour and shall on conviction before a Magistrate for the Town of Calcutta, forfeit and pay for every such offence any sum not exceeding 200 Rupees.

IV. And whereas such notification as is directed by Section I of this Act, may not in all cases be effectual, it is therefore hereby enacted,

that it shall be lawful for the Surveying Officer to cause any person owning or occupying lands or tenements within the said local limits, or his Agents or representatives, to be served with a special notice under his official seal and signature, stating the purpose for which the attendance of such person is required, and any document essential for the purposes of this Act which such person is to bring with him and the period within which such person is to attend, and if such person cannot be found the notice shall be affixed to his usual place of residence if that be within the said local limits, or if not, then on the Premises to be surveyed. Provided always, that no person shall be required to produce any Title Deed which such person may object to produce.

V. And it is hereby enacted, that for any investigation connected with the purposes of this Act it shall be lawful for the Surveying Officer by writing under his hand to summon any person whatsoever to attend as a witness at a time and place to be specified in such Summons, and that every witness so duly summoned to attend as aforesaid, who shall not attend, or who attending shall refuse to give evidence on oath or solemn affirmation or declaration, or to answer all such questions as the Surveying Officer may legally demand shall be liable to be attached in the Supreme Court upon complaint made in like manner as if such witness had neglected to attend on any trial in such Supreme Court.

VI. And it is hereby enacted, that any witness examined before such Surveying Officer shall be examined upon oath, which such Surveying Officer is hereby authorized to administer. Provided always, that in all cases wherein a solemn declaration or affirmation would be allowed in Her Majesty's Courts of Judicature to be substituted for an oath, the said Surveying Officer shall substitute such solemn declaration or affirmation for an oath.

VII. And it is hereby enacted, that any witness wilfully and knowingly giving false testimony on oath or solemn declaration or affirmation before such Surveying Officer shall be deemed guilty of wilful and corrupt perjury.

Ordered, that the Draft be reconsidered at the first meeting of the Legislative Council of India after the 10th day of September next.

## GENERAL POST OFFICE NOTIFICATION.

NOTICE.—The following Notice of the Post Master General of London, received through the Post Master General of Bombay, is published for general information.

W. TAYLER, *Post Master Genl.*

*Calcutta, Genl. Post Office, the 23d July,* 1847.

GENERAL POST OFFICE, MAY 1847.

The Post Master General having been informed by the Court of Directors of the East India Company, that on and after the 1st June next, persons in this Country may forward private correspondence by the Government Express from Bombay to Calcutta and Madras, all persons desirous of availing themselves of this privilege, will be required to mark upon the covers of their letters the words "By Express from Bombay," and in addition to this special address, it will be necessary, that all letters intended to be forwarded by the way of Southampton, should be so endorsed as hitherto; the postage to be charged in India in the delivery of letters sent by this Express will be in addition to the ordinary Inland rates.

One Rupee for every letter not exceeding half a tola in weight.

Two Rupees for every letter above half a tola, but not exceeding one tola in weight.

Four Rupees for every letter above one tola, but not exceeding two tolas in weight, two tolas being the maximum weight of letters to be conveyed by Express.

On Newspapers, each Newspaper Office in Calcutta and Madras, will be allowed to receive two Newspapers at the ordinary rates of Inland postage, on all other Newspapers forwarded by Express a postage of five Rupees each will be charged, and no Newspaper will be received for the Express exceeding three tolas in weight.

N. B. One tola and a quarter is nearly equivalent to half an ounce avoirdupoise.

NOTICE.—With reference to the London Post Master General's Notification regarding the rates of postage to be charged upon Letters received from Bombay by the Government Express, which was published with a notice from this Office of yesterday's date, the following Letter since received from the Post Master General of Bombay on the subject, is also published for general information.

*No.* 966 *of* 1847.

*General Department.*

To W. TAYLER, Esquire,
*Post Master General, Calcutta.*

SIR,—Adverting to my Letter, dated the 2d instant, I have the honor to suggest for your consideration, whether it would not be advisable to publish a Notice in the Calcutta Papers, intimating to the public generally, especially the Mercantile Community, that, if they desire their Overland Letters, to be forwarded on by the Government Overland Express, they should request their Correspondents to mark "per Express," and to keep within the *limited weight of two tolas;* and that, meanwhile, until the system becomes generally known, they ought to advise me, whether they wish any of their Letters, not so marked, to be sent on from Bombay by the Express.

2d.—By the last Express I dispatched as usual a number of Overland Letters, not especially marked, because, had I not done so, great disappointment would have been experienced by parties in Calcutta; but I intend to discontinue the practice, after a sufficient time has elapsed to admit of the public becoming aware of the privilege conceded by the Notification of May issued by the London General Post Office, and to dispatch by the Overland Express those Letters only which are so marked.

3d.—The public ought moreover to be most especially warned not to mark "per Express" on letters *exceeding two tolas in weight,* because such letters cannot be so dispatched. They will invariably be detained (as was the case on the arrival of the last Mail.) for transmission by the post regular dawk, dispatched after the Express.

4th.—I shall feel much obliged by your favoring me with a list of "Newspaper Offices" in Calcutta, and by your informing the parties connected therewith that not more than two papers (whether sent out from England marked "per Express," or posted in Bombay to go by Express) will, in future, be forwarded by the Government Express. Some of the Newspaper Offices have as many as six Overland Papers marked "per Express," but, as they cannot be so forwarded, it is useless to have them so marked.

5th.—The new rule limits the weight of a Newspaper to 3 *tolas,* but, if that were acted up to, the Newspaper Offices would be deprived altogether of the privilege conceded by the Notification of May last, as an Overland Paper invariably weighs more than 3 and generally very nearly 6 tolas. I have therefore determined to send two Overland Papers to each Office, *without reference to that limit,* and shall continue the practice until

I receive orders to the contrary from Government or the Home Authorities.

I have, &c.,

(Sd.) A. W. RAVENSCROFT,

To ensure its arrival at Kedgeree, in time to reach the Steamer, the public are particularly requested to observe that no Letters for the "Precursor" can be received after 4 P. M of that date.

*Pre-Payment of Indian (Inland and Ship) Postage on Covers forwarded to Hong Kong.*

NOTICE is hereby given, that in conformity to the instructions of Her Majesty's Post Master General, no Letter or Newspaper will, in future, be received at this Office for transmission to Hong Kong, unless the entire amount of Indian (Inland and Ship) Postage due for the conveyance of the same to its ulterior destination, shall be previously paid by the Sender at the time of posting at the Despatching Office.

It is to be distinctly understood that this rule does not apply to the description of covers forwarded by the Peninsular and Oriental Company's Contract Steamers, as on them, the prescribed British Packet rate of Postage is charged.

*Calcutta, Genl. Post Office, the 4th Sept.* 1846.

---

NOTICE is hereby given, that the Bombay Mail despatched on the 6th June last, and 14 other Packets, have been lost in transit to this Presidency between Ahmednuggor and the Godavery River.

*Revised Rates of British Packet Postage, leviable on Newspapers, Prices Current and Commercial Lists, conveyed by the Peninsular and Oriental Company's Steamers from and to Indian Ports.*

WITH reference to the Notification issued by this Office, under date the 17th April last, further notice is hereby given for general information, that under the instructions of Government, every Newspaper, Price Current, or Commercial List, which may be posted for conveyance by the Peninsular and Oriental Company's Contract Steamers, from any one Indian Port to another, shall henceforth be charged with British Packet Postage, at the rate of Nine Pie, or Three Pice, (Three Quarters of an Anna,) instead of Eight Pie, as formerly fixed.

## STEAM NOTICE.

The Cargo Boat "Luckia," in tow of a Steamer, will be despatched to the North Western Provinces on the 31st instant, via the Bhagerutty.

Applications for Freight and Passage to be made at the Office of the Controller of Government Steam Vessels, and Goods will be received from the 28th instant.

By order of the Superintendent of Marine,

J. WOODLEY,

*Clerk of the Government Boat Office.*

*Steam Department, the 24th July,* 1847.

No. 4130.

## STEAM TO DACCA AND GOWAHATTE IN ASSAM.

GOVERNMENT having decided on opening a Steam Communication with Gowahuttee in Assam *via* Dacca and Serajgunge, notice is hereby given, that the first boats for this line, a Steamer and a Flat, will be despatched on the 13th Proximo; and the communication be continued Monthly for THREE YEARS.

The following Regulations and Rates of Charge for accommodation of Passengers, and conveyance of Goods on the Government Boats employed in the above Navigation, are published for general information:

*Of Passage.*

All applications for Passage on the Government Boats proceeding to Dacca and Assam, must be made at the Boat Office in Calcutta, and all applications for Cabins on the Boats returning from Assam, must be made to the Steam Boat Agent at the nearest place to that of embarkation.

The distance between Calcutta and Gowahuttee is assumed to be 600 miles, and the distance from Calcutta to the different Stations as follows:

| | | |
|---|---|---|
| Burrisaul, | 200 | Miles. |
| Dacca, | 300 | ,, |
| Seraj Gunge, | 400 | ,, |
| Dewan Gunge, | 450 | ,, |
| Bugwah, | 500 | ,, |
| Gowalpara, | 550 | ,, |
| Gowahuttee, | 600 | ,, |

An Accommodation or a Cargo Boat will be employed in this line, as far as Dacca, the Steamer only going on to Gowahuttee until the demand for freight to and from places above Dacca is more than a Steamer can supply. In the first there are 3 classes of Cabins, but there will be no distinction in the charge, and the preference in the selection will be given to those who engage for the longest distances or otherwise, according to priority of application.

To Burrisaul or Dacca the charge will be Seventy-five Rupees, to Gowahuttee One Hundred and Fifty Rupees, or at the rate of Twenty-five Rupees for every 100 miles, of the estimated distance according to which the passage for intermediate distances will be rated.

One Servant is allowed to each Cabin occupied by one person, but if a Cabin be occupied by more than one person, an additional charge will be made of Nine Rupees, which will entitle the Cabin to a second Servant. All other extra Servants will be considered as Deck Passengers, the charge for which will be half an Anna per mile, or Eighteen Rupees Twelve Annas from Calcutta to Gowahuttee; Deck Passengers will pay Eighteen Rupees to Gowahuttee, or half an Anna a mile for any shorter distance.

The charge for passage on return voyages will be the same as above.

Passengers are allowed to carry such Baggage and Cabin Furniture within their Cabins as is necessary for the voyage; and this may include a Piano if required for use during the voyage and not in a packing case: but Pianos in packing cases and all other packages, as cases of Millinery, Saddlery, Glass and Earthen-ware, Beer and Wines, and other Stores, will be stowed in another part of the vessel; and to the extent of half a ton, or 25 cubic feet, be charged for at half the established rate of Freight; all in excess of half a ton will be charged at the full rate of Freight.

Deck Passengers are allowed one Roll of Bedding 2 feet wide, and a box of six cubic feet solid contents.

A Table is provided by the Commander at Four Rupees per Diem for each person, exclusive of Wines and Beer, which if provided by the Commander, are charged at regulated prices, of which a list is exhibited in the Dining Room, and all Refreshments required between the regular meals of Breakfast at ½ past 8, Biscuit, &c. at noon, Dinner at 3 P. M., and Tea and Coffee in the evening. Persons who provide their own Wines, will pay 3 annas for each cork drawn.

Children who do not come to the Table are provided at One Rupee per day, the same charge is made for Christian Servants.

Mussulman Servants may feed with the Crew, paying a rate of Two Annas per day. Hindoos must provide their own food.

The Passage Money, and a deposit of Four Rupees per day for the estimated term of the voyage, must be paid on engaging a passage, and any surplus of Table Money will be returned, or an additional charge be made by the Commander, as the voyage may fall short of or exceed the time for which the deposit was calculated. Half the Passage Money, and half the Table Money become forfeit by persons who relinquish a passage after having engaged it.

The despatch of Boats will be duly advertized, and if any change in the Boats occurs, Accommodation or Freight engaged for the one advertized, will be assigned on the one substituted.

*Of Freight.*

All Goods intended for shipment on the Government Boats must be sent to the Boat Office, in Church Lane, Calcutta, between the hours of Ten and Four, Sundays, Christmas Days, and Good Fridays excepted.

Goods will not be received for shipment unless they be addressed to a resident at the place at which they are to be delivered from the Boats. The direction must be marked on something not liable to be destroyed by vermin, and from which it may not easily be obliterated. A direction written on a card or marked with ink on a tin box, would be liable to the above objection.

The Boat Office will not be responsible for any damage or loss that may be occasioned by accident to the vessel or other cause whatever, not traceable to negligence or mismanagement of those belonging to the vessel.

All Goods sent to the Boat Office must be accompanied by a note, with suitable direction for the guidance of the Officers of the Department.

Goods not applied for on board the Boat by the Consignee, will be carried on and charged with additional freight, unless addressed to the Steam Agent, in which case they will be delivered to him. It must be understood, however, that although all persons are at liberty to consign their goods to the Steam Agent of the stations at which they are to be landed, *the Government is not responsible for such Steam Agent, or for the safety of the goods after the delivery of the same to the Consignee or to his order, whether such Consignee be the Steam Agent or any other person.* Goods intended for the final station, if not applied for within 24 hours after the Boat's arrival there, will be delivered to the Steam Agent at the risk of the shipper.

Freight on all Packages, excepting Treasure laden in Calcutta, or for which tonnage is reserved in Calcutta, and which do not exceed in weight 35lbs. per cubic foot, will be charged by the cubic foot.

Packages exceeding thirty-five pounds, or 17½ seers per cubic foot, will be charged by the weight.

*From Calcutta,*

| | Per Foot. | Per Seer. |
|---|---|---|
| To Burrisaul, ..... | 8 Ans. | 6 Pie. |

| „ Dewangunge, ..... | | |
| „ Bugwah, ..... | | |

The charge for Freight downwards will be 6 annas per maund for all distances above Dacca; articles weighing less than 35 lbs. or 17½ seers per cubic foot, to be charged by measurement at 4 annas per foot. From Dacca and places near Calcutta, 5 annas per maund, 2½ annas per foot.

*Dispatch of Boats, and probable dates of Arrival at different Places.*

It is intended that the Boats shall leave Calcutta the 13th of every month, except when the 13th falls on a Sunday, when they will be dispatched on the 12th. The following is the estimated time the Boats will take, and the date on which they will probably arrive at the different Stations up and down, leaving Calcutta on the 13th to get back there, by the 9th the boats will reach—

Intermediate ditto Two Pie per mile per thousand.

Freight on Copper Coins will be charged by the weight at 8 Pie per lb. from Calcutta—and down and intermediately, the same as on weighable Goods.

Treasure is deliverable to the Bill of Lading only, and parties neglecting to apply for Treasure will be subjected to additional Freight for the distance it may become necessary to carry it in consequence of their negligence.

Applications for Freight on the Vessel downward must be made to the Steam Boat Agent at Gowahuttee or Seraj Gunge, or at the nearest Station, by letter, describing the Goods to be despatched, their weight and measurement.

The Steam Agent will in reply, name the Boat in which he assigns tonnage, and if from any cause, as damage to the Boat, deviation from her intended voyage on unexpected demand on account of Government, a circumstance likely seldom to occur, the tonnage should be rendered non-available, the party for whom such tonnage has been registered must bear the inconvenience, and he will have no claim for indemnification by assignment of Freight in another Vessel to the detriment of any other person who may have engaged tonnage subsequently to the disappointed party, whose right to tonnage will be limited to such as may be available in the Vessel previously named, but in that Vessel, the claim to such tonnage as may remain available will be acknowledged according to priority of application. Thus the entire tonnage of a Boat may have been assigned in rotation by the Steam Agent to A. B. and C., after which the Government unexpectedly make a demand for more or less, the remaining portion will go to satisfy the claim of A. then of B. &c. The latter applications being thrown out partially or wholly, as the case may be.

The Agent will be instructed to acknowledge the applications made to him for tonnage in the following terms:—"Sir, in reply to your letter of the I beg to say tonnage for chests of Indigo and maunds of Sugar is assigned to you on the Registered No. of application."

The Agent is instructed to keep a correct Register of daily assignments, and to transmit a copy daily to the Controller of Steam Vessels.

The Boats will make the following stoppages, at different stations, during daylight:

| | | |
|---|---|---|
| At Burrisaul, . . . | 3 | hours. |
| „ Dacca, . . . . | 4 | ditto. |
| „ Seraj Gunge, . . . | 4 | ditto. |
| „ Dewan Gunge, . . | 3 | ditto. |
| „ Bugwah, . . . | 3 | ditto. |
| „ Gowalpara, . . . | 3 | ditto. |
| „ Gowahuttee, . . . | 48 | ditto, clear. |

Should Freight not be ready for shipment on the arrival of the Boat at the several stations, the Commander of the Steamer will have peremptory orders to proceed to the next Station.

Treasure laden on a Boat whose progress is arrested, will be retained on board until the Boat is enabled to proceed to her destination, unless the Consignees holding the Bill of Lading of such Treasure may require its delivery, giving a full

acquittance for the Treasure, and receiving such difference of Freight as may have been paid in excess of what would have been charged for conveyance of such Treasure to the place of its delivery.

The Steam Agents at the different Stations make no charge for landing Goods from the Boats into their Godowns; nor for shipping Goods delivered into their Godowns, provided such Goods are not merchandise, intended for traffick, nor animals nor machines for conveyance; for all such they will charge the following rates:

For embarking or landing a Horse, Cow or Bull, Rs. 2.

A Calf, Dog, Sheep, or Goat with or without Kid, Annas 2.

A Barouche, Phaeton, Palankeen Carriage, Britzka, Rs. 3.

A Buggy or Palankeen, Rupee 1.

A Box, Bale, Chest or Cask, large or small, Annas 2.

A bag of Sugar or Saltpetre ditto ditto Anna 1.

When Goods are consigned to Calcutta, it is optional with Shippers to pay the Freight or to leave the same to be collected on delivery of the Goods. Freight must be paid to the Agent or Commander of the Boat for all Goods shipped away from Calcutta, and not deliverable at Calcutta. And no Packages will be received into the Boat Office for transmission on which Freight is not paid at the time.

By Order of the Superintendent of Marine,

JAS. SUTHERLAND,

*Secretary.*

*Steam Department,*
*The 27th July*, 1847.

N. B.—No Package, however small, is conveyed for a less charge than 1 Rupee 8 Annas, either upward or downward.

*Simla, 16th July, 1847.*—The Right Hon'ble the Governor General is pleased to publish the following Extract of a Military Letter from the Hon'ble the Court of Directors to the Government of Bengal, No. 51, dated 12th May 1847, paragraphs 16 to 18:

"16. It has always been intended that our Veterinary Surgeons should be duly Commissioned like those in Her Majesty's Service, with date of rank from the date of admission to the Service by the Government in India. We now learn that Commissions have not been issued at your Presidency or at Madras, since the year 1828, in consequence of our not having sent out their order of rank since that time."

"*Letter dated 25th Nov. 1846, No. 120.*

Forward with observations a correspondence, originating in a reference from the Government of Bombay regarding the relative rank and position of the Veterinary Surgeons of the Company's Service with the Officers of the Corps to which they may be attached."

"17. Veterinary Surgeons being appointed singly, and generally at long intervals between each other, it has not been necessary to fix their relative rank by lists of rank like those for Military and Medical Officers, but they should not on this account be deprived of the usual Commissions, you will accordingly take measures for the issue of these Commissions, with date of rank in the order of their appointments."

"18. The rule as to the rank and precedence of Veterinary Surgeons which obtains in Her Majesty's Service should be extended to our Service, and we sanction its adoption accordingly."

*Simla, 19th July, 1847.*—The Right Hon'ble the Governor General of India having resolved, in the Foreign Department, that the services of Lieutenant O. GENERAL POST OFFICE, MAY 1847.

The Post Master General having been informed by the Court of Directors of the East India Company, that on and after the 1st June next, persons in this Country may forward private correspondence by the Government Express from Bombay to Calcutta and Madras, all persons desirous of availing themselves of this privilege, will be required to mark upon the covers of their letters the words "By Express from Bombay," and in addition to this special address, it will be necessary, that all letters intended to be forwarded by the way of Southampton, should be so endorsed as hitherto; the postage to be charged in India in the delivery of letters sent by this Express will be in addition to the ordinary Inland rates.

One Rupee for every letter not exceeding half a tola in weight.

Two Rupees for every letter above half a tola, but not exceeding one tola in weight.

Four Rupees for every letter above one tola, but not exceeding two tolas in weight, two tolas being the maximum weight of letters to be conveyed by Express.

On Newspapers, each Newspaper Office in Calcutta and Madras, will be allowed to receive two Newspapers at the ordinary rates of Inland postage, on all other Newspapers forwarded by Express a postage of five Rupees each will be charged, and no Newspaper will be received for the Express exceeding three tolas in weight.

NOTICE.—With reference to the London Post Master General's Notification regarding the rates of postage to be charged upon Letters received from Bombay by the Government Express, which was published with a notice from this Office of yesterday's date, the following Letter since received from the Post Master General of Bombay on the subject, is also published for general information.

W. TAYLER,

*No.* 966 *of* 1847.

*General Department.*

To W. TAYLER, Esquire,
*Post Master General, Calcutta.*

SIR,—Adverting to my Letter, dated the 2d instant, I have the honor to suggest for your consideration, whether it would not be advisable to publish a Notice in the Calcutta Papers, intimating to the public generally, especially the Mercantile Community, that, if they desire their Overland Letters, to be forwarded on by the Government Overland Express, they should request their Correspondents to mark "per Express," and to keep within the *limited weight of two tolas;* and that, meanwhile, until the system becomes generally known, they ought to advise me, whether they wish any of their Letters, not so marked, to be sent on from Bombay by the Express.

2d.—By the last Express I dispatched as usual a number of Overland Letters, not especially marked, because, had I not done so, great disappointment would have been experienced by parties in Calcutta; but I intend to discontinue the practice, after a sufficient time has elapsed to admit of the public becoming aware of the privilege conceded by the Notification of May issued by the London General Post Office, and to dispatch by the Overland Express those Letters only which are so marked.

3d.—The public ought moreover to be most especially warned not to mark "per Express" on letters *exceeding two tolas in weight*, because such letters cannot be so dispatched. They will invariably be detained (as was the case on the arrival of the last Mail.) for transmission by the post regular dawk, dispatched after the Express.

4th.—I shall feel much obliged by your favoring me with a list of "Newspaper Offices" in Calcutta, and by your informing the parties connected therewith that not more than two papers (whether sent out from England marked "per Express," or posted in Bombay to go by Express) will, in future, be forwarded by the Government Express. Some of the Newspaper Offices have as many as six Overland Papers marked "per Express," but, as they cannot be so forwarded, it is useless to have them so marked.

5th.—The new rule limits the weight of a Newspaper to 3 *tolas*, but, if that were acted up to, the Newspaper Offices would be deprived altogether of the privilege conceded by the Notification of May last, as an Overland Paper invariably weighs more than 3 and generally very nearly 6 tolas. I have therefore determined to send two Overland Papers to each Office, *without reference to that limit*, and shall continue the practice until I receive orders to the contrary from Government or the Home Authorities.

I have, &c.,

## STEAM TO DACCA AND GOWAHATTE IN ASSAM.

GOVERNMENT having decided on opening a Steam Communication with Gowahuttee in Assam *via* Dacca and Serajgunge, notice is hereby given, that the first boats for this line, a Steamer and a Flat, will be despatched on the 13th Proximo; and the communication be continued Monthly for THREE YEARS.

The following Regulations and Rates of Charge for accommodation of Passengers, and conveyance of Goods on the Government Boats employed in the above Navigation, are published for general information:

*Of Passage.*

All applications for Passage on the Government Boats proceeding to Dacca and Assam, must be made at the Boat Office in Calcutta, and all applications for Cabins on the Boats returning from Assam, must be made to the Steam Boat Agent at the nearest place to that of embarkation.

The distance between Calcutta and Gowahuttee is assumed to be 600 miles, and the distance from Calcutta to the different Stations as follows:

| | | |
|---|---|---|
| Burrisaul, | 200 | Miles. |
| Dacca, | 300 | „ |
| Seraj Gunge, | 400 | „ |
| Dewan Gunge, | 450 | „ |
| Bugwah, | 500 | „ |
| Gowalpara, | 550 | „ |
| Gowahuttee, | 600 | „ |

An Accommodation or a Cargo Boat will be employed in this line, as far as Dacca, the Steamer only going on to Gowahuttee until the demand for freight to and from places above Dacca is more than a Steamer can supply. In the first there are 3 classes of Cabins, but there will be no distinction in the charge, and the preference in the selection will be given to those who engage for the longest distances or otherwise, according to priority of application.

To Burrisaul or Dacca the charge will be Seventy-five Rupees, to Gowahuttee One Hundred and Fifty Rupees, or at the rate of Twenty-five Rupees for every 100 miles, of the estimated distance according to which the passage for intermediate distances will be rated.

One Servant is allowed to each Cabin occupied by one person, but if a Cabin be occupied by more than one person, an additional charge will be made of Nine Rupees, which will entitle the Cabin to a second Servant. All other extra Servants will be considered as Deck Passengers, the charge for which will be half an Anna per mile, or Eighteen Rupees Twelve Annas from Calcutta to Gowahuttee; Deck Passengers will pay Eighteen Rupees to Gowahuttee, or half an Anna a mile for any shorter distance.

The charge for passage on return voyages will be the same as above.

Passengers are allowed to carry such Baggage and Cabin Furniture within their Cabins as is necessary for the voyage; and this may include a Piano if required for use during the voyage and not in a packing case: but Pianos in packing cases and all other packages, as cases of Millinery, Saddlery, Glass and Earthen-ware, Beer, and Wines, and other Stores, will be stowed in another part of the vessel; and to the extent of half a ton, or 25 cubic feet, be charged for at half the established rate of Freight; all in excess of half a ton will be charged at the full rate of Freight.

Deck Passengers are allowed one Roll of Bedding 2 feet wide, and a box of six cubic feet solid contents.

A Table is provided by the Commander at Four Rupees per Diem for each person, exclusive of Wines and Beer, which if provided by the Commander, are charged at regulated prices, of which a list is exhibited in the Dining Room, and all Refreshments required between the regular meals of Breakfast at ¼ past 8, Biscuit, &c. at noon, Dinner at 3 P. M., and Tea and Coffee in the evening. Persons who provide their own Wines, will pay 3 annas for each cork drawn.

Children who do not come to the Table are provided at One Rupee per day, the same charge is made for Christian Servants.

Mussulman Servants may feed with the Crew, paying a rate of Two Annas per day. Hindoos must provide their own food.

The Passage Money, and a deposit of Four Rupees per day for the estimated term of the voyage, must be paid on engaging a passage, and any surplus of Table Money will be returned, or an additional charge be made by the Commander, as the voyage may fall short of or exceed the time for which the deposit was calculated. Half the Passage Money, and half the Table Money become forfeit by persons who relinquish a passage after having engaged it.

The despatch of Boats will be duly advertized, and if any change in the Boats occurs, Accommodation or Freight engaged for the one advertized, will be assigned on the one substituted.

*Of Freight.*

All Goods intended for shipment on the Government Boats must be sent to the Boat Office, in Church Lane, Calcutta, between the hours of Ten and Four, Sundays, Christmas Days, and Good Fridays excepted.

Goods will not be received for shipment unless they be addressed to a resident at the place at which they are to be delivered from the Boats. The direction must be marked on something not liable to be destroyed by vermin, and from which it may not easily be obliterated. A direction written on a card or marked with ink on a tin box, would be liable to the above objection.

The Boat Office will not be responsible for any damage or loss that may be occasioned by accident to the vessel or other cause whatever, not traceable to negligence or mismanagement of those belonging to the vessel.

All Goods sent to the Boat Office must be accompanied by a note, with suitable direction for the guidance of the Officers of the Department.

Goods not applied for on board the Boat by the Consignee, will be carried on and charged with additional freight, unless addressed to the Steam Agent, in which case they will be delivered to him. It must be understood, however, that although all persons are at liberty to consign their goods to the Steam Agent of the stations at which they are to be landed, *the Government is not responsible for such Steam Agent, or for the safety of the goods after the delivery of the same to the Consignee or to his order, whether such Consignee be the Steam Agent or any other person.* Goods intended for the final station, if not applied for within 24 hours after the Boat's arrival there, will be delivered to the Steam Agent at the risk of the shipper.

Freight on all Packages, excepting Treasure laden in Calcutta, or for which tonnage is reserved in Calcutta, and which do not exceed in weight 35lbs. per cubic foot, will be charged by the cubic foot.

Packages exceeding thirty-five pounds, or 17½ seers per cubic foot, will be charged by the weight.

*From Calcutta,*

| | Per Foot. | Per Seer. |
|---|---|---|
| To Burrisaul,..... „ Dacca, ..... | 8 Ans. | 6 Pie. |
| „ Seraj Gunge, ..... „ Dewangunge, ..... „ Bugwah, ..... | 12 Ans. | 9 Pie. |
| „ Gowalpara, ..... „ Gowahuttee,..... | 1 R. | 12 Pie. |

For intermediate distances upwards for Goods not shipped in Calcutta, 3 annas per foot, and 2 pie per seer or 1 pie per pound, will be charged for every 100 miles.

The charge for Freight downwards will be 6 annas per maund for all distances above Dacca; articles weighing less than 35 lbs. or 17½ seers per cubic foot, to be charged by measurement at 4 annas per foot. From Dacca and places near Calcutta, 5 annas per maund, 2½ annas per foot.

*Dispatch of Boats, and probable dates of Arrival at different Places.*

It is intended that the Boats shall leave Calcutta the 13th of every month, except when the 13th falls on a Sunday, when they will be dispatched on the 12th. The following is the estimated time the Boats will take, and the date on which they will probably arrive at the different Stations up and down, leaving Calcutta on the 13th to get back there, by the 9th the boats will reach—

| | *Up.* | *Down.* |

| Bugwah, ..... | 23rd | 30th |

| | *Calculated at* |
|---|---|
| Weight of a Carriage, Barouche, or Landaulet, ..... | 2500 lbs. |

*Freight on Cattle.*

| | | |

| Bulls, Cows, &c., 48† | | |
| Sheep or Dogs, Goats, ..... | 8† | If ditto at Rs. 2 ditto. |

* Goods will be charged by European or native weights, as they are entered in the Controller's or in the Steam Agent's Office; the charge per lb. will be half that per seer.

† Exclusive of the Groom or Keeper, who is to be considered a Deck Passenger, and charged as such according to the usual rate. The Shippers are to supply the food, and be at the expence of making the Stalls.

If brought down to the Presidency are charged 2-3rd of the upward freight.

*Freight on Treasure.*

To Burrisaul or Dacca,..... ¼ per cent.
To any distance beyond, ..... ⅓d ditto.

Intermediate ditto Two Pie per mile per thousand.

Freight on Copper Coins will be charged by the weight at 8 Pie per lb. from Calcutta—and down and intermediately, the same as on weighable Goods.

Treasure is deliverable to the Bill of Lading only, and parties neglecting to apply for Treasure will be subjected to additional Freight for the distance it may become necessary to carry it in consequence of their negligence.

Applications for Freight on the Vessel downward must be made to the Steam Boat Agent at Gowahuttee or Seraj Gunge, or at the nearest Station, by letter, describing the Goods to be despatched, their weight and measurement.

The Steam Agent will in reply, name the Boat in which he assigns tonnage, and if from any cause, as damage to the Boat, deviation from her intended voyage on unexpected demand on account of Government, a circumstance likely seldom to occur, the tonnage should be rendered non-available, the party for whom such tonnage has been registered must bear the inconvenience, and he will have no claim for indemnification by assignment of Freight in another Vessel to the detriment of any other person who may have engaged tonnage subsequently to the disappointed party, whose right to tonnage will be limited to such as may be available in the Vessel previously named, but in that Vessel, the claim to such tonnage as may remain available will be acknowledged according to priority of application. Thus the entire tonnage of a Boat may have been assigned in rotation by the Steam Agent to A. B. and C., after which the Government unexpectedly make a demand for more or less, the remaining portion will go to satisfy the claim of A. then of B. &c. The latter applications being thrown out partially or wholly, as the case may be.

The Agent will be instructed to acknowledge the applications made to him for tonnage in the following terms:—"Sir, in reply to your letter of the I beg to say tonnage for chests of Indigo and maunds of Sugar is assigned to you on the Registered No. of application."

The Agent is instructed to keep a correct Register of daily assignments, and to transmit a copy daily to the Controller of Steam Vessels.

The Boats will make the following stoppages, at different stations, during daylight:

| | | |
|---|---|---|
| At Burrisaul, . . . | 3 | hours. |
| „ Dacca, . . . . | 4 | ditto. |
| „ Seraj Gunge, . . . | 4 | ditto. |
| „ Dewan Gunge, . . | 3 | ditto. |
| „ Bugwah, . . . | 3 | ditto. |
| „ Gowalpara, . . . | 3 | ditto. |
| „ Gowahuttee, . . . | 48 | ditto, clear. |

Should Freight not be ready for shipment on the arrival of the Boat at the several stations, the Commander of the Steamer will have peremptory orders to proceed to the next Station.

Treasure laden on a Boat whose progress is arrested, will be retained on board until the Boat is enabled to proceed to her destination, unless the Consignees holding the Bill of Lading of such Treasure may require its delivery, giving a full

acquittance for the Treasure, and receiving such difference of Freight as may have been paid in excess of what would have been charged for conveyance of such Treasure to the place of its delivery.

The Steam Agents at the different Stations make no charge for landing Goods from the Boats into their Godowns; nor for shipping Goods delivered into their Godowns, provided such Goods are not merchandise, intended for traffick, nor animals nor machines for conveyance; for all such they will charge the following rates:

For embarking or landing a Horse, Cow or Bull, Rs. 2.

A Calf, Dog, Sheep, or Goat with or without Kid, Annas 2.

A Barouche, Phaeton, Palankeen Carriage, Britzka, Rs. 3.

A Buggy or Palankeen, Rupee 1.

A Box, Bale, Chest or Cask, large or small, Annas 2.

A bag of Sugar or Saltpetre ditto ditto Anna 1.

When Goods are consigned to Calcutta, it is optional with Shippers to pay the Freight or to leave the same to be collected on delivery of the Goods. Freight must be paid to the Agent or Commander of the Boat for all Goods shipped away from Calcutta, and not deliverable at Calcutta. And no Packages will be received into the Boat Office for transmission on which Freight is not paid at the time.

*Khureeta from Nawab Zoolficar Alee, Behadoor, dated 13th June* 1847, *in reply to Agent's Khureeta of the 21st May* 1847.

States that the abolition of Suttee is most desirable, and that the request of the Government will be executed by him with the greatest pleasure.

*Khureeta from the Nawab of Baonie, dated 21st June* 1847, *in reply to Agent's Khureeta of the 21st May* 1847.

NOTICE.—With reference to the London Post Master General's Notification regarding the rates of postage to be charged upon Letters received from Bombay by the Government Express, which was published with a notice from this Office of yesterday's date, the following Letter since received from the Post Master General of Bombay on the subject, is also published for general information.

*No.* 966 *of* 1847.

*General Department.*

To W. TAYLER, Esquire,
*Post Master General, Calcutta.*

SIR,—Adverting to my Letter, dated the 2d instant, I have the honor to suggest for your consideration, whether it would not be advisable to publish a Notice in the Calcutta Papers, intimating to the public generally, especially the Mercantile Community, that, if they desire their Overland Letters, to be forwarded on by the Government Overland Express, they should request their Correspondents to mark "per Express," and to keep within the *limited weight of two tolas;* and that, meanwhile, until the system becomes generally known, they ought to advise me, whether they wish any of their Letters, not so marked, to be sent on from Bombay by the Express.

2d.—By the last Express I dispatched as usual a number of Overland Letters, not especially marked, because, had I not done so, great disappointment would have been experienced by parties in Calcutta; but I intend to discontinue the practice, after a sufficient time has elapsed to admit of the public becoming aware of the privilege conceded by the Notification of May issued by the London General Post Office, and to dispatch by the Overland Express those Letters only which are so marked.

3d.—The public ought moreover to be most especially warned not to mark "per Express" on letters *exceeding two tolas in weight*, because such letters cannot be so dispatched. They will invariably be detained (as was the case on the arrival of the last Mail,) for transmission by the post regular dawk, dispatched after the Express.

4th.—I shall feel much obliged by your favoring me with a list of "Newspaper Offices" in Calcutta, and by your informing the parties connected therewith that not more than two papers (whether sent out from England marked "per Express," or posted in Bombay to go by Express) will, in future, be forwarded by the Government Express. Some of the Newspaper Offices have as many as six Overland Papers marked "per Express," but, as they cannot be so forwarded, it is useless to have them so marked.

5th.—The new rule limits the weight of a Newspaper to 3 *tolas*, but, if that were acted up to, the Newspaper Offices would be deprived altogether of the privilege conceded by the Notification of May last, as an Overland Paper invariably weighs more than 3 and generally very nearly 6 tolas. I have therefore determined to send two Overland Papers to each Office, *without reference to that limit*, and shall continue the practice until I receive orders to the contrary from Government or the Home Authorities.

I have, &c.,

---

*Pre-Payment of Indian (Inland and Ship) Postage on Covers forwarded to Hong Kong.*

NOTICE is hereby given, that in conformity to the instructions of Her Majesty's Post Master General, no Letter or Newspaper will, in future, be received at this Office for transmission to Hong Kong, unless the entire amount of Indian (Inland and Ship) Postage due for the conveyance of the same to its ulterior destination, shall be previously paid by the Sender at the time of posting at the Despatching Office.

## STEAM TO DACCA AND GOWAHATTE IN ASSAM.

GOVERNMENT having decided on opening a Steam Communication with Gowahuttee in Assam *viâ* Dacca and Serajgunge, notice is hereby given that the first boats for this line, a Steamer and Flat, will be despatched on the 13th Proximo, and the communication be continued Monthly for THREE YEARS.

The following Regulations and Rates of Charge for accommodation of Passengers, and conveyance of Goods on the Government Boats employed in the above Navigation, are published for general information:

*Of Passage.*

All applications for Passage on the Government Boats proceeding to Dacca and Assam, must be made at the Boat Office in Calcutta, and all applications for Cabins on the Boats returning from Assam, must be made to the Steam Boat Agent at the nearest place to that of embarkation.

The distance between Calcutta and Gowahuttee is assumed to be 600 miles, and the distances from Calcutta to the different Stations as follows:

| | | |
|---|---|---|
| Burrisaul, | 200 | Miles. |
| Dacca, | 300 | „ |
| Seraj Gunge, | 400 | „ |
| Dewan Gunge, | 450 | „ |
| Bugwah, | 500 | „ |
| Gowalpara, | 550 | „ |
| Gowahuttee, | 600 | „ |

An Accommodation or a Cargo Boat will be employed in this line, as far as Dacca, the Steamer only going on to Gowahuttee until the demand for freight to and from places above Dacca is more than a Steamer can supply. In the first there are 3 classes of Cabins, but there will be no distinction in the charge, and the preference in the selection will be given to those who engage for the longest distances or otherwise, according to priority of application.

To Burrisaul or Dacca the charge will be Seventy-five Rupees, to Gowahuttee One Hundred and Fifty Rupees, or at the rate of Twenty-five Rupees for every 100 miles, of the estimated distance according to which the passage for intermediate distances will be rated.

One Servant is allowed to each Cabin occupied by one person, but if a Cabin be occupied by more than one person, an additional charge will be made of Nine Rupees, which will entitle the Cabin to a second Servant. All other extra Servants will be considered as Deck Passengers, the charge for which will be half an Anna per mile, or Eighteen Rupees Twelve Annas from Calcutta to Gowahuttee; Deck Passengers will pay Eighteen Rupees to Gowahuttee, or half an Anna a mile for any shorter distance.

The charge for passage on return voyages will be the same as above.

Passengers are allowed to carry such Baggage and Cabin Furniture within their Cabins as is necessary for the voyage; and this may include a Piano if required for use during the voyage and not in a packing case: but Pianos in packing cases and all other packages, as cases of Millinery, Saddlery, Glass and Earthen-ware, Beer and Wines, and other Stores, will be stowed in another part of the vessel; and to the extent of half a ton, or 25 cubic feet, be charged for at half the established rate of Freight; all in excess of half a ton will be charged at the full rate of Freight.

Deck Passengers are allowed one Roll of Bedding 2 feet wide, and a box of six cubic feet solid contents.

A Table is provided by the Commander at Four Rupees per Diem for each person, exclusive of Wines and Beer, which if provided by the Commander, are charged at regulated prices, of which a list is exhibited in the Dining Room, and all Refreshments required between the regular meals of Breakfast at ½ past 8, Biscuit, &c. at noon, Dinner at 3 P. M, and Tea and Coffee in the evening. Persons who provide their own Wines, will pay 3 annas for each cork drawn.

Children who do not come to the Table are provided at One Rupee per day, the same charge is made for Christian Servants.

Mussulman Servants may feed with the Crew, paying a rate of Two Annas per day. Hindoos must provide their own food.

The Passage Money, and a deposit of Four Rupees per day for the estimated term of the voyage, must be paid on engaging a passage, and any surplus of Table Money will be returned, or an additional charge be made by the Commander, as the voyage may fall short of or exceed the time for which the deposit was calculated. Half the Passage Money, and half the Table Money become forfeit by persons who relinquish a passage after having engaged it.

The despatch of Boats will be duly advertized, and if any change in the Boats occurs, Accommodation or Freight engaged for the one advertized, will be assigned on the one substituted.

### *Of Freight.*

All Goods intended for shipment on the Government Boats must be sent to the Boat Office, in Church Lane, Calcutta, between the hours of Ten and Four, Sundays, Christmas Days, and Good Fridays excepted.

Goods will not be received for shipment unless they be addressed to a resident at the place at which they are to be delivered from the Boats. The direction must be marked on something not liable to be destroyed by vermin, and from which it may not easily be obliterated. A direction written on a card or marked with ink on a tin box, would be liable to the above objection.

The Boat Office will not be responsible for any damage or loss that may be occasioned by accident to the vessel or other cause whatever, not traceable to negligence or mismanagement of those belonging to the vessel.

All Goods sent to the Boat Office must be accompanied by a note, with suitable direction for the guidance of the Officers of the Department.

Goods not applied for on board the Boat by the Consignee, will be carried on and charged with additional freight, unless addressed to the Steam Agent, in which case they will be delivered to him. It must be understood, however, that although all persons are at liberty to consign their goods to the Steam Agent of the stations at which they are to be landed, *the Government is not responsible for such Steam Agent, or for the safety of the goods after the delivery of the same to the Consignee or to his order, whether such Consignee be the Steam Agent or any other person.* Goods intended for the final station, if not applied for within 24 hours after the Boat's arrival there, will be delivered to the Steam Agent at the risk of the shipper.

Freight on all Packages, excepting Treasure laden in Calcutta, or for which tonnage is reserved in Calcutta, and which do not exceed in weight 35lbs. per cubic foot, will be charged by the cubic foot.

Packages exceeding thirty-five pounds, or 17½ seers per cubic foot, will be charged by the weight.

| Sheep or Dogs, Goats, ..... | 8† | If ditto at Rs. 2 ditto. |

Goods will be charged by European or native weights, as they are entered in the Controller's or in the Steam Agent's Office; the charge per lb. will be half that per seer.

† Exclusive of the Groom or Keeper, who is to be considered Deck Passenger, and charged as such according to the usual rate. The Shippers are to supply the food, and be at the expence of making the Stalls.

*Freight on Treasure.*

To Burrisaul or Dacca,..... ¼ per cent.
To any distance beyond, ..... ⅓d ditto.

Intermediate ditto Two Pie per mile per thousand.

Freight on Copper Coins will be charged by the weight at 8 Pie per lb. from Calcutta—and down and intermediately, the same as on weighable Goods.

Treasure is deliverable to the Bill of Lading only, and parties neglecting to apply for Treasure will be subjected to additional Freight for the distance it may become necessary to carry it in consequence of their negligence.

Applications for Freight on the Vessel downward must be made to the Steam Boat Agent at Gowahuttee or Seraj Gunge, or at the nearest Station, by letter, describing the Goods to be despatched, their weight and measurement.

The Steam Agent will in reply, name the Boat in which he assigns tonnage, and if from any cause, as damage to the Boat, deviation from her intended voyage on unexpected demand on account of Government, a circumstance likely seldom to occur, the tonnage should be rendered non-available, the party for whom such tonnage has been registered must bear the inconvenience, and he will have no claim for indemnification by assignment of Freight in another Vessel to the detriment of any other person who may have engaged tonnage subsequently to the disappointed party, whose right to tonnage will be limited to such as may be available in the Vessel previously named, but in that Vessel, the claim to such tonnage as may remain available will be acknowledged according to priority of application. Thus the entire tonnage of a Boat may have been assigned in rotation by the Steam Agent to A. B. and C., after which the Government unexpectedly make a demand for more or less, the remaining portion will go to satisfy the claim of A. then of B. &c. The latter applications being thrown out partially or wholly, as the case may be.

The Agent will be instructed to acknowledge the applications made to him for tonnage in the following terms:—"Sir, in reply to your letter of the I beg to say tonnage for chests of Indigo and maunds of Sugar is assigned to you on the Registered No. of application."

The Agent is instructed to keep a correct Register of daily assignments, and to transmit a copy daily to the Controller of Steam Vessels.

The Boats will make the following stoppages, at different stations, during daylight:

| | | |
|---|---|---|
| At Burrisaul, . . . | 3 | hours. |
| „ Dacca, . . . . | 4 | ditto. |
| „ Seraj Gunge, . . . | 4 | ditto. |

| „ Bugwah, . . . | 3 | ditto. |
| „ Gowalpara, . . . | 3 | ditto. |
| „ Gowahuttee, . . . | 48 | ditto, clear. |

Should Freight not be ready for shipment on the arrival of the Boat at the several stations, the Commander of the Steamer will have peremptory orders to proceed to the next Station.

Treasure laden on a Boat whose progress is arrested, will be retained on board until the Boat is enabled to proceed to her destination, unless the Consignees holding the Bill of Lading of such Treasure may require its delivery, giving a full acquittance for the Treasure, and receiving such difference of Freight as may have been paid in excess of what would have been charged for conveyance of such Treasure to the place of its delivery.

The Steam Agents at the different Stations make no charge for landing Goods from the Boats into their Godowns; nor for shipping Goods delivered into their Godowns, provided such Goods are not merchandise, intended for traffick, nor animals nor machines for conveyance; for all such they will charge the following rates:

For embarking or landing a Horse, Cow or Bull, Rs. 2.

A Calf, Dog, Sheep, or Goat with or without Kid, Annas 2.

Freight must be paid to the Agent or Commander of the Boat for all Goods shipped away from Calcutta, and not deliverable at Calcutta. And no Packages will be received into the Boat Office for transmission on which Freight is not paid at the time.

NOTICE.—With reference to the London Post Master General's Notification regarding the rates of postage to be charged upon Letters received from Bombay by the Government Express, which was published with a notice from this Office of yesterday's date, the following Letter since received from the Post Master General of Bombay on the subject, is also published for general information.

*Post Master General.*

*No.* 966 *of* 1847.

*General Department.*

To W. TAYLER, Esquire,

*Post Master General, Calcutta.*

SIR,—Adverting to my Letter, dated the 2d instant, I have the honor to suggest for your consideration, whether it would not be advisable to publish a Notice in the Calcutta Papers, intimating to the public generally, especially the Mercantile Community, that, if they desire their Overland Letters, to be forwarded on by the Government Overland Express, they should request their Correspondents to mark "per Express," and to keep within the *limited weight of two tolas;* and that, meanwhile, until the system becomes generally known, they ought to advise me, whether they wish any of their Letters, not so marked, to be sent on from Bombay by the Express.

2d.—By the last Express I dispatched as usual a number of Overland Letters, not especially marked, because, had I not done so, great disappointment would have been experienced by parties in Calcutta; but I intend to discontinue the practice, after a sufficient time has elapsed to admit of the public becoming aware of the privilege conceded by the Notification of May issued by the London General Post Office, and to dispatch by the Overland Express those Letters only which are so marked.

3d.—The public ought moreover to be most especially warned not to mark "per Express" on letters *exceeding two tolas in weight,* because such letters cannot be so dispatched. They will invariably be detained (as was the case on the arrival of the last Mail,) for transmission by the post regular dawk, dispatched after the Express.

4th.—I shall feel much obliged by your favoring me with a list of "Newspaper Offices" in Calcutta, and by your informing the parties connected therewith that not more than two papers (whether sent out from England marked "per Express," or posted in Bombay to go by Express) will, in future, be forwarded by the Government Express. Some of the Newspaper Offices have as many as six Overland Papers marked "per Express," but, as they cannot be so forwarded, it is useless to have them so marked.

5th.—The new rule limits the weight of a Newspaper to 3 *tolas*, but, if that were acted up to, the Newspaper Offices would be deprived altogether of the privilege conceded by the Notification of May last, as an Overland Paper invariably weighs more than 3 and generally very nearly 6 tolas. I have therefore determined to send two Overland Papers to each Office, *without reference to that limit*, and shall continue the practice until I receive orders to the contrary from Government or the Home Authorities.

I have, &c.

No. 4130.

## STEAM TO DACCA AND GOWAHATTE IN ASSAM.

GOVERNMENT having decided on opening a Steam Communication with Gowahuttee in Assam *via* Dacca and Serajgunge, notice is hereby given, that the first boats for this line, a Steamer and a Flat, will be despatched on the 13th Proximo; and the communication be continued Monthly for THREE YEARS.

The following Regulations and Rates of Charge for accommodation of Passengers, and conveyance of Goods on the Government Boats employed in the above Navigation, are published for general information:

*Of Passage.*

All applications for Passage on the Government Boats proceeding to Dacca and Assam, must be made at the Boat Office in Calcutta, and all applications for Cabins on the Boats returning from Assam, must be made to the Steam Boat Agent at the nearest place to that of embarkation.

The distance between Calcutta and Gowahuttee is assumed to be 600 miles, and the distance from Calcutta to the different Stations as follows:

| | | |
|---|---|---|
| Burrisaul, | 200 | Miles. |
| Dacca, | 300 | „ |
| Seraj Gunge, | 400 | „ |
| Dewan Gunge, | 450 | „ |
| Bugwah, | 500 | „ |
| Gowalpara, | 550 | „ |
| Gowahuttee, | 600 | „ |

An Accommodation or a Cargo Boat will be employed in this line, as far as Dacca, the Steamer only going on to Gowahuttee until the demand for freight to and from places above Dacca is more than a Steamer can supply. In the first there are 3 classes of Cabins, but there will be no distinction in the charge, and the preference in the selection will be given to those who engage for the longest distances or otherwise, according to priority of application.

To Burrisaul or Dacca the charge will be Seventy-five Rupees, to Gowahuttee One Hundred and Fifty Rupees, or at the rate of Twenty-five Rupees for every 100 miles, of the estimated distance according to which the passage for intermediate distances will be rated.

One Servant is allowed to each Cabin occupied by one person, but if a Cabin be occupied by more than one person, an additional charge will be made of Nine Rupees, which will entitle the Cabin to a second Servant. All other extra Servants will be considered as Deck Passengers, the charge for which will be half an Anna per mile, or Eighteen Rupees Twelve Annas from Calcutta to Gowahuttee; Deck Passengers will pay Eighteen Rupees to Gowahuttee, or half an Anna a mile for any shorter distance.

The charge for passage on return voyages will be the same as above.

Passengers are allowed to carry such Baggage and Cabin Furniture within their Cabins as is necessary for the voyage; and this may include a Piano if required for use during the voyage and not in a packing case: but Pianos in packing cases and all other packages, as cases of Millinery, Saddlery, Glass and Earthen-ware, Beer and Wines, and other Stores, will be stowed in another part of the vessel; and to the extent of half a ton, or 25 cubic feet, be charged for at half the established rate of Freight; all in excess of half a ton will be charged at the full rate of Freight.

Deck Passengers are allowed one Roll of Bedding 2 feet wide, and a box of six cubic feet solid contents.

A Table is provided by the Commander at Four Rupees per Diem for each person, exclusive of Wines and Beer, which if provided by the Commander, are charged at regulated prices, of which a list is exhibited in the Dining Room, and all Refreshments required between the regular meals of Breakfast at ½ past 8, Biscuit, &c. at noon, Dinner at 3 P. M., and Tea and Coffee in the evening. Persons who provide their own Wines, will pay 3 annas for each cork drawn.

Children who do not come to the Table are provided at One Rupee per day, the same charge is made for Christian Servants.

Mussulman Servants may feed with the Crew, paying a rate of Two Annas per day. Hindoos must provide their own food.

The Passage Money, and a deposit of Four Rupees per day for the estimated term of the voyage, must be paid on engaging a passage, and any surplus of Table Money will be returned, or an additional charge be made by the Commander, as the voyage may fall short of or exceed the time for which the deposit was calculated. Half the Passage Money, and half the Table Money become forfeit by persons who relinquish a passage after having engaged it.

The despatch of Boats will be duly advertized, and if any change in the Boats occurs, Accommodation or Freight engaged for the one advertized, will be assigned on the one substituted.

### *Of Freight.*

All Goods intended for shipment on the Government Boats must be sent to the Boat Office, in Church Lane, Calcutta, between the hours of Ten and Four, Sundays, Christmas Days, and Good Fridays excepted.

Goods will not be received for shipment unless they be addressed to a resident at the place at which they are to be delivered from the Boats. The direction must be marked on something not liable to be destroyed by vermin, and from which it may not easily be obliterated. A direction written on a card or marked with ink on a tin box, would be liable to the above objection.

The Boat Office will not be responsible for any damage or loss that may be occasioned by accident to the vessel or other cause whatever, not traceable to negligence or mismanagement of those belonging to the vessel.

All Goods sent to the Boat Office must be accompanied by a note, with suitable direction for the guidance of the Officers of the Department.

Goods not applied for on board the Boat by the Consignee, will be carried on and charged with additional freight, unless addressed to the Steam Agent, in which case they will be delivered to him. It must be understood, however, that although all persons are at liberty to consign their goods to the Steam Agent of the stations at which they are to be landed, *the Government is not responsible for such Steam Agent, or for the safety of the goods after the delivery of the same to the Consignee or to his order, whether such Consignee be the Steam Agent or any other person.* Goods intended for the final station, if not applied for within 24 hours after the Boat's arrival there, will be delivered to the Steam Agent at the risk of the shipper.

Freight on all Packages, excepting Treasure laden in Calcutta, or for which tonnage is reserved in Calcutta, and which do not exceed in weight 35lbs. per cubic foot, will be charged by the cubic foot.

Packages exceeding thirty-five pounds, or 17½ seers per cubic foot, will be charged by the weight.

Freight on Copper Coins will be charged by the weight at 8 Pie per lb. from Calcutta—and down and intermediately, the same as on weighable Goods.

Treasure is deliverable to the Bill of Lading only, and parties neglecting to apply for Treasure will be subjected to additional Freight for the distance it may become necessary to carry it in consequence of their negligence.

Applications for Freight on the Vessel downward must be made to the Steam Boat Agent at Gowahuttee or Seraj Gunge, or at the nearest Station, by letter, describing the Goods to be despatched, their weight and measurement.

The Steam Agent will in reply, name the Boat in which he assigns tonnage, and if from any cause, as damage to the Boat, deviation from her intended voyage on unexpected demand on account of Government, a circumstance likely seldom to occur, the tonnage should be rendered non-available, the party for whom such tonnage has been registered must bear the inconvenience, and he will have no claim for indemnification by assignment of Freight in another Vessel to the detriment of any other person who may have engaged tonnage subsequently to the disappointed party, whose right to tonnage will be limited to such as may be available in the Vessel previously named, but in that Vessel, the claim to such tonnage as may remain available will be acknowledged according to priority of application. Thus the entire tonnage of a Boat may have been assigned in rotation by the Steam Agent to A. B. and C., after which the Government unexpectedly make a demand for more or less, the remaining portion will go to satisfy the claim of A. then of B. &c. The latter applications being thrown out partially or wholly, as the case may be.

The Agent will be instructed to acknowledge the applications made to him for tonnage in the following terms:—"Sir, in reply to your letter of the I beg to say tonnage for chests of Indigo and maunds of Sugar is assigned to you on the Registered No. of application."

The Agent is instructed to keep a correct Register of daily assignments, and to transmit a copy daily to the Controller of Steam Vessels.

The Boats will make the following stoppages, at different stations, during daylight:

| | | |
|---|---|---|
| At Burrisaul, . . . | 3 | hours. |
| „ Dacca, . . . . | 4 | ditto. |
| „ Seraj Gunge, . . . | 4 | ditto. |
| „ Dewan Gunge, . . | 3 | ditto. |
| „ Bugwah, . . . | 3 | ditto. |
| „ Gowalpara, . . . | 3 | ditto. |
| „ Gowahuttee, . . . | 48 | ditto, clear. |

Should Freight not be ready for shipment on the arrival of the Boat at the several stations, the Commander of the Steamer will have peremptory orders to proceed to the next Station.

Treasure laden on a Boat whose progress is arrested, will be retained on board until the Boat is enabled to proceed to her destination, unless the Consignees holding the Bill of Lading of such Treasure may require its delivery, giving a full acquittance for the Treasure, and receiving such difference of Freight as may have been paid in excess of what would have been charged for conveyance of such Treasure to the place of its delivery.

The Steam Agents at the different Stations make no charge for landing Goods from the Boats into their Godowns; nor for shipping Goods delivered into their Godowns, provided such Goods are not merchandise, intended for traffick, nor animals nor machines for conveyance; for all such they will charge the following rates:

For embarking or landing a Horse, Cow or Bull, Rs. 2.

A Calf, Dog, Sheep, or Goat with or without Kid, Annas 2.

When Goods are consigned to Calcutta, it is optional with Shippers to pay the Freight or to leave the same to be collected on delivery of the Goods. Freight must be paid to the Agent or Commander of the Boat for all Goods shipped away from Calcutta, and not deliverable at Calcutta. And no Packages will be received into the Boat Office for transmission on which Freight is not paid at the time.

* This includes Rs 16,782-6-11 of Arrears of Subscription realized, and also two Fines from retired Members Rs 17,348-14-8 together Rs 34,131-5-7.

2. Applications for admission to the benefits of the Fund were submitted from the following:

Mrs. Jane Latham Currie, Widow, and four Children of the late Alfred Peter Currie, who died at Mirzapore, on the 3rd February 1847,—admitted.

Miss Stone, Daughter of Henry Stone, deceased 7th September 1845.

Mr. Stone was a Subscriber to the Fund for 12 years, from 1804 to 1817, in February of which year he resigned the Service. He made up Sicca Rupees 5,000 in order to continue his interest in the Fund; which sum with interest amounted to more than the prescribed sum of Rupees 25,000 by the 1st January 1838. He has left surviving him five Children, four of whom, however, are provided for.

It appears that Mr. Stone once possessed real and other Estates, which he bequeathed by Will, dated in 1821, to his family,—he was twice married and had issue by both marriages,—he became a London Banker,—and dying left only personal property, which realized a net sum of £2,403-18-9.

MANAGERS' DECISION.—It is not necessary to enter into all the enquiries which would have been necessary if the present information did not already show that Miss Stone has no claim upon the Fund. She has by a bequest from her grandfather a sum of £912-0-6, yielding £36-9-7 a year, which, with the income from the residue of her father's Estate £96-3-2, will make £132-12-9 a year, being more than the Fund Allowance.

The principle of calculation according to the practice of the Fund being to take the whole Estate and deduct the income from the Allowances of the entire family left by deceased, thus:

| | | | | | | |
|---|---|---|---|---|---|---|
| Allowances to 4 Children of deceased Subscriber (now otherwise provided for, ... | | | | Nil. | | |
| Ditto to Miss Harriet Stone, | | | | £100 | 0 | 0 |
| | | | | £100 | 0 | 0 |
| LESS,—Private Income from residue Estate of deceased Subscriber £2,403, | £96 | 3 | 2 | | | |
| And from Individual Legacy left Harriet Stone by a Non-Subscriber £912, | 36 | 9 | 7 | | | |
| | | | | 132 | 12 | 9 |
| | | | | Excess £32 | 12 | 9 |

The votes of the Meeting being divided, seven being for affirming the decision of the Managers, and two being against it, the case is to be submitted for the determination of the next General Meeting of Subscribers to be held in January 1848.

Thanks were voted to the Chairman.

J. J. HARVEY, *Chairman.*

General Post Office, May 1847.

NOTICE.—With reference to the London Post Master General's Notification regarding the rates of postage to be charged upon Letters received from Bombay by the Government Express, which was published with a notice from this Office of yesterday's date, the following Letter since received from the Post Master General of Bombay on the subject, is also published for general information.

*No. 966 of* 1847.

*General Department.*

To W. Tayler, Esquire,
*Post Master General, Calcutta.*

Sir,—Adverting to my Letter, dated the 2d instant, I have the honor to suggest for your consideration, whether it would not be advisable to publish a Notice in the Calcutta Papers, intimating to the public generally, especially the Mercantile Community, that, if they desire their Overland Letters, to be forwarded on by the Government Overland Express, they should request their Correspondents to mark "per Express," and to keep within the *limited weight of two tolas*; and that, meanwhile, until the system becomes generally known, they ought to advise me, whether they wish any of their Letters, not so marked, to be sent on from Bombay by the Express.

2d.—By the last Express I dispatched as usual a number of Overland Letters, not especially marked, because, had I not done so, great disappointment would have been experienced by parties in Calcutta; but I intend to discontinue the practice, after a sufficient time has elapsed to admit of the public becoming aware of the privilege conceded by the Notification of May issued by the London General Post Office, and to dispatch by the Overland Express those Letters only which are so marked.

3d.—The public ought moreover to be most especially warned not to mark "per Express" on letters *exceeding two tolas in weight*, because such letters cannot be so dispatched. They will invariably be detained (as was the case on the arrival of the last Mail,) for transmission by the post regular dawk, dispatched after the Express.

4th.—I shall feel much obliged by your favoring me with a list of "Newspaper Offices" in Calcutta, and by your informing the parties connected therewith that not more than two papers (whether sent out from England marked "per Express," or posted in Bombay to go by Express) will, in future, be forwarded by the Government Express. Some of the Newspaper Offices have as many as six Overland Papers marked "per Express," but, as they cannot be so forwarded, it is useless to have them so marked.

5th.—The new rule limits the weight of Newspaper to 3 *tolas*, but, if that were acted up to, the Newspaper Offices would be deprived altogether of the privilege conceded by the Notification of May last, as an Overland Paper invariably weighs more than 3 and generally very nearly 6 tolas. I have therefore determined to send two Overland Papers to each Office, *without reference to that limit*, and shall continue the practice until

I receive orders to the contrary from Government or the Home Authorities.

I have, &c.

*Revised Rates of British Packet Postage, leviable on Newspapers, Prices Current and Commercial Lists, conveyed by the Peninsular and Oriental Company's Steamers from and to Indian Ports.*

WITH reference to the Notification issued by this Office, under date the 17th April last, further notice is hereby given for general information, that under the instructions of Government, every Newspaper, Price Current, or Commercial List, which may be posted for conveyance by the Peninsular and Oriental Company's Contract Steamers, from any one Indian Port to another, shall henceforth be charged with British Packet Postage, at the rate of Nine Pie, or Three Pice, (Three Quarters of an Anna,) instead of Eight Pie, as formerly fixed.

*Calcutta, Genl. Post Office, the 4th Sept.* 1846.

---

*Pre-Payment of Indian (Inland and Ship) Postage on Covers forwarded to Hong Kong.*

NOTICE is hereby given, that in conformity to the instructions of Her Majesty's Post Master General, no Letter or Newspaper will, in future, be received at this Office for transmission to Hong Kong, unless the entire amount of Indian (Inland and Ship) Postage due for the conveyance of the same to its ulterior destination, shall be previously paid by the Sender at the time of posting at the Despatching Office.

It is to be distinctly understood that this rule does not apply to the description of covers forwarded by the Peninsular and Oriental Company's Contract Steamers, as on them, the prescribed British Packet rate of Postage is charged.

*Calcutta, Genl. Post Office, the 4th Sept.* 1846.

---

NOTICE is hereby given, that pursuant to the instructions of Her Majesty's Post Master General, all Letters posted or received at this Office, for transmission to Europe by the Overland Mails, (whether direct or viâ Bombay,) if not otherwise specially superscribed, will be sent by way of Marseilles.

## STEAM TO DACCA AND GOWAHATTE IN ASSAM.

GOVERNMENT having decided on opening a Steam Communication with Gowahuttee in Assam *via* Dacca and Serajgunge, notice is hereby given, that the first boats for this line, a Steamer and a Flat, will be despatched on the 13th Proximo; and the communication be continued Monthly for THREE YEARS.

The following Regulations and Rates of Charge for accommodation of Passengers, and conveyance of Goods on the Government Boats employed in the above Navigation, are published for general information:

*Of Passage.*

All applications for Passage on the Government Boats proceeding to Dacca and Assam, must be made at the Boat Office in Calcutta, and all applications for Cabins on the Boats returning from Assam, must be made to the Steam Boat Agent at the nearest place to that of embarkation.

The distance between Calcutta and Gowahuttee is assumed to be 600 miles, and the distance from Calcutta to the different Stations as follows:

| | | |
|---|---|---|
| Burrisaul, | 200 | Miles. |
| Dacca, | 300 | „ |
| Seraj Gunge, | 400 | „ |
| Dewan Gunge, | 450 | „ |
| Bugwah, | 500 | „ |
| Gowalpara, | 550 | „ |
| Gowahuttee, | 600 | „ |

An Accommodation or a Cargo Boat will be employed in this line, as far as Dacca, the Steamer only going on to Gowahuttee until the demand for freight to and from places above Dacca is more than a Steamer can supply. In the first there are 3 classes of Cabins, but there will be no distinction in the charge, and the preference in the selection will be given to those who engage for the longest distances or otherwise, according to priority of application.

To Burrisaul or Dacca the charge will be Seventy-five Rupees, to Gowahuttee One Hundred and Fifty Rupees, or at the rate of Twenty-five Rupees for every 100 miles, of the estimated distance according to which the passage for intermediate distances will be rated.

One Servant is allowed to each Cabin occupied by one person, but if a Cabin be occupied by more than one person, an additional charge will be made of Nine Rupees, which will entitle the Cabin to a second Servant. All other extra Servants will be considered as Deck Passengers, the charge for which will be half an Anna per mile, or Eighteen Rupees Twelve Annas from Calcutta to Gowahuttee; Deck Passengers will pay Eighteen Rupees to Gowahuttee, or half an Anna a mile for any shorter distance.

The charge for passage on return voyages will be the same as above.

Passengers are allowed to carry such Baggage and Cabin Furniture within their Cabins as is necessary for the voyage; and this may include a Piano if required for use during the voyage and not in a packing case: but Pianos in packing cases and all other packages, as cases of Millinery, Saddlery, Glass and Earthen-ware, Beer and Wines, and other Stores, will be stowed in another part of the vessel; and to the extent of half a ton, or 25 cubic feet, be charged for at half the established rate of Freight; all in excess of half a ton will be charged at the full rate of Freight.

Deck Passengers are allowed one Roll of Bedding 2 feet wide, and a box of six cubic feet solid contents.

A Table is provided by the Commander at Four Rupees per Diem for each person, exclusive of Wines and Beer, which if provided by the Commander, are charged at regulated prices, of which a list is exhibited in the Dining Room, and all Refreshments required between the regular meals of Breakfast at ½ past 8, Biscuit, &c. at noon, Dinner at 3 P. M., and Tea and Coffee in the evening. Persons who provide their own Wines, will pay 3 annas for each cork drawn.

Children who do not come to the Table are provided at One Rupee per day, the same charge is made for Christian Servants.

Mussulman Servants may feed with the Crew, paying a rate of Two Annas per day. Hindoos must provide their own food.

The Passage Money, and a deposit of Four Rupees per day for the estimated term of the voyage, must be paid on engaging a passage, and any surplus of Table Money will be returned, or an additional charge be made by the Commander, as the voyage may fall short of or exceed the time for which the deposit was calculated. Half the Passage Money, and half the Table Money become forfeit by persons who relinquish a passage after having engaged it.

The despatch of Boats will be duly advertized, and if any change in the Boats occurs, Accommodation or Freight engaged for the one advertized, will be assigned on the one substituted.

### *Of Freight.*

All Goods intended for shipment on the Government Boats must be sent to the Boat Office, in Church Lane, Calcutta, between the hours of Ten and Four, Sundays, Christmas Days, and Good Fridays excepted.

Goods will not be received for shipment unless they be addressed to a resident at the place at which they are to be delivered from the Boats. The direction must be marked on something not liable to be destroyed by vermin, and from which it may not easily be obliterated. A direction written on a card or marked with ink on a tin box, would be liable to the above objection.

The Boat Office will not be responsible for any damage or loss that may be occasioned by accident to the vessel or other cause whatever, not traceable to negligence or mismanagement of those belonging to the vessel.

All Goods sent to the Boat Office must be accompanied by a note, with suitable direction for the guidance of the Officers of the Department.

Goods not applied for on board the Boat by the Consignee, will be carried on and charged with additional freight, unless addressed to the Steam Agent, in which case they will be delivered to him. It must be understood, however, that although all persons are at liberty to consign their goods to the Steam Agent of the stations at which they are to be landed, *the Government is not responsible for such Steam Agent, or for the safety of the goods after the delivery of the same to the Consignee or to his order, whether such Consignee be the Steam Agent or any other person.* Goods intended for the final station, if not applied for within 24 hours after the Boat's arrival there, will be delivered to the Steam Agent at the risk of the shipper.

Freight on all Packages, excepting Treasure laden in Calcutta, or for which tonnage is reserved in Calcutta, and which do not exceed in weight 35lbs. per cubic foot, will be charged by the cubic foot.

Packages exceeding thirty-five pounds, or 17½ seers per cubic foot, will be charged by the weight.

*From Calcutta,*

| | *Per Foot.* | *Per Seer.* |

| „ Bugwah, ..... | | |
| „ Gowalpara, ..... | 1 R. | 12 Pie. |
| „ Gowahuttee,..... | | |

The charge for Freight downwards will be 6 annas per maund for all distances above Dacca; articles weighing less than 35 lbs. or 17½ seers per cubic foot, to be charged by measurement at 4 annas per foot. From Dacca and places near Calcutta, 5 annas per maund, 2½ annas per foot.

### *Dispatch of Boats, and probable dates of Arrival at different Places.*

It is intended that the Boats shall leave Calcutta the 13th of every month, except when the 13th falls on a Sunday, when they will be dispatched on the 12th. The following is the estimated time the Boats will take, and the date on which they will probably arrive at the different Stations up and down, leaving Calcutta on the 13th to get back there, by the 9th the boats will reach—

| | *Up.* | *Down.* |

| Bulls, Cows, &c., | 48† | |
| Sheep or Dogs, Goats, ..... | 8† | If ditto at Rs. 2 ditto. |

* Goods will be charged by European or native weights, as they are entered in the Controller's or in the Steam Agent's Office; the charge per lb. will be half that per seer.

† Exclusive of the Groom or Keeper, who is to be considered a Deck Passenger, and charged as such according to the usual rate. The Shippers are to supply the food, and be at the expence of making the Stalls.

If brought down to the Presidency are charged 2-3rd of the upward freight.

*Freight on Treasure.*

To any distance beyond, ..... ¼d ditto.

Intermediate ditto Two Pie per mile per thousand.

Freight on Copper Coins will be charged by the weight at 8 Pie per lb. from Calcutta—and down and intermediately, the same as on weighable Goods.

Treasure is deliverable to the Bill of Lading only, and parties neglecting to apply for Treasure will be subjected to additional Freight for the distance it may become necessary to carry it in consequence of their negligence.

Applications for Freight on the Vessel downward must be made to the Steam Boat Agent at Gowahuttee or Seraj Gunge, or at the nearest Station, by letter, describing the Goods to be despatched, their weight and measurement.

The Steam Agent will in reply, name the Boat in which he assigns tonnage, and if from any cause, as damage to the Boat, deviation from her intended voyage on unexpected demand on account of Government, a circumstance likely seldom to occur, the tonnage should be rendered non-available, the party for whom such tonnage has been registered must bear the inconvenience, and he will have no claim for indemnification by assignment of Freight in another Vessel to the detriment of any other person who may have engaged tonnage subsequently to the disappointed party, whose right to tonnage will be limited to such as may be available in the Vessel previously named, but in that Vessel, the claim to such tonnage as may remain available will be acknowledged according to priority of application. Thus the entire tonnage of a Boat may have been assigned in rotation by the Steam Agent to A. B. and C., after which the Government unexpectedly make a demand for more or less, the remaining portion will go to satisfy the claim of A. then of B. &c. The latter applications being thrown out partially or wholly, as the case may be.

The Agent will be instructed to acknowledge the applications made to him for tonnage in the following terms:—"Sir, in reply to your letter of the I beg to say tonnage for chests of Indigo and maunds of Sugar is assigned to you on the Registered No. of application."

The Agent is instructed to keep a correct Register of daily assignments, and to transmit a copy daily to the Controller of Steam Vessels.

The Boats will make the following stoppages, at different stations, during daylight:

| | | |
|---|---|---|
| At Burrisaul, . . . | 3 | hours. |
| „ Dacca, . . . . | 4 | ditto. |
| „ Seraj Gunge, . . . | 4 | ditto. |
| „ Dewan Gunge, . . | 3 | ditto. |
| „ Bugwah, . . . | 3 | ditto. |
| „ Gowalpara, . . . | 3 | ditto. |
| „ Gowahuttee, . . . | 48 | ditto, clear. |

Should Freight not be ready for shipment on the arrival of the Boat at the several stations, the Commander of the Steamer will have peremptory orders to proceed to the next Station.

Treasure laden on a Boat whose progress is arrested, will be retained on board until the Boat is enabled to proceed to her destination, unless the Consignees holding the Bill of Lading of such Treasure may require its delivery, giving a full acquittance for the Treasure, and receiving such difference of Freight as may have been paid in excess of what would have been charged for conveyance of such Treasure to the place of its delivery.

The Steam Agents at the different Stations make no charge for landing Goods from the Boats into their Godowns; nor for shipping Goods delivered into their Godowns, provided such Goods are not merchandise, intended for traffick, nor animals nor machines for conveyance; for all such they will charge the following rates:

For embarking or landing a Horse, Cow or Bull, Rs. 2.

Freight must be paid to the Agent or Commander of the Boat for all Goods shipped away from Calcutta, and not deliverable at Calcutta. And no Packages will be received into the Boat Office for transmission on which Freight is not paid at the time.

*Notification.*—In continuation of No. 1682, dated the 24th July, the following replies from the Rajahs of Oorcha and Sumpter, intimating the abolition of Suttee in their Territories, are published for general information:

*Khureeta from the Oreha Raja, dated 12th July 1847, in reply to my letter of the 21st May 1847, states that it is the earnest wish of the Supreme Government to protect the people of India from suffering, and with this view it has put a stop to many evil practices which had for ages prevailed over the country, and when powerful rulers are actuated by such benevolent designs, those under their sway are commonly found anxious to co-operate in promoting them.*

The practice of Suttee by which innocent persons are burnt alive, is no doubt to all appearances very atrocious and cruel, and its prohibition proper; and in consequence, and from a desire to meet the wishes of the British Government in this as in all other things, I have issued strict orders to Landholders of all descriptions and all public servants, to prevent this practice, and taken engagements from all binding themselves not in future to allow a Suttee to take place. No subject of this State will in future be suffered to become a Suttee, much less will the subject of any other State be allowed to become so within mine.

Should a Suttee take place those whose duty it was to have prevented it will be severely punished.

But a usage that has prevailed for so many ages cannot be utterly put a stop to at once, and cases may take place in spite of all precaution, but all possible precautions will be taken.

You say that Suttee had never been prohibited in my territory by my positive order—this is true, but when any female manifested a wish to become a Suttee every effort was made to dissuade her from it, and she was promised protection and support by her family and by Government; but the weakness of female understanding is well known, and all such arguments often failed, and when force was used to prevent their burning, they sometimes took poison, threw themselves into wells, or killed themselves with the first weapons they could get hold of; invoking the punishment of such suicide upon the heads of those who had prevented their burning themselves as they wished. Hindoos have a great dread of such innovations from people dying under sufferings which they attribute to them, and this often deters them from using force in the prevention of Suttees, when they would wish to do so.

According to the Shasters it is no doubt very meritorious for a widow to die of grief for the death of her husband, but not one to lay violent hands on herself, or throw herself into the fire and get burnt alive.

*Khureeta from the Raja of Sumpthur, dated the 1st July 1847, in reply to the Agent's letter of the 21st May:*

States that the practice of Suttee is so very old, and has been countenanced and encouraged by the wise men of so many generations, that I have never thought myself justified in interposing to prevent it; but my anxiety to meet the wishes of the Right Hon'ble the Governor General in this as in all other things is so great, that I have waived all other considerations, and issued a proclamation to all Landholders and public Officers within my Estate to take care that no Suttee take place, and with their vigilance, and the blessing of God, I hope that Suttee will not again be heard of within my territory.

*General Orders by the Right Hon'ble the Governor General of India.*

*Simla, 31st July*, 1847.—The Right Hon'ble the Governor General has been pleased to appoint 1st Lieutenant P. Christie, of Artillery, to be Deputy

Commissary of Ordnance at Lahore, vice Captain R. Smyth, appointed to the Revenue Survey Department.

---

His Excellency the Right Hon'ble the Commander in Chief has brought to the notice of the Right Honorable the Governor General, that Soondey Khan, Naib Ressaldar of the 9th Irregular Cavalry, while under suspension from rank and pay, by sentence of a General Court Martial, not only leagued himself with others similarly situated, in complaining to the Commander in Chief of not having had a fair and impartial trial, a complaint which, on the fullest enquiry, was found to be false and slanderous, but even proceeded to the still more criminal length of addressing a letter to Ressaldar Mirza Ameer Beg, of the 5th Irregular Cavalry, who also was at the time under suspension, calling for an open and general expression of the opinion of the Officers and Men of that Corps, on his, Soondey Khan's case; thereby endeavouring, as far as in him lay, to excite a spirit of insubordination and disaffection in that Regiment.

2. Fully concurring in the view of such misconduct taken by the Commander in Chief, and impressed with the necessity of showing to the Native Army, that so flagrant a violation of the Laws of Military Discipline cannot be perpetrated with impunity, the Governor General is pleased, in compliance with His Excellency's recommendation, to direct that Naib Ressaldar Soondey Khan be summarily dismissed the service, on the receipt of this order at Bareilly.

3. This Order to be read and carefully explained to every Native Regiment in the service.

*General Department.*

To W. TAYLER, Esquire,
*Post Master General, Calcutta.*

SIR,—Adverting to my Letter, dated the 2d instant, I have the honor to suggest for your consideration, whether it would not be advisable to publish a Notice in the Calcutta Papers, intimating to the public generally, especially the Mercantile Community, that, if they desire their Overland Letters, to be forwarded on by the Government Overland Express, they should request their Correspondents to mark "per Express," and to keep within the *limited weight of two tolas;* and that, meanwhile, until the system becomes generally known, they ought to advise me, whether they wish any of their Letters, not so marked, to be sent on from Bombay by the Express.

2d.—By the last Express I dispatched as usual a number of Overland Letters, not especially marked, because, had I not done so, great disappointment would have been experienced by parties in Calcutta; but I intend to discontinue the practice, after a sufficient time has elapsed to admit of the public becoming aware of the privilege conceded by the Notification of May issued by the London General Post Office, and to dispatch by the Overland Express those Letters only which are so marked.

3d.—The public ought moreover to be most especially warned not to mark "per Express" on letters *exceeding two tolas in weight*, because such letters cannot be so dispatched. They will invariably be detained (as was the case on the arrival of the last Mail.) for transmission by the post regular dawk, dispatched after the Express.

4th.—I shall feel much obliged by your favoring me with a list of "Newspaper Offices" in Calcutta, and by your informing the parties connected therewith that not more than two papers (whether sent out from England marked "per Express," or posted in Bombay to go by Express) will, in future, be forwarded by the Government Express. Some of the Newspaper Offices have as many as six Overland Papers marked "per Express," but, as they cannot be so forwarded, it is useless to have them so marked.

5th.—The new rule limits the weight of a Newspaper to 3 *tolas*, but, if that were acted up to, the Newspaper Offices would be deprived altogether of the privilege conceded by the Notification of May last, as an Overland Paper invariably weighs more than 3 and generally very nearly 6 tolas. I have therefore determined to send two Overland Papers to each Office, *without reference to that limit*, and shall continue the practice until I receive orders to the contrary from Government or the Home Authorities.

I have, &c.,

No. 4130.

STEAM TO DACCA AND GOWAHUTTE IN ASSAM.

GOVERNMENT having decided on opening a Steam Communication with Gowahuttee in Assam *via* Dacca and Serajgunge, notice is hereby given, that the first boats for this line, a Steamer and a Flat, will be despatched on the 13th Proximo; and the communication be continued Monthly for THREE YEARS.

The following Regulations and Rates of Charge for accommodation of Passengers, and conveyance of Goods on the Government Boats employed in the above Navigation, are published for general information:

*Of Passage.*

All applications for Passage on the Government Boats proceeding to Dacca and Assam, must be made at the Boat Office in Calcutta, and all applications for Cabins on the Boats returning from Assam, must be made to the Steam Boat Agent at the nearest place to that of embarkation.

The distance between Calcutta and Gowahuttee is assumed to be 600 miles, and the distance from Calcutta to the different Stations as follows:

| | | |
|---|---|---|
| Burrisaul,..... | 200 | Miles. |
| Dacca,..... | 300 | " |
| Seraj Gunge,..... | 400 | " |
| Dewan Gunge,..... | 450 | " |
| Bugwah,..... | 500 | " |
| Gowalpara,..... | 550 | " |
| Gowahuttee,..... | 600 | " |

An Accommodation or a Cargo Boat will be employed in this line, as far as Dacca, the Steamer only going on to Gowahuttee until the demand for freight to and from places above Dacca is more than a Steamer can supply. In the first there are 3 classes of Cabins, but there will be no distinction in the charge, and the preference in the selection will be given to those who engage for the longest distances or otherwise, according to priority of application.

To Burrisaul or Dacca the charge will be Seventy-five Rupees, to Gowahuttee One Hundred and Fifty Rupees, or at the rate of Twenty-five Rupees for every 100 miles, of the estimated distance according to which the passage for intermediate distances will be rated.

One Servant is allowed to each Cabin occupied by one person, but if a Cabin be occupied by more than one person, an additional charge will be made of Nine Rupees, which will entitle the Cabin to a second Servant. All other extra Servants will be considered as Deck Passengers, the charge for which will be half an Anna per mile, or Eighteen Rupees Twelve Annas from Calcutta to Gowahuttee; Deck Passengers will pay Eighteen Rupees to Gowahuttee, or half an Anna a mile for any shorter distance.

The charge for passage on return voyages will be the same as above.

Passengers are allowed to carry such Baggage and Cabin Furniture within their Cabins as is necessary for the voyage; and this may include a Piano if required for use during the voyage and not in a packing case: but Pianos in packing cases and all other packages, as cases of Millinery, Saddlery, Glass and Earthen-ware, Beer and Wines, and other Stores, will be stowed in another part of the vessel; and to the extent of half a ton, or 25 cubic [illegible] be charged for at half the established rate of Freight; all in excess of half a ton will be charged at the full rate of Freight.

Deck Passengers are allowed one Roll of Bedding 2 feet wide, and a box of six cubic feet solid contents.

A Table is provided by the Commander at Four Rupees per Diem for each person, exclusive of Wines and Beer, which if provided by the Commander, are charged at regulated prices, of which a list is exhibited in the Dining Room, and all Refreshments required between the regular meals of Breakfast at ½ past 8, Biscuit, &c. at noon, Dinner at 3 P. M., and Tea and Coffee in the evening. Persons who provide their own Wines, will pay 3 annas for each cork drawn.

Children who do not come to the Table are provided at One Rupee per day, the same charge is made for Christian Servants.

Mussulman Servants may feed with the Crew, paying a rate of Two Annas per day. Hindoos must provide their own food.

The Passage Money, and a deposit of Four Rupees per day for the estimated term of the voyage, must be paid on engaging a passage, and any surplus of Table Money will be returned, or an additional charge be made by the Commander, as the voyage may fall short of or exceed the time for which the deposit was calculated. Half the Passage Money, and half the Table Money become forfeit by persons who relinquish a passage after having engaged it.

The despatch of Boats will be duly advertized, and if any change in the Boats occurs, Accommodation or Freight engaged for the one advertized, will be assigned on the one substituted.

### *Of Freight.*

All Goods intended for shipment on the Government Boats must be sent to the Boat Office, in Church Lane, Calcutta, between the hours of Ten and Four, Sundays, Christmas Days, and Good Fridays excepted.

Goods will not be received for shipment unless they be addressed to a resident at the place at which they are to be delivered from the Boats. The direction must be marked on something not liable to be destroyed by vermin, and from which it may not easily be obliterated. A direction written on a card or marked with ink on a tin box, would be liable to the above objection.

The Boat Office will not be responsible for any damage or loss that may be occasioned by accident to the vessel or other cause whatever, not traceable to negligence or mismanagement of those belonging to the vessel.

All Goods sent to the Boat Office must be accompanied by a note, with suitable direction for the guidance of the Officers of the Department.

Goods not applied for on board the Boat by the Consignee, will be carried on and charged with additional freight, unless addressed to the Steam Agent, in which case they will be delivered to him. It must be understood, however, that although all persons are at liberty to consign their goods to the Steam Agent of the stations at which they are to be landed, *the Government is not responsible for such Steam Agent, or for the safety of the goods after the delivery of the same to the Consignee or to his order, whether such Consignee be the Steam Agent or any other person.* Goods intended for the final station, if not applied for within 24 hours after the Boat's arrival there, will be delivered to the Steam Agent at the risk of the shipper.

Freight on all Packages, excepting Treasure laden in Calcutta, or for which tonnage is reserved in Calcutta, and which do not exceed in weight 35lbs. per cubic foot, will be charged by the cubic foot.

Packages exceeding thirty-five pounds, or 17½ seers per cubic foot, will be charged by the weight.

*From Calcutta,*

| | *Per Foot.* | *Per Seer.** |
|---|---|---|
| To Burrisaul, ..... | 8 Ans. | 6 Pie. |
| „ Dacca, ..... | | |
| „ Seraj Gunge, ..... | 12 Ans. | 9 Pie. |
| „ Dewangunge, ..... | | |
| „ Bugwah, ..... | | |
| „ Gowalpara, ..... | 1 R. | 12 Pie. |
| „ Gowahuttee, ..... | | |

For intermediate distances upwards for Goods not shipped in Calcutta, 3 annas per foot, and 2 pie per seer or 1 pie per pound, will be charged for every 100 miles.

The charge for Freight downwards will be 6 annas per maund for all distances above Dacca; articles weighing less than 35 lbs. or 17½ seers per cubic foot, to be charged by measurement at 4 annas per foot. From Dacca and places near Calcutta, 5 annas per maund, 2½ annas per foot.

### *Dispatch of Boats, and probable dates of Arrival at different Places.*

It is intended that the Boats shall leave Calcutta the 13th of every month, except when the 13th falls on a Sunday, when they will be dispatched on the 12th. The following is the estimated time the Boats will take, and the date on which they will probably arrive at the different Stations up and down, leaving Calcutta on the 13th to get back there, by the 9th the boats will reach—

| | *Up.* | *Down.* |
|---|---|---|
| Burrisaul, ..... | 17th | 5th |
| Dacca, ..... | 19th | 3rd |
| Seraj Gunge, ..... | 21st | 2nd |
| Dewangunge, ..... | 22nd | 1st |
| Bugwah, ..... | 23rd | 30th |
| Gawalpara, ..... | 24th | 29th |
| Gowahuttee, ..... | 25th leaves | 28th |

### *Freight on Carriages.*

| | | | |
|---|---|---|---|
| Empty Carriage, Barouche, or Landaulet 6 Pie per lb., ..... | 78 | 2 | 0 |
| Ditto Britzka, Palankeen Carriage, or Phæton, Ditto, ..... | 62 | 8 | 0 |
| Ditto Buggy, ..... | 31 | 4 | 0 |
| Ditto Palankeen, ..... | 15 | 0 | 0 |
| Ditto Tonjon, ..... | 10 | 8 | 0 |

To any distance from Calcutta, but if carried intermediately at two pie per lb. from Station to Station, both upward and downward, calculating on the average weight.

| | *Calculated at* |
|---|---|
| Weight of a Carriage, Barouche, or Landaulet, ..... | 2500 lbs. |
| Britzka, Palankeen Carriage, or Phæton, ..... | 2000 „ |
| Buggy, ..... | 1000 „ |
| Palankeen, ..... | 480 „ |
| Tonjon, ..... | 336 „ |

### *Freight on Cattle.*

| | | |
|---|---|---|
| Horses, ..... | 48† | If carried intermediately at 12 Rs. each from Station to Station. |
| Bulls, Cows, &c., | 48† | |
| Sheep or Dogs, Goats, ..... | 8† | If ditto at Rs. 2 ditto. |

* Goods will be charged by European or native weights, as they are entered in the Controller's or in the Steam Agent's Office; the charge per lb. will be half that per seer.

† Exclusive of the Groom or Keeper, who is to be considered a Deck Passenger, and charged as such according to the usual rate. The Shippers are to supply the food, and be at the expence of making the Stalls.

If brought down to the Presidency are charged 2-3rd of the upward freight.

*Freight on Treasure.*

To Burrisaul or Dacca,..... ¼ per cent.
To any distance beyond, ..... ¼d ditto.

Intermediate ditto Two Pie per mile per thousand.

Freight on Copper Coins will be charged by the weight at 8 Pie per lb. from Calcutta—and down and intermediately, the same as on weighable Goods.

Treasure is deliverable to the Bill of Lading only, and parties neglecting to apply for Treasure will be subjected to additional Freight for the distance it may become necessary to carry it in consequence of their negligence.

Applications for Freight on the Vessel downward must be made to the Steam Boat Agent at Gowahuttee or Seraj Gunge, or at the nearest Station, by letter, describing the Goods to be despatched, their weight and measurement.

The Steam Agent will in reply, name the Boat in which he assigns tonnage, and if from any cause, as damage to the Boat, deviation from her intended voyage on unexpected demand on account of Government, a circumstance likely seldom to occur, the tonnage should be rendered non-available, the party for whom such tonnage has been registered must bear the inconvenience, and he will have no claim for indemnification by assignment of Freight in another Vessel to the detriment of any other person who may have engaged tonnage subsequently to the disappointed party, whose right to tonnage will be limited to such as may be available in the Vessel previously named, but in that Vessel, the claim to such tonnage as may remain available will be acknowledged according to priority of application. Thus the entire tonnage of a Boat may have been assigned in rotation by the Steam Agent to A. B. and C., after which the Government unexpectedly make a demand for more or less, the remaining portion will go to satisfy the claim of A. then of B. &c. The latter applications being thrown out partially or wholly, as the case may be.

The Agent will be instructed to acknowledge the applications made to him for tonnage in the following terms:—"Sir, in reply to your letter of the I beg to say tonnage for chests of Indigo and maunds of Sugar is assigned to you on the Registered No. of application."

The Agent is instructed to keep a correct Register of daily assignments, and to transmit a copy daily to the Controller of Steam Vessels.

The Boats will make the following stoppages, at different stations, during daylight:

| | | |
|---|---|---|
| At Burrisaul, . . . | 3 | hours. |
| „ Dacca, . . . . | 4 | ditto. |
| „ Seraj Gunge, . . . | 4 | ditto. |
| „ Dewan Gunge, . . | 3 | ditto. |
| „ Bugwah, . . . | 3 | ditto. |
| „ Gowalpara, . . . | 3 | ditto. |
| „ Gowahuttee, . . . | 48 | ditto, clear. |

Should Freight not be ready for shipment on the arrival of the Boat at the several stations, the Commander of the Steamer will have peremptory orders to proceed to the next Station.

Treasure laden on a Boat whose progress is arrested, will be retained on board until the Boat is enabled to proceed to her destination, unless the Consignees holding the Bill of Lading of such Treasure may require its delivery, giving a full acquittance for the Treasure, and receiving such difference of Freight as may have been paid in excess of what would have been charged for conveyance of such Treasure to the place of its delivery.

The Steam Agents at the different Stations make no charge for landing Goods from the Boats into their Godowns; nor for shipping Goods delivered into their Godowns, provided such Goods are not merchandise, intended for traffick, nor animals nor machines for conveyance; for all such they will charge the following rates:

For embarking or landing a Horse, Cow or Bull, Rs. 2.

A Calf, Dog, Sheep, or Goat with or without Kid, Annas 2.

A Barouche, Phaeton, Palankeen Carriage, Britzka, Rs. 3.

A Buggy or Palankeen, Rupee 1.

A Box, Bale, Chest or Cask, large or small, Annas 2.

A bag of Sugar or Saltpetre ditto ditto Anna 1.

When Goods are consigned to Calcutta, it is optional with Shippers to pay the Freight or to leave the same to be collected on delivery of the Goods. Freight must be paid to the Agent or Commander of the Boat for all Goods shipped away from Calcutta, and not deliverable at Calcutta. And no Packages will be received into the Boat Office for transmission on which Freight is not paid at the time.

JAS. SUTHERLAND,

V. The following "rules for the examination of candidates for insertion in the list directed to be annually furnished to Government, by the notification of the Governor General, dated 10th October 1844," are republished for general information:

1. No one shall be allowed to become a candidate for insertion in the annual returns, who is less than 18 or more than 23 years of age; and who is not at the time a student either of government, or of a private institution recognized by the Council of Education. All competitors must likewise produce satisfactory proofs of good moral character.

2. Every candidate, whether he belong to a government college or a private institution, shall be required to undergo the usual annual examination for Senior English Scholarships, a Latin being substituted for a vernacular essay, at the option of each candidate.

3. There shall be two classes of merit: the first shall comprehend all who are in the last year of a senior scholarship, or who, though not actually in the last year, would be so, if there had been a vacant scholarship at the time when they first became eligible for one; or have been engaged for ten years in the study of English at a private insti-

tution, and who obtain at least three-fourths of the number of marks allowed in each subject. The second class shall include all other candidates, who obtain at least half of the number of marks allowed for complete answers in every subject contained in the Senior English Scholarship standard.

4. The place of each successful competitor in his class shall be determined by the relative merit of his examination.

5. Every candidate for insertion in the Council's list shall pay a registration fee of Co.'s Rs. 5, prior to being allowed to compete at the examination.

6. A student who shall fail to prove himself qualified for insertion in the Council's list, shall not be permitted to present himself for examination more than three times, pre-paying on each occasion the usual registration fee.

7. A candidate whose name shall once have appeared in the return, shall not be allowed to compete again with a view to obtain a higher grade.

8. All candidates, whether from government or private institutions, must distinctly understand, that mere insertion in the returns will by no means be a sure passport to employment, since the preference must depend upon other qualifications, as well as upon literary and scientific acquirements, and good moral conduct.

9. The following is the system of examination adopted, and the standard of the Senior English Scholarships referred to in rule 2.

Sets of questions on the various branches of study will be prepared under the direction of the Council of Education, who will likewise fix, within a reasonable time beforehand, the days on which the examinations shall be held.

The students shall be assembled in a room without books, papers, or references of any kind. They shall not be allowed to communicate with each other during the examination, and on that account shall be placed at a proper distance from each other.

They will be required to answer the questions and to write the essays without any assistance whatever, and to ensure this, one of the members of the Council of Education will remain in the room, and superintend the whole examination.

Any attempt at, or practice of, unfair means, shall subject the offender to exclusion from the examination, as well as from the returns of the Council, and thereby render him ineligible for Government employment.

The Council of Education will fix an uniform standard of value for each question according to its importance: a perfectly correct and complete answer will obtain the full number of marks attached to the question, an imperfect answer will obtain a part only of the full number, in proportion to its approximation to correctness and completeness. At least 50 per cent. of the aggregate number of marks attached to an entire set of examination questions, will be necessary to entitle a student to a senior scholarship.

The following are the qualifications for the Senior English Scholarships:—

English Essay. The candidate must compose a fair English Essay.

History. He must know the leading facts of Universal History, with special reference to the Histories of Greece, Rome, India, England and Modern Europe. The course of History which will form the subject of each annual examination, will be made known by the Council of Education, on or before the 1st of August of the previous year.

General Literature. He must be able to explain passages of prose and verse, selected from standard authors. Hereafter the works from which the passages will be selected for the ensuing year, will be fixed by the Council of Education, at least one year before each annual scholarship examination.

Mathematics. He must have a knowledge of Algebra as treated of in Peacock's work on the subject, and in the Chapter on Chances in Wood's Algebra. Of Euclid he must know the first four books, the fifth definition of the 5th book, the 6th book, and 21 propositions of the 11th book: Plane and Spherical Trigonometry (Hind's, Snowball's or Woodhouse's) and Conic Sections.

Natural Philosophy. He must have a knowledge of Astronomy, Mechanics, Hydrostatics, Pneumatics and Optics as treated of in the works noted in the margin* sufficient to enable him to comprehend Herschell's Introductory Discourse on the study of Natural Philosophy, and Mrs. Somerville's Connection of the Physical Sciences. He must also be acquainted with Mathematical and Physical Geography, as treated of in the publications of the Society for the Diffusion of Useful Knowledge.

* Brinkley's Astronomy, or the Astronomy in the Natural Philosophy of the S. D. U. K. Whewell's Mechanics, Webster's Hydrostatics and Phelp's Optics, with the Pneumatics of the S. D U. K.

Vernacular Essay. He must write a fair essay in the Vernacular.

VI. The scholarship questions with the most distinguished answers in English Literature, History and the best Essays, will be published for general information and distribution, as soon as practicable after the receipt of the reports.

Very distinguished answers from out-candidates will also be published.

With a view to facilitate the classification and examination of answers in each subject, all candidates are directed to write their replies on one side of the paper only, and to answer no more than one question on any piece of paper.

Performances not executed in conformity with the above rule, will not be examined.

*Fort William, Home Department, Legislative, the 14th August,* 1847.

The following Draft of a proposed Act was read in Council for the first time on the 14th of August 1847:

ACT NO. —— OF 1847.

*An Act for curing the invalidity in the registration of Deeds arising from the fact of having been registered by persons not duly appointed or on other than Court days.*

Whereas instances have occurred of persons exercising the office of Register of Deeds who have not been duly appointed, and whereas in some cases registration of Deeds has been made on other than Court days, that is on days other than those on which the Zillah or City Court has been open for business, and doubts may therefore arise as to whether the registration of any Deed registered by such persons not duly appointed, or registered on other than a Court day, is valid in law:

I. It is therefore hereby enacted, that acts which may have been done in that capacity in any Zillah, subject to the Presidency of Bengal, by persons who have had charge of the office of Register of Deeds without being duly appointed to the said office, shall be and shall be taken to have always been as valid in law as such acts would have been if the said persons had been duly appointed to have charge of the said office.

II. And it is enacted, that all acts which may have been done on other than Court days by the

Register of Deeds, or by the person having charge of the office without being duly appointed in any Zillah subject to the Presidency of Bengal, shall be and shall be taken to have always been as valid in law as such acts would have been if they had been done on a Court day.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be re-considered at the first meeting of the Legislative Council of India after the 14th day of October next.

*General Orders by the Hon'ble the President of the Council of India in Council.*

*Fort William, 13th August*, 1847.—*No.* 244 *of* 1847.—The Hon'ble the President of the Council of India in Council, with the concurrence of the Right Hon'ble the Governor General, is pleased to notify, that no European Non-Commissioned Officer or Soldier is entitled to retire on a Pension, after a service of 21 years, while under an unexpired contract for further service, and therefore men who re-enlist on a Bounty for a specified term, will be required to complete their contract of service, before they will be allowed to take their Pension.

Government, however, will not withhold from men so circumstanced, the option of retiring upon the condition of their refunding a proportionate amount of the Bounty received, and in such cases the sum refunded is to be placed to the credit of Government with the Pay Master, whose receipt for the same is to be attached to the usual documents, submitted with applications for permission to retire on a Pension, and to be considered as a release of the unexpired portion of the contract entered into, on re-enlistment.

The Bounty to be refunded is to be in proportion to the number of whole years of service unperformed, no refund will be required for periods of less than a year, and men wishing to take their Pensions, will be allowed to do so, although their contracted periods of service are unexpired by any period less than 365 days.

Non-Commissioned Officers and Soldiers after completing their 20th year service, will, in future, also be allowed the option of re-enlisting for one year on a Bounty of Rupees (16) Sixteen, in order that their period of 21 years' service, may expire simultaneously with the period for which Bounty is granted.

To W. Tayler, Esquire,

*Post Master General, Calcutta.*

Sir,—Adverting to my Letter, dated the 2d instant, I have the honor to suggest for your consideration, whether it would not be advisable to publish a Notice in the Calcutta Papers, intimating to the public generally, especially the Mercantile Community, that, if they desire their Overland Letters, to be forwarded on by the Government Overland Express, they should request their Correspondents to mark "per Express," and to keep within the *limited weight of two tolas;* and that, meanwhile, until the system becomes generally known, they ought to advise me, whether

:hey wish any of their Letters, not so marked, to be sent on from Bombay by the Express.

2d.—By the last Express I dispatched as usual a number of Overland Letters, not especially marked, because, had I not done so, great disappointment would have been experienced by parties in Calcutta; but I intend to discontinue the practice, after a sufficient time has elapsed to admit of the public becoming aware of the privilege conceded by the Notification of May issued by the London General Post Office, and to dispatch by the Overland Express those Letters only which are so marked.

3d.—The public ought moreover to be most especially warned not to mark "per Express" on letters *exceeding two tolas in weight*, because such letters cannot be so dispatched. They will invariably be detained (as was the case on the arrival of the last Mail,) for transmission by the post regular dawk, dispatched after the Express.

4th.—I shall feel much obliged by your favoring me with a list of "Newspaper Offices" in Calcutta, and by your informing the parties connected therewith that not more than two papers (whether sent out from England marked "per Express," or posted in Bombay to go by Express) will, in future, be forwarded by the Government Express. Some of the Newspaper Offices have as many as six Overland Papers marked "per Express," but, as they cannot be so forwarded, it is useless to have them so marked.

5th.—The new rule limits the weight of a Newspaper to 3 *tolas*, but, if that were acted up to, the Newspaper Offices would be deprived altogether of the privilege conceded by the Notification of May last, as an Overland Paper invariably weighs more than 3 and generally very nearly 6 tolas. I have therefore determined to send two Overland Papers to each Office, *without reference to that limit*, and shall continue the practice until I receive orders to the contrary from Government or the Home Authorities.

I have, &c.

*Calcutta, Genl. Post Office, the 4th Sept.* 1846.

---

THE following Memorandum drawn out by the Political Agent of Bhopaul, is published for general information:

*Memorandum regarding Daks for Travellers within the Bhopaul Political Agency.*

*July 21st* 1847.

1. A Dak consisting of 8 Palkee Bearers of 1 or 2 Banghy Burdars if required, and of 1 or 2 Mussalchies, will be furnished at the rate of eight annas (Company's Currency,) per mile, English.

2. On the two main roads between Saugor to Mhow, and between Saugor and Hoshungabad, the Bhopaul authorities furnish Daks from Bhilsa and Tuppa in the one case, and from Bhilsa and Hoshungabad on the other. The distances are respectively, 97 miles and 76 miles, according to the Post Office routes, viz. as follows: Bhilsa to Bhopaul 30, Bhopaul to Tuppa 67, and Bhopaul to Hoshungabad 46 miles. The distance between Bhopaul and Sehore is reckoned at 21 miles.

3. Should a traveller be detained for less than 24 hours, no demurrage will be charged; if he is delayed more than a day then for the second day in whole or part, and so for the 3d day, &c., he will be charged 3 annas (Company's Currency,) for each man at each stage—that is 3 annas a day per man, beyond the first day.

4. As delays occasionally occur in going from Saugor to Mhow at Tuppa, where the Mhow Bearers should take up the Dak, the Bhopaul Bearers will, if necessary, carry the traveller on to the next stage, Peepleea, each man employed receiving 4 annas (Company's Currency,) for the extra stage.

5. It is advisable always to give, if possible, seven days notice about laying a Dak, as the majority of the bearers have to be sent to their respective stages from the town of Bhopaul.

6. No Daks can be laid as a rule on other roads, but every endeavour will be made to accommodate travellers on timely notice being given.

No. 4130.

## STEAM TO DACCA AND GOWAHUTTEE IN ASSAM.

GOVERNMENT having decided on opening a Steam Communication with Gowahuttee in Assam *via* Dacca and Serajgunge, notice is hereby given, that the first boats for this line, a Steamer and a Flat, will be despatched on the 13th Proximo; and the communication be continued Monthly for THREE YEARS.

The following Regulations and Rates of Charge for accommodation of Passengers, and conveyance of Goods on the Government Boats employed in the above Navigation, are published for general information:

*Of Passage.*

All applications for Passage on the Government Boats proceeding to Dacca and Assam, must be made at the Boat Office in Calcutta, and all applications for Cabins on the Boats returning from Assam, must be made to the Steam Boat Agent at the nearest place to that of embarkation.

The distance between Calcutta and Gowahuttee is assumed to be 600 miles, and the distance from Calcutta to the different Stations as follows:

| | | |
|---|---|---|
| Burrisaul,..... | 200 | Miles. |
| Dacca, ..... | 300 | „ |
| Seraj Gunge,..... | 400 | „ |
| Dewan Gunge,..... | 450 | „ |
| Bugwah,..... | 500 | „ |
| Gowalpara,..... | 550 | „ |
| Gowahuttee,..... | 600 | „ |

An Accommodation or a Cargo Boat will be employed in this line, as far as Dacca, the Steamer only going on to Gowahuttee until the demand for freight to and from places above Dacca is more than a Steamer can supply. In the first there are 3 classes of Cabins, but there will be no distinction in the charge, and the preference in the selection will be given to those who engage for the longest distances or otherwise, according to priority of application.

To Burrisaul or Dacca the charge will be Seventy-five Rupees, to Gowahuttee One Hundred and Fifty Rupees, or at the rate of Twenty-five Rupees for every 100 miles, of the estimated distance according to which the passage for intermediate distances will be rated.

One Servant is allowed to each Cabin occupied by one person, but if a Cabin be occupied by more than one person, an additional charge will be made of Nine Rupees, which will entitle the Cabin to a second Servant. All other extra Servants will be considered as Deck Passengers, the charge for which will be half an Anna per mile, or Eighteen Rupees Twelve Annas from Calcutta to Gowahuttee; Deck Passengers will pay Eighteen Rupees to Gowahuttee, or half an Anna a mile for any shorter distance.

The charge for passage on return voyages will be the same as above.

Passengers are allowed to carry such Baggage and Cabin Furniture within their Cabins as is necessary for the voyage; and this may include a Piano if required for use during the voyage and not in a packing case: but Pianos in packing cases and all other packages, as cases of Millinery, Saddlery, Glass and Earthen-ware, Beer and Wines, and other Stores, will be stowed in another part of the vessel; and to the extent of half a ton, or 25 cubic feet, be charged for at half the established rate of Freight; all in excess of half a ton will be charged at the full rate of Freight.

Deck Passengers are allowed one Roll of Bedding 2 feet wide, and a box of six cubic feet solid contents.

A Table is provided by the Commander at Four Rupees per Diem for each person, exclusive of Wines and Beer, which if provided by the Commander, are charged at regulated prices, of which a list is exhibited in the Dining Room, and all Refreshments required between the regular meals of Breakfast at ¼ past 8, Biscuit, &c. at noon, Dinner at 3 P. M., and Tea and Coffee in the evening. Persons who provide their own Wines, will pay 3 annas for each cork drawn.

Children who do not come to the Table are provided at One Rupee per day, the same charge is made for Christian Servants.

Mussulman Servants may feed with the Crew, paying a rate of Two Annas per day. Hindoos must provide their own food.

The Passage Money, and a deposit of Four Rupees per day for the estimated term of the voyage, must be paid on engaging a passage, and any surplus of Table Money will be returned, or an additional charge be made by the Commander, as the voyage may fall short of or exceed the time for which the deposit was calculated. Half the Passage Money, and half the Table Money become forfeit by persons who relinquish a passage after having engaged it.

The despatch of Boats will be duly advertized, and if any change in the Boats occurs, Accommodation or Freight engaged for the one advertized, will be assigned on the one substituted.

*Of Freight.*

All Goods intended for shipment on the Government Boats must be sent to the Boat Office, in Church Lane, Calcutta, between the hours of Ten and Four, Sundays, Christmas Days, and Good Fridays excepted.

Goods will not be received for shipment unless they be addressed to a resident at the place at which they are to be delivered from the Boats. The direction must be marked on something not liable to be destroyed by vermin, and from which it may not easily be obliterated. A direction written on a card or marked with ink on a tin box, would be liable to the above objection.

The Boat Office will not be responsible for any damage or loss that may be occasioned by accident to the vessel or other cause whatever, not traceable to negligence or mismanagement of those belonging to the vessel.

All Goods sent to the Boat Office must be accompanied by a note, with suitable direction for the guidance of the Officers of the Department.

Goods not applied for on board the Boat by the Consignee, will be carried on and charged with additional freight, unless addressed to the Steam Agent, in which case they will be delivered to him. It must be understood, however, that although all persons are at liberty to consign their goods to the Steam Agent of the stations at which they are to be landed, *the Government is not responsible for such Steam Agent, or for the safety of the goods after the delivery of the same to the Consignee or to his order, whether such Consignee be the Steam Agent or any other person.* Goods intended for the final station, if not applied for within 24 hours after the Boat's arrival there, will be delivered to the Steam Agent at the risk of the shipper.

Freight on all Packages, excepting Treasure laden in Calcutta, or for which tonnage is reserved in Calcutta, and which do not exceed in weight 35lbs. per cubic foot, will be charged by the cubic foot.

Packages exceeding thirty-five pounds, or 17½ seers per cubic foot, will be charged by the weight.

*From Calcutta,*

| | Per Foot. | Per Seer.* |
|---|---|---|
| To Burrisaul,..... „ Dacca, ..... | 8 Ans. | 6 Pie. |
| „ Seraj Gunge, ..... „ Dewangunge, ..... „ Bugwah, ..... | 12 Ans. | 9 Pie. |
| „ Gowalpara, ..... „ Gowahuttee,..... | 1 R. | 12 Pie. |

For intermediate distances upwards for Goods not shipped in Calcutta, 3 annas per foot, and 2 pie per seer or 1 pie per pound, will be charged for every 100 miles.

The charge for Freight downwards will be 6 annas per maund for all distances above Dacca; articles weighing less than 35 lbs. or 17½ seers per cubic foot, to be charged by measurement at 4 annas per foot. From Dacca and places near Calcutta, 5 annas per maund, 2½ annas per foot.

*Dispatch of Boats, and probable dates of Arrival at different Places.*

It is intended that the Boats shall leave Calcutta the 13th of every month, except when the 13th falls on a Sunday, when they will be dispatched on the 12th. The following is the estimated time the Boats will take, and the date on which they will probably arrive at the different Stations up and down, leaving Calcutta on the 13th to get back there, by the 9th the boats will reach—

| | Up. | Down. |
|---|---|---|
| Burrisaul,..... | 17th | 5th |
| Dacca, ..... | 19th | 3rd |
| Seraj Gunge, ..... | 21st | 2nd |
| Dewangunge, ..... | 22nd | 1st |
| Bugwah, ..... | 23rd | 30th |
| Gawalpara, ..... ..... | 24th | 29th |
| Gowahuttee,..... | 25th leaves | 28th |

*Freight on Carriages.*

| | | | |
|---|---|---|---|

| Ditto Britzka. Palankeen Carriage, or Phæton, Ditto, ..... ..... | 62 | 8 | 0 |
| Ditto Buggy, ..... | 31 | 4 | 0 |
| Ditto Palankeen, ..... | 15 | 0 | 0 |
| Ditto Tonjon,..... ..... | 10 | 8 | 0 |

To any distance from Calcutta, but if carried intermediately at two pie per lb. from Station to Station, both upward and downward, calculating on the average weight.

| | Calculated at |
|---|---|
| Weight of a Carriage, Barouche, or Landaulet, ..... | 2500 lbs. |
| Britzka, Palankeen Carriage, or Phæton, ..... | 2000 „ |
| Buggy, ..... | 1000 „ |
| Palankeen, ..... | 480 „ |
| Tonjon, ... ..... | 336 „ |

*Freight on Cattle.*

| | | |
|---|---|---|
| Horses,..... | 48† | If carried intermediately at 12 Rs. each from Station to Station. |
| Bulls, Cows, &c., | 48† | |
| Sheep or Dogs, Goats, ..... | 8† | If ditto at Rs. 2 ditto. |

* Goods will be charged by European or native weights, as they are entered in the Controller's or in the Steam Agent's Office; the charge per lb. will be half that per seer.

† Exclusive of the Groom or Keeper, who is to be considered a Deck Passenger, and charged as such according to the usual rate. The Shippers are to supply the food, and be at the expence of making the Stalls.

If brought down to the Presidency are charged 2-3rd of the upward freight.

*Freight on Treasure.*

To Burrisaul or Dacca,..... ¼ per cent.
To any distance beyond, ..... ⅓d ditto.

Intermediate ditto Two Pie per mile per thousand.

Freight on Copper Coins will be charged by the weight at 8 Pie per lb. from Calcutta—and down and intermediately, the same as on weighable Goods.

Treasure is deliverable to the Bill of Lading only, and parties neglecting to apply for Treasure will be subjected to additional Freight for the distance it may become necessary to carry it in consequence of their negligence.

Applications for Freight on the Vessel downward must be made to the Steam Boat Agent at Gowahuttee or Seraj Gunge, or at the nearest Station, by letter, describing the Goods to be despatched, their weight and measurement.

The Steam Agent will in reply, name the Boat in which he assigns tonnage, and if from any cause, as damage to the Boat, deviation from her intended voyage on unexpected demand on account of Government, a circumstance likely seldom to occur, the tonnage should be rendered non-available, the party for whom such tonnage has been registered must bear the inconvenience, and he will have no claim for indemnification by assignment of Freight in another Vessel to the detriment of any other person who may have engaged tonnage subsequently to the disappointed party, whose right to tonnage will be limited to such as may be available in the Vessel previously named, but in that Vessel, the claim to such tonnage as may remain available will be acknowledged according to priority of application. Thus the entire tonnage of a Boat may have been assigned in rotation by the Steam Agent to A. B. and C., after which the Government unexpectedly make a demand for more or less, the remaining portion will go to satisfy the claim of A. then of B. &c. The latter applications being thrown out partially or wholly, as the case may be.

The Agent will be instructed to acknowledge the applications made to him for tonnage in the following terms:—"Sir, in reply to your letter of the I beg to say tonnage for chests of Indigo and maunds of Sugar is assigned to you on the Registered No. of application."

The Agent is instructed to keep a correct Register of daily assignments, and to transmit a copy daily to the Controller of Steam Vessels.

The Boats will make the following stoppages, at different stations, during daylight:

| | | |
|---|---|---|
| At Burrisaul, . . . | 3 | hours. |
| „ Dacca, . . . . | 4 | ditto. |
| „ Seraj Gunge, . . . | 4 | ditto. |
| „ Dewan Gunge, . . | 3 | ditto. |
| „ Bugwah, . . . | 3 | ditto. |
| „ Gowalpara, . . . | 3 | ditto. |
| „ Gowahuttee, . . . | 48 | ditto, clear. |

Should Freight not be ready for shipment on the arrival of the Boat at the several stations, the Commander of the Steamer will have peremptory orders to proceed to the next Station.

Treasure laden on a Boat whose progress is arrested, will be retained on board until the Boat is enabled to proceed to her destination, unless the Consignees holding the Bill of Lading of such Treasure may require its delivery, giving a full

acquittance for the Treasure, and receiving such difference of Freight as may have been paid in excess of what would have been charged for conveyance of such Treasure to the place of its delivery.

The Steam Agents at the different Stations make no charge for landing Goods from the Boats into their Godowns; nor for shipping Goods delivered into their Godowns, provided such Goods are not merchandise, intended for traffick, nor animals nor machines for conveyance; for all such they will charge the following rates:

For embarking or landing a Horse, Cow or Bull, Rs. 2.

A Calf, Dog, Sheep, or Goat with or without Kid, Annas 2.

A Barouche, Phaeton, Palankeen Carriage, Britzka, Rs. 3.

A Buggy or Palankeen, Rupee 1.

A Box, Bale, Chest or Cask, large or small, Annas 2.

A bag of Sugar or Saltpetre ditto ditto Anna 1.

When Goods are consigned to Calcutta, it is optional with Shippers to pay the Freight or to leave the same to be collected on delivery of the Goods. Freight must be paid to the Agent or Commander of the Boat for all Goods shipped away from Calcutta, and not deliverable at Calcutta. And no Packages will be received into the Boat Office for transmission on which Freight is not paid at the time.

By Order of the Superintendent of Marine,

JAS. SUTHERLAND,
*Secretary.*

*Steam Department, the 27th July*, 1847.

GENERAL POST OFFICE, MAY 1847.

The Post Master General having been informed by the Court of Directors of the East India Company, that on and after the 1st June next, persons in this Country may forward private correspondence by the Government Express from Bombay to Calcutta and Madras, all persons desirous of availing themselves of this privilege, will be required to mark upon the covers of their letters the words "By Express from Bombay," and in addition to this special address, it will be necessary, that all letters intended to be forwarded by the way of Southampton, should be so endorsed as hitherto; the postage to be charged in India in the delivery of letters sent by this Express will be in addition to the ordinary Inland rates.

One Rupee for every letter not exceeding half a tola in weight.

Two Rupees for every letter above half a tola, but not exceeding one tola in weight.

Four Rupees for every letter above one tola, but not exceeding two tolas in weight, two tolas being the maximum weight of letters to be conveyed by Express.

On Newspapers, each Newspaper Office in Calcutta and Madras, will be allowed to receive two Newspapers at the ordinary rates of Inland postage, on all other Newspapers forwarded by Express a postage of five Rupees each will be charged, and no Newspaper will be received for the Express exceeding three tolas in weight.

N. B. One tola and a quarter is nearly equivalent to half an ounce avoirdupoise.

*General Department.*

To W. TAYLER, Esquire,
*Post Master General, Calcutta.*

SIR,—Adverting to my Letter, dated the 2d instant, I have the honor to suggest for your consideration, whether it would not be advisable to publish a Notice in the Calcutta Papers, intimating to the public generally, especially the Mercantile Community, that, if they desire their Overland Letters, to be forwarded on by the Government Overland Express, they should request their Correspondents to mark "per Express," and to keep within the *limited weight of two tolas;* and that, meanwhile, until the system becomes generally known, they ought to advise me, whether they wish any of their Letters, not so marked, to be sent on from Bombay by the Express.

2d.—By the last Express I dispatched as usual a number of Overland Letters, not especially marked, because, had I not done so, great disappointment would have been experienced by parties in Calcutta; but I intend to discontinue the practice, after a sufficient time has elapsed to admit of the public becoming aware of the privilege conceded by the Notification of May issued by the London General Post Office, and to dispatch by the Overland Express those Letters only which are so marked.

3d.—The public ought moreover to be most especially warned not to mark "per Express" on letters *exceeding two tolas in weight*, because such letters cannot be so dispatched. They will invariably be detained (as was the case on the arrival of the last Mail.) for transmission by the post regular dawk, dispatched after the Express.

4th.—I shall feel much obliged by your favoring me with a list of "Newspaper Offices" in Calcutta, and by your informing the parties connected therewith that not more than two papers (whether sent out from England marked "per Express," or posted in Bombay to go by Express) will, in future, be forwarded by the Government Express. Some of the Newspaper Offices have as many as six Overland Papers marked "per Express," but, as they cannot be so forwarded, it is useless to have them so marked.

5th.—The new rule limits the weight of a Newspaper to 3 *tolas*, but, if that were acted up to, the Newspaper Offices would be deprived altogether of the privilege conceded by the Notification of May last, as an Overland Paper invariably weighs more than 3 and generally very nearly 6 tolas. I have therefore determined to send two Overland Papers to each Office, *without reference to that limit*, and shall continue the practice until I receive orders to the contrary from Government or the Home Authorities.

I have, &c.

THE following Memorandum drawn out by the Political Agent of Bhopaul, is published for general information:

*Memorandum regarding Daks for Travellers within the Bhopaul Political Agency.*

*July 21st* 1847.

1. A Dak consisting of 8 Palkee Bearers of 1 or 2 Banghy Burdars if required, and of 1 or 2 Mussalchies, will be furnished at the rate of eight annas (Company's Currency,) per mile, English.

2. On the two main roads between Saugor to Mhow, and between Saugor and Hoshungabad, the Bhopaul authorities furnish Daks from Bhilsa and Tuppa in the one case, and from Bhilsa and Hoshungabad on the other. The distances are respectively, 97 miles and 76 miles, according to the Post Office routes, viz. as follows: Bhilsa to Bhopaul 30, Bhopaul to Tuppa 67, and Bhopaul to Hoshungabad 46 miles. The distance between Bhopaul and Sehore is reckoned at 21 miles.

3. Should a traveller be detained for less than 24 hours, no demurrage will be charged; if he is delayed more than a day then for the second day in whole or part, and so for the 3d day, &c., he will be charged 3 annas (Company's Currency,) for each man at each stage—that is 3 annas a day per man, beyond the first day.

4. As delays occasionally occur in going from Saugor to Mhow at Tuppa, where the Mhow Bearers should take up the Dak, the Bhopaul Bearers will, if necessary, carry the traveller on to the next stage, Peepleea, each man employed receiving 4 annas (Company's Currency,) for the extra stage.

5. It is advisable always to give, if possible, seven days notice about laying a Dak, as the majority of the bearers have to be sent to their respective stages from the town of Bhopaul.

6. No Daks can be laid as a rule on other roads, but every endeavour will be made to accommodate travellers on timely notice being given.

No. 4130.

## STEAM TO DACCA AND GOWAHUTTEE IN ASSAM.

GOVERNMENT having decided on opening a Steam Communication with Gowahuttee in Assam *via* Dacca and Serajgunge, notice is hereby given, that the first boats for this line, a Steamer and a Flat, will be despatched on the 13th Proximo; and the communication be continued Monthly for THREE YEARS.

The following Regulations and Rates of Charge for accommodation of Passengers, and conveyance of Goods on the Government Boats employed in the above Navigation, are published for general information:

*Of Passage.*

All applications for Passage on the Government Boats proceeding to Dacca and Assam, must be made at the Boat Office in Calcutta, and all applications for Cabins on the Boats returning from Assam, must be made to the Steam Boat Agent at the nearest place to that of embarkation.

The distance between Calcutta and Gowahuttee is assumed to be 600 miles, and the distance from Calcutta to the different Stations as follows:

| | | |
|---|---|---|
| Burrisaul,..... | 200 | Miles. |
| Dacca,..... | 300 | „ |
| Seraj Gunge,..... | 400 | „ |
| Dewan Gunge,..... | 450 | „ |
| Bugwah,..... | 500 | „ |
| Gowalpara,..... | 550 | „ |
| Gowahuttee,..... | 600 | „ |

An Accommodation or a Cargo Boat will be employed in this line, as far as Dacca, the Steamer only going on to Gowahuttee until the demand for freight to and from places above Dacca is more than a Steamer can supply. In the first there are 3 classes of Cabins, but there will be no distinction in the charge, and the preference in the selection will be given to those who engage for the longest distances or otherwise, according to priority of application.

To Burrisaul or Dacca the charge will be Seventy-five Rupees, to Gowahuttee One Hundred and Fifty Rupees, or at the rate of Twenty-five Rupees for every 100 miles, of the estimated distance according to which the passage for intermediate distances will be rated.

One Servant is allowed to each Cabin occupied by one person, but if a Cabin be occupied by more than one person, an additional charge will be made of Nine Rupees, which will entitle the Cabin to a second Servant. All other extra Servants will be considered as Deck Passengers, the charge for which will be half an Anna per mile, or Eighteen Rupees Twelve Annas from Calcutta to Gowahuttee; Deck Passengers will pay Eighteen Rupees to Gowahuttee, or half an Anna a mile for any shorter distance.

The charge for passage on return voyages will be the same as above.

Passengers are allowed to carry such Baggage and Cabin Furniture within their Cabins as is necessary for the voyage; and this may include a Piano if required for use during the voyage and not in a packing case: but Pianos in packing cases and all other packages, as cases of Millinery, Saddlery, Glass and Earthen-ware, Beer and Wines, and other Stores, will be stowed in another part of the vessel; and to the extent of half a ton, or 25 cubic feet, be charged for at half the established rate of Freight; all in excess of half a ton will be charged at the full rate of Freight.

Deck Passengers are allowed one Roll of Bedding 2 feet wide, and a box of six cubic feet solid contents.

A Table is provided by the Commander at Four Rupees per Diem for each person, exclusive of Wines and Beer, which if provided by the Commander, are charged at regulated prices, of which a list is exhibited in the Dining Room, and all Refreshments required between the regular meals of Breakfast at ½ past 8, Biscuit, &c. at noon, Dinner at 3 P. M, and Tea and Coffee in the evening. Persons who provide their own Wines, will pay 3 annas for each cork drawn.

Children who do not come to the Table are provided at One Rupee per day, the same charge is made for Christian Servants.

Mussulman Servants may feed with the Crew, paying a rate of Two Annas per day. Hindoos must provide their own food.

The Passage Money, and a deposit of Four Rupees per day for the estimated term of the voyage, must be paid on engaging a passage, and any surplus of Table Money will be returned, or an additional charge be made by the Commander, as the voyage may fall short of or exceed the time for which the deposit was calculated. Half the Passage Money, and half the Table Money become forfeit by persons who relinquish a passage after having engaged it.

The despatch of Boats will be duly advertized, and if any change in the Boats occurs, Accommodation or Freight engaged for the one advertized, will be assigned on the one substituted.

*Of Freight.*

All Goods intended for shipment on the Government Boats must be sent to the Boat Office, in Church Lane, Calcutta, between the hours of Ten and Four, Sundays, Christmas Days, and Good Fridays excepted.

Goods will not be received for shipment unless they be addressed to a resident at the place at which they are to be delivered from the Boats. The direction must be marked on something not liable to be destroyed by vermin, and from which it may not easily be obliterated. A direction written on a card or marked with ink on a tin box, would be liable to the above objection.

The Boat Office will not be responsible for any damage or loss that may be occasioned by accident to the vessel or other cause whatever, not traceable to negligence or mismanagement of those belonging to the vessel.

All Goods sent to the Boat Office must be accompanied by a note, with suitable direction for the guidance of the Officers of the Department.

Goods not applied for on board the Boat by the Consignee, will be carried on and charged with additional freight, unless addressed to the Steam Agent, in which case they will be delivered to him. It must be understood, however, that although all persons are at liberty to consign their goods to the Steam Agent of the stations at which they are to be landed, *the Government is not responsible for such Steam Agent, or for the safety of the goods after the delivery of the same to the Consignee or to his order, whether such Consignee be the Steam Agent or any other person.* Goods intended for the final station, if not applied for within 24 hours after the Boat's arrival there, will be delivered to the Steam Agent at the risk of the shipper.

Freight on all Packages, excepting Treasure laden in Calcutta, or for which tonnage is reserved in Calcutta, and which do not exceed in weight 35lbs. per cubic foot, will be charged by the cubic foot.

Packages exceeding thirty-five pounds, or 17½ seers per cubic foot, will be charged by the weight.

*From Calcutta,*

| | Per Foot. | Per Seer. |
|---|---|---|
| To Burrisaul,..... „ Dacca, ..... | 8 Ans. | 6 Pie. |
| „ Seraj Gunge, ..... „ Dewangunge, ..... „ Bugwah, ..... | 12 Ans. | 9 Pie. |
| „ Gowalpara, ..... „ Gowahuttee,..... | 1 R. | 12 Pie. |

For intermediate distances upwards for Goods not shipped in Calcutta, 3 annas per foot, and 2 pie per seer or 1 pie per pound, will be charged for every 100 miles.

The charge for Freight downwards will be 6 annas per maund for all distances above Dacca; articles weighing less than 35 lbs. or 17½ seers per cubic foot, to be charged by measurement at 4 annas per foot. From Dacca and places near Calcutta, 5 annas per maund, 2½ annas per foot.

---

It is intended that the Boats shall leave Calcutta the 13th of every month, except when the 13th falls on a Sunday, when they will be dispatched on the 12th. | Bulls, Cows, &c., | 48† | |
| Sheep or Dogs, Goats, ..... | 8† | If ditto at Rs. 2 ditto. |

* Goods will be charged by European or native weights, as they are entered in the Controller's or in the Steam Agent's Office; the charge per lb. will be half that per seer.

† Exclusive of the Groom or Keeper, who is to be considered a Deck Passenger, and charged as such according to the usual rate. The Shippers are to supply the food, and be at the expence of making the Stalls.

If brought down to the Presidency are charged 2-3rd of the upward freight.

---

*Freight on Treasure.*

To Burrisaul or Dacca,..... ¼ per cent.
To any distance beyond, ..... ⅓d ditto.

Intermediate ditto Two Pie per mile per thousand.

Freight on Copper Coins will be charged by the weight at 8 Pie per lb. from Calcutta—and down and intermediately, the same as on weighable Goods.

Treasure is deliverable to the Bill of Lading only, and parties neglecting to apply for Treasure will be subjected to additional Freight for the distance it may become necessary to carry it in consequence of their negligence.

Applications for Freight on the Vessel downward must be made to the Steam Boat Agent at Gowahuttee or Seraj Gunge, or at the nearest Station, by letter, describing the Goods to be despatched, their weight and measurement.

The Steam Agent will in reply, name the Boat in which he assigns tonnage, and if from any cause, as damage to the Boat, deviation from her intended voyage on unexpected demand on account of Government, a circumstance likely seldom to occur, the tonnage should be rendered non-available, the party for whom such tonnage has been registered must bear the inconvenience, and he will have no claim for indemnification by assignment of Freight in another Vessel to the detriment of any other person who may have engaged tonnage subsequently to the disappointed party, whose right to tonnage will be limited to such as may be available in the Vessel previously named, but in that Vessel, the claim to such tonnage as may remain available will be acknowledged according to priority of application. Thus the entire tonnage of a Boat may have been assigned in rotation by the Steam Agent to A. B. and C., after which the Government unexpectedly make a demand for more or less, the remaining portion will go to satisfy the claim of A. then of B. &c. The latter applications being thrown out partially or wholly, as the case may be.

The Agent will be instructed to acknowledge the applications made to him for tonnage in the following terms:—"Sir, in reply to your letter of the I beg to say tonnage for chests of Indigo and maunds of Sugar is assigned to you on the Registered No. of application."

The Agent is instructed to keep a correct Register of daily assignments, and to transmit a copy daily to the Controller of Steam Vessels.

The Boats will make the following stoppages, at different stations, during daylight:

| | | |
|---|---|---|
| At Burrisaul, . . . | 3 | hours. |
| „ Dacca, . . . . | 4 | ditto. |
| „ Seraj Gunge, . . . | 4 | ditto. |
| „ Dewan Gunge, . . | 3 | ditto. |
| „ Bugwah, . . . | 3 | ditto. |
| „ Gowalpara, . . . | 3 | ditto. |
| „ Gowahuttee, . . . | 48 | ditto, clear. |

Should Freight not be ready for shipment on the arrival of the Boat at the several stations, the Commander of the Steamer will have peremptory orders to proceed to the next Station.

Treasure laden on a Boat whose progress is arrested, will be retained on board until the Boat is enabled to proceed to her destination, unless the Consignees holding the Bill of Lading of such Treasure may require its delivery, giving a full

acquittance for the Treasure, and receiving such difference of Freight as may have been paid in excess of what would have been charged for conveyance of such Treasure to the place of its delivery.

The Steam Agents at the different Stations make no charge for landing Goods from the Boats into their Godowns; nor for shipping Goods delivered into their Godowns, provided such Goods are not merchandise, intended for traffick, nor animals nor machines for conveyance; for all such they will charge the following rates:

For embarking or landing a Horse, Cow or Bull, Rs. 2.

A Calf, Dog, Sheep, or Goat with or without Kid, Annas 2.

A Barouche, Phaeton, Palankeen Carriage, Britzka, Rs. 3.

A Buggy or Palankeen, Rupee 1.

A Box, Bale, Chest or Cask, large or small, Annas 2.

A bag of Sugar or Saltpetre ditto ditto Anna 1.

When Goods are consigned to Calcutta, it is optional with Shippers to pay the Freight or to leave the same to be collected on delivery of the Goods. Freight must be paid to the Agent or Commander of the Boat for all Goods shipped away from Calcutta, and not deliverable at Calcutta. And no Packages will be received into the Boat Office for transmission on which Freight is not paid at the time.

By Order of the Superintendent of Marine,

JAS. SUTHERLAND,
*Secretary.*

*Steam Department, the 27th July*, 1847.

N. B.—No Package, however small, is conveyed for a less charge than 1 Rupee 8 Annas, either upward or downward.

*Fort William, Home Department, Legislative, the 21st August*, 1847.

The following Act is passed by the Hon'ble the President of the Council of India in Council on the 21st of August 1847, with the assent of the Right Hon'ble the Governor General of India, which has been read and recorded.

Ordered, that the Act be promulgated for general information.

ACT No. XII. OF 1847.

*An Act for repealing the Law which authorizes the imposition of fines on Moonsiffs and Sudder Ameens.*

Whereas it was enacted, by Clause 3, Section 9, Regulation XXIII. of 1814, of the Bengal Code, that in cases of misconduct and neglect of duty which might not be of a nature to require the suspension or dismissal of a Moonsiff from his office, the Judge should be authorized to impose on the Moonsiff a fine not exceeding Twenty Rupees in amount, and that the order of the Judge in such case should be final:

And whereas by Section 67 of the said Regulation the provision above recited, was declared amongst other things to be applicable to the office of Sudder Ameens, as well as to that of Moonsiffs:

And whereas the provision above recited, is no longer adapted to Moonsiffs and Sudder Ameens, in the more elevated Judicial position which they now occupy:

It is therefore hereby enacted, that Clause 3, Section 9, Regulation XXIII. of 1814, and Section 67 of the said Regulation, so far as it declares the said Clause to be applicable to Sudder Ameens, are repealed.

The following Act is passed by the Hon'ble the President of the Council of India in Council on the 21st of August 1847, with the assent of the Right Hon'ble the Governor General of India, which has been read and recorded.

Ordered, that the Act be promulgated for general information.

ACT No. XIII. OF 1847.

*An Act for repealing Act XIV. of 1839 so far as it relates to the Emigration of Natives of India to the Island of Ceylon.*

I. Whereas by Act XIV. of 1839 it was enacted, that every person who should make with

any Native of India any contract for labor to be performed in any British or Foreign Colony without the Territories of the East India Company, or who should knowingly abet or aid any Native of India in emigrating from the said Territories for the purpose of being employed as a laborer, should be liable on conviction before a Magistrate or Justice of the Peace, to a fine not exceeding 200 Rupees for every Native so contracted with, aided or abetted, and in default of payment of such fine, should be liable to be imprisoned for a term not exceeding three months:

Provided always that nothing in that Act contained should be taken to apply to any Native Seaman who should of his own free will contract to navigate any Vessel, or who should embark on board such Vessel in pursuance of such contract, or to any person who should contract to serve as a Menial Servant only, or who should embark as such Menial Servant:

And whereas the Island of Ceylon geographically, historically and socially considered is analogous to the Countries subject to the Government of the East India Company:

It is hereby enacted, that Act XIV. of 1839 in so far as it makes liable to penalties every person who shall make with any Native of India any contract for labor to be performed in the said Island, or who shall knowingly aid or abet any Native of India in emigrating from the Territories subject to the Government of the East India Company to the said Island, is repealed.

II. But whereas the said Island is not subject to the Legislative power of the Governor General of India in Council, so that the said Governor General in Council is unable to make Laws for the protection of such Natives of India as may emigrate to the said Island against the evils which might attend the emigration of such Natives of India from the said Island to any British or Foreign Colony:

It is therefore hereby enacted, that this Act sahll not come into operation until the Governor General of India in Council shall be duly certified taht the Legislature of the said Island has made such Laws as the said Governor General in Council shall think sufficient for the protection of such Natives of India so emigrating to the said Island against the evils aforesaid, and shall notify in the Gazette that he has been so certified.

NOTICE.—With reference to the London Post Master General's Notification regarding the rates of postage to be charged upon Letters received from Bombay by the Government Express, which was published with a notice from this Office of yesterday's date, the following Letter since received from the Post Master General of Bombay on the subject, is also published for general information.

W. Tayler,
*Post Master General.*

*No.* 966 *of* 1847.

*General Department.*

To W. Tayler, Esquire,
*Post Master General, Calcutta.*

Sir,—Adverting to my Letter, dated the 2d instant, I have the honor to suggest for your consideration, whether it would not be advisable to publish a Notice in the Calcutta Papers, intimating to the public generally, especially the Mercantile Community, that, if they desire their Overland Letters, to be forwarded on by the Government Overland Express, they should request their Correspondents to mark "per Express," and to keep within the *limited weight of two tolas;* and that, meanwhile, until the system becomes generally known, they ought to advise me, whether they wish any of their Letters, not so marked, to be sent on from Bombay by the Express.

2d.—By the last Express I dispatched as usual a number of Overland Letters, not especially marked, because, had I not done so, great disappointment would have been experienced by parties in Calcutta; but I intend to discontinue the practice, after a sufficient time has elapsed to admit of the public becoming aware of the privilege conceded by the Notification of May issued by the London General Post Office, and to dispatch by the Overland Express those Letters only which are so marked.

3d.—The public ought moreover to be most especially warned not to mark "per Express" on letters *exceeding two tolas in weight,* because such letters cannot be so dispatched. They will invariably be detained (as was the case on the arrival of the last Mail,) for transmission by the post regular dawk, dispatched after the Express.

4th.—I shall feel much obliged by your favoring me with a list of "Newspaper Offices" in Calcutta, and by your informing the parties connected therewith that not more than two papers (whether sent out from England marked "per Express," or posted in Bombay to go by Express) will, in future, be forwarded by the Government Express. Some of the Newspaper Offices have as many as six Overland Papers marked "per Express," but, as they cannot be so forwarded, it is useless to have them so marked.

5th.—The new rule limits the weight of a Newspaper to 3 *tolas*, but, if that were acted up to, the Newspaper Offices would be deprived altogether of the privilege conceded by the Notification of May last, as an Overland Paper invariably weighs more than 3 and generally very nearly 6 tolas. I have therefore determined to send two Overland Papers to each Office, *without reference to that limit,* and shall continue the practice until I receive orders to the contrary from Government or the Home Authorities.

I have, &c.,

THE following Memorandum drawn out by the Political Agent of Bhopaul, is published for general information:

*Memorandum regarding Daks for Travellers within the Bhopaul Political Agency.*

*July 21st* 1847.

1. A Dak consisting of 8 Palkee Bearers of 1 or 2 Banghy Burdars if required, and of 1 or 2 Mussalchies, will be furnished at the rate of eight annas (Company's Currency,) per mile, English.

2. On the two main roads between Saugor to Mhow, and between Saugor and Hoshungabad, the Bhopaul authorities furnish Daks from Bhilsa and Tuppa in the one case, and from Bhilsa and Hoshungabad on the other. The distances are respectively, 97 miles and 76 miles, according to the Post Office routes, viz. as follows: Bhilsa to Bhopaul 30, Bhopaul to Tuppa 67, and Bhopaul to Hoshungabad 46 miles. The distance between Bhopaul and Sehore is reckoned at 21 miles.

3. Should a traveller be detained for less than 24 hours, no demurrage will be charged; if he is delayed more than a day then for the second day in whole or part, and so for the 3d day, &c., he will be charged 3 annas (Company's Currency,) for each man at each stage—that is 3 annas a day per man, beyond the first day.

4. As delays occasionally occur in going from Saugor to Mhow at Tuppa, where the Mhow Bearers should take up the Dak, the Bhopaul Bearers will, if necessary, carry the traveller on to the next stage, Peepleea, each man employed receiving 4 annas (Company's Currency,) for the extra stage.

5. It is advisable always to give, if possible, seven days notice about laying a Dak, as the majority of the bearers have to be sent to their respective stages from the town of Bhopaul.

6. No Daks can be laid as a rule on other roads, but every endeavour will be made to accommodate travellers on timely notice being given.

No. 4130.

## STEAM TO DACCA AND GOWAHUTTEE IN ASSAM.

GOVERNMENT having decided on opening a Steam Communication with Gowahuttee in Assam *via* Dacca and Serajgunge, notice is hereby given, that the first boats for this line, a Steamer and a Flat, will be despatched on the 13th Proximo; and the communication be continued Monthly for THREE YEARS.

The following Regulations and Rates of Charge for accommodation of Passengers, and conveyance of Goods on the Government Boats employed in the above Navigation, are published for general information:

*Of Passage.*

All applications for Passage on the Government Boats proceeding to Dacca and Assam, must be made at the Boat Office in Calcutta, and all applications for Cabins on the Boats returning from Assam, must be made to the Steam Boat Agent at the nearest place to that of embarkation.

The distance between Calcutta and Gowahuttee is assumed to be 600 miles, and the distance from Calcutta to the different Stations as follows:

| | | |
|---|---|---|
| Burrisaul,..... | 200 | Miles. |
| Dacca,..... | 300 | „ |
| Seraj Gunge,..... | 400 | „ |
| Dewan Gunge,..... | 450 | „ |
| Bugwah,..... | 500 | „ |
| Gowalpara,..... | 550 | „ |
| Gowahuttee,..... | 600 | „ |

An Accommodation or a Cargo Boat will be employed in this line, as far as Dacca, the Steamer only going on to Gowahuttee until the demand for freight to and from places above Dacca is more than a Steamer can supply. In the first there are 3 classes of Cabins, but there will be no distinction in the charge, and the preference in the selection will be given to those who engage for the longest distances or otherwise, according to priority of application.

To Burrisaul or Dacca the charge will be Seventy-five Rupees, to Gowahuttee One Hundred and Fifty Rupees, or at the rate of Twenty-five Rupees for every 100 miles, of the estimated distance according to which the passage for intermediate distances will be rated.

One Servant is allowed to each Cabin occupied by one person, but if a Cabin be occupied by more than one person, an additional charge will be made of Nine Rupees, which will entitle the Cabin to a second Servant. All other extra Servants will be considered as Deck Passengers, the charge for which will be half an Anna per mile, or Eighteen Rupees Twelve Annas from Calcutta to Gowahuttee; Deck Passengers will pay Eighteen Rupees to Gowahuttee, or half an Anna a mile for any shorter distance.

The charge for passage on return voyages will be the same as above.

Passengers are allowed to carry such Baggage and Cabin Furniture within their Cabins as is necessary for the voyage; and this may include a Piano if required for use during the voyage and not in a packing case: but Pianos in packing cases and all other packages, as cases of Millinery, Saddlery, Glass and Earthen-ware, Beer and Wines, and other Stores, will be stowed in another part of the vessel; and to the extent of half a ton, or 25 cubic feet, be charged for at half the established rate of Freight; all in excess of half a ton will be charged at the full rate of Freight.

Deck Passengers are allowed one Roll of Bedding 2 feet wide, and a box of six cubic feet solid contents.

A Table is provided by the Commander at Four Rupees per Diem for each person, exclusive of Wines and Beer, which if provided by the Commander, are charged at regulated prices, of which a list is exhibited in the Dining Room, and all Refreshments required between the regular meals of Breakfast at ½ past 8, Biscuit, &c. at noon, Dinner at 3 P. M., and Tea and Coffee in the evening. Persons who provide their own Wines, will pay 3 annas for each cork drawn.

Children who do not come to the Table are provided at One Rupee per day, the same charge is made for Christian Servants.

Mussulman Servants may feed with the Crew, paying a rate of Two Annas per day. Hindoos must provide their own food.

The Passage Money, and a deposit of Four Rupees per day for the estimated term of the voyage, must be paid on engaging a passage, and any surplus of Table Money will be returned, or an additional charge be made by the Commander, as the voyage may fall short of or exceed the time for which the deposit was calculated. Half the Passage Money, and half the Table Money become forfeit by persons who relinquish a passage after having engaged it.

The despatch of Boats will be duly advertized, and if any change in the Boats occurs, Accommodation or Freight engaged for the one advertized, will be assigned on the one substituted.

*Of Freight.*

All Goods intended for shipment on the Government Boats must be sent to the Boat Office, in Church Lane, Calcutta, between the hours of Ten and Four, Sundays, Christmas Days, and Good Fridays excepted.

Goods will not be received for shipment unless they be addressed to a resident at the place at which they are to be delivered from the Boats. The direction must be marked on something not liable to be destroyed by vermin, and from which it may not easily be obliterated. A direction written on a card or marked with ink on a tin box, would be liable to the above objection.

The Boat Office will not be responsible for any damage or loss that may be occasioned by accident to the vessel or other cause whatever, not traceable to negligence or mismanagement of those belonging to the vessel.

All Goods sent to the Boat Office must be accompanied by a note, with suitable direction for the guidance of the Officers of the Department.

Goods not applied for on board the Boat by the Consignee, will be carried on and charged with additional freight, unless addressed to the Steam Agent, in which case they will be delivered to him. It must be understood, however, that although all persons are at liberty to consign their goods to the Steam Agent of the stations at which they are to be landed, *the Government is not responsible for such Steam Agent, or for the safety of the goods after the delivery of the same to the Consignee or to his order, whether such Consignee be the Steam Agent or any other person.* Goods intended for the final station, if not applied for within 24 hours after the Boat's arrival there, will be delivered to the Steam Agent at the risk of the shipper.

Freight on all Packages, excepting Treasure laden in Calcutta, or for which tonnage is reserved in Calcutta, and which do not exceed in weight 35lbs. per cubic foot, will be charged by the cubic foot.

Packages exceeding thirty-five pounds, or 17½ seers per cubic foot, will be charged by the weight.

*From Calcutta,*

| | *Per Foot.* | *Per Seer.* |
|---|---|---|
| To Burrisaul,..... „ Dacca, ..... | 8 Ans. | 6 Pie. |
| „ Seraj Gunge, ..... „ Dewangunge, ..... „ Bugwah, ..... | 12 Ans. | 9 Pie. |
| „ Gowalpara, ..... „ Gowahuttee,..... | 1 R. | 12 Pie. |

For intermediate distances upwards for Goods not shipped in Calcutta, 3 annas per foot, and 2 pie per seer or 1 pie per pound, will be charged for every 100 miles.

The charge for Freight downwards will be 6 annas per maund for all distances above Dacca; articles weighing less than 35 lbs. or 17½ seers per cubic foot, to be charged by measurement at 4 annas per foot. From Dacca and places near Calcutta, 5 annas per maund, 2½ annas per foot.

*Dispatch of Boats, and probable dates of Arrival at different Places.*

It is intended that the Boats shall leave Calcutta the 13th of every month, except when the 13th falls on a Sunday, when they will be dispatched on the 12th. The following is the estimated time the Boats will take, and the date on which they will probably arrive at the different Stations up and down, leaving Calcutta on the 13th to get back there, by the 9th the boats will reach—

| | *Up.* | *Down.* |
|---|---|---|
| Burrisaul,..... | 17th | 5th |
| Dacca, ..... | 19th | 3rd |
| Seraj Gunge, ..... | 21st | 2nd |
| Dewangunge, ..... | 22nd | 1st |
| Bugwah, ..... | 23rd | 30th |
| Gawalpara, ..... ..... | 24th | 29th |
| Gowahuttee,..... | 25th leaves | 28th |

*Freight on Carriages.*

| | | | |
|---|---|---|---|
| Empty Carriage, Barouche, or Landaulet 6 Pie per lb., ..... ..... | 78 | 2 | 0 |
| Ditto Britzka, Palankeen Carriage, or Phæton, Ditto, ..... ..... | 62 | 8 | 0 |
| Ditto Buggy, ..... | 31 | 4 | 0 |
| Ditto Palankeen, ..... | 15 | 0 | 0 |
| Ditto Tonjon,..... | 10 | 8 | 0 |

To any distance from Calcutta, but if carried intermediately at two pie per lb. from Station to Station, both upward and downward, calculating on the average weight.

| | *Calculated at* |
|---|---|
| Weight of a Carriage, Barouche, or Landaulet, ..... | 2500 lbs. |
| Britzka, Palankeen Carriage, or Phæton, ..... | 2000 „ |
| Buggy, ..... | 1000 „ |
| Palankeen, ..... | 480 „ |
| Tonjon, ... ..... | 336 „ |

*Freight on Cattle.*

| | | |
|---|---|---|
| Horses,..... | 48† | If carried intermediately at 12 Rs. each from Station to Station. |
| Bulls, Cows, &c., | 48† | |
| Sheep or Dogs, Goats, ..... | 8† | If ditto at Rs. 2 ditto. |

* Goods will be charged by European or native weights, as they are entered in the Controller's or in the Steam Agent's Office; the charge per lb. will be half that per seer.

† Exclusive of the Groom or Keeper, who is to be considered a Deck Passenger, and charged as such according to the usual rate. The Shippers are to supply the food, and be at the expence of making the Stalls.

If brought down to the Presidency are charged 2-3rd of the upward freight.

*Freight on Treasure.*

To Burrisaul or Dacca,..... ¼ per cent.
To any distance beyond, ..... ¼d ditto.

Intermediate ditto Two Pie per mile per thousand.

Freight on Copper Coins will be charged by the weight at 8 Pie per lb. from Calcutta—and down and intermediately, the same as on weighable Goods.

Treasure is deliverable to the Bill of Lading only, and parties neglecting to apply for Treasure will be subjected to additional Freight for the distance it may become necessary to carry it in consequence of their negligence.

Applications for Freight on the Vessel downward must be made to the Steam Boat Agent at Gowahuttee or Seraj Gunge, or at the nearest Station, by letter, describing the Goods to be despatched, their weight and measurement.

The Steam Agent will in reply, name the Boat in which he assigns tonnage, and if from any cause, as damage to the Boat, deviation from her intended voyage on unexpected demand on account of Government, a circumstance likely seldom to occur, the tonnage should be rendered non-available, the party for whom such tonnage has been registered must bear the inconvenience, and he will have no claim for indemnification by assignment of Freight in another Vessel to the detriment of any other person who may have engaged tonnage subsequently to the disappointed party, whose right to tonnage will be limited to such as may be available in the Vessel previously named, but in that Vessel, the claim to such tonnage as may remain available will be acknowledged according to priority of application. Thus the entire tonnage of a Boat may have been assigned in rotation by the Steam Agent to A. B. and C., after which the Government unexpectedly make a demand for more or less, the remaining portion will go to satisfy the claim of A. then of B. &c. The latter applications being thrown out partially or wholly, as the case may be.

The Agent will be instructed to acknowledge the applications made to him for tonnage in the following terms:—"Sir, in reply to your letter of the I beg to say tonnage for chests of Indigo and maunds of Sugar is assigned to you on the Registered No. of application."

The Agent is instructed to keep a correct Register of daily assignments, and to transmit a copy daily to the Controller of Steam Vessels.

The Boats will make the following stoppages, at different stations, during daylight:

| | | |
|---|---|---|
| At Burrisaul, . . . | 3 | hours. |
| „ Dacca, . . . . | 4 | ditto. |
| „ Seraj Gunge, . . . | 4 | ditto. |
| „ Dewan Gunge, . . | 3 | ditto. |
| „ Bugwah, . . . | 3 | ditto. |
| „ Gowalpara, . . . | 3 | ditto. |
| „ Gowahuttee, . . . | 48 | ditto, clear. |

Should Freight not be ready for shipment on the arrival of the Boat at the several stations, the Commander of the Steamer will have peremptory orders to proceed to the next Station.

Treasure laden on a Boat whose progress is arrested, will be retained on board until the Boat is enabled to proceed to her destination, unless the Consignees holding the Bill of Lading of such Treasure may require its delivery, giving a full

acquittance for the Treasure, and receiving such difference of Freight as may have been paid in excess of what would have been charged for conveyance of such Treasure to the place of its delivery.

The Steam Agents at the different Stations make no charge for landing Goods from the Boats into their Godowns; nor for shipping Goods delivered into their Godowns, provided such Goods are not merchandise, intended for traffick, nor animals nor machines for conveyance; for all such they will charge the following rates:

For embarking or landing a Horse, Cow or Bull, Rs. 2.

A Calf, Dog, Sheep, or Goat with or without Kid, Annas 2.

A Barouche, Phaeton, Palankeen Carriage, Britzka, Rs. 3.

A Buggy or Palankeen, Rupee 1.

A Box, Bale, Chest or Cask, large or small, Annas 2.

A bag of Sugar or Saltpetre ditto ditto Anna 1.

When Goods are consigned to Calcutta, it is optional with Shippers to pay the Freight or to leave the same to be collected on delivery of the Goods. Freight must be paid to the Agent or Commander of the Boat for all Goods shipped away from Calcutta, and not deliverable at Calcutta. And no Packages will be received into the Boat Office for transmission on which Freight is not paid at the time.

By Order of the Superintendent of Marine,

JAS. SUTHERLAND,

No. 1885.

*Simla, the 18th August*, 1847.

In publishing for general information the following Proclamation issued by the Lahore Durbar, prohibiting the practice of Suttee, Infanticide and Child-Stealing in the dominions of His Highness Maharaja Duleep Sing, the Governor General desires to record his cordial approbation of a measure so conducive to the best interests of humanity, and so well calculated to raise the character of the Maharaja's Council, not only in the estimation of the Government of India, but of all civilized nations.

*Translation of a Proclamation made by the Lahore Durbar throughout the dominions of Maharajah Duleep Singh, dated 21st July* 1847.

The practice of Female Infanticide and Suttee being most iniquitous, as taking away innocent life; and the most learned and virtuous Pundits and Scholars of the Shastrus having declared after full enquiry that it is positively forbidden by every sacred Code, the Creator of the Universe having no delight in the contemplation of such enormous cruelty as spilling the blood of His creatures; it is hereby resolved, with the concurrence and approval of Lieutenant Colonel Henry Montgomery Lawrence, C. B., Agent Governor General N. W. Frontier and Resident at Lahore, that the practices aforesaid, together with that of Slave-dealing, be abolished henceforth and for ever within the dominions of the Lahore Government.

Accordingly it is hereby proclaimed that no Sirdar, or Public Officer, or Landholder, or Cultivator, or any other Subject of Lahore, is to permit the commission of these crimes; either the murder of female infants, or the burning of a widow on the pile of her husband, or the sale of men, women, or children.

And, if after this Proclamation, any one shall be guilty of either of the said offences, it will be the duty of district officers to give immediate information thereof to the Durbar, more especially in cases of stealing and selling children, and if any Kardar shall fail to do so, he will be held personally responsible for the same. Let Public Officers therefore, as soon as ever they hear of anything of the sort, seize and imprison the perpetrators, aiders and abettors therein, and report the same to the Durbar, who will sit in judgment thereon.

And be it known that no distinction will be made between the actual perpetrator of any of the crimes aforesaid, and those who aid or abet him in the perpetration: both will be equally punished.

Written, Signed and Sealed at Lahore on 8th Sawun 1903, with the Royal Signet.

Let all men therefore obey it.

The Governor General has also much pleasure in notifying the accession of Sirdar Lehna Sing to the Council of Regency.

ACT No. X. OF 1847,

Passed by the Hon'ble the President of the Council of India in Council on the 19th of June 1847, with the assent of the Right Hon'ble the Governor General of India.

*An Act for amending Act XXX. of* 1836.

It is hereby enacted, that within the Territories subject to the Government of the East India Company whenever any Court not included under the provisions of Act XIV. of 1844 shall sentence any offender to imprisonment for life under the provisions of Act XXX. of 1836, it shall at the same time sentence such offender to transportation beyond sea for life, unless there should be special reasons inducing the Court to think such prisoner not a proper subject for transportation, which special reasons the Court is hereby directed to record.

The following Act is passed by the Hon'ble the President of the Council of India in Council on the 21st of August 1847, with the assent of the Right Hon'ble the Governor General of India, which has been read and recorded.

Ordered, that the Act be promulgated for general information.

ACT No XII. OF 1847.

*An Act for repealing the Law which authorizes the imposition of fines on Moonsiffs and Sudder Ameens.*

Whereas it was enacted, by Clause 3, Section 9, Regulation XXIII. of 1814, of the Bengal Code, that in cases of misconduct and neglect of duty which might not be of a nature to require the suspension or dismissal of a Moonsiff from his office, the Judge should be authorized to impose on the Moonsiff a fine not exceeding Twenty Rupees in amount, and that the order of the Judge in such case should be final:

And whereas by Section 67 of the said Regulation the provision above recited, was declared amongst other things to be applicable to the office of Sudder Ameens, as well as to that of Moonsiffs:

And whereas the provision above recited, is no longer adapted to Moonsiffs and Sudder Ameens, in the more elevated Judicial position which they now occupy:

It is therefore hereby enacted, that Clause 3, Section 9, Regulation XXIII. of 1814, and Section 67 of the said Regulation, so far as it declares the said Clause to be applicable to Sudder Ameens, are repealed.

The following Act is passed by the Hon'ble the President of the Council of India in Council on the 21st of August 1847, with the assent of the Right Hon'ble the Governor General of India, which has been read and recorded.

Ordered, that the Act be promulgated for general information.

ACT No. XIII. OF 1847.

*An Act for repealing Act XIV. of* 1839 *so far as it relates to the Emigration of Natives of India to the Island of Ceylon.*

I. Whereas by Act XIV. of 1839 it was enacted, that every person who should make with any Native of India any contract for labor to be performed in any British or Foreign Colony without the Territories of the East India Company, or who should knowingly abet or aid any Native of India in emigrating from the said Territories for the purpose of being employed as a laborer, should be liable on conviction before a Magistrate or Justice of the Peace, to a fine not exceeding 200 Rupees for every Native so contracted with, aided or abetted, and in default of payment of such fine, should be liable to be imprisoned for a term not exceeding three months:

Provided always that nothing in that Act contained should be taken to apply to any Native Seaman who should of his own free will contract to navigate any Vessel, or who should embark on board such Vessel in pursuance of such contract, or to any person who should contract to serve as a Menial Servant only, or who should embark as such Menial Servant:

And whereas the Island of Ceylon geographically, historically and socially considered is analogous to the Countries subject to the Government of the East India Company:

It is hereby enacted, that Act XIV. of 1839 in so far as it makes liable to penalties every person who shall make with any Native of India any contract for labor to be performed in the said Island, or who shall knowingly aid or abet any Native of India in emigrating from the Territories subject to the Government of the East India Company to the said Island, is repealed.

II. But whereas the said Island is not subject to the Legislative power of the Governor General of India in Council, so that the said Governor General in Council is unable to make Laws for the protection of such Natives of India as may emigrate to the said Island against the evils which might attend the emigration of such Natives of India from the said Island to any British or Foreign Colony:

It is therefore hereby enacted, that this Act sahll not come into operation until the Governor General of India in Council shall be duly certified taht the Legislature of the said Island has made such Laws as the said Governor General in Council shall think sufficient for the protection of such Natives of India so emigrating to the said Island against the evils aforesaid, and shall notify in the Gazette that he has been so certified.

*Fort William, Home Department, Legislative, the 14th August*, 1847.

The following Draft of a proposed Act was read in Council for the first time on the 14th of August 1847:

ACT No. —— OF 1847.

*An Act for curing the invalidity in the registration of Deeds arising from the fact of having been registered by persons not duly appointed or on other than Court days.*

Whereas instances have occurred of persons exercising the office of Register of Deeds who

have not been duly appointed, and whereas in some cases registration of Deeds has been made on other than Court days, that is on days other than those on which the Zillah or City Court has been open for business, and doubts may therefore arise as to whether the registration of any Deed registered by such persons not duly appointed, or registered on other than a Court day, is valid in law:

I. It is therefore hereby enacted, that acts which may have been done in that capacity in any Zillah, subject to the Presidency of Bengal, by persons who have had charge of the office of Register of Deeds without being duly appointed to the said office, shall be and shall be taken to have always been as valid in law as such acts would have been if the said persons had been duly appointed to have charge of the said office.

II. And it is enacted, that all acts which may have been done on other than Court days by the Register of Deeds, or by the person having charge of the office without being duly appointed in any Zillah subject to the Presidency of Bengal, shall be and shall be taken to have always been as valid in law as such acts would have been if they had been done on a Court day.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be re-considered at the first meeting of the Legislative Council of India after the 14th day of October next.

NOTICE.—With reference to the London Post Master General's Notification regarding the rates of postage to be charged upon Letters received from Bombay by the Government Express, which was published with a notice from this Office of yesterday's date, the following Letter since received

from the Post Master General of Bombay on the subject, is also published for general information.

W. TAYLER,

*No.* 966 *of* 1847.

*General Department.*

To W. TAYLER, Esquire,
*Post Master General, Calcutta.*

SIR,—Adverting to my Letter, dated the 2d instant, I have the honor to suggest for your consideration, whether it would not be advisable to publish a Notice in the Calcutta Papers, intimating to the public generally, especially the Mercantile Community, that, if they desire their Overland Letters, to be forwarded on by the Government Overland Express, they should request their Correspondents to mark "per Express," and to keep within the *limited weight of two tolas;* and that, meanwhile, until the system becomes generally known, they ought to advise me, whether they wish any of their Letters, not so marked, to be sent on from Bombay by the Express.

2d.—By the last Express I dispatched as usual a number of Overland Letters, not especially marked, because, had I not done so, great disappointment would have been experienced by parties in Calcutta; but I intend to discontinue the practice, after a sufficient time has elapsed to admit of the public becoming aware of the privilege conceded by the Notification of May issued by the London General Post Office, and to dispatch by the Overland Express those Letters only which are so marked.

3d.—The public ought moreover to be most especially warned not to mark "per Express" on letters *exceeding two tolas in weight*, because such letters cannot be so dispatched. They will invariably be detained (as was the case on the arrival of the last Mail,) for transmission by the post regular dawk, dispatched after the Express.

4th.—I shall feel much obliged by your favoring me with a list of "Newspaper Offices" in Calcutta, and by your informing the parties connected therewith that not more than two papers (whether sent out from England marked "per Express," or posted in Bombay to go by Express) will, in future, be forwarded by the Government Express. Some of the Newspaper Offices have as many as six Overland Papers marked "per Express," but, as they cannot be so forwarded, it is useless to have them so marked.

5th.—The new rule limits the weight of a Newspaper to 3 *tolas*, but, if that were acted up to, the Newspaper Offices would be deprived altogether of the privilege conceded by the Notification of May last, as an Overland Paper invariably weighs more than 3 and generally very nearly 6 tolas. I have therefore determined to send two Overland Papers to each Office, *without reference to that limit*, and shall continue the practice until I receive orders to the contrary from Government or the Home Authorities.

I have, &c.,

*Calcutta, Genl. Post Office, the 12th August,* 1847.

THE following Memorandum drawn out by the Political Agent of Bhopaul, is published for general information:

*Memorandum regarding Daks for Travellers within the Bhopaul Political Agency.*

*July 21st* 1847.

1. A Dak consisting of 8 Palkee Bearers of 1 or 2 Banghy Burdars if required, and of 1 or 2 Mussalchies, will be furnished at the rate of eight annas (Company's Currency,) per mile, English.

2. On the two main roads between Saugor to Mhow, and between Saugor and Hoshungabad, the Bhopaul authorities furnish Daks from Bhilsa and Tuppa in the one case, and from Bhilsa and Hoshungabad on the other. The distances are respectively, 97 miles and 76 miles, according to the Post Office routes, viz. as follows: Bhilsa to Bhopaul 30, Bhopaul to Tuppa 67, and Bhopaul to Hoshungabad 46 miles. The distance between Bhopaul and Sehore is reckoned at 21 miles.

3. Should a traveller be detained for less than 24 hours, no demurrage will be charged; if he is delayed more than a day then for the second day in whole or part, and so for the 3d day, &c., he will be charged 3 annas (Company's Currency,) for each man at each stage—that is 3 annas a day per man, beyond the first day.

4. As delays occasionally occur in going from Saugor to Mhow at Tuppa, where the Mhow Bearers should take up the Dak, the Bhopaul Bearers will, if necessary, carry the traveller on to the next stage, Peepleea, each man employed receiving 4 annas (Company's Currency,) for the extra stage.

5. It is advisable always to give, if possible, seven days notice about laying a Dak, as the majority of the bearers have to be sent to their respective stages from the town of Bhopaul.

6. No Daks can be laid as a rule on other roads, but every endeavour will be made to accommodate travellers on timely notice being given.

No. 4130.

## STEAM TO DACCA AND GOWAHUTTEE IN ASSAM.

GOVERNMENT having decided on opening a Steam Communication with Gowahuttee in Assam *via* Dacca and Serajgunge, notice is hereby given, that the first boats for this line, a Steamer and a Flat, will be despatched on the 13th Proximo; and the communication be continued Monthly for THREE YEARS.

The following Regulations and Rates of Charge for accommodation of Passengers, and conveyance of Goods on the Government Boats employed in the above Navigation, are published for general information:

*Of Passage.*

All applications for Passage on the Government Boats proceeding to Dacca and Assam, must be made at the Boat Office in Calcutta, and all applications for Cabins on the Boats returning from Assam, must be made to the Steam Boat Agent at the nearest place to that of embarkation.

The distance between Calcutta and Gowahuttee is assumed to be 600 miles, and the distance from Calcutta to the different Stations as follows:

| | | |
|---|---|---|
| Burrisaul, | 200 | Miles. |
| Dacca, | 300 | „ |
| Seraj Gunge, | 400 | „ |
| Dewan Gunge, | 450 | „ |
| Bugwah, | 500 | „ |
| Gowalpara, | 550 | „ |
| Gowahuttee, | 600 | „ |

An Accommodation or a Cargo Boat will be employed in this line, as far as Dacca, the Steamer only going on to Gowahuttee until the demand for freight to and from places above Dacca is more than a Steamer can supply. In the first there are 3 classes of Cabins, but there will be no distinction in the charge, and the preference in the selection will be given to those who engage for the longest distances or otherwise, according to priority of application.

To Burrisaul or Dacca the charge will be Seventy-five Rupees, to Gowahuttee One Hundred and Fifty Rupees, or at the rate of Twenty-five Rupees for every 100 miles, of the estimated distance according to which the passage for intermediate distances will be rated.

One Servant is allowed to each Cabin occupied by one person, but if a Cabin be occupied by more than one person, an additional charge will be made of Nine Rupees, which will entitle the Cabin to a second Servant. All other extra Servants will be considered as Deck Passengers, the charge for which will be half an Anna per mile, or Eighteen Rupees Twelve Annas from Calcutta to Gowahuttee; Deck Passengers will pay Eighteen Rupees to Gowahuttee, or half an Anna a mile for any shorter distance.

The charge for passage on return voyages will be the same as above.

Passengers are allowed to carry such Baggage and Cabin Furniture within their Cabins as is necessary for the voyage; and this may include a Piano if required for use during the voyage and not in a packing case: but Pianos in packing cases and all other packages, as cases of Millinery, Saddlery, Glass and Earthen-ware, Beer and Wines, and other Stores, will be stowed in another part of the vessel; and to the extent of half a ton, or 25 cubic feet, be charged for at half the established rate of Freight; all in excess of half a ton will be charged at the full rate of Freight.

Deck Passengers are allowed one Roll of Bedding 2 feet wide, and a box of six cubic feet solid contents.

A Table is provided by the Commander at Four Rupees per Diem for each person, exclusive of Wines and Beer, which if provided by the Commander, are charged at regulated prices, of which a list is exhibited in the Dining Room, and all Refreshments required between the regular meals of Breakfast at ½ past 8, Biscuit, &c. at noon, Dinner at 3 P. M., and Tea and Coffee in the evening. Persons who provide their own Wines, will pay 3 annas for each cork drawn.

Children who do not come to the Table are provided at One Rupee per day, the same charge is made for Christian Servants.

Mussulman Servants may feed with the Crew, paying a rate of Two Annas per day. Hindoos must provide their own food.

The Passage Money, and a deposit of Four Rupees per day for the estimated term of the voyage, must be paid on engaging a passage, and any surplus of Table Money will be returned, or an additional charge be made by the Commander, as the voyage may fall short of or exceed the time for which the deposit was calculated. Half the Passage Money, and half the Table Money become forfeit by persons who relinquish a passage after having engaged it.

The despatch of Boats will be duly advertized, and if any change in the Boats occurs, Accommodation or Freight engaged for the one advertized, will be assigned on the one substituted.

*Of Freight.*

All Goods intended for shipment on the Government Boats must be sent to the Boat Office, in Church Lane, Calcutta, between the hours of Ten and Four, Sundays, Christmas Days, and Good Fridays excepted.

Goods will not be received for shipment unless they be addressed to a resident at the place at which they are to be delivered from the Boats. The direction must be marked on something not liable to be destroyed by vermin, and from which it may not easily be obliterated. A direction written on a card or marked with ink on a tin box, would be liable to the above objection.

The Boat Office will not be responsible for any damage or loss that may be occasioned by accident to the vessel or other cause whatever, not traceable to negligence or mismanagement of those belonging to the vessel.

All Goods sent to the Boat Office must be accompanied by a note, with suitable direction for the guidance of the Officers of the Department.

Goods not applied for on board the Boat by the Consignee, will be carried on and charged with additional freight, unless addressed to the Steam Agent, in which case they will be delivered to him. It must be understood, however, that although all persons are at liberty to consign their goods to the Steam Agent of the stations at which they are to be landed, *the Government is not responsible for such Steam Agent, or for the safety of the goods after the delivery of the same to the Consignee or to his order, whether such Consignee be the Steam Agent or any other person.* Goods intended for the final station, if not applied for within 24 hours after the Boat's arrival there, will be delivered to the Steam Agent at the risk of the shipper.

Freight on all Packages, excepting Treasure laden in Calcutta, or for which tonnage is reserved in Calcutta, and which do not exceed in weight 35lbs. per cubic foot, will be charged by the cubic foot.

Packages exceeding thirty-five pounds, or 17½ ers per cubic foot, will be charged by the weight.

*From Calcutta,*

| | *Per Foot.* | *Per Seer.** |
|---|---|---|
| To Burrisaul,..... „ Dacca, ..... | 8 Ans. | 6 Pie. |
| „ Seraj Gunge, ..... „ Dewangunge, ..... „ Bugwah, ..... | 12 Ans. | 9 Pie. |
| „ Gowalpara, ..... „ Gowahuttee,..... | 1 R. | 12 Pie. |

For intermediate distances upwards for Goods not shipped in Calcutta, 3 annas per foot, and 2 pie per seer or 1 pie per pound, will be charged for every 100 miles.

The charge for Freight downwards will be 6 annas per maund for all distances above Dacca; articles weighing less than 35 lbs. or 17½ seers per cubic foot, to be charged by measurement at 4 annas per foot. From Dacca and places near Calcutta, 5 annas per maund, 2½ annas per foot.

*Dispatch of Boats, and probable dates of Arrival at different Places.*

It is intended that the Boats shall leave Calcutta the 13th of every month, except when the 13th falls on a Sunday, when they will be dispatched on the 12th. The following is the estimated time the Boats will take, and the date on which they will probably arrive at the different Stations up and down, leaving Calcutta on the 13th to get back there, by the 9th the boats will reach—

| Sheep or Dogs, Goats, ..... | 8† | If ditto at Rs. 2 ditto. |

Goods will be charged by European or native weights, as they are entered in the Controller's or in the Steam Agent's office; the charge per lb. will be half that per seer.

† Exclusive of the Groom or Keeper, who is to be considered a Deck Passenger, and charged as such according to the usual rate. The Shippers are to supply the food, and be at the expence of making the Stalls.

If brought down to the Presidency are charged 2-3rd of the upward freight.

*Freight on Treasure.*

To Burrisaul or Dacca,..... ¼ per cent.
To any distance beyond, ..... ⅓d ditto.

Intermediate ditto Two Pie per mile per thousand.

Freight on Copper Coins will be charged by the weight at 8 Pie per lb. from Calcutta—and down and intermediately, the same as on weighable Goods.

Treasure is deliverable to the Bill of Lading only, and parties neglecting to apply for Treasure will be subjected to additional Freight for the distance it may become necessary to carry it in consequence of their negligence.

Applications for Freight on the Vessel downward must be made to the Steam Boat Agent at Gowahuttee or Seraj Gunge, or at the nearest Station, by letter, describing the Goods to be despatched, their weight and measurement.

The Steam Agent will in reply, name the Boat in which he assigns tonnage, and if from any cause, as damage to the Boat, deviation from her intended voyage on unexpected demand on account of Government, a circumstance likely seldom to occur, the tonnage should be rendered non-available, the party for whom such tonnage has been registered must bear the inconvenience, and he will have no claim for indemnification by assignment of Freight in another Vessel to the detriment of any other person who may have engaged tonnage subsequently to the disappointed party, whose right to tonnage will be limited to such as may be available in the Vessel previously named, but in that Vessel, the claim to such tonnage as may remain available will be acknowledged according to priority of application. Thus the entire tonnage of a Boat may have been assigned in rotation by the Steam Agent to A. B. and C., after which the Government unexpectedly make a demand for more or less, the remaining portion will go to satisfy the claim of A. then of B. &c. The latter applications being thrown out partially or wholly, as the case may be.

The Agent will be instructed to acknowledge the applications made to him for tonnage in the following terms:—"Sir, in reply to your letter of the I beg to say tonnage for chests of Indigo and maunds of Sugar is assigned to you on the Registered No. of application."

The Agent is instructed to keep a correct Register of daily assignments, and to transmit a copy daily to the Controller of Steam Vessels.

The Boats will make the following stoppages, at different stations, during daylight:

| | | |
|---|---|---|
| At Burrisaul, . . . | 3 | hours. |
| „ Dacca, . . . . | 4 | ditto. |
| „ Seraj Gunge, . . . | 4 | ditto. |
| „ Dewan Gunge, . . | 3 | ditto. |
| „ Bugwah, . . . | 3 | ditto. |
| „ Gowalpara, . . . | 3 | ditto. |
| „ Gowahuttee, . . . | 48 | ditto, clear. |

Should Freight not be ready for shipment on the arrival of the Boat at the several stations, the Commander of the Steamer will have peremptory orders to proceed to the next Station.

Treasure laden on a Boat whose progress is arrested, will be retained on board until the Boat is enabled to proceed to her destination, unless the Consignees holding the Bill of Lading of such Treasure may require its delivery, giving a full

acquittance for the Treasure, and receiving such difference of Freight as may have been paid in excess of what would have been charged for conveyance of such Treasure to the place of its delivery.

The Steam Agents at the different Stations make no charge for landing Goods from the Boats into their Godowns; nor for shipping Goods delivered into their Godowns, provided such Goods are not merchandise, intended for traffick, nor animals nor machines for conveyance; for all such they will charge the following rates:

For embarking or landing a Horse, Cow or Bull, Rs. 2.

A Calf, Dog, Sheep, or Goat with or without Kid, Annas 2.

A Barouche, Phaeton, Palankeen Carriage, Britzka, Rs. 3.

A Buggy or Palankeen, Rupee 1.

## PILOT'S TRIAL.

AT a Court assembled on Tuesday, the Twentieth day of July, One Thousand Eight Hundred and Forty-seven, under Act No. 24 of 1845, Mr. Master Pilot James Button Filby, was tried on the following Charges:

*First Charge.*—For disobedience of the orders and contempt of the authority which prohibits a Pilot from seeking directly or indirectly from the Commander of any Ship, a gratuity for doing his duty as Pilot, which offence is set forth in a Memorial of Henry Richardson, the Commander of the "Fairy Queen," the truth of which was sworn to before the Mayor of Liverpool, as follows:

"That your Memorialist is the Master of the "Bark "Fairy Queen," of Dublin, three hundred "and ninteen tons register. That in the month of "July, in the year one thousand eight hundred and "forty-six, your Memorialist sailed from Calcutta "to Dublin, having on board Mr. G. F. Filby, one "of the Pilots belonging to the first mentioned "Port, who was engaged to Pilot the Vessel down "the River Hooghly. That at half-past six o'clock "on the evening of the eleventh day of July afore-"said, the said G. F. Filby left your Memorialist's "Vessel about four miles North-west of the Outer "Floating Light Vessel, and went on board the "Pilot Brig. That your Memorialist then deli-"vered to the said G. F. Filby a letter to be by "him conveyed to Messrs. Church, Lake and Com-"pany, of Calcutta aforesaid, Merchants, to whom "your Memorialist's Vessel had been consigned. "That on receiving such letter, the said G. F. "Filby enquired of your Memorialist if he had "mentioned him the said G F. Filby in such let-"ter, to which your Memorialist replied in the "negative. That the said G. F. Filby appeared "very indignant, and informed your Memorialist "that he felt himself very much disappointed as "he expected a gratuity, and always received "one for piloting a Vessel out. That your Me-"morialist replied that he did not see how the "said G. F. Filby could consider himself enti-"tled to any gratuity, as he had not performed "any extraordinary services, he having had the "assistance of Steam to tow the Ship to Sea, "at an expence of one hundred and one pounds, "five shillings, she drawing but sixteen feet of "water. That the said G. F. Filby stated, that "he had performed extraordinary services, in as "much as he had not caused the Ship to lose her "Anchors and Cables, or to carry away her Cut-"water, as he might have done; and finally stated "that it would be worse for your Memorialist "another time."

*Second Charge.*—For conduct highly unbecoming a Servant of Government, and calculated to bring into detestation and abhorrence the whole body of the Pilot Service, as set forth in the declaration of the Commander of the "Anne and Jane," sworn before the Major of Liverpool, as follows:

"I, Thomas Smith of Liverpool, in the County "of Lancaster, in the United Kingdom of Great "Britain and Ireland, Master Mariner, do solemn-"ly and sincerely declare, that I am the Master "of the Barque "Anne and Jane." That in the "month of July, in the year one thousand eight "hundred and forty-six, I was present in the office "of Messrs. Church, Lake and Company of Cal-"cutta, Merchants, when Mr. Filby, the Pilot of "the "Fairy Queen," of Dublin, returned to "Town after piloting that Vessel out to Sea. "That he then delivered a letter from Captain "Richardson of the "Fairy Queen," to Messrs. "Church, Lake and Company, and immediately "afterwards enquired if there were any directions "therein to pay him any gratuity for piloting the "Fairy Queen" to Sea, and on receiving an "answer in the negative, he expressed his indigna-"tion at Captain Richardson's not doing so, he "then entered into conversation with me and "said he was very sorry he did not cut across "the Cutwater and Stem of the "Fairy Queen," "which he would have done had he known he "was not going to receive any thing for piloting "her out."

By order of the Superintendent of Marine,

(Sd.) JAS. SUTHERLAND, *Secretary.*

*Fort William, the 25th June*, 1847.

*Finding.*—The Court having maturely weighed and considered, all that has been adduced in support of the prosecution, as well as what has been brought forward on the defence, is of opinion, that the Defendant, Mr. Master Pilot James Button Filby, is

Not Guilty of the First Charge.

Not Guilty of the Second Charge.

And do accordingly fully acquit him, the said Mr. Master Pilot James Button Filby, of the said Charges.

The following Act is passed by the Hon'ble the President of the Council of India in Council on the 21st of August 1847, with the assent of the Right Hon'ble the Governor General of India, which has been read and recorded.

Ordered, that the Act be promulgated for general information.

ACT No. XII. OF 1847.

*An Act for repealing the Law which authorizes the imposition of fines on Moonsiffs and Sudder Ameens.*

Whereas it was enacted, by Clause 3, Section 9, Regulation XXIII. of 1814, of the Bengal Code, that in cases of misconduct and neglect of duty which might not be of a nature to require the suspension or dismissal of a Moonsiff from his office, the Judge should be authorized to impose on the Moonsiff a fine not exceeding Twenty Rupees in amount, and that the order of the Judge in such case should be final:

And whereas by Section 67 of the said Regulation the provision above recited, was declared amongst other things to be applicable to the office of Sudder Ameens, as well as to that of Moonsiffs:

And whereas the provision above recited, is no longer adapted to Moonsiffs and Sudder Ameens, in the more elevated Judicial position which they now occupy:

It is therefore hereby enacted, that Clause 3, Section 9, Regulation XXIII. of 1814, and Section 67 of the said Regulation, so far as it declares the said Clause to be applicable to Sudder Ameens, are repealed.

ACT No. XIII. OF 1847.

*An Act for repealing Act XIV. of 1839 so far as it relates to the Emigration of Natives of India to the Island of Ceylon.*

I. Whereas by Act XIV. of 1839 it was enacted, that every person who should make with any Native of India any contract for labor to be performed in any British or Foreign Colony without the Territories of the East India Company, or who should knowingly abet or aid any Native of India in emigrating from the said Territories for the purpose of being employed as a laborer, should be liable on conviction before a Magistrate or Justice of the Peace, to a fine not exceeding 200 Rupees for every Native so contracted with, aided or abetted, and in default of payment of such fine, should be liable to be imprisoned for a term not exceeding three months:

Provided always that nothing in that Act contained should be taken to apply to any Native Seaman who should of his own free will contract to navigate any Vessel, or who should embark on board such Vessel in pursuance of such contract, or to any person who should contract to serve as a Menial Servant only, or who should embark as such Menial Servant:

And whereas the Island of Ceylon geographically, historically and socially considered is analogous to the Countries subject to the Government of the East India Company:

It is hereby enacted, that Act XIV. of 1839 in so far as it makes liable to penalties every person who shall make with any Native of India any contract for labor to be performed in the said Island, or who shall knowingly aid or abet any Native of India in emigrating from the Territories subject to the Government of the East India Company to the said Island, is repealed.

II. But whereas the said Island is not subject to the Legislative power of the Governor General of India in Council, so that the said Governor General in Council is unable to make Laws for the protection of such Natives of India as may emigrate to the said Island against the evils which might attend the emigration of such Natives of India from the said Island to any British or Foreign Colony:

It is therefore hereby enacted, that this Act sahll not come into operation until the Governor General of India in Council shall be duly certified taht the Legislature of the said Island has made such Laws as the said Governor General in Council shall think sufficient for the protection of such Natives of India so emigrating to the said Island against the evils aforesaid, and shall notify in the Gazette that he has been so certified.

*Calcutta, Genl. Post Office, the 23d July,* 1847.

GENERAL POST OFFICE, MAY 1847.

The Post Master General having been informed by the Court of Directors of the East India Company, that on and after the 1st June next, persons in this Country may forward private correspondence by the Government Express from Bombay to Calcutta and Madras, all persons desirous of availing themselves of this privilege, will be required to mark upon the covers of their letters the words "By Express from Bombay," and in addition to this special address, it will be necessary, that all letters intended to be forwarded by the way of Southampton, should be so endorsed as hitherto; the postage to be charged in India in the delivery of letters sent by this Express will be in addition to the ordinary Inland rates.

One Rupee for every letter not exceeding half a tola in weight.

Two Rupees for every letter above half a tola, but not exceeding one tola in weight.

Four Rupees for every letter above one tola, but not exceeding two tolas in weight, two tolas being the maximum weight of letters to be conveyed by Express.

On Newspapers, each Newspaper Office in Calcutta and Madras, will be allowed to receive two Newspapers at the ordinary rates of Inland postage, on all other Newspapers forwarded by Express a postage of five Rupees each will be charged, and no Newspaper will be received for the Express exceeding three tolas in weight.

N. B. One tola and a quarter is nearly equivalent to half an ounce avoirdupoise.

NOTICE.—With reference to the London Post Master General's Notification regarding the rates of postage to be charged upon Letters received from Bombay by the Government Express, which was published with a notice from this Office of yesterday's date, the following Letter since received

from the Post Master General of Bombay on the subject, is also published for general information.

*The 24th July,* 1847.

*No.* 966 *of* 1847.

*General Department.*

To W. TAYLER, Esquire,
*Post Master General, Calcutta.*

SIR,—Adverting to my Letter, dated the 2d instant, I have the honor to suggest for your consideration, whether it would not be advisable to publish a Notice in the Calcutta Papers, intimating to the public generally, especially the Mercantile Community, that, if they desire their Overland Letters, to be forwarded on by the Government Overland Express, they should request their Correspondents to mark "per Express," and to keep within the *limited weight of two tolas;* and that, meanwhile, until the system becomes generally known, they ought to advise me, whether they wish any of their Letters, not so marked, to be sent on from Bombay by the Express.

2d.—By the last Express I dispatched as usual a number of Overland Letters, not especially marked, because, had I not done so, great disappointment would have been experienced by parties in Calcutta; but I intend to discontinue the practice, after a sufficient time has elapsed to admit of the public becoming aware of the privilege conceded by the Notification of May issued by the London General Post Office, and to dispatch by the Overland Express those Letters only which are so marked.

3d.—The public ought moreover to be most especially warned not to mark "per Express" on letters *exceeding two tolas in weight*, because such letters cannot be so dispatched. They will invariably be detained (as was the case on the arrival of the last Mail,) for transmission by the post regular dawk, dispatched after the Express.

4th.—I shall feel much obliged by your favoring me with a list of "Newspaper Offices" in Calcutta, and by your informing the parties connected therewith that not more than two papers (whether sent out from England marked "per Express," or posted in Bombay to go by Express) will, in future, be forwarded by the Government Express. Some of the Newspaper Offices have as many as six Overland Papers marked "per Express," but, as they cannot be so forwarded, it is useless to have them so marked.

5th.—The new rule limits the weight of a Newspaper to 3 *tolas*, but, if that were acted up to, the Newspaper Offices would be deprived altogether of the privilege conceded by the Notification of May last, as an Overland Paper invariably weighs more than 3 and generally very nearly 6 tolas. I have therefore determined to send two Overland Papers to each Office, *without reference to that limit*, and shall continue the practice until I receive orders to the contrary from Government or the Home Authorities.

I have, &c.,

THE following Memorandum drawn out by the Political Agent of Bhopaul, is published for general information :

*Memorandum regarding Daks for Travellers within the Bhopaul Political Agency.*

*July 21st* 1847.

1. A Dak consisting of 8 Palkee Bearers of 1 or 2 Banghy Burdars if required, and of 1 or 2 Mussalchies, will be furnished at the rate of eight annas (Company's Currency,) per mile, English.

2. On the two main roads between Saugor to Mhow, and between Saugor and Hoshungabad, the Bhopaul authorities furnish Daks from Bhilsa and Tuppa in the one case, and from Bhilsa and Hoshungabad on the other. The distances are respectively, 97 miles and 76 miles, according to the Post Office routes, viz. as follows: Bhilsa to Bhopaul 30, Bhopaul to Tuppa 67, and Bhopaul to Hoshungabad 46 miles. The distance between Bhopaul and Sehore is reckoned at 21 miles.

3. Should a traveller be detained for less than 24 hours, no demurrage will be charged; if he is delayed more than a day then for the second day in whole or part, and so for the 3d day, &c., he will be charged 3 annas (Company's Currency,) for each man at each stage—that is 3 annas a day per man, beyond the first day.

4. As delays occasionally occur in going from Saugor to Mhow at Tuppa, where the Mhow Bearers should take up the Dak, the Bhopaul Bearers will, if necessary, carry the traveller on to the next stage, Peepleea, each man employed receiving 4 annas (Company's Currency,) for the extra stage.

5. It is advisable always to give, if possible, seven days notice about laying a Dak, as the majority of the bearers have to be sent to their respective stages from the town of Bhopaul.

6. No Daks can be laid as a rule on other roads, but every endeavour will be made to accommodate travellers on timely notice being given.

## STEAM TO DACCA AND GOWAHUTTEE IN ASSAM.

GOVERNMENT having decided on opening a Steam Communication with Gowahuttee in Assam *via* Dacca and Serajgunge, notice is hereby given, that the first boats for this line, a Steamer and a Flat, will be despatched on the 13th Proximo; and the communication be continued Monthly for THREE YEARS.

The following Regulations and Rates of Charge for accommodation of Passengers, and conveyance of Goods on the Government Boats employed in the above Navigation, are published for general information:

### *Of Passage.*

All applications for Passage on the Government Boats proceeding to Dacca and Assam, must be made at the Boat Office in Calcutta, and all applications for Cabins on the Boats returning from Assam, must be made to the Steam Boat Agent at the nearest place to that of embarkation.

The distance between Calcutta and Gowahuttee is assumed to be 600 miles, and the distance from Calcutta to the different Stations as follows:

| | | |
|---|---|---|
| Burrisaul,..... | 200 | Miles. |
| Dacca,..... | 300 | „ |
| Seraj Gunge,..... | 400 | „ |
| Dewan Gunge,..... | 450 | „ |
| Bugwah,..... | 500 | „ |
| Gowalpara,..... | 550 | „ |
| Gowahuttee,..... | 600 | „ |

An Accommodation or a Cargo Boat will be employed in this line, as far as Dacca, the Steamer only going on to Gowahuttee until the demand for freight to and from places above Dacca is more than a Steamer can supply. In the first there are 3 classes of Cabins, but there will be no distinction in the charge, and the preference in the selection will be given to those who engage for the longest distances or otherwise, according to priority of application.

To Burrisaul or Dacca the charge will be Seventy-five Rupees, to Gowahuttee One Hundred and Fifty Rupees, or at the rate of Twenty-five Rupees for every 100 miles, of the estimated distance according to which the passage for intermediate distances will be rated.

One Servant is allowed to each Cabin occupied by one person, but if a Cabin be occupied by more than one person, an additional charge will be made of Nine Rupees, which will entitle the Cabin to a second Servant. All other extra Servants will be considered as Deck Passengers, the charge for which will be half an Anna per mile, or Eighteen Rupees Twelve Annas from Calcutta to Gowahuttee; Deck Passengers will pay Eighteen Rupees to Gowahuttee, or half an Anna a mile for any shorter distance.

The charge for passage on return voyages will be the same as above.

Passengers are allowed to carry such Baggage and Cabin Furniture within their Cabins as is necessary for the voyage; and this may include a Piano if required for use during the voyage and not in a packing case: but Pianos in packing cases and all other packages, as cases of Millinery, Saddlery, Glass and Earthen-ware, Beer and Wines, and other Stores, will be stowed in another part of the vessel; and to the extent of half a ton, or 25 cubic feet, be charged for at half the established rate of Freight; all in excess of half a ton will be charged at the full rate of Freight.

Deck Passengers are allowed one Roll of Bedding 2 feet wide, and a box of six cubic feet solid contents.

A Table is provided by the Commander at Four Rupees per Diem for each person, exclusive of Wines and Beer, which if provided by the Commander, are charged at regulated prices, of which a list is exhibited in the Dining Room, and all Refreshments required between the regular meals of Breakfast at ¼ past 8, Biscuit, &c. at noon, Dinner at 3 P. M., and Tea and Coffee in the evening. Persons who provide their own Wines, will pay 3 annas for each cork drawn.

Children who do not come to the Table are provided at One Rupee per day, the same charge is made for Christian Servants.

Mussulman Servants may feed with the Crew, paying a rate of Two Annas per day. Hindoos must provide their own food.

The Passage Money, and a deposit of Four Rupees per day for the estimated term of the voyage, must be paid on engaging a passage, and any surplus of Table Money will be returned, or an additional charge be made by the Commander, as the voyage may fall short of or exceed the time for which the deposit was calculated. Half the Passage Money, and half the Table Money become forfeit by persons who relinquish a passage after having engaged it.

The despatch of Boats will be duly advertized, and if any change in the Boats occurs, Accommodation or Freight engaged for the one advertized, will be assigned on the one substituted.

### *Of Freight.*

All Goods intended for shipment on the Government Boats must be sent to the Boat Office, in Church Lane, Calcutta, between the hours of Ten and Four, Sundays, Christmas Days, and Good Fridays excepted.

Goods will not be received for shipment unless they be addressed to a resident at the place at which they are to be delivered from the Boats. The direction must be marked on something not liable to be destroyed by vermin, and from which it may not easily be obliterated. A direction written on a card or marked with ink on a tin box, would be liable to the above objection.

The Boat Office will not be responsible for any damage or loss that may be occasioned by accident to the vessel or other cause whatever, not traceable to negligence or mismanagement of those belonging to the vessel.

All Goods sent to the Boat Office must be accompanied by a note, with suitable direction for the guidance of the Officers of the Department.

Goods not applied for on board the Boat by the Consignee, will be carried on and charged with additional freight, unless addressed to the Steam Agent, in which case they will be delivered to him. It must be understood, however, that although all persons are at liberty to consign their goods to the Steam Agent of the stations at which they are to be landed, *the Government is not responsible for such Steam Agent, or for the safety of the goods after the delivery of the same to the Consignee or to his order, whether such Consignee be the Steam Agent or any other person.* Goods intended for the final station, if not applied for within 24 hours after the Boat's arrival there, will be delivered to the Steam Agent at the risk of the shipper.

Freight on all Packages, excepting Treasure laden in Calcutta, or for which tonnage is reserved in Calcutta, and which do not exceed in weight 35lbs. per cubic foot, will be charged by the cubic foot.

Packages exceeding thirty-five pounds, or 17½ seers per cubic foot, will be charged by the weight.

*From Calcutta,*

| | Per Foot. | Per Seer. |
|---|---|---|
| To Burrisaul, ..... „ Dacca, ..... | 8 Ans. | 6 Pie. |
| „ Seraj Gunge, ..... „ Dewangunge, ..... „ Bugwah, ..... | 12 Ans. | 9 Pie. |
| „ Gowalpara, ..... „ Gowahuttee, ..... | 1 R. | 12 Pie. |

For intermediate distances upwards for Goods not shipped in Calcutta, 3 annas per foot, and 2 pie per seer or 1 pie per pound, will be charged for every 100 miles.

The charge for Freight downwards will be 6 annas per maund for all distances above Dacca; articles weighing less than 35 lbs. or 17½ seers per cubic foot, to be charged by measurement at 4 annas per foot. From Dacca and places near Calcutta, 5 annas per maund, 2½ annas per foot.

*Dispatch of Boats, and probable dates of Arrival at different Places.*

It is intended that the Boats shall leave Calcutta the 13th of every month, except when the 13th falls on a Sunday, when they will be dispatched on the 12th. The following is the estimated time the Boats will take, and the date on which they will probably arrive at the different Stations up and down, leaving Calcutta on the 13th to get back there, by the 9th the boats will reach—

| | Up. | Down. |
|---|---|---|
| Burrisaul, ..... | 17th | 5th |
| Dacca, ..... | 19th | 3rd |
| Seraj Gunge, ..... | 21st | 2nd |
| Dewangunge, ..... | 22nd | 1st |
| Bugwah, ..... | 23rd | 30th |
| Gawalpara, ..... ..... | 24th | 29th |
| Gowahuttee, ..... | 25th leaves | 28th |

*Freight on Carriages.*

| | | | |
|---|---|---|---|

| Ditto Tonjon, ..... ..... | 10 | 8 | 0 |

To any distance from Calcutta, but if carried intermediately at two pie per lb. from Station to Station, both upward and downward, calculating on the average weight.

| | Calculated at |
|---|---|
| Weight of a Carriage, Barouche, or Landaulet, ..... | 2500 lbs. |
| Britzka, Palankeen Carriage, or Phæton, ..... | 2000 „ |
| Buggy, ..... | 1000 „ |
| Palankeen, ..... | 480 „ |

*Freight on Cattle.*

| | | |
|---|---|---|
| Horses, ..... | 48† | If carried intermediately at 12 Rs. each from Station to Station. |
| Bulls, Cows, &c., | 48† | |
| Sheep or Dogs, Goats, ..... | 8† | If ditto at Rs. 2 ditto. |

* Goods will be charged by European or native weights, as they are entered in the Controller's or in the Steam Agent's Office; the charge per lb. will be half that per seer.

† Exclusive of the Groom or Keeper, who is to be considered a Deck Passenger, and charged as such according to the usual rate. The Shippers are to supply the food, and be at the expence of making the Stalls.

If brought down to the Presidency are charged 2-3rd of the upward freight.

*Freight on Treasure.*

To Burrisaul or Dacca, ..... ¼ per cent.
To any distance beyond, ..... ⅓d ditto.

Intermediate ditto Two Pie per mile per thousand.

Freight on Copper Coins will be charged by the weight at 8 Pie per lb. from Calcutta—and down and intermediately, the same as on weighable Goods.

Treasure is deliverable to the Bill of Lading only, and parties neglecting to apply for Treasure will be subjected to additional Freight for the distance it may become necessary to carry it in consequence of their negligence.

Applications for Freight on the Vessel downward must be made to the Steam Boat Agent at Gowahuttee or Seraj Gunge, or at the nearest Station, by letter, describing the Goods to be despatched, their weight and measurement.

The Steam Agent will in reply, name the Boat in which he assigns tonnage, and if from any cause, as damage to the Boat, deviation from her intended voyage on unexpected demand on account of Government, a circumstance likely seldom to occur, the tonnage should be rendered non-available, the party for whom such tonnage has been registered must bear the inconvenience, and he will have no claim for indemnification by assignment of Freight in another Vessel to the detriment of any other person who may have engaged tonnage subsequently to the disappointed party, whose right to tonnage will be limited to such as may be available in the Vessel previously named, but in that Vessel, the claim to such tonnage as may remain available will be acknowledged according to priority of application. Thus the entire tonnage of a Boat may have been assigned in rotation by the Steam Agent to A. B. and C., after which the Government unexpectedly make a demand for more or less, the remaining portion will go to satisfy the claim of A. then of B. &c. The latter applications being thrown out partially or wholly, as the case may be.

The Agent will be instructed to acknowledge the applications made to him for tonnage in the following terms:—"Sir, in reply to your letter of the I beg to say tonnage for chests of Indigo and maunds of Sugar is assigned to you on the Registered No. of application."

The Agent is instructed to keep a correct Register of daily assignments, and to transmit a copy daily to the Controller of Steam Vessels.

The Boats will make the following stoppages, at different stations, during daylight:

| | | |
|---|---|---|
| At Burrisaul, . . . | 3 | hours. |
| „ Dacca, . . . . | 4 | ditto. |
| „ Seraj Gunge, . . . | 4 | ditto. |
| „ Dewan Gunge, . . | 3 | ditto. |
| „ Bugwah, . . . | 3 | ditto. |
| „ Gowalpara, . . . | 3 | ditto. |
| „ Gowahuttee, . . . | 48 | ditto, clear. |

Should Freight not be ready for shipment on the arrival of the Boat at the several stations, the Commander of the Steamer will have peremptory orders to proceed to the next Station.

Treasure laden on a Boat whose progress is arrested, will be retained on board until the Boat is enabled to proceed to her destination, unless the Consignees holding the Bill of Lading of such Treasure may require its delivery, giving a full

acquittance for the Treasure, and receiving such difference of Freight as may have been paid in excess of what would have been charged for conveyance of such Treasure to the place of its delivery.

The Steam Agents at the different Stations make no charge for landing Goods from the Boats into their Godowns; nor for shipping Goods delivered into their Godowns, provided such Goods are not merchandise, intended for traffick, nor animals nor machines for conveyance; for all such they will charge the following rates:

For embarking or landing a Horse, Cow or Bull, Rs. 2.

A Calf, Dog, Sheep, or Goat with or without Kid, Annas 2.

A Barouche, Phaeton, Palankeen Carriage, Britzka, Rs. 3.

A Buggy or Palankeen, Rupee 1.

A Box, Bale, Chest or Cask, large or small, Annas 2.

A bag of Sugar or Saltpetre ditto ditto Anna 1.

When Goods are consigned to Calcutta, it is optional with Shippers to pay the Freight or to leave the same to be collected on delivery of the Goods. Freight must be paid to the Agent or Commander of the Boat for all Goods shipped away from Calcutta, and not deliverable at Calcutta. And no Packages will be received into the Boat Office for transmission on which Freight is not paid at the time.

The following paragraphs of a Military letter, No. 45, from the Hon'ble the Court of Directors to the Governor of the Presidency of Fort William in Bengal, under date the 20th May 1835, are published for the information and guidance of all parties concerned.

"Para. 1. With reference to our orders, dated the 8th December 1824, we direct that you relinquish your present practice of drawing Bills upon us on account of the Family Remittances of Non-Commissioned Officers and Soldiers of King's Regiments, and also of the effects of deceased Officers and Soldiers of His Majesty's Regiments in India, and that you adopt the preferable plan of sending us Quarterly Rolls of the sums paid into your Treasury on the above account by the King's Service as you already are in the habit of doing in the case of payments on similar accounts by the Company's Service.

2. We further direct that in future the Family Remittances made through our Treasury by Officers and Soldiers of His Majesty's Service, be accounted for separately, and that a distinct Roll of the Remittances from each King's Regiment be drawn out and forwarded to us, with the name of the Regimental Agent, to whom the amount of the Roll is to be paid in this Country."

*No.* 264 *of* 1847.—In continuation of Government General Orders, No. 166 of the 19th June 1846, directing the Purchase Money of Discharged

Soldiers from Her Majesty's Service to be credited to the Company's Government, it is notified that Effects and Credits of Deserters from Queen's Regiments are likewise to be credited to the East India Company, on whom falls the expense of supplying the place equally of Deserters as of Soldiers purchasing their discharge. No remittance, therefore, on this account is to be made to the Secretary at War, in future, but the amount is to be made over by Regimental Pay Masters to the Pay Master to the Queen's Troops at Calcutta; and Pay Masters of Regiments serving under the Governments of Madras and Bombay are to forward all sums on this account to the Pay Master of the Division in which the remitter may be located, or to such other authorities as the Governments of those Presidencies may direct, to be brought on the public accounts to credit of "Charges Military."

General Post Office, May 1847.

The Post Master General having been informed by the Court of Directors of the East India Company, that on and after the 1st June next, persons in this Country may forward private correspondence by the Government Express from Bombay to Calcutta and Madras, all persons desirous of availing themselves of this privilege, will be required to mark upon the covers of their letters the words "By Express from Bombay," and in addition to this special address, it will be necessary, that all letters intended to be forwarded by the way of Southampton, should be so endorsed as hitherto; the postage to be charged in India in the delivery of letters sent by this Express will be in addition to the ordinary Inland rates.

One Rupee for every letter not exceeding half a tola in weight.

Two Rupees for every letter above half a tola, but not exceeding one tola in weight.

Four Rupees for every letter above one tola, but not exceeding two tolas in weight, two tolas being the maximum weight of letters to be conveyed by Express.

NOTICE.—With reference to the London Post Master General's Notification regarding the rates of postage to be charged upon Letters received from Bombay by the Government Express, which was published with a notice from this Office of yesterday's date, the following Letter since received

from the Post Master General of Bombay on the subject, is also published for general information.

W. TAYLER,
*Post Master General.*

*Fort William, Genl. Post Office,*
*The 24th July,* 1847.

*No.* 966 *of* 1847.

*General Department.*

To W. TAYLER, Esquire,
*Post Master General, Calcutta.*

SIR,—Adverting to my Letter, dated the 2d instant, I have the honor to suggest for your consideration, whether it would not be advisable to publish a Notice in the Calcutta Papers, intimating to the public generally, especially the Mercantile Community, that, if they desire their Overland Letters, to be forwarded on by the Government Overland Express, they should request their Correspondents to mark "per Express," and to keep within the *limited weight of two tolas;* and that, meanwhile, until the system becomes generally known, they ought to advise me, whether they wish any of their Letters, not so marked, to be sent on from Bombay by the Express.

2d.—By the last Express I dispatched as usual a number of Overland Letters, not especially marked, because, had I not done so, great disappointment would have been experienced by parties in Calcutta; but I intend to discontinue the practice, after a sufficient time has elapsed to admit of the public becoming aware of the privilege conceded by the Notification of May issued by the London General Post Office, and to dispatch by the Overland Express those Letters only which are so marked,

3d.—The public ought moreover to be most especially warned not to mark "per Express" on letters *exceeding two tolas in weight*, because such letters cannot be so dispatched. They will invariably be detained (as was the case on the arrival of the last Mail,) for transmission by the post regular dawk, dispatched after the Express.

4th.—I shall feel much obliged by your favoring me with a list of "Newspaper Offices" in Calcutta, and by your informing the parties connected therewith that not more than two papers (whether sent out from England marked "per Express," or posted in Bombay to go by Express) will, in future, be forwarded by the Government Express. Some of the Newspaper Offices have as many as six Overland Papers marked "per Express," but, as they cannot be so forwarded, it is useless to have them so marked.

5th.—The new rule limits the weight of a Newspaper to 3 *tolas*, but, if that were acted up to, the Newspaper Offices would be deprived altogether of the privilege conceded by the Notification of May last, as an Overland Paper invariably weighs more than 3 and generally very nearly 6 tolas. I have therefore determined to send two Overland Papers to each Office, *without reference to that limit*, and shall continue the practice until I receive orders to the contrary from Government or the Home Authorities.

I have, &c.

THE following Memorandum drawn out by the Political Agent of Bhopaul, is published for general information:

*Memorandum regarding Daks for Travellers within the Bhopaul Political Agency.*

*July 21st* 1847.

1. A Dak consisting of 8 Palkee Bearers of 1 or 2 Banghy Burdars if required, and of 1 or 2 Mussalchies, will be furnished at the rate of eight annas (Company's Currency,) per mile, English.

2. On the two main roads between Saugor to Mhow, and between Saugor and Hoshungabad, the Bhopaul authorities furnish Daks from Bhilsa and Tuppa in the one case, and from Bhilsa and Hoshungabad on the other. The distances are respectively, 97 miles and 76 miles, according to the Post Office routes, viz. as follows: Bhilsa to Bhopaul 30, Bhopaul to Tuppa 67, and Bhopaul to Hoshungabad 46 miles. The distance between Bhopaul and Sehore is reckoned at 21 miles.

3. Should a traveller be detained for less than 24 hours, no demurrage will be charged; if he is delayed more than a day then for the second day in whole or part, and so for the 3d day, &c., he will be charged 3 annas (Company's Currency,) for each man at each stage—that is 3 annas a day per man, beyond the first day.

4. As delays occasionally occur in going from Saugor to Mhow at Tuppa, where the Mhow Bearers should take up the Dak, the Bhopaul Bearers will, if necessary, carry the traveller on to the next stage, Peepleea, each man employed receiving 4 annas (Company's Currency,) for the extra stage.

5. It is advisable always to give, if possible, seven days notice about laying a Dak, as the majority of the bearers have to be sent to their respective stages from the town of Bhopaul.

6. No Daks can be laid as a rule on other roads, but every endeavour will be made to accommodate travellers on timely notice being given.

## STEAM TO DACCA AND GOWAHUTTEE IN ASSAM.

GOVERNMENT having decided on opening a Steam Communication with Gowahuttee in Assam *via* Dacca and Serajgunge, notice is hereby given, that the first boats for this line, a Steamer and a Flat, will be despatched on the 13th Proximo; and the communication be continued Monthly for THREE YEARS.

The following Regulations and Rates of Charge for accommodation of Passengers, and conveyance of Goods on the Government Boats employed in the above Navigation, are published for general information:

### *Of Passage.*

All applications for Passage on the Government Boats proceeding to Dacca and Assam, must be made at the Boat Office in Calcutta, and all applications for Cabins on the Boats returning from Assam, must be made to the Steam Boat Agent at the nearest place to that of embarkation.

The distance between Calcutta and Gowahuttee is assumed to be 600 miles, and the distance from Calcutta to the different Stations as follows:

| | | |
|---|---|---|
| Burrisaul, | 200 | Miles. |
| Dacca, | 300 | „ |
| Seraj Gunge, | 400 | „ |
| Dewan Gunge, | 450 | „ |
| Bugwah, | 500 | „ |
| Gowalpara, | 550 | „ |
| Gowahuttee, | 600 | „ |

An Accommodation or a Cargo Boat will be employed in this line, as far as Dacca, the Steamer only going on to Gowahuttee until the demand for freight to and from places above Dacca is more than a Steamer can supply. In the first there are 3 classes of Cabins, but there will be no distinction in the charge, and the preference in the selection will be given to those who engage for the longest distances or otherwise, according to priority of application.

To Burrisaul or Dacca the charge will be Seventy-five Rupees, to Gowahuttee One Hundred and Fifty Rupees, or at the rate of Twenty-five Rupees for every 100 miles, of the estimated distance according to which the passage for intermediate distances will be rated.

One Servant is allowed to each Cabin occupied by one person, but if a Cabin be occupied by more than one person, an additional charge will be made of Nine Rupees, which will entitle the Cabin to a second Servant. All other extra Servants will be considered as Deck Passengers, the charge for which will be half an Anna per mile, or Eighteen Rupees Twelve Annas from Calcutta to Gowahuttee; Deck Passengers will pay Eighteen Rupees to Gowahuttee, or half an Anna a mile for any shorter distance.

The charge for passage on return voyages will be the same as above.

Passengers are allowed to carry such Baggage and Cabin Furniture within their Cabins as is necessary for the voyage; and this may include a Piano if required for use during the voyage and not in a packing case: but Pianos in packing cases and all other packages, as cases of Millinery, Saddlery, Glass and Earthen-ware, Beer and Wines, and other Stores, will be stowed in another part of the vessel; and to the extent of half a ton, or 25 cubic feet, be charged for at half the established rate of Freight; all in excess of half a ton will be charged at the full rate of Freight.

Deck Passengers are allowed one Roll of Bedding 2 feet wide, and a box of six cubic feet solid contents.

A Table is provided by the Commander at Four Rupees per Diem for each person, exclusive of Wines and Beer, which if provided by the Commander, are charged at regulated prices, of which a list is exhibited in the Dining Room, and all Refreshments required between the regular meals of Breakfast at ½ past 8, Biscuit, &c. at noon, Dinner at 3 P. M, and Tea and Coffee in the evening. Persons who provide their own Wines, will pay 3 annas for each cork drawn.

Children who do not come to the Table are provided at One Rupee per day, the same charge is made for Christian Servants.

Mussulman Servants may feed with the Crew, paying a rate of Two Annas per day. Hindoos must provide their own food.

The Passage Money, and a deposit of Four Rupees per day for the estimated term of the voyage, must be paid on engaging a passage, and any surplus of Table Money will be returned, or an additional charge be made by the Commander, as the voyage may fall short of or exceed the time for which the deposit was calculated. Half the Passage Money, and half the Table Money become forfeit by persons who relinquish a passage after having engaged it.

The despatch of Boats will be duly advertized, and if any change in the Boats occurs, Accommodation or Freight engaged for the one advertized, will be assigned on the one substituted.

### *Of Freight.*

All Goods intended for shipment on the Government Boats must be sent to the Boat Office, in Church Lane, Calcutta, between the hours of Ten and Four, Sundays, Christmas Days, and Good Fridays excepted.

Goods will not be received for shipment unless they be addressed to a resident at the place at which they are to be delivered from the Boats. The direction must be marked on something not liable to be destroyed by vermin, and from which it may not easily be obliterated. A direction written on a card or marked with ink on a tin box, would be liable to the above objection.

The Boat Office will not be responsible for any damage or loss that may be occasioned by accident to the vessel or other cause whatever, not traceable to negligence or mismanagement of those belonging to the vessel.

All Goods sent to the Boat Office must be accompanied by a note, with suitable direction for the guidance of the Officers of the Department.

Goods not applied for on board the Boat by the Consignee, will be carried on and charged with additional freight, unless addressed to the Steam Agent, in which case they will be delivered to him. It must be understood, however, that although all persons are at liberty to consign their goods to the Steam Agent of the stations at which they are to be landed, *the Government is not responsible for such Steam Agent, or for the safety of the goods after the delivery of the same to the Consignee or to his order, whether such Consignee be the Steam Agent or any other person.* Goods intended for the final station, if not applied for within 24 hours after the Boat's arrival there, will be delivered to the Steam Agent at the risk of the shipper.

Freight on all Packages, excepting Treasure laden in Calcutta, or for which tonnage is reserved in Calcutta, and which do not exceed in weight 35lbs. per cubic foot, will be charged by the cubic foot.

Packages exceeding thirty-five pounds, or 17½ seers per cubic foot, will be charged by the weight.

*From Calcutta,*

| | Per Foot. | Per Seer.* |
|---|---|---|
| To Burrisaul, ..... | 8 Ans. | 6 Pie. |
| „ Dacca, ..... | | |
| „ Seraj Gunge, ..... | 12 Ans. | 9 Pie. |
| „ Dewangunge, ..... | | |
| „ Bugwah, ..... | | |
| „ Gowalpara, ..... | 1 R. | 12 Pie. |
| „ Gowahuttee, ..... | | |

For intermediate distances upwards for Goods not shipped in Calcutta, 3 annas per foot, and 2 pie per seer or 1 pie per pound, will be charged for every 100 miles.

The charge for Freight downwards will be 6 annas per maund for all distances above Dacca; articles weighing less than 35 lbs. or 17½ seers per cubic foot, to be charged by measurement at 4 annas per foot. From Dacca and places near Calcutta, 5 annas per maund, 2½ annas per foot.

*Dispatch of Boats, and probable dates of Arrival at different Places.*

It is intended that the Boats shall leave Calcutta the 13th of every month, except when the 13th falls on a Sunday, when they will be dispatched on the 12th. The following is the estimated time the Boats will take, and the date on which they will probably arrive at the different Stations up and down, leaving Calcutta on the 13th to get back there, by the 9th the boats will reach—

| Sheep or Dogs, Goats, ..... | 8† | If ditto at Rs. 2 ditto. |

* Goods will be charged by European or native weights, as they are entered in the Controller's or in the Steam Agent's Office; the charge per lb. will be half that per seer.

† Exclusive of the Groom or Keeper, who is to be considered a Deck Passenger, and charged as such according to the usual rate. The Shippers are to supply the food, and be at the expence of making the Stalls.

If brought down to the Presidency are charged 2-3rd of the upward freight.

*Freight on Treasure.*

To Burrisaul or Dacca, ..... ¼ per cent.
To any distance beyond, ..... ⅓d ditto.

Intermediate ditto Two Pie per mile per thousand.

Freight on Copper Coins will be charged by the weight at 8 Pie per lb. from Calcutta—and down and intermediately, the same as on weighable Goods.

Treasure is deliverable to the Bill of Lading only, and parties neglecting to apply for Treasure will be subjected to additional Freight for the distance it may become necessary to carry it in consequence of their negligence.

Applications for Freight on the Vessel downward must be made to the Steam Boat Agent at Gowahuttee or Seraj Gunge, or at the nearest Station, by letter, describing the Goods to be despatched, their weight and measurement.

The Steam Agent will in reply, name the Boat in which he assigns tonnage, and if from any cause, as damage to the Boat, deviation from her intended voyage on unexpected demand on account of Government, a circumstance likely seldom to occur, the tonnage should be rendered non-available, the party for whom such tonnage has been registered must bear the inconvenience, and he will have no claim for indemnification by assignment of Freight in another Vessel to the detriment of any other person who may have engaged tonnage subsequently to the disappointed party, whose right to tonnage will be limited to such as may be available in the Vessel previously named, but in that Vessel, the claim to such tonnage as may remain available will be acknowledged according to priority of application. Thus the entire tonnage of a Boat may have been assigned in rotation by the Steam Agent to A. B. and C., after which the Government unexpectedly make a demand for more or less, the remaining portion will go to satisfy the claim of A. then of B. &c. The latter applications being thrown out partially or wholly, as the case may be.

The Agent will be instructed to acknowledge the applications made to him for tonnage in the following terms:—"Sir, in reply to your letter of the I beg to say tonnage for chests of Indigo and maunds of Sugar is assigned to you on the Registered No. of application."

The Agent is instructed to keep a correct Register of daily assignments, and to transmit a copy daily to the Controller of Steam Vessels.

The Boats will make the following stoppages, at different stations, during daylight:

| | | |
|---|---|---|
| At Burrisaul, . . . | 3 | hours. |
| „ Dacca, . . . . | 4 | ditto. |
| „ Seraj Gunge, . . . | 4 | ditto. |
| „ Dewan Gunge, . . | 3 | ditto. |
| „ Bugwah, . . . | 3 | ditto. |
| „ Gowalpara, . . . | 3 | ditto. |
| „ Gowahuttee, . . . | 48 | ditto, clear. |

Should Freight not be ready for shipment on the arrival of the Boat at the several stations, the Commander of the Steamer will have peremptory orders to proceed to the next Station.

Treasure laden on a Boat whose progress is arrested, will be retained on board until the Boat is enabled to proceed to her destination, unless the Consignees holding the Bill of Lading of such Treasure may require its delivery, giving a full

acquittance for the Treasure, and receiving such difference of Freight as may have been paid in excess of what would have been charged for conveyance of such Treasure to the place of its delivery.

The Steam Agents at the different Stations make no charge for landing Goods from the Boats into their Godowns; nor for shipping Goods delivered into their Godowns, provided such Goods are not merchandise, intended for traffick, nor animals nor machines for conveyance; for all such they will charge the following rates:

For embarking or landing a Horse, Cow or Bull, Rs. 2.

A Calf, Dog, Sheep, or Goat with or without Kid, Annas 2.

When Goods are consigned to Calcutta, it is optional with Shippers to pay the Freight or to leave the same to be collected on delivery of the Goods. Freight must be paid to the Agent or Commander of the Boat for all Goods shipped away from Calcutta, and not deliverable at Calcutta. And no Packages will be received into the Boat Office for transmission on which Freight is not paid at the time.

By Order of the Superintendent of Marine,

JAS. SUTHERLAND,
*Secretary.*

*Steam Department, the 27th July*, 1847.

GENERAL POST OFFICE, MAY 1847.

The Post Master General having been informed by the Court of Directors of the East India Company, that on and after the 1st June next, persons in this Country may forward private correspondence by the Government Express from Bombay to Calcutta and Madras, all persons desirous of availing themselves of this privilege, will be required to mark upon the covers of their letters the words "By Express from Bombay," and in addition to this special address, it will be necessary, that all letters intended to be forwarded by the way of Southampton, should be so endorsed as hitherto; the postage to be charged in India in the delivery of letters sent by this Express will be in addition to the ordinary Inland rates.

One Rupee for every letter not exceeding half a tola in weight.

Two Rupees for every letter above half a tola, but not exceeding one tola in weight.

Four Rupees for every letter above one tola, but not exceeding two tolas in weight, two tolas being the maximum weight of letters to be conveyed by Express.

NOTICE.—With reference to the London Post Master General's Notification regarding the rates of postage to be charged upon Letters received from Bombay by the Government Express, which was published with a notice from this Office of yesterday's date, the following Letter since received from the Post Master General of Bombay on the subject, is also published for general information.

*No.* 966 *of* 1847.

*General Department.*

To W. TAYLER, Esquire,

*Post Master General, Calcutta.*

SIR.—Adverting to my Letter, dated the 2d instant, I have the honor to suggest for your consideration, whether it would not be advisable to publish a Notice in the Calcutta Papers, intimating to the public generally, especially the Mercantile Community, that, if they desire their Overland Letters, to be forwarded on by the Government Overland Express, they should request their Correspondents to mark "per Express," and to keep within the *limited weight of two tolas;* and that, meanwhile, until the system becomes generally known, they ought to advise me, whether they wish any of their Letters, not so marked, to be sent on from Bombay by the Express.

2d.—By the last Express I dispatched as usual a number of Overland Letters, not especially marked, because, had I not done so, great disappointment would have been experienced by parties in Calcutta; but I intend to discontinue the practice, after a sufficient time has elapsed to admit of the public becoming aware of the privilege conceded by the Notification of May issued by the London General Post Office, and to dispatch by the Overland Express those Letters only which are so marked.

3d.—The public ought moreover to be most especially warned not to mark "per Express" on letters *exceeding two tolas in weight,* because such letters cannot be so dispatched. They will invariably be

detained (as was the case on the arrival of the last Mail,) for transmission by the post regular dawk, dispatched after the Express.

4th.—I shall feel much obliged by your favoring me with a list of "Newspaper Offices" in Calcutta, and by your informing the parties connected therewith that not more than two papers (whether sent out from England marked "per Express," or posted in Bombay to go by Express) will, in future, be forwarded by the Government Express. Some of the Newspaper Offices have as many as six Overland Papers marked "per Express," but, as they cannot be so forwarded, it is useless to have them so marked.

5th.—The new rule limits the weight of a Newspaper to 3 *tolas*, but, if that were acted up to, the Newspaper Offices would be deprived altogether of the privilege conceded by the Notification of May last, as an Overland Paper invariably weighs more than 3 and generally very nearly 6 tolas. I have therefore determined to send two Overland Papers to each Office, *without reference to that limit*, and shall continue the practice until I receive orders to the contrary from Government or the Home Authorities.

I have, &c.

THE following Memorandum drawn out by the Political Agent of Bhopaul, is published for general information:

*Memorandum regarding Daks for Travellers within the Bhopaul Political Agency.*

*July 21st* 1847.

1. A Dak consisting of 8 Palkee Bearers of 1 or 2 Banghy Burdars if required, and of 1 or 2 Mussalchies, will be furnished at the rate of eight annas (Company's Currency,) per mile, English.

2. On the two main roads between Saugor to Mhow, and between Saugor and Hoshungabad, the Bhopaul authorities furnish Daks from Bhilsa and Tuppa in the one case, and from Bhilsa and Hoshungabad on the other. The distances are respectively, 97 miles and 76 miles, according to the Post Office routes, viz. as follows: Bhilsa to Bhopaul 30, Bhopaul to Tuppa 67, and Bhopaul to Hoshungabad 46 miles. The distance between Bhopaul and Sehore is reckoned at 21 miles.

3. Should a traveller be detained for less than 24 hours, no demurrage will be charged; if he is delayed more than a day then for the second day in whole or part, and so for the 3d day, &c., he will be charged 3 annas (Company's Currency,) for each man at each stage—that is 3 annas a day per man, beyond the first day.

4. As delays occasionally occur in going from Saugor to Mhow at Tuppa, where the Mhow Bearers should take up the Dak, the Bhopaul Bearers will, if necessary, carry the traveller on to the next stage, Peepleea, each man employed receiving 4 annas (Company's Currency,) for the extra stage.

5. It is advisable always to give, if possible, seven days notice about laying a Dak, as the majority of the bearers have to be sent to their respective stages from the town of Bhopaul.

6. No Daks can be laid as a rule on other roads, but every endeavour will be made to accommodate travellers on timely notice being given.

## STEAM TO DACCA AND GOWAHUTTEE IN ASSAM.

GOVERNMENT having decided on opening a Steam Communication with Gowahuttee in Assam *via* Dacca and Serajgunge, notice is hereby given, that the first boats for this line, a Steamer and a Flat, will be despatched on the 13th Proximo; and the communication be continued Monthly for THREE YEARS.

The following Regulations and Rates of Charge for accommodation of Passengers, and conveyance of Goods on the Government Boats employed in the above Navigation, are published for general information:

*Of Passage.*

All applications for Passage on the Government Boats proceeding to Dacca and Assam, must be made at the Boat Office in Calcutta, and all applications for Cabins on the Boats returning from Assam, must be made to the Steam Boat Agent at the nearest place to that of embarkation.

The distance between Calcutta and Gowahuttee is assumed to be 600 miles, and the distance from Calcutta to the different Stations as follows:

| | | |
|---|---|---|
| Burrisaul, | 200 | Miles. |
| Dacca, | 300 | ,, |
| Seraj Gunge, | 400 | ,, |
| Dewan Gunge, | 450 | ,, |
| Bugwah, | 500 | ,, |
| Gowalpara, | 550 | ,, |
| Gowahuttee, | 600 | ,, |

An Accommodation or a Cargo Boat will be employed in this line, as far as Dacca, the Steamer only going on to Gowahuttee until the demand for freight to and from places above Dacca is more than a Steamer can supply. In the first there are 3 classes of Cabins, but there will be no distinction in the charge, and the preference in the selection will be given to those who engage for the longest distances or otherwise, according to priority of application.

To Burrisaul or Dacca the charge will be Seventy-five Rupees, to Gowahuttee One Hundred and Fifty Rupees, or at the rate of Twenty-five Rupees for every 100 miles, of the estimated distance according to which the passage for intermediate distances will be rated.

One Servant is allowed to each Cabin occupied by one person, but if a Cabin be occupied by more than one person, an additional charge will be made of Nine Rupees, which will entitle the Cabin to a second Servant. All other extra Servants will be considered as Deck Passengers, the charge for which will be half an Anna per mile, or Eighteen Rupees Twelve Annas from Calcutta to Gowahuttee; Deck Passengers will pay Eighteen Rupees to Gowahuttee, or half an Anna a mile for any shorter distance.

The charge for passage on return voyages will be the same as above.

Passengers are allowed to carry such Baggage and Cabin Furniture within their Cabins as is necessary for the voyage; and this may include a Piano if required for use during the voyage and not in a packing case: but Pianos in packing cases and all other packages, as cases of Millinery, Saddlery, Glass and Earthen-ware, Beer and Wines, and other Stores, will be stowed in another part of the vessel; and to the extent of half a ton, or 25 cubic feet, be charged for at half the established rate of Freight; all in excess of half a ton will be charged at the full rate of Freight.

Deck Passengers are allowed one Roll of Bedding 2 feet wide, and a box of six cubic feet solid contents.

A Table is provided by the Commander at Four Rupees per Diem for each person, exclusive of Wines and Beer, which if provided by the Commander, are charged at regulated prices, of which a list is exhibited in the Dining Room, and all Refreshments required between the regular meals of Breakfast at ½ past 8, Biscuit, &c. at noon, Dinner at 3 P. M., and Tea and Coffee in the evening. Persons who provide their own Wines, will pay 3 annas for each cork drawn.

Children who do not come to the Table are provided at One Rupee per day, the same charge is made for Christian Servants.

Mussulman Servants may feed with the Crew, paying a rate of Two Annas per day. Hindoos must provide their own food.

The Passage Money, and a deposit of Four Rupees per day for the estimated term of the voyage, must be paid on engaging a passage, and any surplus of Table Money will be returned, or an additional charge be made by the Commander, as the voyage may fall short of or exceed the time for which the deposit was calculated. Half the Passage Money, and half the Table Money become forfeit by persons who relinquish a passage after having engaged it.

The despatch of Boats will be duly advertized, and if any change in the Boats occurs, Accommodation or Freight engaged for the one advertized, will be assigned on the one substituted.

### *Of Freight.*

All Goods intended for shipment on the Government Boats must be sent to the Boat Office, in Church Lane, Calcutta, between the hours of Ten and Four, Sundays, Christmas Days, and Good Fridays excepted.

Goods will not be received for shipment unless they be addressed to a resident at the place at which they are to be delivered from the Boats. The direction must be marked on something not liable to be destroyed by vermin, and from which it may not easily be obliterated. A direction written on a card or marked with ink on a tin box, would be liable to the above objection.

The Boat Office will not be responsible for any damage or loss that may be occasioned by accident to the vessel or other cause whatever, not traceable to negligence or mismanagement of those belonging to the vessel.

All Goods sent to the Boat Office must be accompanied by a note, with suitable direction for the guidance of the Officers of the Department.

Goods not applied for on board the Boat by the Consignee, will be carried on and charged with additional freight, unless addressed to the Steam Agent, in which case they will be delivered to him. It must be understood, however, that although all persons are at liberty to consign their goods to the Steam Agent of the stations at which they are to be landed, *the Government is not responsible for such Steam Agent, or for the safety of the goods after the delivery of the same to the Consignee or to his order, whether such Consignee be the Steam Agent or any other person.* Goods intended for the final station, if not applied for within 24 hours after the Boat's arrival there, will be delivered to the Steam Agent at the risk of the shipper.

Freight on all Packages, excepting Treasure laden in Calcutta, or for which tonnage is reserved in Calcutta, and which do not exceed in weight 35lbs. per cubic foot, will be charged by the cubic foot.

Packages exceeding thirty-five pounds, or 17½ seers per cubic foot, will be charged by the weight.

*From Calcutta,*

Freight on Copper Coins will be charged by the weight at 8 Pie per lb. from Calcutta—and down and intermediately, the same as on weighable Goods.

Treasure is deliverable to the Bill of Lading only, and parties neglecting to apply for Treasure will be subjected to additional Freight for the distance it may become necessary to carry it in consequence of their negligence.

Applications for Freight on the Vessel downward must be made to the Steam Boat Agent at Gowahuttee or Seraj Gunge, or at the nearest Station, by letter, describing the Goods to be despatched, their weight and measurement.

The Steam Agent will in reply, name the Boat in which he assigns tonnage, and if from any cause, as damage to the Boat, deviation from her intended voyage on unexpected demand on account of Government, a circumstance likely seldom to occur, the tonnage should be rendered non-available, the party for whom such tonnage has been registered must bear the inconvenience, and he will have no claim for indemnification by assignment of Freight in another Vessel to the detriment of any other person who may have engaged tonnage subsequently to the disappointed party, whose right to tonnage will be limited to such as may be available in the Vessel previously named, but in that Vessel, the claim to such tonnage as may remain available will be acknowledged according to priority of application. Thus the entire tonnage of a Boat may have been assigned in rotation by the Steam Agent to A. B. and C., after which the Government unexpectedly make a demand for more or less, the remaining portion will go to satisfy the claim of A. then of B. &c. The latter applications being thrown out partially or wholly, as the case may be.

The Agent will be instructed to acknowledge the applications made to him for tonnage in the following terms:—"Sir, in reply to your letter of the I beg to say tonnage for chests of Indigo and maunds of Sugar is assigned to you on the Registered No. of application."

The Agent is instructed to keep a correct Register of daily assignments, and to transmit a copy daily to the Controller of Steam Vessels.

The Boats will make the following stoppages, at different stations, during daylight:

| | | |
|---|---|---|
| At Burrisaul, . . . | 3 | hours. |
| „ Dacca, . . . . | 4 | ditto. |
| „ Seraj Gunge, . . . | 4 | ditto. |
| „ Dewan Gunge, . . | 3 | ditto. |
| „ Bugwah, . . . | 3 | ditto. |
| „ Gowalpara, . . . | 3 | ditto. |
| „ Gowahuttee, . . . | 48 | ditto, clear. |

Should Freight not be ready for shipment on the arrival of the Boat at the several stations, the Commander of the Steamer will have peremptory orders to proceed to the next Station.

Treasure laden on a Boat whose progress is arrested, will be retained on board until the Boat is enabled to proceed to her destination, unless the Consignees holding the Bill of Lading of such Treasure may require its delivery, giving a full acquittance for the Treasure, and receiving such difference of Freight as may have been paid in excess of what would have been charged for conveyance of such Treasure to the place of its delivery.

The Steam Agents at the different Stations make no charge for landing Goods from the Boats into their Godowns; nor for shipping Goods delivered into their Godowns, provided such Goods are not merchandise, intended for traffick, nor animals nor machines for conveyance; for all such they will charge the following rates:

For embarking or landing a Horse, Cow or Bull, Rs. 2.

A Calf, Dog, Sheep, or Goat with or without Kid, Annas 2.

A Barouche, Phaeton, Palankeen Carriage, Britzka, Rs. 3.

A Buggy or Palankeen, Rupee 1.

A Box, Bale, Chest or Cask, large or small, Annas 2.

A bag of Sugar or Saltpetre ditto ditto Anna 1.

When Goods are consigned to Calcutta, it is optional with Shippers to pay the Freight or to leave the same to be collected on delivery of the Goods. Freight must be paid to the Agent or Commander of the Boat for all Goods shipped away from Calcutta, and not deliverable at Calcutta. And no Packages will be received into the Boat Office for transmission on which Freight is not paid at the time.

By Order of the Superintendent of Marine,

JAS. SUTHERLAND,
*Secretary.*

*Steam Department, the 27th July*, 1847.

N. B.—No Package, however small, is conveyed for a less charge than 1 Rupee 8 Annas, either upward or downward.

No. 4903.

AT a Court assembled on Monday, the Ninth day of August, One Thousand Eight Hundred and Forty-seven, under Act No. 24 of 1845, Mr. First Mate Pilot William Henry Harrison was tried on the following

*Charge.*—Ignorance or negligence in the performance of his duty, whilst in Pilotage charge of the Ship Stalkart, Captain J. Gardner, whereby the said Ship took the ground near the Saugor Point Tripod on the night of the 17th July 1847, and became a complete wreck.

By order of the Superintendent of Marine,

(Signed) JAS. SUTHERLAND, *Secretary.*

*Fort William, the 3d August*, 1847.

*Finding.*—The Court having maturely weighed and considered the evidence brought forward in support of the prosecution, together with that adduced on the defence, is of opinion that the defendant Mr. First Mate Pilot William Henry Harrison, is Not Guilty, of the charge preferred against him.

And do therefore acquit him, the said Mr. First Mate Pilot William Henry Harrison, of the said charge.

(Signed) HY. PIDDINGTON, *President.*
„ HY. HOWE, *Judge Advocate.*

*Bankshall, the 20th August*, 1847.

*Remarks.*—The Court desires to remark in explanation of its Finding, that the Ship Stalkart appears to have been most wretchedly found, and with her Crew in a most inefficient state; and that

as far as relates to the carrying into effect the orders of the Pilot, unaccountable delay and slackness appears to have prevailed throughout; and further, that in one instance, that of not informing the Pilot of the state of the Well, most culpable concealment has appeared of a matter of the first importance to the safety of the Vessel and Cargo, which was never communicated to him, neither does it appear in the Log, being most unwillingly avowed by the Chief Officer; the evidence of the Captain being such as to lead the Court at first to suppose that matters were very different.

(Signed) H. PIDDINGTON, *President.*

The Proceedings having been submitted to Government, and His Honor the Deputy Governor of Bengal having been pleased to confirm the finding of the Court, the Master Attendant has been directed to release Mr. First Mate Pilot William Henry Harrison from arrest, and to allow him to return to his duty.

By order of the Superintendent of Marine,

JAS. SUTHERLAND, *Secretary.*

*Fort William, the 7th September*, 1847.

NOTICE.—With reference to the London Post Master General's Notification regarding the rates of postage to be charged upon Letters received from Bombay by the Government Express, which was published with a notice from this Office of yesterday's date, the following Letter since received

from the Post Master General of Bombay on the subject, is also published for general information.

*General Department.*

To W. TAYLER, Esquire,
*Post Master General, Calcutta.*

SIR,—Adverting to my Letter, dated the 2d instant, I have the honor to suggest for your consideration, whether it would not be advisable to publish a Notice in the Calcutta Papers, intimating to the public generally, especially the Mercantile Community, that, if they desire their Overland Letters, to be forwarded on by the Government Overland Express, they should request their Correspondents to mark "per Express," and to keep within the *limited weight of two tolas;* and that, meanwhile, until the system becomes generally known, they ought to advise me, whether they wish any of their Letters, not so marked, to be sent on from Bombay by the Express.

2d.—By the last Express I dispatched as usual a number of Overland Letters, not especially marked, because, had I not done so, great disappointment would have been experienced by parties in Calcutta; but I intend to discontinue the practice, after a sufficient time has elapsed to admit of the public becoming aware of the privilege conceded by the Notification of May issued by the London General Post Office, and to dispatch by the Overland Express those Letters only which are so marked.

3d.—The public ought moreover to be most especially warned not to mark "per Express" on letters *exceeding two tolas in weight*, because such letters cannot be so dispatched. They will invariably be detained (as was the case on the arrival of the last Mail,) for transmission by the post regular dawk, dispatched after the Express.

4th.—I shall feel much obliged by your favoring me with a list of "Newspaper Offices" in Calcutta, and by your informing the parties connected therewith that not more than two papers (whether sent out from England marked "per Express," or posted in Bombay to go by Express) will, in future, be forwarded by the Government Express. Some of the Newspaper Offices have as many as six Overland Papers marked "per Express," but, as they cannot be so forwarded, it is useless to have them so marked.

5th.—The new rule limits the weight of a Newspaper to 3 *tolas*, but, if that were acted up to, the Newspaper Offices would be deprived altogether of the privilege conceded by the Notification of May last, as an Overland Paper invariably weighs more than 3 and generally very nearly 6 tolas. I have therefore determined to send two Overland Papers to each Office, *without reference to that limit*, and shall continue the practice until I receive orders to the contrary from Government or the Home Authorities.

I have, &c.,

THE following Memorandum drawn out by the Political Agent of Bhopaul, is published for general information:

*Memorandum regarding Daks for Travellers within the Bhopaul Political Agency.*

*July 21st* 1847.

1. A Dak consisting of 8 Palkee Bearers of 1 or 2 Banghy Burdars if required, and of 1 or 2 Mussalchies, will be furnished at the rate of eight annas (Company's Currency,) per mile, English.

2. On the two main roads between Saugor to Mhow, and between Saugor and Hoshungabad, the Bhopaul authorities furnish Daks from Bhilsa and Tuppa in the one case, and from Bhilsa and Hoshungabad on the other. The distances are respectively, 97 miles and 76 miles, according to the Post Office routes, viz. as follows: Bhilsa to Bhopaul 30, Bhopaul to Tuppa 67, and Bhopaul to Hoshungabad 46 miles. The distance between Bhopaul and Sehore is reckoned at 21 miles.

3. Should a traveller be detained for less than 24 hours, no demurrage will be charged; if he is delayed more than a day then for the second day in whole or part, and so for the 3d day, &c., he will be charged 3 annas (Company's Currency,) for each man at each stage—that is 3 annas a day per man, beyond the first day.

4. As delays occasionally occur in going from Saugor to Mhow at Tuppa, where the Mhow Bearers should take up the Dak, the Bhopaul Bearers will, if necessary, carry the traveller on to the next stage, Peepleea, each man employed receiving 4 annas (Company's Currency,) for the extra stage.

5. It is advisable always to give, if possible, seven days notice about laying a Dak, as the majority of the bearers have to be sent to their respective stages from the town of Bhopaul.

6. No Daks can be laid as a rule on other roads, but every endeavour will be made to accommodate travellers on timely notice being given.

## STEAM TO DACCA AND GOWAHUTTEE IN ASSAM.

GOVERNMENT having decided on opening a Steam Communication with Gowahuttee in Assam *via* Dacca and Serajgunge, notice is hereby given, that the first boats for this line, a Steamer and a Flat, will be despatched on the 13th Proximo; and the communication be continued Monthly for THREE YEARS.

The following Regulations and Rates of Charge for accommodation of Passengers, and conveyance of Goods on the Government Boats employed in the above Navigation, are published for general information:

*Of Passage.*

All applications for Passage on the Government Boats proceeding to Dacca and Assam, must be made at the Boat Office in Calcutta, and all applications for Cabins on the Boats returning from Assam, must be made to the Steam Boat Agent at the nearest place to that of embarkation.

The distance between Calcutta and Gowahuttee is assumed to be 600 miles, and the distance from Calcutta to the different Stations as follows:

| | | |
|---|---|---|
| Burrisaul, | 200 | Miles. |
| Dacca, | 300 | „ |
| Seraj Gunge, | 400 | „ |
| Dewan Gunge, | 450 | „ |
| Bugwah, | 500 | „ |
| Gowalpara, | 550 | „ |
| Gowahuttee, | 600 | „ |

An Accommodation or a Cargo Boat will be employed in this line, as far as Dacca, the Steamer only going on to Gowahuttee until the demand for freight to and from places above Dacca is more than a Steamer can supply. In the first there are 3 classes of Cabins, but there will be no distinction in the charge, and the preference in the selection will be given to those who engage for the longest distances or otherwise, according to priority of application.

To Burrisaul or Dacca the charge will be Seventy-five Rupees, to Gowahuttee One Hundred and Fifty Rupees, or at the rate of Twenty-five Rupees for every 100 miles, of the estimated distance according to which the passage for intermediate distances will be rated.

One Servant is allowed to each Cabin occupied by one person, but if a Cabin be occupied by more than one person, an additional charge will be made of Nine Rupees, which will entitle the Cabin to a second Servant. All other extra Servants will be considered as Deck Passengers, the charge for which will be half an Anna per mile, or Eighteen Rupees Twelve Annas from Calcutta to Gowahuttee; Deck Passengers will pay Eighteen Rupees to Gowahuttee, or half an Anna a mile for any shorter distance.

The charge for passage on return voyages will be the same as above.

Passengers are allowed to carry such Baggage and Cabin Furniture within their Cabins as is necessary for the voyage; and this may include a Piano if required for use during the voyage and not in a packing case: but Pianos in packing cases and all other packages, as cases of Millinery, Saddlery, Glass and Earthen-ware, Beer and Wines, and other Stores, will be stowed in another part of the vessel; and to the extent of half a ton, or 25 cubic feet, be charged for at half the established rate of Freight; all in excess of half a ton will be charged at the full rate of Freight.

Deck Passengers are allowed one Roll of Bedding 2 feet wide, and a box of six cubic feet solid contents.

A Table is provided by the Commander at Four Rupees per Diem for each person, exclusive of Wines and Beer, which if provided by the Commander, are charged at regulated prices, of which a list is exhibited in the Dining Room, and all Refreshments required between the regular meals of Breakfast at ½ past 8, Biscuit, &c. at noon, Dinner at 3 P. M., and Tea and Coffee in the evening. Persons who provide their own Wines, will pay 3 annas for each cork drawn.

Children who do not come to the Table are provided at One Rupee per day, the same charge is made for Christian Servants.

Mussulman Servants may feed with the Crew, paying a rate of Two Annas per day. Hindoos must provide their own food.

The Passage Money, and a deposit of Four Rupees per day for the estimated term of the voyage, must be paid on engaging a passage, and any surplus of Table Money will be returned, or an additional charge be made by the Commander, as the voyage may fall short of or exceed the time for which the deposit was calculated. Half the Passage Money, and half the Table Money become forfeit by persons who relinquish a passage after having engaged it.

The despatch of Boats will be duly advertized, and if any change in the Boats occurs, Accommodation or Freight engaged for the one advertized, will be assigned on the one substituted.

### *Of Freight.*

All Goods intended for shipment on the Government Boats must be sent to the Boat Office, in Church Lane, Calcutta, between the hours of Ten and Four, Sundays, Christmas Days, and Good Fridays excepted.

Goods will not be received for shipment unless they be addressed to a resident at the place at which they are to be delivered from the Boats. The direction must be marked on something not liable to be destroyed by vermin, and from which it may not easily be obliterated. A direction written on a card or marked with ink on a tin box, would be liable to the above objection.

The Boat Office will not be responsible for any damage or loss that may be occasioned by accident to the vessel or other cause whatever, not traceable to negligence or mismanagement of those belonging to the vessel.

All Goods sent to the Boat Office must be accompanied by a note, with suitable direction for the guidance of the Officers of the Department.

Goods not applied for on board the Boat by the Consignee, will be carried on and charged with additional freight, unless addressed to the Steam Agent, in which case they will be delivered to him. It must be understood, however, that although all persons are at liberty to consign their goods to the Steam Agent of the stations at which they are to be landed, *the Government is not responsible for such Steam Agent, or for the safety of the goods after the delivery of the same to the Consignee or to his order, whether such Consignee be the Steam Agent or any other person.* Goods intended for the final station, if not applied for within 24 hours after the Boat's arrival there, will be delivered to the Steam Agent at the risk of the shipper.

Freight on all Packages, excepting Treasure laden in Calcutta, or for which tonnage is reserved in Calcutta, and which do not exceed in weight 35lbs. per cubic foot, will be charged by the cubic foot.

Packages exceeding thirty-five pounds, or 17½ seers per cubic foot, will be charged by the weight.

*From Calcutta,*

| | *Per Foot.* | *Per Seer.* |
|---|---|---|
| To Burrisaul,..... | 8 Ans. | 6 Pie. |

| „ Dewangunge, ..... | | |
| „ Bugwah, ..... | | |
| „ Gowalpara, ..... | 1 R. | 12 Pie. |
| „ Gowahuttee,..... | | |

For intermediate distances upwards for Goods not shipped in Calcutta, 3 annas per foot, and 2 pie per seer or 1 pie per pound, will be charged for every 100 miles.

The charge for Freight downwards will be 6 annas per maund for all distances above Dacca; articles weighing less than 35 lbs. or 17½ seers per cubic foot, to be charged by measurement at 4 annas per foot. From Dacca and places near Calcutta, 5 annas per maund, 2½ annas per foot.

### *Dispatch of Boats, and probable dates of Arrival at different Places.*

It is intended that the Boats shall leave Calcutta the 13th of every month, except when the 13th falls on a Sunday, when they will be dispatched on the 12th. The following is the estimated time the Boats will take, and the date on which they will probably arrive at the different Stations up and down, leaving Calcutta on the 13th to get back there, by the 9th the boats will reach—

| | *Up.* | *Down.* |
|---|---|---|

To any distance from Calcutta, but if carried intermediately at two pie per lb. from Station to Station, both upward and downward, calculating on the average weight.

| | *Calculated at* |
|---|---|
| Weight of a Carriage, Barouche, or Landaulet, ..... | 2500 lbs. |
| Britzka, Palankeen Carriage, or Phæton, ..... | 2000 „ |
| Buggy, ..... ..... | 1000 „ |
| Palankeen, ..... | 480 „ |

### *Freight on Cattle.*

| | | |
|---|---|---|
| Horses,.....: | 48† | If carried intermediately at 12 Rs. each from Station to Station. |
| Bulls, Cows, &c., | 48† | |
| Sheep or Dogs, Goats, ..... | 8† | If ditto at Rs. 2 ditto. |

* Goods will be charged by European or native weights, as they are entered in the Controller's or in the Steam Agent's Office; the charge per lb. will be half that per seer.

† Exclusive of the Groom or Keeper, who is to be considered a Deck Passenger, and charged as such according to the usual rate. The Shippers are to supply the food, and be at the expence of making the Stalls.

If brought down to the Presidency are charged 2-3rd of the upward freight.

*Freight on Treasure.*

To Burrisaul or Dacca,..... ¼ per cent.
To any distance beyond, ..... ⅓d ditto.

Intermediate ditto Two Pie per mile per thousand.

Freight on Copper Coins will be charged by the weight at 8 Pie per lb. from Calcutta—and down and intermediately, the same as on weighable Goods.

Treasure is deliverable to the Bill of Lading only, and parties neglecting to apply for Treasure will be subjected to additional Freight for the distance it may become necessary to carry it in consequence of their negligence.

Applications for Freight on the Vessel downward must be made to the Steam Boat Agent at Gowahuttee or Seraj Gunge, or at the nearest Station, by letter, describing the Goods to be despatched, their weight and measurement.

The Steam Agent will in reply, name the Boat in which he assigns tonnage, and if from any cause, as damage to the Boat, deviation from her intended voyage on unexpected demand on account of Government, a circumstance likely seldom to occur, the tonnage should be rendered non-available, the party for whom such tonnage has been registered must bear the inconvenience, and he will have no claim for indemnification by assignment of Freight in another Vessel to the detriment of any other person who may have engaged tonnage subsequently to the disappointed party, whose right to tonnage will be limited to such as may be available in the Vessel previously named, but in that Vessel, the claim to such tonnage as may remain available will be acknowledged according to priority of application. Thus the entire tonnage of a Boat may have been assigned in rotation by the Steam Agent to A. B. and C., after which the Government unexpectedly make a demand for more or less, the remaining portion will go to satisfy the claim of A. then of B. &c. The latter applications being thrown out partially or wholly, as the case may be.

The Agent will be instructed to acknowledge the applications made to him for tonnage in the following terms:—"Sir, in reply to your letter of the I beg to say tonnage for chests of Indigo and maunds of Sugar is assigned to you on the Registered No. of application."

The Agent is instructed to keep a correct Register of daily assignments, and to transmit a copy daily to the Controller of Steam Vessels.

The Boats will make the following stoppages, at different stations, during daylight:

| | | |
|---|---|---|
| At Burrisaul, . . . | 3 | hours. |
| „ Dacca, . . . . | 4 | ditto. |
| „ Seraj Gunge, . . . | 4 | ditto. |
| „ Dewan Gunge, . . | 3 | ditto. |
| „ Bugwah, . . . | 3 | ditto. |
| „ Gowalpara, . . . | 3 | ditto. |
| „ Gowahuttee, . . . | 48 | ditto, clear. |

Should Freight not be ready for shipment on the arrival of the Boat at the several stations, the Commander of the Steamer will have peremptory orders to proceed to the next Station.

Treasure laden on a Boat whose progress is arrested, will be retained on board until the Boat is enabled to proceed to her destination, unless the Consignees holding the Bill of Lading of such Treasure may require its delivery, giving a full acquittance for the Treasure, and receiving such difference of Freight as may have been paid in excess of what would have been charged for conveyance of such Treasure to the place of its delivery.

The Steam Agents at the different Stations make no charge for landing Goods from the Boats into their Godowns; nor for shipping Goods delivered into their Godowns, provided such Goods are not merchandise, intended for traffick, nor animals nor machines for conveyance; for all such they will charge the following rates:

For embarking or landing a Horse, Cow or Bull, Rs. 2.

A Calf, Dog, Sheep, or Goat with or without Kid, Annas 2.

A Barouche, Phaeton, Palankeen Carriage, Britzka, Rs. 3.

A Buggy or Palankeen, Rupee 1.

A Box, Bale, Chest or Cask, large or small, Annas 2.

A bag of Sugar or Saltpetre ditto ditto Anna 1.

When Goods are consigned to Calcutta, it is optional with Shippers to pay the Freight or to leave the same to be collected on delivery of the Goods. Freight must be paid to the Agent or Commander of the Boat for all Goods shipped away from Calcutta, and not deliverable at Calcutta. And no Packages will be received into the Boat Office for transmission on which Freight is not paid at the time.

By Order of the Superintendent of Marine,

JAS. SUTHERLAND,
*Secretary.*

*Steam Department, the 27th July,* 1847.

N. B.—No Package, however small, is conveyed for a less charge than 1 Rupee 8 Annas, either upward or downward.

WEDNESDAY, SEPTEMBER 15, 1847.

*Fort William, Home Department, Legislative, the 11th September*, 1847.

The following Act is passed by the Hon'ble the President of the Council of India in Council on the 11th day of September 1847, with the assent of the Right Hon'ble the Governor General of India, which has been read and recorded.

Ordered, that the Act be promulgated for general information.

ACT No. XV. OF 1847.

*An Act for the Survey of Lands in the Town of Calcutta, within the Local limits of the Jurisdiction of Her Majesty's Supreme Court of Judicature.*

Whereas it is expedient that a correct Survey should be made of all lands in the Town of Calcutta within the local limits of Her Majesty's Supreme Court of Judicature:

It is therefore hereby enacted, that it shall be lawful for the Governor of Bengal to appoint an Officer to Survey the lands situate within the said local limits, and such Officer shall proceed to Survey the same and to register the names of the owners and occupiers thereof as far as they can be ascertained, and such Officer shall, by public notification, invite all persons owning or occupying lands and tenements within the said local limits to appear before him in person or by duly constituted attorney at whatever place within the said limits his office may be held, and to bring with him all Pottahs, Ground Rent Bills, Bills of Sale, or other writings requisite for the ascertainment of the past and present boundaries of such lands.

II. And it is hereby enacted, that the said Officer shall for the purposes of this Act have full power and authority at all seasonable hours in the day time to enter or to direct his Subordinate Officers to enter into and upon any land or tenement within the said local limits, and in and upon the land on which any house, building or other erection is built or building or intended to be built, and into and upon any buildings or any part thereof without being liable to any action at law or suit in Equity, or any other legal proceedings or molestation whatsoever for or on account of such entry into, or of any thing done or to be done in any part thereof in pursuance of this Act. Provided, that such Officer or Subordinate Officers shall not enter upon any lands or tenements which may be occupied at the time unless with the consent of the occupier thereof, without previously giving the said occupier reasonable notice of his or their intention to do so. Provided also, that if any action shall be commenced in the Supreme Court against any such Officer or Subordinate Officer for any entry made or other thing done under the authority of, or in pursuance of this Act, it shall be lawful for him or them to plead the general issue and to give the special matter in evidence.

III. And it is hereby enacted, that if any person at any time shall obstruct or [illegible] the said Officer or any of his subordinate Officers in the performance and execution of his or their duty, or any thing which they are required to do by or by virtue or in consequence of this Act, every such person so offending shall be guilty of a misdemeanour and shall on conviction before a Magistrate for the Town of Calcutta forfeit and pay for every such offence any sum not exceeding 200 Rupees.

IV. And whereas such notification as is directed by Section 1 of this Act, may not in all cases be effectual, it is therefore hereby enacted, that it shall be lawful for the Surveying Officer to cause any person owning or occupying lands or tenements within the said local limits, or his Agents or representatives, to be served with a special notice under his official seal and signature, stating the purpose for which the attendance of such person is required, and any document essential for the purposes of this Act which such person is to bring with him and the period within which such person is to attend, and if such person cannot be found the notice shall be affixed to his usual place of residence if that be within the said local limits, or if not, then on the Premises to be surveyed. Provided always, that no person shall be required to produce any Title Deed which such person may object to produce.

V. And it is hereby enacted, that for any investigation connected with the purposes of this Act it shall be lawful for the Surveying Officer by writing under his hand to summon any person whatsoever to attend as a witness at a time and place to be specified in such Summons, and that every witness so duly summoned to attend as

aforesaid, who shall not attend, or who attending shall refuse to give evidence on oath or solemn affirmation or declaration, or to answer all such questions as the Surveying Officer may legally demand shall be liable to be attached in the Supreme Court upon complaint made in like manner as if such witness had neglected to attend on any trial in such Supreme Court.

VI. And it is hereby enacted, that any witness examined before such Surveying Officer shall be examined upon oath, which such Surveying Officer is hereby authorized to administer. Provided always, that in all cases wherein a solemn declaration or affirmation would be allowed in Her Majesty's Courts of Judicature to be substituted for an oath, the said Surveying Officer shall substitute such solemn declaration or affirmation for an oath.

VII. And it is hereby enacted, that any witness wilfully and knowingly giving false testimony on oath or solemn declaration or affirmation before such Surveying Officer shall be deemed guilty of wilful and corrupt perjury.

The Post Master General having been informed by the Court of Directors of the East India Company, that on and after the 1st June next, persons in this Country may forward private correspondence by the Government Express from Bombay to Calcutta and Madras, all persons desirous of availing themselves of this privilege, will be required to mark upon the covers of their letters the words "By Express from Bombay," and in addition to this special address, it will be necessary, that all letters intended to be forwarded by the way of Southampton, should be so endorsed as hitherto; the postage to be charged in India in the delivery of letters sent by this Express will be in addition to the ordinary Inland rates.

One Rupee for every letter not exceeding half a tola in weight.

Two Rupees for every letter above half a tola, but not exceeding one tola in weight.

Four Rupees for every letter above one tola, but not exceeding two tolas in weight, two tolas being the maximum weight of letters to be conveyed by Express.

On Newspapers, each Newspaper Office in Calcutta and Madras, will be allowed to receive two Newspapers at the ordinary rates of Inland postage, on all other Newspapers forwarded by Express a postage of five Rupees each will be charged, and no Newspaper will be received for the Express exceeding three tolas in weight.

N. B. One tola and a quarter is nearly equivalent to half an ounce avoirdupoise.

NOTICE.—With reference to the London Post Master General's Notification regarding the rates of postage to be charged upon Letters received from Bombay by the Government Express, which was published with a notice from this Office of yesterday's date, the following Letter since received from the Post Master General of Bombay on the subject, is also published for general information.

W. TAYLER,

*No.* 966 *of* 1847.

*General Department.*

To W. TAYLER, Esquire,

*Post Master General, Calcutta.*

SIR,—Adverting to my Letter, dated the 2d instant, I have the honor to suggest for your consideration, whether it would not be advisable to publish a Notice in the Calcutta Papers, intimating to the public generally, especially the Mercantile Community, that, if they desire their Overland Letters, to be forwarded on by the Government Overland Express, they should request their Correspondents to mark "per Express," and to keep within the *limited weight of two tolas;* and that, meanwhile, until the system becomes generally known, they ought to advise me, whether they wish any of their Letters, not so marked, to be sent on from Bombay by the Express.

2d.—By the last Express I dispatched as usual a number of Overland Letters, not especially marked, because, had I not done so, great disappointment would have been experienced by parties in Calcutta; but I intend to discontinue the practice, after a sufficient time has elapsed to admit of the public becoming aware of the privilege conceded by the Notification of May issued by the London General Post Office, and to dispatch by the Overland Express those Letters only which are so marked.

3d.—The public ought moreover to be most especially warned not to mark "per Express" on letters *exceeding two tolas in weight*, because such letters cannot be so dispatched. They will invariably be detained (as was the case on the arrival of the last Mail,) for transmission by the post regular dawk, dispatched after the Express.

4th.—I shall feel much obliged by your favoring me with a list of "Newspaper Offices" in Calcutta, and by your informing the parties connected therewith that not more than two papers (whether sent out from England marked "per Express," or posted in Bombay to go by Express) will, in future, be forwarded by the Government Express. Some of the Newspaper Offices have as many as six Overland Papers marked "per Express," but, as they

cannot be so forwarded, it is useless to have them so marked.

5th.—The new rule limits the weight of a Newspaper to 3 *tolas*, but, if that were acted up to, the Newspaper Offices would be deprived altogether of the privilege conceded by the Notification of May last, as an Overland Paper invariably weighs more than 3 and generally very nearly 6 tolas. I have therefore determined to send two Overland Papers to each Office, *without reference to that limit*, and shall continue the practice until I receive orders to the contrary from Government or the Home Authorities.

I have, &c.,

THE following Memorandum drawn out by the Political Agent of Bhopaul, is published for general information:

*Memorandum regarding Daks for Travellers within the Bhopaul Political Agency.*

*July* 21*st* 1847.

1. A Dak consisting of 8 Palkee Bearers of 1 or 2 Banghy Burdars if required, and of 1 or 2 Mussalchies, will be furnished at the rate of eight annas (Company's Currency,) per mile, English.

2. On the two main roads between Saugor to Mhow, and between Saugor and Hoshungabad, the Bhopaul authorities furnish Daks from Bhilsa and Tuppa in the one case, and from Bhilsa and Hoshungabad on the other. The distances are respectively, 97 miles and 76 miles, according to the Post Office routes, viz. as follows: Bhilsa to Bhopaul 30, Bhopaul to Tuppa 67, and Bhopaul to Hoshungabad 46 miles. The distance between Bhopaul and Sehore is reckoned at 21 miles.

3. Should a traveller be detained for less than 24 hours, no demurrage will be charged; if he is delayed more than a day then for the second day in whole or part, and so for the 3d day, &c., he will be charged 3 annas (Company's Currency,) for each man at each stage—that is 3 annas a day per man, beyond the first day.

4. As delays occasionally occur in going from Saugor to Mhow at Tuppa, where the Mhow Bearers should take up the Dak, the Bhopaul Bearers will, if necessary, carry the traveller on to the next stage, Peepleea, each man employed receiving 4 annas (Company's Currency,) for the extra stage.

5. It is advisable always to give, if possible, seven days notice about laying a Dak, as the majority of the bearers have to be sent to their respective stages from the town of Bhopaul.

6. No Daks can be laid as a rule on other roads, but every endeavour will be made to accommodate travellers on timely notice being given.

## STEAM TO DACCA AND GOWAHUTTEE IN ASSAM.

GOVERNMENT having decided on opening a Steam Communication with Gowahuttee in Assam *via* Dacca and Serajgunge, notice is hereby given, that the first boats for this line, a Steamer and a Flat, will be despatched on the 13th Proximo; and the communication be continued Monthly for THREE YEARS.

The following Regulations and Rates of Charge for accommodation of Passengers, and conveyance of Goods on the Government Boats employed in the above Navigation, are published for general information:

*Of Passage.*

All applications for Passage on the Government Boats proceeding to Dacca and Assam, must be made at the Boat Office in Calcutta, and all applications for Cabins on the Boats returning from Assam, must be made to the Steam Boat Agent at the nearest place to that of embarkation.

The distance between Calcutta and Gowahuttee is assumed to be 600 miles, and the distance from Calcutta to the different Stations as follows:

| | | |
|---|---|---|
| Burrisaul, | 200 | Miles. |
| Dacca, | 300 | ,, |
| Seraj Gunge, | 400 | ,, |
| Dewan Gunge, | 450 | ,, |
| Bugwah, | 500 | ,, |
| Gowalpara, | 550 | ,, |
| Gowahuttee, | 600 | ,, |

An Accommodation or a Cargo Boat will be employed in this line, as far as Dacca, the Steamer only going on to Gowahuttee until the demand for freight to and from places above Dacca is more than a Steamer can supply. In the first there are 3 classes of Cabins, but there will be no distinction in the charge, and the preference in the selection will be given to those who engage for the longest distances or otherwise, according to priority of application.

To Burrisaul or Dacca the charge will be Seventy-five Rupees, to Gowahuttee One Hundred and Fifty Rupees, or at the rate of Twenty-five Rupees for every 100 miles, of the estimated distance according to which the passage for intermediate distances will be rated.

One Servant is allowed to each Cabin occupied by one person, but if a Cabin be occupied by more than one person, an additional charge will be made of Nine Rupees, which will entitle the Cabin to a second Servant. All other extra Servants will be considered as Deck Passengers, the charge for which will be half an Anna per mile, or Eighteen Rupees Twelve Annas from Calcutta to Gowahuttee; Deck Passengers will pay Eighteen Rupees to Gowahuttee, or half an Anna a mile for any shorter distance.

The charge for passage on return voyages will be the same as above.

Passengers are allowed to carry such Baggage and Cabin Furniture within their Cabins as is necessary for the voyage; and this may include a Piano if required for use during the voyage and not in a packing case: but Pianos in packing cases and all other packages, as cases of Millinery, Saddlery, Glass and Earthen-ware, Beer and Wines, and other Stores, will be stowed in another part of the vessel; and to the extent of half a ton, or 25 cubic feet, be charged for at half the established rate of Freight; all in excess of half a ton will be charged at the full rate of Freight.

Deck Passengers are allowed one Roll of Bedding 2 feet wide, and a box of six cubic feet solid contents.

A Table is provided by the Commander at Four Rupees per Diem for each person, exclusive of Wines and Beer, which if provided by the Commander, are charged at regulated prices, of which a list is exhibited in the Dining Room, and all Refreshments required between the regular meals of Breakfast at ¼ past 8, Biscuit, &c. at noon, Dinner at 3 P. M., and Tea and Coffee in the evening. Persons who provide their own Wines, will pay 3 annas for each cork drawn.

Children who do not come to the Table are provided at One Rupee per day, the same charge is made for Christian Servants.

Mussulman Servants may feed with the Crew, paying a rate of Two Annas per day. Hindoos must provide their own food.

The Passage Money, and a deposit of Four Rupees per day for the estimated term of the voyage, must be paid on engaging a passage, and any surplus of Table Money will be returned, or an additional charge be made by the Commander, as the voyage may fall short of or exceed the time for which the deposit was calculated. Half the Passage Money, and half the Table Money become forfeit by persons who relinquish a passage after having engaged it.

The despatch of Boats will be duly advertized, and if any change in the Boats occurs, Accommodation or Freight engaged for the one advertized, will be assigned on the one substituted.

### *Of Freight.*

All Goods intended for shipment on the Government Boats must be sent to the Boat Office, in Church Lane, Calcutta, between the hours of Ten and Four, Sundays, Christmas Days, and Good Fridays excepted.

Goods will not be received for shipment unless they be addressed to a resident at the place at which they are to be delivered from the Boats. The direction must be marked on something not liable to be destroyed by vermin, and from which it may not easily be obliterated. A direction written on a card or marked with ink on a tin box, would be liable to the above objection.

The Boat Office will not be responsible for any damage or loss that may be occasioned by accident to the vessel or other cause whatever, not traceable to negligence or mismanagement of those belonging to the vessel.

All Goods sent to the Boat Office must be accompanied by a note, with suitable direction for the guidance of the Officers of the Department.

Goods not applied for on board the Boat by the Consignee, will be carried on and charged with additional freight, unless addressed to the Steam Agent, in which case they will be delivered to him. It must be understood, however, that although all persons are at liberty to consign their goods to the Steam Agent of the stations at which they are to be landed, *the Government is not responsible for such Steam Agent, or for the safety of the goods after the delivery of the same to the Consignee or to his order, whether such Consignee be the Steam Agent or any other person.* Goods intended for the final station, if not applied for within 24 hours after the Boat's arrival there, will be delivered to the Steam Agent at the risk of the shipper.

Freight on all Packages, excepting Treasure laden in Calcutta, or for which tonnage is reserved in Calcutta, and which do not exceed in weight 35lbs. per cubic foot, will be charged by the cubic foot.

Packages exceeding thirty-five pounds, or 17½ seers per cubic foot, will be charged by the weight.

*From Calcutta,*

| | *Per Foot.* | *Per Seer.* |

The charge for Freight downwards will be 6 annas per maund for all distances above Dacca; articles weighing less than 35 lbs. or 17½ seers per cubic foot, to be charged by measurement at 4 annas per foot. From Dacca and places near Calcutta, 5 annas per maund, 2½ annas per foot.

### *Dispatch of Boats, and probable dates of Arrival at different Places.*

It is intended that the Boats shall leave Calcutta the 13th of every month, except when the 13th falls on a Sunday, when they will be dispatched on the 12th. The following is the estimated time the Boats will take, and the date on which they will probably arrive at the different Stations up and down, leaving Calcutta on the 13th to get back there, by the 9th the boats will reach—

| | *Calculated at* |

### *Freight on Cattle.*

| | | |
|---|---|---|
| Horses,..... | 48† | If carried intermediately at 12 Rs. each from Station to Station. |
| Bulls, Cows, &c., | 48† | |
| Sheep or Dogs, Goats, ..... | 8† | If ditto at Rs. 2 ditto. |

* Goods will be charged by European or native weights, as they are entered in the Controller's or in the Steam Agent's Office; the charge per lb. will be half that per seer.

† Exclusive of the Groom or Keeper, who is to be considered a Deck Passenger, and charged as such according to the usual rate. The Shippers are to supply the food, and be at the expence of making the Stalls.

If brought down to the Presidency are charged 2-3rd of the upward freight.

*Freight on Treasure.*

To Burrisaul or Dacca,..... ¼ per cent.
To any distance beyond, ..... ⅓d ditto.

Intermediate ditto Two Pie per mile per thousand.

Freight on Copper Coins will be charged by the weight at 8 Pie per lb. from Calcutta—and down and intermediately, the same as on weighable Goods.

Treasure is deliverable to the Bill of Lading only, and parties neglecting to apply for Treasure will be subjected to additional Freight for the distance it may become necessary to carry it in consequence of their negligence.

Applications for Freight on the Vessel downward must be made to the Steam Boat Agent at Gowahuttee or Seraj Gunge, or at the nearest Station, by letter, describing the Goods to be despatched, their weight and measurement.

The Steam Agent will in reply, name the Boat in which he assigns tonnage, and if from any cause, as damage to the Boat, deviation from her intended voyage on unexpected demand on account of Government, a circumstance likely seldom to occur, the tonnage should be rendered non-available, the party for whom such tonnage has been registered must bear the inconvenience, and he will have no claim for indemnification by assignment of Freight in another Vessel to the detriment of any other person who may have engaged tonnage subsequently to the disappointed party, whose right to tonnage will be limited to such as may be available in the Vessel previously named, but in that Vessel, the claim to such tonnage as may remain available will be acknowledged according to priority of application. Thus the entire tonnage of a Boat may have been assigned in rotation by the Steam Agent to A. B. and C., after which the Government unexpectedly make a demand for more or less, the remaining portion will go to satisfy the claim of A. then of B. &c. The latter applications being thrown out partially or wholly, as the case may be.

The Agent will be instructed to acknowledge the applications made to him for tonnage in the following terms:—"Sir, in reply to your letter of the I beg to say tonnage for chests of Indigo and maunds of Sugar is assigned to you on the Registered No. of application."

The Agent is instructed to keep a correct Register of daily assignments, and to transmit a copy daily to the Controller of Steam Vessels.

The Boats will make the following stoppages, at different stations, during daylight:

| | | |
|---|---|---|
| At Burrisaul, . . . | 3 | hours. |
| „ Dacca, . . . . | 4 | ditto. |
| „ Seraj Gunge, . . . | 4 | ditto. |
| „ Dewan Gunge, . . | 3 | ditto. |
| „ Bugwah, . . . | 3 | ditto. |
| „ Gowalpara, . . . | 3 | ditto. |
| „ Gowahuttee, . . . | 48 | ditto, clear. |

Should Freight not be ready for shipment on the arrival of the Boat at the several stations, the Commander of the Steamer will have peremptory orders to proceed to the next Station.

Treasure laden on a Boat whose progress is arrested, will be retained on board until the Boat is enabled to proceed to her destination, unless the Consignees holding the Bill of Lading of such Treasure may require its delivery, giving a full acquittance for the Treasure, and receiving such difference of Freight as may have been paid in excess of what would have been charged for conveyance of such Treasure to the place of its delivery.

The Steam Agents at the different Stations make no charge for landing Goods from the Boats into their Godowns; nor for shipping Goods delivered into their Godowns, provided such Goods are not merchandise, intended for traffick, nor animals nor machines for conveyance; for all such they will charge the following rates:

For embarking or landing a Horse, Cow or Bull, Rs. 2.

A Calf, Dog, Sheep, or Goat with or without Kid, Annas 2.

A Barouche, Phaeton, Palankeen Carriage, Britzka, Rs. 3.

A Buggy or Palankeen, Rupee 1.

A Box, Bale, Chest or Cask, large or small, Annas 2.

A bag of Sugar or Saltpetre ditto ditto Anna 1.

When Goods are consigned to Calcutta, it is optional with Shippers to pay the Freight or to leave the same to be collected on delivery of the Goods. Freight must be paid to the Agent or Commander of the Boat for all Goods shipped away from Calcutta, and not deliverable at Calcutta. And no Packages will be received into the Boat Office for transmission on which Freight is not paid at the time.

By Order of the Superintendent of Marine,

JAS. SUTHERLAND,
*Secretary.*

*Steam Department, the 27th July,* 1847.

N. B.—No Package, however small, is conveyed for a less charge than 1 Rupee 8 Annas, either upward or downward.

The following Act is passed by the Hon'ble the President of the Council of India in Council on the 11th day of September 1847, with the assent of the Right Hon'ble the Governor General of India, which has been read and recorded.

Ordered, that the Act be promulgated for general information.

ACT No. XV. OF 1847.

*An Act for the Survey of Lands in the Town of Calcutta, within the Local limits of the Jurisdiction of Her Majesty's Supreme Court of Judicature.*

Whereas it is expedient that a correct Survey should be made of all lands in the Town of Calcutta within the local limits of Her Majesty's Supreme Court of Judicature:

It is therefore hereby enacted, that it shall be lawful for the Governor of Bengal to appoint an Officer to Survey the lands situate within the said local limits, and such Officer shall proceed to Survey the same and to register the names of the owners and occupiers thereof as far as they can be ascertained, and such Officer shall, by public notification, invite all persons owning or occupying lands and tenements within the said local limits to appear before him in person or by duly constituted attorney at whatever place within the said limits his office may be held, and to bring with him all Pottahs, Ground Rent Bills, Bills of Sale, or other writings requisite for the ascertainment of the past and present boundaries of such lands.

II. And it is hereby enacted, that the said Officer shall for the purposes of this Act have full power and authority at all seasonable hours in the day time to enter or to direct his Subordinate Officers to enter into and upon any land or tenement within the said local limits, and in and upon the land on which any house, building or other erection is built or building or intended to be built, and into and upon any buildings or any part thereof without being liable to any action at law or suit in Equity, or any other legal proceedings or molestation whatsoever for or on account of such entry into, or of any thing done or to be done in any part thereof in pursuance of this Act. Provided, that such Officer or Subordinate Officers shall not enter upon any lands or tenements which may be occupied at the time unless with the consent of the occupier thereof, without previously giving the said occupier reasonable notice of his or their intention to do so. Provided also, that if any action shall be commenced in the Supreme Court against any such Officer or Subordinate Officer for any entry made or other thing done under the authority of, or in pursuance of this Act, it shall be lawful for him or them to plead the general issue and to give the special matter in evidence.

III. And it is hereby enacted, that if any person at any time shall obstruct or molest the said Officer or any of his subordinate Officers in the performance and execution of his or their duty, or any thing which they are required to do by or by virtue or in consequence of this Act, every such person so offending shall be guilty of a misdemeanour and shall on conviction before a Magistrate for the Town of Calcutta forfeit and pay for every such offence any sum not exceeding 200 Rupees.

IV. And whereas such notification as is directed by Section 1 of this Act, may not in all cases be effectual, it is therefore hereby enacted, that it shall be lawful for the Surveying Officer to cause any person owning or occupying lands or tenements within the said local limits, or his Agents or representatives, to be served with a special notice under his official seal and signature, stating the purpose for which the attendance of such person is required, and any document essential for the purposes of this Act which such person is to

bring with him and the period within which such person is to attend, and if such person cannot be found the notice shall be affixed to his usual place of residence if that be within the said local limits, or if not, then on the Premises to be surveyed. Provided always, that no person shall be required to produce any Title Deed which such person may object to produce.

V. And it is hereby enacted, that for any investigation connected with the purposes of this Act it shall be lawful for the Surveying Officer by writing under his hand to summon any person whomsoever to attend as a witness at a time and place to be specified in such Summons, and that every witness so duly summoned to attend as aforesaid, who shall not attend, or who attending shall refuse to give evidence on oath or solemn affirmation or declaration, or to answer all such questions as the Surveying Officer may legally demand shall be liable to be attached in the Supreme Court upon complaint made in like manner as if such witness had neglected to attend on any trial in such Supreme Court.

VI. And it is hereby enacted, that any witness examined before such Surveying Officer shall be examined upon oath, which such Surveying Officer is hereby authorized to administer. Provided always, that in all cases wherein a solemn declaration or affirmation would be allowed in Her Majesty's Courts of Judicature to be substituted for an oath, the said Surveying Officer shall substitute such solemn declaration or affirmation for an oath.

VII. And it is hereby enacted, that any witness wilfully and knowingly giving false testimony on oath or solemn declaration or affirmation before such Surveying Officer shall be deemed guilty of wilful and corrupt perjury.

GENERAL POST OFFICE, MAY 1847.

The Post Master General having been informed by the Court of Directors of the East India Company, that on and after the 1st June next, persons in this Country may forward private correspondence by the Government Express from Bombay to Calcutta and Madras, all persons desirous of availing themselves of this privilege, will be required to mark upon the covers of their letters the words "By Express from Bombay," and in addition to this special address, it will be necessary, that all letters intended to be forwarded by the way of Southampton, should be so endorsed as hitherto; the postage to be charged in India in the delivery of letters sent by this Express will be in addition to the ordinary Inland rates.

One Rupee for every letter not exceeding half a tola in weight.

Two Rupees for every letter above half a tola, but not exceeding one tola in weight.

Four Rupees for every letter above one tola, but not exceeding two tolas in weight, two tolas being the maximum weight of letters to be conveyed by Express.

On Newspapers, each Newspaper Office in Calcutta and Madras, will be allowed to receive two Newspapers at the ordinary rates of Inland postage, on all other Newspapers forwarded by Express a postage of five Rupees each will be charg-

ed, and no Newspaper will be received for the Express exceeding three tolas in weight.

NOTICE.—With reference to the London Post Master General's Notification regarding the rates of postage to be charged upon Letters received from Bombay by the Government Express, which was published with a notice from this Office of yesterday's date, the following Letter since received from the Post Master General of Bombay on the subject, is also published for general information.

*General Department.*

To W. Tayler, Esquire,

*Post Master General, Calcutta.*

Sir,—Adverting to my Letter, dated the 2d instant, I have the honor to suggest for your consideration, whether it would not be advisable to publish a Notice in the Calcutta Papers, intimating to the public generally, especially the Mercantile Community, that, if they desire their Overland Letters, to be forwarded on by the Government Overland Express, they should request their Correspondents to mark "per Express," and to keep within the *limited weight of two tolas;* and that, meanwhile, until the system becomes generally known, they ought to advise me, whether they wish any of their Letters, not so marked, to be sent on from Bombay by the Express.

2d.—By the last Express I dispatched as usual a number of Overland Letters, not especially marked, because, had I not done so, great disappointment would have been experienced by parties in Calcutta; but I intend to discontinue the practice, after a sufficient time has elapsed to admit of the public becoming aware of the privilege conceded by the Notification of May issued by the London General Post Office, and to dispatch by the Overland Express those Letters only which are so marked.

3d.—The public ought moreover to be most especially warned not to mark "per Express" on letters *exceeding two tolas in weight*, because such letters cannot be so dispatched. They will invariably be detained (as was the case on the arrival of the last Mail,) for transmission by the post regular dawk, dispatched after the Express.

4th.—I shall feel much obliged by your favoring me with a list of "Newspaper Offices" in Calcutta, and by your informing the parties connected therewith that not more than two papers (whether sent out from England marked "per Express," or posted in Bombay to go by Express) will, in future, be forwarded by the Government Express. Some of the Newspaper Offices have as many as six Overland Papers marked "per Express," but, as they cannot be so forwarded, it is useless to have them so marked.

5th.—The new rule limits the weight of a Newspaper to 3 *tolas*, but, if that were acted up to, the Newspaper Offices would be deprived altogether of the privilege conceded by the Notification of May last, as an Overland Paper invariably weighs more than 3 and generally very nearly 6 tolas. I have therefore determined to send two Overland Papers to each Office, *without reference to that limit*, and shall continue the practice until I receive orders to the contrary from Government or the Home Authorities.

I have, &c.,

THE following Memorandum drawn out by the Political Agent of Bhopaul, is published for general information:

*Memorandum regarding Daks for Travellers within the Bhopaul Political Agency.*

*July* 21*st* 1847.

1. A Dak consisting of 8 Palkee Bearers of 1 or 2 Banghy Burdars if required, and of 1 or 2 Mussalchies, will be furnished at the rate of eight annas (Company's Currency,) per mile, English.

2. On the two main roads between Saugor to Mhow, and between Saugor and Hoshungabad, the Bhopaul authorities furnish Daks from Bhilsa and Tuppa in the one case, and from Bhilsa and Hoshungabad on the other. The distances are respectively, 97 miles and 76 miles, according to the Post Office routes, viz. as follows: Bhilsa to Bhopaul 30, Bhopaul to Tuppa 67, and Bhopaul to Hoshungabad 46 miles. The distance between Bhopaul and Sehore is reckoned at 21 miles.

3. Should a traveller be detained for less than 24 hours, no demurrage will be charged; if he is delayed more than a day then for the second day in whole or part, and so for the 3d day, &c., he will be charged 3 annas (Company's Currency,) for each man at each stage—that is 3 annas a day per man, beyond the first day.

4. As delays occasionally occur in going from Saugor to Mhow at Tuppa, where the Mhow Bearers should take up the Dak, the Bhopaul Bearers will, if necessary, carry the traveller on to the next stage, Peepleea, each man employed receiving 4 annas (Company's Currency,) for the extra stage.

5. It is advisable always to give, if possible, seven days notice about laying a Dak, as the majority of the bearers have to be sent to their respective stages from the town of Bhopaul.

6. No Daks can be laid as a rule on other roads, but every endeavour will be made to accommodate travellers on timely notice being given.

## TEAM TO DACCA AND GOWAHUTTEE IN ASSAM.

GOVERNMENT having decided on opening a Steam Communication with Gowahuttee in Assam *via* Dacca and Serajgunge, notice is hereby given, that the first boats for this line, a Steamer and a Flat, will be despatched on the 13th Proximo; and the communication be continued Monthly for THREE YEARS.

The following Regulations and Rates of Charge for accommodation of Passengers, and conveyance of Goods on the Government Boats employed in the above Navigation, are published for general information:

*Of Passage.*

All applications for Passage on the Government Boats proceeding to Dacca and Assam, must be made at the Boat Office in Calcutta, and all applications for Cabins on the Boats returning from Assam, must be made to the Steam Boat Agent at the nearest place to that of embarkation.

The distance between Calcutta and Gowahuttee is assumed to be 600 miles, and the distance from Calcutta to the different Stations as follows:

| | | |
|---|---|---|
| Burrisaul, | 200 | Miles. |
| Dacca, | 300 | ,, |
| Seraj Gunge, | 400 | ,, |
| Dewan Gunge, | 450 | ,, |
| Bugwah, | 500 | ,, |
| Gowalpara, | 550 | ,, |
| Gowahuttee, | 600 | ,, |

An Accommodation or a Cargo Boat will be employed in this line, as far as Dacca, the Steamer only going on to Gowahuttee until the demand for freight to and from places above Dacca is more than a Steamer can supply. In the first there are 3 classes of Cabins, but there will be no distinction in the charge, and the preference in the selection will be given to those who engage for the longest distances or otherwise, according to priority of application.

To Burrisaul or Dacca the charge will be Seventy-five Rupees, to Gowahuttee One Hundred and Fifty Rupees, or at the rate of Twenty-five Rupees for every 100 miles, of the estimated distance according to which the passage for intermediate distances will be rated.

One Servant is allowed to each Cabin occupied by one person, but if a Cabin be occupied by more than one person, an additional charge will be made of Nine Rupees, which will entitle the Cabin to a second Servant. All other extra Servants will be considered as Deck Passengers, the charge for which will be half an Anna per mile, or Eighteen Rupees Twelve Annas from Calcutta to Gowahuttee; Deck Passengers will pay Eighteen Rupees to Gowahuttee, or half an Anna a mile for any shorter distance.

The charge for passage on return voyages will be the same as above.

Passengers are allowed to carry such Baggage and Cabin Furniture within their Cabins as is necessary for the voyage; and this may include a Piano if required for use during the voyage and not in a packing case: but Pianos in packing cases and all other packages, as cases of Millinery, Saddlery, Glass and Earthen-ware, Beer and Wines, and other Stores, will be stowed in another part of the vessel; and to the extent of half a ton, or 25 cubic feet, be charged for at half the established rate of Freight; all in excess of half a ton will be charged at the full rate of Freight.

Deck Passengers are allowed one Roll of Bedding 2 feet wide, and a box of six cubic feet solid contents.

A Table is provided by the Commander at Four Rupees per Diem for each person, exclusive of Wines and Beer, which if provided by the Commander, are charged at regulated prices, of which a list is exhibited in the Dining Room, and all Refreshments required between the regular meals of Breakfast at ½ past 8, Biscuit, &c. at noon, Dinner at 3 P. M., and Tea and Coffee in the evening. Persons who provide their own Wines, will pay 3 annas for each cork drawn.

Children who do not come to the Table are provided at One Rupee per day, the same charge is made for Christian Servants.

Mussulman Servants may feed with the Crew, paying a rate of Two Annas per day. Hindoos must provide their own food.

The Passage Money, and a deposit of Four Rupees per day for the estimated term of the voyage, must be paid on engaging a passage, and any surplus of Table Money will be returned, or an additional charge be made by the Commander, as the voyage may fall short of or exceed the time for which the deposit was calculated. Half the Passage Money, and half the Table Money become forfeit by persons who relinquish a passage after having engaged it.

The despatch of Boats will be duly advertized, and if any change in the Boats occurs, Accommodation or Freight engaged for the one advertized, will be assigned on the one substituted.

*Of Freight.*

All Goods intended for shipment on the Government Boats must be sent to the Boat Office, in Church Lane, Calcutta, between the hours of Ten and Four, Sundays, Christmas Days, and Good Fridays excepted.

Goods will not be received for shipment unless they be addressed to a resident at the place at which they are to be delivered from the Boats. The direction must be marked on something not liable to be destroyed by vermin, and from which it may not easily be obliterated. A direction written on a card or marked with ink on a tin box, would be liable to the above objection.

The Boat Office will not be responsible for any damage or loss that may be occasioned by accident to the vessel or other cause whatever, not traceable to negligence or mismanagement of those belonging to the vessel.

All Goods sent to the Boat Office must be accompanied by a note, with suitable direction for the guidance of the Officers of the Department.

Goods not applied for on board the Boat by the Consignee, will be carried on and charged with additional freight, unless addressed to the Steam Agent, in which case they will be delivered to him. It must be understood, however, that although all persons are at liberty to consign their goods to the Steam Agent of the stations at which they are to be landed, *the Government is not responsible for such Steam Agent, or for the safety of the goods after the delivery of the same to the Consignee or to his order, whether such Consignee be the Steam Agent or any other person.* Goods intended for the final station, if not applied for within 24 hours after the Boat's arrival there, will be delivered to the Steam Agent at the risk of the shipper.

Freight on all Packages, excepting Treasure laden in Calcutta, or for which tonnage is reserved in Calcutta, and which do not exceed in weight 35lbs. per cubic foot, will be charged by the cubic foot.

Packages exceeding thirty-five pounds, or 17½ seers per cubic foot, will be charged by the weight.

*Dispatch of Boats, and probable dates of Arrival at different Places.*

It is intended that the Boats shall leave Calcutta the 13th of every month, except when the 13th falls on a Sunday, when they will be dispatched on the 12th. * Goods will be charged by European or native weights, as they are entered in the Controller's or in the Steam Agent's Office; the charge per lb. will be half that per seer.

† Exclusive of the Groom or Keeper, who is to be considered a Dock Passenger, and charged as such according to the usual rate. The Shippers are to supply the food, and be at the expence of making the Stalls.

To any distance beyond, ..... ⅓d ditto.

Intermediate ditto Two Pie per mile per thousand.

Freight on Copper Coins will be charged by the weight at 8 Pie per lb. from Calcutta—and down and intermediately, the same as on weighable Goods.

Treasure is deliverable to the Bill of Lading only, and parties neglecting to apply for Treasure will be subjected to additional Freight for the distance it may become necessary to carry it in consequence of their negligence.

Applications for Freight on the Vessel downward must be made to the Steam Boat Agent at Gowahuttee or Seraj Gunge, or at the nearest Station, by letter, describing the Goods to be despatched, their weight and measurement.

The Steam Agent will in reply, name the Boat in which he assigns tonnage, and if from any cause, as damage to the Boat, deviation from her intended voyage on unexpected demand on account of Government, a circumstance likely seldom to occur, the tonnage should be rendered non-available, the party for whom such tonnage has been registered must bear the inconvenience, and he will have no claim for indemnification by assignment of Freight in another Vessel to the detriment of any other person who may have engaged tonnage subsequently to the disappointed party, whose right to tonnage will be limited to such as may be available in the Vessel previously named, but in that Vessel, the claim to such tonnage as may remain available will be acknowledged according to priority of application. Thus the entire tonnage of a Boat may have been assigned in rotation by the Steam Agent to A. B. and C., after which the Government unexpectedly make a demand for more or less, the remaining portion will go to satisfy the claim of A. then of B. &c. The latter applications being thrown out partially or wholly, as the case may be.

The Agent will be instructed to acknowledge the applications made to him for tonnage in the following terms:—"Sir, in reply to your letter of the I beg to say tonnage for chests of Indigo and maunds of Sugar is assigned to you on the Registered No. of application."

The Agent is instructed to keep a correct Register of daily assignments, and to transmit a copy daily to the Controller of Steam Vessels.

The Boats will make the following stoppages, at different stations, during daylight:

| | | |
|---|---|---|
| At Burrisaul, . . . | 3 | hours. |
| „ Dacca, . . . . | 4 | ditto. |
| „ Seraj Gunge, . . . | 4 | ditto. |
| „ Dewan Gunge, . . | 3 | ditto. |
| „ Bugwah, . . . | 3 | ditto. |
| „ Gowalpara, . . . | 3 | ditto. |
| „ Gowahuttee, . . . | 48 | ditto, clear. |

Should Freight not be ready for shipment on the arrival of the Boat at the several stations, the Commander of the Steamer will have peremptory orders to proceed to the next Station.

Treasure laden on a Boat whose progress is arrested, will be retained on board until the Boat is enabled to proceed to her destination, unless the Consignees holding the Bill of Lading of such Treasure may require its delivery, giving a full

acquittance for the Treasure, and receiving such difference of Freight as may have been paid in excess of what would have been charged for conveyance of such Treasure to the place of its delivery.

The Steam Agents at the different Stations make no charge for landing Goods from the Boats into their Godowns; nor for shipping Goods delivered into their Godowns, provided such Goods are not merchandise, intended for traffick, nor animals nor machines for conveyance; for all such they will charge the following rates:

For embarking or landing a Horse, Cow or Bull, Rs. 2.

A Calf, Dog, Sheep, or Goat with or without Kid, Annas 2.

A Barouche, Phaeton, Palankeen Carriage, Britzka, Rs. 3.

A Buggy or Palankeen, Rupee 1.

A bag of Sugar or Saltpetre ditto ditto Anna 1.

When Goods are consigned to Calcutta, it is optional with Shippers to pay the Freight or to leave the same to be collected on delivery of the Goods. Freight must be paid to the Agent or Commander of the Boat for all Goods shipped away from Calcutta, and not deliverable at Calcutta. And no Packages will be received into the Boat Office for transmission on which Freight is not paid at the time.

By Order of the Superintendent of Marine,

*Fort William, Home Department, Legislative, the 11th September*, 1847.

The following Act is passed by the Hon'ble the President of the Council of India in Council on the 11th day of September 1847, with the assent of the Right Hon'ble the Governor General of India, which has been read and recorded.

Ordered, that the Act be promulgated for general information.

ACT No. XV. OF 1847.

*An Act for the Survey of Lands in the Town of Calcutta, within the Local limits of the Jurisdiction of Her Majesty's Supreme Court of Judicature.*

Whereas it is expedient that a correct Survey should be made of all lands in the Town of Calcutta within the local limits of Her Majesty's Supreme Court of Judicature:

It is therefore hereby enacted, that it shall be lawful for the Governor of Bengal to appoint an Officer to Survey the lands situate within the said local limits, and such Officer shall proceed to Survey the same and to register the names of the owners and occupiers thereof as far as they can be ascertained, and such Officer shall, by public notification, invite all persons owning or occupying lands and tenements within the said local limits to appear before him in person or by duly constituted attorney at whatever place within the said limits his office may be held, and to bring with him all Pottahs, Ground Rent Bills, Bills of Sale, or other writings requisite for the ascertainment of the past and present boundaries of such lands.

II. And it is hereby enacted, that the said Officer shall for the purposes of this Act have full power and authority at all seasonable hours in the day time to enter or to direct his Subordinate Officers to enter into and upon any land or tenement within the said local limits, and in and upon the land on which any house, building or other erection is built or building or intended to be built, and into and upon any buildings or any part thereof without being liable to any action at law or suit in Equity, or any other legal proceedings or molestation whatsoever for or on account of such entry into, or of any thing done or to be done in any part thereof in pursuance of this Act. Provided, that such Officer or Subordinate Officers shall not enter upon any lands or tenements which

may be occupied at the time unless with the consent of the occupier thereof, without previously giving the said occupier reasonable notice of his or their intention to do so. Provided also, that if any action shall be commenced in the Supreme Court against any such Officer or Subordinate Officer for any entry made or other thing done under the authority of, or in pursuance of this Act, it shall be lawful for him or them to plead the general issue and to give the special matter in evidence.

III. And it is hereby enacted, that if any person at any time shall obstruct or molest the said Officer or any of his subordinate Officers in the performance and execution of his or their duty, or any thing which they are required to do by or by virtue or in consequence of this Act, every such person so offending shall be guilty of a misdemeanour and shall on conviction before a Magistrate for the Town of Calcutta forfeit and pay for every such offence any sum not exceeding 200 Rupees.

IV. And whereas such notification as is directed by Section 1 of this Act, may not in all cases be effectual, it is therefore hereby enacted, that it shall be lawful for the Surveying Officer to cause any person owning or occupying lands or tenements within the said local limits, or his Agents or representatives, to be served with a special notice under his official seal and signature, stating the purpose for which the attendance of such person is required, and any document essential for the purposes of this Act which such person is to bring with him and the period within which such person is to attend, and if such person cannot be found the notice shall be affixed to his usual place of residence if that be within the said local limits, or if not, then on the Premises to be surveyed. Provided always, that no person shall be required to produce any Title Deed which such person may object to produce.

V. And it is hereby enacted, that for any investigation connected with the purposes of this Act it shall be lawful for the Surveying Officer by writing under his hand to summon any person whatsoever to attend as a witness at a time and place to be specified in such Summons, and that every witness so duly summoned to attend as aforesaid, who shall not attend, or who attending shall refuse to give evidence on oath or solemn affirmation or declaration, or to answer all such questions as the Surveying Officer may legally demand shall be liable to be attached in the Supreme Court upon complaint made in like manner as if such witness had neglected to attend on any trial in such Supreme Court.

VI. And it is hereby enacted, that any witness examined before such Surveying Officer shall be examined upon oath, which such Surveying Officer is hereby authorized to administer. Provided always, that in all cases wherein a solemn declaration or affirmation would be allowed in Her Majesty's Courts of Judicature to be substituted for an oath, the said Surveying Officer shall substitute such solemn declaration or affirmation for an oath.

VII. And it is hereby enacted, that any witness wilfully and knowingly giving false testimony on oath or solemn declaration or affirmation before such Surveying Officer shall be deemed guilty of wilful and corrupt perjury.

*General Department.*

To W. TAYLER, Esquire,
*Post Master General, Calcutta.*

SIR,—Adverting to my Letter, dated the 2d instant, I have the honor to suggest for your consideration, whether it would not be advisable to publish a Notice in the Calcutta Papers, intimating to the public generally, especially the Mercantile Community, that, if they desire their Overland Letters, to be forwarded on by the Government Overland Express, they should request their Correspondents to mark "per Express," and to keep within the *limited weight of two tolas;* and that, meanwhile, until the system becomes generally known, they ought to advise me, whether they wish any of their Letters, not so marked, to be sent on from Bombay by the Express.

2d.—By the last Express I dispatched as usual a number of Overland Letters, not especially marked, because, had I not done so, great disappointment would have been experienced by parties in Calcutta; but I intend to discontinue the practice, after a sufficient time has elapsed to admit of the public becoming aware of the privilege conceded by the Notification of May issued by the London General Post Office, and to dispatch by the Overland Express those Letters only which are so marked.

3d.—The public ought moreover to be most especially warned not to mark "per Express" on letters *exceeding two tolas in weight*, because such letters cannot be so dispatched. They will invariably be detained (as was the case on the arrival of the last Mail,) for transmission by the post regular dawk, dispatched after the Express.

4th.—I shall feel much obliged by your favoring me with a list of "Newspaper Offices" in Calcutta, and by your informing the parties connected therewith that not more than two papers (whether sent out from England marked "per Express," or posted in Bombay to go by Express) will, in future, be forwarded by the Government Express. Some of the Newspaper Offices have as many as six Overland Papers marked "per Express," but, as they

cannot be so forwarded, it is useless to have them so marked.

5th.—The new rule limits the weight of a Newspaper to 3 *tolas*, but, if that were acted up to, the Newspaper Offices would be deprived altogether of the privilege conceded by the Notification of May last, as an Overland Paper invariably weighs more than 3 and generally very nearly 6 tolas. I have therefore determined to send two Overland Papers to each Office, *without reference to that limit*, and shall continue the practice until I receive orders to the contrary, from Government or the Home Authorities.

I have, &c.

THE following Memorandum drawn out by the Political Agent of Bhopaul, is published for general information:

*Memorandum regarding Daks for Travellers within the Bhopaul Political Agency.*

*July* 21*st* 1847.

1. A Dak consisting of 8 Palkee Bearers of 1 or 2 Banghy Burdars if required, and of 1 or 2 Mussalchies, will be furnished at the rate of eight annas (Company's Currency,) per mile, English.

2. On the two main roads between Saugor to Mhow, and between Saugor and Hoshungabad, the Bhopaul authorities furnish Daks from Bhilsa and Tuppa in the one case, and from Bhilsa and Hoshungabad on the other. The distances are respectively, 97 miles and 76 miles, according to the Post Office routes, viz. as follows: Bhilsa to Bhopaul 30, Bhopaul to Tuppa 67, and Bhopaul to Hoshungabad 46 miles. The distance between Bhopaul and Sehore is reckoned at 21 miles.

3. Should a traveller be detained for less than 24 hours, no demurrage will be charged; if he is delayed more than a day then for the second day in whole or part, and so for the 3d day, &c., he will be charged 3 annas (Company's Currency,) for each man at each stage—that is 3 annas a day per man, beyond the first day.

4. As delays occasionally occur in going from Saugor to Mhow at Tuppa, where the Mhow Bearers should take up the Dak, the Bhopaul Bearers will, if necessary, carry the traveller on to the next stage, Peepleea, each man employed receiving 4 annas (Company's Currency,) for the extra stage.

5. It is advisable always to give, if possible, seven days notice about laying a Dak, as the majority of the bearers have to be sent to their respective stages from the town of Bhopaul.

6. No Daks can be laid as a rule on other roads, but every endeavour will be made to accommodate travellers on timely notice being given.

An Accommodation or a Cargo Boat will be employed in this line, as far as Dacca, the Steamer only going on to Gowahuttee until the demand for freight to and from places above Dacca is more than a Steamer can supply. In the first there are 3 classes of Cabins, but there will be no distinction in the charge, and the preference in the selection will be given to those who engage for the longest distances or otherwise, according to priority of application.

To Burrisaul or Dacca the charge will be Seventy-five Rupees, to Gowahuttee One Hundred and Fifty Rupees, or at the rate of Twenty-five Rupees for every 100 miles, of the estimated distance according to which the passage for intermediate distances will be rated.

One Servant is allowed to each Cabin occupied by one person, but if a Cabin be occupied by more than one person, an additional charge will be made of Nine Rupees, which will entitle the Cabin to a second Servant. All other extra Servants will be considered as Deck Passengers, the charge for which will be half an Anna per mile, or Eighteen Rupees Twelve Annas from Calcutta to Gowahuttee; Deck Passengers will pay Eighteen Rupees to Gowahuttee, or half an Anna a mile for any shorter distance.

The charge for passage on return voyages will be the same as above.

Passengers are allowed to carry such Baggage and Cabin Furniture within their Cabins as is necessary for the voyage; and this may include a Piano if required for use during the voyage and not in a packing case: but Pianos in packing cases and all other packages, as cases of Millinery, Saddlery, Glass and Earthen-ware, Beer and Wines, and other Stores, will be stowed in another part of the vessel; and to the extent of half a ton, or 25 cubic feet, be charged for at half the established rate of Freight; all in excess of half a ton will be charged at the full rate of Freight.

Deck Passengers are allowed one Roll of Bedding 2 feet wide, and a box of six cubic feet solid contents.

A Table is provided by the Commander at Four Rupees per Diem for each person, exclusive of Wines and Beer, which if provided by the Commander, are charged at regulated prices, of which a list is exhibited in the Dining Room, and all Refreshments required between the regular meals of Breakfast at ½ past 8, Biscuit, &c. at noon, Dinner at 3 P. M., and Tea and Coffee in the evening. Persons who provide their own Wines, will pay 3 annas for each cork drawn.

Children who do not come to the Table are provided at One Rupee per day, the same charge is made for Christian Servants.

Mussulman Servants may feed with the Crew, paying a rate of Two Annas per day. Hindoos must provide their own food.

The Passage Money, and a deposit of Four Rupees per day for the estimated term of the voyage, must be paid on engaging a passage, and any surplus of Table Money will be returned, or an additional charge be made by the Commander, as the voyage may fall short of or exceed the time for which the deposit was calculated. Half the Passage Money, and half the Table Money become forfeit by persons who relinquish a passage after having engaged it.

The despatch of Boats will be duly advertized, and if any change in the Boats occurs, Accommodation or Freight engaged for the one advertized, will be assigned on the one substituted.

### *Of Freight.*

All Goods intended for shipment on the Government Boats must be sent to the Boat Office, in Church Lane, Calcutta, between the hours of Ten and Four, Sundays, Christmas Days, and Good Fridays excepted.

Goods will not be received for shipment unless they be addressed to a resident at the place at which they are to be delivered from the Boats. The direction must be marked on something not liable to be destroyed by vermin, and from which it may not easily be obliterated. A direction written on a card or marked with ink on a tin box, would be liable to the above objection.

The Boat Office will not be responsible for any damage or loss that may be occasioned by accident to the vessel or other cause whatever, not traceable to negligence or mismanagement of those belonging to the vessel.

All Goods sent to the Boat Office must be accompanied by a note, with suitable direction for the guidance of the Officers of the Department.

Goods not applied for on board the Boat by the Consignee, will be carried on and charged with additional freight, unless addressed to the Steam Agent, in which case they will be delivered to him. It must be understood, however, that although all persons are at liberty to consign their goods to the Steam Agent of the stations at which they are to be landed, *the Government is not responsible for such Steam Agent, or for the safety of the goods after the delivery of the same to the Consignee or to his order, whether such Consignee be the Steam Agent or any other person.* Goods intended for the final station, if not applied for within 24 hours after the Boat's arrival there, will be delivered to the Steam Agent at the risk of the shipper.

Freight on all Packages, excepting Treasure laden in Calcutta, or for which tonnage is reserved in Calcutta, and which do not exceed in weight 35lbs. per cubic foot, will be charged by the cubic foot.

Packages exceeding thirty-five pounds, or 17½ seers per cubic foot, will be charged by the weight.

The charge for Freight downwards will be 6 annas per maund for all distances above Dacca; articles weighing less than 35 lbs. or 17½ seers per cubic foot, to be charged by measurement at 4 annas per foot. From Dacca and places near Calcutta, 5 annas per maund, 2½ annas per foot.

### *Dispatch of Boats, and probable dates of Arrival at different Places.*

It is intended that the Boats shall leave Calcutta the 13th of every month, except when the 13th falls on a Sunday, when they will be dispatched on the 12th. To any distance beyond, ..... ½d ditto.

Freight on Copper Coins will be charged by the weight at 8 Pie per lb. from Calcutta—and down and intermediately, the same as on weighable Goods.

Treasure is deliverable to the Bill of Lading only, and parties neglecting to apply for Treasure will be subjected to additional Freight for the distance it may become necessary to carry it in consequence of their negligence.

Applications for Freight on the Vessel downward must be made to the Steam Boat Agent at Gowahuttee or Seraj Gunge, or at the nearest Station, by letter, describing the Goods to be despatched, their weight and measurement.

The Steam Agent will in reply, name the Boat in which he assigns tonnage, and if from any cause, as damage to the Boat, deviation from her intended voyage on unexpected demand on account of Government, a circumstance likely seldom to occur, the tonnage should be rendered non-available, the party for whom such tonnage has been registered must bear the inconvenience, and he will have no claim for indemnification by assignment of Freight in another Vessel to the detriment of any other person who may have engaged tonnage subsequently to the disappointed party, whose right to tonnage will be limited to such as may be available in the Vessel previously named, but in that Vessel, the claim to such tonnage as may remain available will be acknowledged according to priority of application. Thus the entire tonnage of a Boat may have been assigned in rotation by the Steam Agent to A. B. and C., after which the Government unexpectedly make a demand for more or less, the remaining portion will go to satisfy the claim of A. then of B. &c. The latter applications being thrown out partially or wholly, as the case may be.

The Agent will be instructed to acknowledge the applications made to him for tonnage in the following terms:—"Sir, in reply to your letter of the I beg to say tonnage for chests of Indigo and maunds of Sugar is assigned to you on the. Registered No. of application.

| „ Bugwah, . . . | 3 | ditto. |
| „ Gowalpara, . . . | 3 | ditto. |
| „ Gowahuttee, . . . | 48 | ditto, clear. |

Should Freight not be ready for shipment on the arrival of the Boat at the several stations, the Commander of the Steamer will have peremptory orders to proceed to the next Station.

Treasure laden on a Boat whose progress is arrested, will be retained on board until the Boat is enabled to proceed to her destination, unless the Consignees holding the Bill of Lading of such Treasure may require its delivery, giving a full acquittance for the Treasure, and receiving such difference of Freight as may have been paid in excess of what would have been charged for conveyance of such Treasure to the place of its delivery.

The Steam Agents at the different Stations make no charge for landing Goods from the Boats into their Godowns; nor for shipping Goods delivered into their Godowns, provided such Goods are not merchandise, intended for traffick, nor animals nor machines for conveyance; for all such they will charge the following rates:

For embarking or landing a Horse, Cow or Bull, Rs. 2.

Freight must be paid to the Agent or Commander of the Boat for all Goods shipped away from Calcutta, and not deliverable at Calcutta. And no Packages will be received into the Boat Office for transmission on which Freight is not paid at the time.

*Pre-Payment of Indian (Inland and Ship) Postage on Covers forwarded to Hong Kong.*

NOTICE is hereby given, that in conformity to the instructions of Her Majesty's Post Master General, no Letter or Newspaper will, in future, be received at this Office for transmission to Hong Kong, unless the entire amount of Indian (Inland and Ship) Postage due for the conveyance of the same to its ulterior destination, shall be previously paid by the Sender at the time of posting at the Despatching Office.

It is to be distinctly understood that this rule does not apply to the description of covers forwarded by the Peninsular and Oriental Company's Contract Steamers, as on them, the prescribed British Packet rate of Postage is charged.

*Calcutta, Genl. Post Office, the 23d July*, 1847.

GENERAL POST OFFICE, MAY 1847.

The Post Master General having been informed by the Court of Directors of the East India Company, that on and after the 1st June next, persons in this Country may forward private correspondence by the Government Express from Bombay to Calcutta and Madras, all persons desirous of availing themselves of this privilege, will be required to mark upon the covers of their letters the words "By Express from Bombay," and in addition to this special address, it will be necessary, that all letters intended to be forwarded by the way of Southampton, should be so endorsed as hitherto; the postage to be charged in India in the delivery of letters sent by this Express will be in addition to the ordinary Inland rates.

One Rupee for every letter not exceeding half a tola in weight.

Two Rupees for every letter above half a tola, but not exceeding one tola in weight.

Four Rupees for every letter above one tola, but not exceeding two tolas in weight, two tolas being the maximum weight of letters to be conveyed by Express.

On Newspapers, each Newspaper Office in Calcutta and Madras, will be allowed to receive two Newspapers at the ordinary rates of Inland postage, on all other Newspapers forwarded by Express a postage of five Rupees each will be charged, and no Newspaper will be received for the Express exceeding three tolas in weight.

N. B. One tola and a quarter is nearly equivalent to half an ounce avoirdupoise.

NOTICE.—With reference to the London Post Master General's Notification regarding the rates of postage to be charged upon Letters received from Bombay by the Government Express, which was published with a notice from this Office of yesterday's date, the following Letter since received

from the Post Master General of Bombay on the subject, is also published for general information.

W. TAYLER,
*Post Master General.*

*The 24th July,* 1847.

*No.* 966 *of* 1847.

*General Department.*

To W. TAYLER, Esquire,
*Post Master General, Calcutta.*

SIR,—Adverting to my Letter, dated the 2d instant, I have the honor to suggest for your consideration, whether it would not be advisable to publish a Notice in the Calcutta Papers, intimating to the public generally, especially the Mercantile Community, that, if they desire their Overland Letters, to be forwarded on by the Government Overland Express, they should request their Correspondents to mark "per Express." and to keep within the *limited weight of two tolas;* and that, meanwhile, until the system becomes generally known, they ought to advise me, whether they wish any of their Letters, not so marked, to be sent on from Bombay by the Express.

2d.—By the last Express I dispatched as usual a number of Overland Letters, not especially marked, because, had I not done so, great disappointment would have been experienced by parties in Calcutta; but I intend to discontinue the practice, after a sufficient time has elapsed to admit of the public becoming aware of the privilege conceded by the Notification of May issued by the London General Post Office, and to dispatch by the Overland Express those Letters only which are so marked.

3d.—The public ought moreover to be most especially warned not to mark "per Express" on letters *exceeding two tolas in weight*, because such letters cannot be so dispatched. They will invariably be detained (as was the case on the arrival of the last Mail,) for transmission by the post regular dawk, dispatched after the Express.

4th.—I shall feel much obliged by your favoring me with a list of "Newspaper Offices" in Calcutta, and by your informing the parties connected therewith that not more than two papers (whether sent out from England marked "per Express," or posted in Bombay to go by Express) will, in future, be forwarded by the Government Express. Some of the Newspaper Offices have as many as six Overland Papers marked "per Express." but, as they cannot be so forwarded, it is useless to have them so marked.

5th.—The new rule limits the weight of a Newspaper to 3 *tolas*, but, if that were acted up to, the Newspaper Offices would be deprived altogether of the privilege conceded by the Notification of May last, as an Overland Paper invariably weighs more than 3 and generally very nearly 6 tolas. I have therefore determined to send two Overland Papers to each Office, *without reference to that limit*, and shall continue the practice until I receive orders to the contrary from Government or the Home Authorities.

I have, &c.,

(Sd.) A. W. RAVENSCROFT,

No. 4130.

## STEAM TO DACCA AND GOWAHUTTEE IN ASSAM.

GOVERNMENT having decided on opening a Steam Communication with Gowahuttee in Assam *via* Dacca and Serajgunge, notice is hereby given, that the first boats for this line, a Steamer and a Flat, will be despatched on the 13th Proximo; and the communication be continued Monthly for THREE YEARS.

The following Regulations and Rates of Charge for accommodation of Passengers, and conveyance of Goods on the Government Boats employed in the above Navigation, are published for general information:

*Of Passage.*

All applications for Passage on the Government Boats proceeding to Dacca and Assam, must be made at the Boat Office in Calcutta, and all applications for Cabins on the Boats returning from Assam, must be made to the Steam Boat Agent at the nearest place to that of embarkation.

The distance between Calcutta and Gowahuttee is assumed to be 600 miles, and the distance from Calcutta to the different Stations as follows:

| | | |
|---|---|---|
| Burrisaul, | 200 | Miles. |
| Dacca, | 300 | „ |
| Seraj Gunge, | 400 | „ |
| Dewan Gunge, | 450 | „ |
| Bugwah, | 500 | „ |
| Gowalpara, | 550 | „ |
| Gowahuttee, | 600 | „ |

An Accommodation or a Cargo Boat will be employed in this line, as far as Dacca, the Steamer only going on to Gowahuttee until the demand for freight to and from places above Dacca is more than a Steamer can supply. In the first there are 3 classes of Cabins, but there will be no distinction in the charge, and the preference in the selection will be given to those who engage for the longest distances or otherwise, according to priority of application.

To Burrisaul or Dacca the charge will be Seventy-five Rupees, to Gowahuttee One Hundred and Fifty Rupees, or at the rate of Twenty-five Rupees for every 100 miles, of the estimated distance according to which the passage for intermediate distances will be rated.

One Servant is allowed to each Cabin occupied by one person, but if a Cabin be occupied by more than one person, an additional charge will be made of Nine Rupees, which will entitle the Cabin to a second Servant. All other extra Servants will be considered as Deck Passengers, the charge for which will be half an Anna per mile, or Eighteen Rupees Twelve Annas from Calcutta to Gowahuttee; Deck Passengers will pay Eighteen Rupees to Gowahuttee, or half an Anna a mile for any shorter distance.

The charge for passage on return voyages will be the same as above.

Passengers are allowed to carry such Baggage and Cabin Furniture within their Cabins as is necessary for the voyage; and this may include a Piano if required for use during the voyage and not in a packing case: but Pianos in packing cases and all other packages, as cases of Millinery, Saddlery, Glass and Earthen-ware, Beer and Wines, and other Stores, will be stowed in another part of the vessel; and to the extent of half a ton, or 25 cubic feet, be charged for at half the established rate of Freight; all in excess of half a ton will be charged at the full rate of Freight.

Deck Passengers are allowed one Roll of Bedding 2 feet wide, and a box of six cubic feet solid contents.

A Table is provided by the Commander at Four Rupees per Diem for each person, exclusive of Wines and Beer, which if provided by the Commander, are charged at regulated prices, of which a list is exhibited in the Dining Room, and all Refreshments required between the regular meals of Breakfast at ¼ past 8, Biscuit, &c. at noon, Dinner at 3 P. M., and Tea and Coffee in the evening. Persons who provide their own Wines, will pay 3 annas for each cork drawn.

Children who do not come to the Table are provided at One Rupee per day, the same charge is made for Christian Servants.

Mussulman Servants may feed with the Crew, paying a rate of Two Annas per day. Hindoos must provide their own food.

The Passage Money, and a deposit of Four Rupees per day for the estimated term of the voyage, must be paid on engaging a passage, and any surplus of Table Money will be returned, or an additional charge be made by the Commander, as the voyage may fall short of or exceed the time for which the deposit was calculated. Half the Passage Money, and half the Table Money become forfeit by persons who relinquish a passage after having engaged it.

The despatch of Boats will be duly advertized, and if any change in the Boats occurs, Accommodation or Freight engaged for the one advertized, will be assigned on the one substituted.

### *Of Freight.*

All Goods intended for shipment on the Government Boats must be sent to the Boat Office, in Church Lane, Calcutta, between the hours of Ten and Four, Sundays, Christmas Days, and Good Fridays excepted.

Goods will not be received for shipment unless they be addressed to a resident at the place at which they are to be delivered from the Boats. The direction must be marked on something not liable to be destroyed by vermin, and from which it may not easily be obliterated. A direction written on a card or marked with ink on a tin box, would be liable to the above objection.

The Boat Office will not be responsible for any damage or loss that may be occasioned by accident to the vessel or other cause whatever, not traceable to negligence or mismanagement of those belonging to the vessel.

All Goods sent to the Boat Office must be accompanied by a note, with suitable direction for the guidance of the Officers of the Department.

Goods not applied for on board the Boat by the Consignee, will be carried on and charged with additional freight, unless addressed to the Steam Agent, in which case they will be delivered to him. It must be understood, however, that although all persons are at liberty to consign their goods to the Steam Agent of the stations at which they are to be landed, *the Government is not responsible for such Steam Agent, or for the safety of the goods after the delivery of the same to the Consignee or to his order, whether such Consignee be the Steam Agent or any other person.* Goods intended for the final station, if not applied for within 24 hours after the Boat's arrival there, will be delivered to the Steam Agent at the risk of the shipper.

Freight on all Packages, excepting Treasure laden in Calcutta, or for which tonnage is reserved in Calcutta, and which do not exceed in weight 35lbs. per cubic foot, will be charged by the cubic foot.

Packages exceeding thirty-five pounds, or 17½ seers per cubic foot, will be charged by the weight.

*From Calcutta,*

| | *Per Foot.* | *Per Seer.** |

| To Burrisaul,..... „ Dacca, ..... | 8 Ans. | 6 Pie. |
| „ Seraj Gunge, ..... „ Dewangunge, ..... „ Bugwah, ..... | 12 Ans. | 9 Pie. |
| „ Gowalpara, ..... „ Gowahuttee,..... | 1 R. | 12 Pie. |

For intermediate distances upwards for Goods not shipped in Calcutta, 3 annas per foot, and 2 pie per seer or 1 pie per pound, will be charged for every 100 miles.

The charge for Freight downwards will be 6 annas per maund for all distances above Dacca; articles weighing less than 35 lbs. or 17½ seers per cubic foot, to be charged by measurement at 4 annas per foot. From Dacca and places near Calcutta, 5 annas per maund, 2½ annas per foot.

### *Dispatch of Boats, and probable dates of Arrival at different Places.*

It is intended that the Boats shall leave Calcutta the 13th of every month, except when the 13th falls on a Sunday, when they will be dispatched on the 12th. The following is the estimated time the Boats will take, and the date on which they will probably arrive at the different Stations up and down, leaving Calcutta on the 13th to get back there, by the 9th the boats will reach—

### *Freight on Cattle.*

| | | |
|---|---|---|
| Horses,..... | 48† | If carried intermediately at 12 Rs. each from Station to Station. |
| Bulls, Cows, &c., | 48† | |
| Sheep or Dogs, Goats, ..... | 8† | If ditto at Rs. 2 ditto. |

* Goods will be charged by European or native weights, as they are entered in the Controller's or in the Steam Agent's Office; the charge per lb. will be half that per seer.

† Exclusive of the Groom or Keeper, who is to be considered a Deck Passenger, and charged as such according to the usual rate. The Shippers are to supply the food, and be at the expence of making the Stalls.

If brought down to the Presidency are charged 2-3rd of the upward freight.

*Freight on Treasure.*

To Burrisaul or Dacca,..... ¼ per cent.
To any distance beyond, ..... ⅓d ditto.

Intermediate ditto Two Pie per mile per thousand.

Freight on Copper Coins will be charged by the weight at 8 Pie per lb. from Calcutta—and down and intermediately, the same as on weighable Goods.

Treasure is deliverable to the Bill of Lading only, and parties neglecting to apply for Treasure will be subjected to additional Freight for the distance it may become necessary to carry it in consequence of their negligence.

Applications for Freight on the Vessel downward must be made to the Steam Boat Agent at Gowahuttee or Seraj Gunge, or at the nearest Station, by letter, describing the Goods to be despatched, their weight and measurement.

The Steam Agent will in reply, name the Boat in which he assigns tonnage, and if from any cause, as damage to the Boat, deviation from her intended voyage on unexpected demand on account of Government, a circumstance likely seldom to occur, the tonnage should be rendered non-available, the party for whom such tonnage has been registered must bear the inconvenience, and he will have no claim for indemnification by assignment of Freight in another Vessel to the detriment of any other person who may have engaged tonnage subsequently to the disappointed party, whose right to tonnage will be limited to such as may be available in the Vessel previously named, but in that Vessel, the claim to such tonnage as may remain available will be acknowledged according to priority of application. Thus the entire tonnage of a Boat may have been assigned in rotation by the Steam Agent to A. B. and C., after which the Government unexpectedly make a demand for more or less, the remaining portion will go to satisfy the claim of A. then of B. &c. The latter applications being thrown out partially or wholly, as the case may be.

The Agent will be instructed to acknowledge the applications made to him for tonnage in the following terms:—"Sir, in reply to your letter of the I beg to say tonnage for chests of Indigo and maunds of Sugar is assigned to you on the Registered No. of application."

The Agent is instructed to keep a correct Register of daily assignments, and to transmit a copy daily to the Controller of Steam Vessels.

The Boats will make the following stoppages, at different stations, during daylight:

| | | |
|---|---|---|
| At Burrisaul, . . . | 3 | hours. |
| „ Dacca, . . . . | 4 | ditto. |
| „ Seraj Gunge, . . . | 4 | ditto. |
| „ Dewan Gunge, . . | 3 | ditto. |
| „ Bugwah, . . . | 3 | ditto. |
| „ Gowalpara, . . . | 3 | ditto. |
| „ Gowahuttee, . . . | 48 | ditto, clear. |

Should Freight not be ready for shipment on the arrival of the Boat at the several stations, the Commander of the Steamer will have peremptory orders to proceed to the next Station.

Treasure laden on a Boat whose progress is arrested, will be retained on board until the Boat is enabled to proceed to her destination, unless the Consignees holding the Bill of Lading of such Treasure may require its delivery, giving a full acquittance for the Treasure, and receiving such difference of Freight as may have been paid in excess of what would have been charged for conveyance of such Treasure to the place of its delivery.

The Steam Agents at the different Stations make no charge for landing Goods from the Boats into their Godowns; nor for shipping Goods delivered into their Godowns, provided such Goods are not merchandise, intended for traffick, nor animals nor machines for conveyance; for all such they will charge the following rates:

For embarking or landing a Horse, Cow or Bull, Rs. 2.

A Calf, Dog, Sheep, or Goat with or without Kid, Annas 2.

A Barouche, Phaeton, Palankeen Carriage, Britzka, Rs. 3.

A Buggy or Palankeen, Rupee 1.

A Box, Bale, Chest or Cask, large or small, Annas 2.

A bag of Sugar or Saltpetre ditto ditto Anna 1.

When Goods are consigned to Calcutta, it is optional with Shippers to pay the Freight or to leave the same to be collected on delivery of the Goods. Freight must be paid to the Agent or Commander of the Boat for all Goods shipped away from Calcutta, and not deliverable at Calcutta. And no Packages will be received into the Boat Office for transmission on which Freight is not paid at the time.

GENERAL POST OFFICE, MAY 1847.

The Post Master General having been informed by the Court of Directors of the East India Company, that on and after the 1st June next, persons in this Country may forward private correspondence by the Government Express from Bombay to Calcutta and Madras, all persons desirous of availing themselves of this privilege, will be required to mark upon the covers of their letters the words "By Express from Bombay," and in addition to this special address, it will be necessary, that all letters intended to be forwarded by the way of Southampton, should be so endorsed as hitherto; the postage to be charged in India in the delivery of letters sent by this Express will be in addition to the ordinary Inland rates.

NOTICE.—With reference to the London Post Master General's Notification regarding the rates of postage to be charged upon Letters received from Bombay by the Government Express, which was published with a notice from this Office of yesterday's date, the following Letter since received

from the Post Master General of Bombay on the subject, is also published for general information.

*Post Master General.*

*The 24th July,* 1847.

*No.* 966 *of* 1847.

*General Department.*

To W. TAYLER, Esquire,
*Post Master General, Calcutta.*

SIR,—Adverting to my Letter, dated the 2d instant, I have the honor to suggest for your consideration, whether it would not be advisable to publish a Notice in the Calcutta Papers, intimating to the public generally, especially the Mercantile Community, that, if they desire their Overland Letters, to be forwarded on by the Government Overland Express, they should request their Correspondents to mark "per Express," and to keep within the *limited weight of two tolas;* and that, meanwhile, until the system becomes generally known, they ought to advise me, whether they wish any of their Letters, not so marked, to be sent on from Bombay by the Express.

2d.—By the last Express I dispatched as usual a number of Overland Letters, not especially marked, because, had I not done so, great disappointment would have been experienced by parties in Calcutta; but I intend to discontinue the practice, after a sufficient time has elapsed to admit of the public becoming aware of the privilege conceded by the Notification of May issued by the London General Post Office, and to dispatch by the Overland Express those Letters only which are so marked.

3d.—The public ought moreover to be most especially warned not to mark "per Express" on letters *exceeding two tolas in weight*, because such letters cannot be so dispatched. They will invariably be detained (as was the case on the arrival of the last Mail,) for transmission by the post regular dawk, dispatched after the Express.

4th.—I shall feel much obliged by your favoring me with a list of "Newspaper Offices" in Calcutta, and by your informing the parties connected therewith that not more than two papers (whether sent out from England marked "per Express," or posted in Bombay to go by Express) will, in future, be forwarded by the Government Express. Some of the Newspaper Offices have as many as six Overland Papers marked "per Express," but, as they cannot be so forwarded, it is useless to have them so marked.

5th.—The new rule limits the weight of a Newspaper to 3 *tolas*, but, if that were acted up to, the Newspaper Offices would be deprived altogether of the privilege conceded by the Notification of May last, as an Overland Paper invariably weighs more than 3 and generally very nearly 6 tolas. I have therefore determined to send two Overland Papers to each Office, *without reference to that limit*, and shall continue the practice until I receive orders to the contrary from Government or the Home Authorities.

I have, &c.

## STEAM TO DACCA AND GOWAHUTTEE IN ASSAM.

GOVERNMENT having decided on opening a Steam Communication with Gowahuttee in Assam *via* Dacca and Serajgunge, notice is hereby given, that the first boats for this line, a Steamer and a Flat, will be despatched on the 13th Proximo; and the communication be continued Monthly for THREE YEARS.

The following Regulations and Rates of Charge for accommodation of Passengers, and conveyance of Goods on the Government Boats employed in the above Navigation, are published for general information:

*Of Passage.*

All applications for Passage on the Government Boats proceeding to Dacca and Assam, must be made at the Boat Office in Calcutta, and all applications for Cabins on the Boats returning from Assam, must be made to the Steam Boat Agent at the nearest place to that of embarkation.

The distance between Calcutta and Gowahuttee is assumed to be 600 miles, and the distance from Calcutta to the different Stations as follows:

| | | |
|---|---|---|
| Burrisaul, | 200 | Miles. |
| Dacca, | 300 | „ |
| Seraj Gunge, | 400 | „ |
| Dewan Gunge, | 450 | „ |
| Bugwah, | 500 | „ |
| Gowalpara, | 550 | „ |
| Gowahuttee, | 600 | „ |

An Accommodation or a Cargo Boat will be employed in this line, as far as Dacca, the Steamer only going on to Gowahuttee until the demand for freight to and from places above Dacca is more than a Steamer can supply. In the first there are 3 classes of Cabins, but there will be no distinction in the charge, and the preference in the selection will be given to those who engage for the longest distances or otherwise, according to priority of application.

To Burrisaul or Dacca the charge will be Seventy-five Rupees, to Gowahuttee One Hundred and Fifty Rupees, or at the rate of Twenty-five Rupees for every 100 miles, of the estimated distance according to which the passage for intermediate distances will be rated.

One Servant is allowed to each Cabin occupied by one person, but if a Cabin be occupied by more than one person, an additional charge will be made of Nine Rupees, which will entitle the Cabin to a second Servant. All other extra Servants will be considered as Deck Passengers, the charge for which will be half an Anna per mile, or Eighteen Rupees Twelve Annas from Calcutta to Gowahuttee; Deck Passengers will pay Eighteen Rupees to Gowahuttee, or half an Anna a mile for any shorter distance.

The charge for passage on return voyages will be the same as above.

Passengers are allowed to carry such Baggage and Cabin Furniture within their Cabins as is necessary for the voyage; and this may include a Piano if required for use during the voyage and not in a packing case: but Pianos in packing cases and all other packages, as cases of Millinery, Saddlery, Glass and Earthen-ware, Beer and Wines, and other Stores, will be stowed in another part of the vessel; and to the extent of half a ton, or 25 cubic feet, be charged for at half the established rate of Freight; all in excess of half a ton will be charged at the full rate of Freight.

Deck Passengers are allowed one Roll or Bedding 2 feet wide, and a box of six cubic feet solid contents.

A Table is provided by the Commander at Four Rupees per Diem for each person, exclusive of Wines and Beer, which if provided by the Commander, are charged at regulated prices, of which a list is exhibited in the Dining Room, and all Refreshments required between the regular meals of Breakfast at ½ past 8, Biscuit, &c. at noon, Dinner at 3 P. M., and Tea and Coffee in the evening. Persons who provide their own Wines, will pay 3 annas for each cork drawn.

Children who do not come to the Table are provided at One Rupee per day, the same charge is made for Christian Servants.

Mussulman Servants may feed with the Crew, paying a rate of Two Annas per day. Hindoos must provide their own food.

The Passage Money, and a deposit of Four Rupees per day for the estimated term of the voyage, must be paid on engaging a passage, and any surplus of Table Money will be returned, or an additional charge be made by the Commander, as the voyage may fall short of or exceed the time for which the deposit was calculated. Half the Passage Money, and half the Table Money become forfeit by persons who relinquish a passage after having engaged it.

The despatch of Boats will be duly advertized, and if any change in the Boats occurs, Accommodation or Freight engaged for the one advertized, will be assigned on the one substituted.

### *Of Freight.*

All Goods intended for shipment on the Government Boats must be sent to the Boat Office, in Church Lane, Calcutta, between the hours of Ten and Four, Sundays, Christmas Days, and Good Fridays excepted.

Goods will not be received for shipment unless they be addressed to a resident at the place at which they are to be delivered from the Boats. The direction must be marked on something not liable to be destroyed by vermin, and from which it may not easily be obliterated. A direction written on a card or marked with ink on a tin box, would be liable to the above objection.

The Boat Office will not be responsible for any damage or loss that may be occasioned by accident to the vessel or other cause whatever, not traceable to negligence or mismanagement of those belonging to the vessel.

All Goods sent to the Boat Office must be accompanied by a note, with suitable direction for the guidance of the Officers of the Department.

Goods not applied for on board the Boat by the Consignee, will be carried on and charged with additional freight, unless addressed to the Steam Agent, in which case they will be delivered to him. It must be understood, however, that although all persons are at liberty to consign their goods to the Steam Agent of the stations at which they are to be landed, *the Government is not responsible for such Steam Agent, or for the safety of the goods after the delivery of the same to the Consignee or to his order, whether such Consignee be the Steam Agent or any other person.* Goods intended for the final station, if not applied for within 24 hours after the Boat's arrival there, will be delivered to the Steam Agent at the risk of the shipper.

Freight on all Packages, excepting Treasure laden in Calcutta, or for which tonnage is reserved in Calcutta, and which do not exceed in weight 35lbs. per cubic foot, will be charged by the cubic foot.

Packages exceeding thirty-five pounds, or 17½ seers per cubic foot, will be charged by the weight.

### *Dispatch of Boats, and probable dates of Arrival at different Places.*

It is intended that the Boats shall leave Calcutta the 13th of every month, except when the 13th falls on a Sunday, when they will be dispatched on the 12th. The following is the estimated time the Boats will take, and the date on which they will probably arrive at the different Stations up and down, leaving Calcutta on the 13th to get back there, by the 9th the boats will reach—

| Sheep or Dogs, Goats, ..... | 8† | If ditto at Rs. 2 ditto. |

* Goods will be charged by European or native weights, as they are entered in the Controller's or in the Steam Agent's Office; the charge per lb. will be half that per seer.

† Exclusive of the Groom or Keeper, who is to be considered a Deck Passenger, and charged as such according to the usual rate. The Shippers are to supply the food, and be at the expence of making the Stalls.

If brought down to the Presidency are charged 2-3rd of the upward freight.

*Freight on Treasure.*

To any distance beyond, ..... ½d ditto.

Intermediate ditto Two Pie per mile per thousand.

Freight on Copper Coins will be charged by the weight at 8 Pie per lb. from Calcutta—and down and intermediately, the same as on weighable Goods.

Treasure is deliverable to the Bill of Lading only, and parties neglecting to apply for Treasure will be subjected to additional Freight for the distance it may become necessary to carry it in consequence of their negligence.

Applications for Freight on the Vessel downward must be made to the Steam Boat Agent at Gowahuttee or Seraj Gunge, or at the nearest Station, by letter, describing the Goods to be despatched, their weight and measurement.

The Steam Agent will in reply, name the Boat in which he assigns tonnage, and if from any cause, as damage to the Boat, deviation from her intended voyage on unexpected demand on account of Government, a circumstance likely seldom to occur, the tonnage should be rendered non-available, the party for whom such tonnage has been registered must bear the inconvenience, and he will have no claim for indemnification by assignment of Freight in another Vessel to the detriment of any other person who may have engaged tonnage subsequently to the disappointed party, whose right to tonnage will be limited to such as may be available in the Vessel previously named, but in that Vessel, the claim to such tonnage as may remain available will be acknowledged according to priority of application. Thus the entire tonnage of a Boat may have been assigned in rotation by the Steam Agent to A. B. and C., after which the Government unexpectedly make a demand for more or less, the remaining portion will go to satisfy the claim of A. then of B. &c. The latter applications being thrown out partially or wholly, as the case may be.

The Agent will be instructed to acknowledge the applications made to him for tonnage in the following terms:—"Sir, in reply to your letter of the I beg to say tonnage for chests of Indigo and maunds of Sugar is assigned to you on the Registered No. of application."

The Agent is instructed to keep a correct Register of daily assignments, and to transmit a copy daily to the Controller of Steam Vessels.

The Boats will make the following stoppages, at different stations, during daylight:

| | | |
|---|---|---|
| At Burrisaul, . . . | 3 | hours. |
| „ Dacca, . . . . | 4 | ditto. |
| „ Seraj Gunge, . . . | 4 | ditto. |
| „ Dewan Gunge, . . | 3 | ditto. |
| „ Bugwah, . . . | 3 | ditto. |
| „ Gowalpara, . . . | 3 | ditto. |
| „ Gowahuttee, . . . | 48 | ditto, clear. |

Should Freight not be ready for shipment on the arrival of the Boat at the several stations, the Commander of the Steamer will have peremptory orders to proceed to the next Station.

Treasure laden on a Boat whose progress is arrested, will be retained on board until the Boat is enabled to proceed to her destination, unless the Consignees holding the Bill of Lading of such Treasure may require its delivery, giving a full acquittance for the Treasure, and receiving such difference of Freight as may have been paid in excess of what would have been charged for conveyance of such Treasure to the place of its delivery.

The Steam Agents at the different Stations make no charge for landing Goods from the Boats into their Godowns; nor for shipping Goods delivered into their Godowns, provided such Goods are not merchandise, intended for traffick, nor animals nor machines for conveyance; for all such they will charge the following rates:

For embarking or landing a Horse, Cow or Bull, Rs. 2.

A Calf, Dog, Sheep, or Goat with or without Kid, Annas 2.

Freight must be paid to the Agent or Commander of the Boat for all Goods shipped away from Calcutta, and not deliverable at Calcutta. And no Packages will be received into the Boat Office for transmission on which Freight is not paid at the time.

| Ditto of Benares ditto,..... | „ | 780 |

### CONDITIONS OF SALE.

1st.—The Opium will be sold for Exportation by Sea only, and no Certificate will be granted except to cover such Export.

2d.—The Opium will be ordinarily offered for Sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price; except under the circumstances for which provision is made by Clause 12th of the Conditions of Sale.

3d.—The Sale shall commence at the hour of 11 A. M., and shall not be continued after the hour of 5 P. M; but if at that hour any of the lots advertized for Sale shall remain unsold, the Sale may at the discretion of the Board of Customs, Salt and Opium, be resumed on the next day following (not being Sunday or a public Holiday) at the hour of 11 A. M., and so on until the whole of the remaining lots are disposed of; or, if the quantity of 2,610 Chests shall not be sold on the day advertized, the Board may dispose of the Lots which remain on hand at a future Sale.

4th.—Each Lot to contain Five Chests.

5th.—A deposit in a Promissory Note for 25 per Cent. even money of the amount for which each lot is knocked down, shall be made by the purchaser in the Sale Room, and before the lot is Registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the Purchasers at this Office, by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'Clock of the afternoon of Wednesday, the 1st December 1847; or on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid, shall have been delivered in, shall be re-sold at such time or times, and under such conditions of re-sale as the Board of Customs, Salt and Opium, shall see fit, and all loss and expences whatsoever attending such re-sale, shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6th.—The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 1st December 1847, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7th.—No Tender of Money, Sub-Treasurer's Receipts or Public Securities, on account of Opium, upon which the prescribed deposit may not have been made before 4 o'Clock of the 1st December, will be afterwards accepted.

8th.—The Opium now advertised for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Tuesday the 14th December 1847, and in case any lots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or any Public Securities that may have been deposited on account of such lots or chests, shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium, shall think fit, and the first Purchaser shall further be required to make good any loss or difference of price between that obtained at the re-sale, and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9th.—Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood, that the Certificates or Orders so taken out shall be considered final and not afterwards changeable for other Certificates or Orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less than the number of lots or chests originally required to be included in each Certificate or Order.

10th.—No Sub-Treasurer's Receipts, or Deposit of Public Securities, under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the Purchaser in the Sale Book, or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such Purchaser, and the Securities so deposited will be returned when clearance has been made by the said Purchaser or his order.

11th.—The Officer Superintending the Sale on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time, a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid.

12th.—With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified, that the Officer of Government Superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first bonâ fide bidder for a lot, after it has been offered for Sale in the mode here described, shall be held and declared to be the Purchaser of the said lot, and the Officer of Government Superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper; provided always, that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2d Clause of these Conditions.

13th.—The Purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of twenty-five lots, and for the lots so purchased, the Purchaser shall deposit for each lot 25 per Cent. even money of the amount bid by him for the first lot, and pay the same price per chest as that for which he purchased his first lot; provided always, that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th.—In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th.—The following Papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date, by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1—Certificate of the Opium now advertized for Sale.

No. 2—Report of the Examination of such Opium.

16th.—The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for the years 1846-47, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the Drug when packed at Behar and Benares, and a statement of the average weight of the chests indiscriminately taken for the purpose of comparison from the dispatches on arrival at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the Purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th.—Any further information respecting weight or quality of the Opium advertised for sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium; but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the drug which may be preferred in reference to chests after the sale and delivery of the Opium for shipment.

18th.—The Public are hereby informed, that in addition to the quantity above mentioned, the following quantities more or less of Behar and Benares Opium of 1846-47, will be brought to sale in the present season on or about the dates specified below:

If the Agents of the French Government shall not make the requisition for Opium within the time above-mentioned the entire quantity of about 31,315 Chests of Behar and Benares as above estimated will be brought to Sale in the usual manner, and if they shall make application for a quantity of Opium to be delivered to them out of the quantity advertized for Sale at each or any of the Twelve Sales above-mentioned, but shall not pay for it within the prescribed period of payment, the Deputy Governor of Bengal reserves to himself the right of disposing of the Opium which the French Authorities may so fail to pay for either by increasing the quantity reserved at the Sale next ensuing the date of payment, or by

selling it at a Sale to be held expressly for the purpose.

Article of the Convention above referred to.

"Art. 6th.—With regard to the Trade in "Opium it is agreed be- "tween the high contract- "ing parties that at each "of the periodical Sales of that Article there shall "be reserved for the French Government, and "delivered upon requisition duly made by the "Agents of His Most Christain Majesty or by the "persons duly appointed by them, the number of "Chests so applied for, provided that such supply "shall not exceed three hundred Chests in each "year, and the price for the same shall be deter- "mined by the average rate at which Opium shall "have been sold at every such periodical Sale, it "being understood that if the quantity of Opium "applied for at any one time shall not be taken "on account of the French Government by the "Agents of His Most Christian Majesty within "the usual period of delivery the quantity so "applied for shall nevertheless be considered as "so much in reduction of the three hundred "Chests herein before-mentioned; the requisitions "for Opium as aforesaid are to be addressed to "the Governor General at Calcutta, within thirty "days after notice of the intended Sales shall "have been published in the Government Gazette."

By order of the Board of Customs, Salt and Opium,

CECIL BEADON, *Offg. Secy.*

W. EDWARDS,
*Under Secy. to the Govt. of India, with the Govr. Genl.*

*General Orders by the Right Hon'ble the Governor General of India.*

*Simla, 18th September*, 1847.—The Eighteen Regiments of Irregular Cavalry, now forming a component part of the Bengal Army, having been reduced to 500 Sowars each Regiment, the Right Hon'ble the Governor General is pleased to order that such of these Regiments as have not hitherto belonged to the Military Establishment shall be transferred to it from this date, and placed under the orders of His Excellency the Right Hon'ble the Commander in Chief.

The Governor General also directs that the system of employing one or more Regiments of Irregular Cavalry, exclusively in Civil Duties, shall, for the future, cease; and that the Irregular Regiments now so employed, viz. the 5th, the Bundlecund Regiment and the 15th, and all other Regiments which may hereafter be so employed, shall be periodically relieved in the same manner as any other Regiment, and in no case employed in such detached duty for a longer period than 3 years, nor be again thus employed until all other Regiments of Irregular Cavalry shall have performed their tour of Civil Duty.

The Bundelcund Regiment of Irregular Cavalry will take its place in the List of Irregular Regiments between the 9th and 10th Regiments, and will be numbered the 10th Regiment, the present 10th becoming the 11th, the 11th the 12th, and so on throughout the remaining Regiments.

When Regiments of Irregular Cavalry are employed on Civil Duties, it is clearly to be understood that the Military Authority in all matters of discipline, interior economy, promotion, enlistment of Men, and the providing of Horses, shall rest solely with His Excellency the Commander in Chief.

On the other hand, the Commandants of Regiments thus employed will at once comply with any requisitions which they may receive from the Civil or Political Functionaries of the District for any Duty whatsoever, without waiting for the sanction of the Military Officer in Command, who will not interfere with the directions given by the Civil Officer. If the order of the Civil Officer involves a permanent alteration in the distribution of the Regiment, the Military Officer will report to his Military superior, the orders he has received.

Monthly Returns of the strength and distribution of Regiments employed on Civil Duty, will be furnished periodically to the Civil and Political Functionaries.

Many instances having lately occurred wherein appeals against decisions of the Military Auditor General have been submitted for the Orders of Government, without due care having been taken to ascertain that the appellants had complied with existing regulations, and considerable inconvenience having resulted from these irregularities, the Right Hon'ble the Governor General is pleased to re-publish the following Orders:

2. His Lordship further directs that every Officer, the whole or any portion of whose bills may be retrenched or disallowed by the Military Auditor General, shall invariably furnish, through the Pay Department, such reply or explanation as may have been called for, or as may seem calculated to induce the Military Auditor General to pass the sums retrenched or disallowed; and no

Officer shall submit an appeal until, after consideration of the explanation afforded, the Military Auditor General shall have refused either to pass the claim, or to refer the question for the decision of Government.

3. It is further directed that, in all cases, authorities forwarding for the consideration of Government appeals against decisions of the Military Auditor General, shall satisfy themselves that such explanations or replies have been afforded by Officers on disallowance or retrenchment, and that the Military Auditor General has subsequently declined either to pass the items or refer the case himself to Government; a distinct notice to this effect should invariably be entered in every letter forwarding an appeal.

The duties of the Military Auditor General's Office being frequently obstructed by an extreme negligence on the part of Officers against whom retrenchments are made, in delaying to reply to them for a period far beyond that which the Regulations of Government prescribe, the following Extract from M. C., dated the 22d September 1785, is republished for general information to the Army:

Govt. G. O. 6th May 1820, Pay Regulations of 1845, page 856, Articles 198, 199.

"The Auditor General's decision for audits can only be laid aside by Government; his audits are to be irrevocable, unless representations against the retrenchments be made to him, through the channel of the Pay Master's Office, within two months after the Pay Master shall have notified them to the parties concerned."

"The proper channel of communication with the Government, on the subject of retrenchments, is through the Officers of Pay and Audit, and any deviation from the prescribed course, besides its irregularity, is productive of delay and inconvenience. It is only when the Military Auditor General objects to forward an appeal, that other means should be sought for obtaining the decision of Government."

GENERAL POST OFFICE, MAY 1847.

The Post Master General having been informed by the Court of Directors of the East India Company, that on and after the 1st June next, persons in this Country may forward private correspondence by the Government Express from Bombay to Calcutta and Madras, all persons desirous of availing themselves of this privilege, will be required to mark upon the covers of their letters the words "By Express from Bombay," and in addition to this special address, it will be necessary, that all letters intended to be forwarded by the way of Southampton, should be so endorsed as hitherto; the postage to be charged in India in the delivery of letters sent by this Express will be in addition to the ordinary Inland rates.

One Rupee for every letter not exceeding half a tola in weight.

Two Rupees for every letter above half a tola, but not exceeding one tola in weight.

Four Rupees for every letter above one tola, but not exceeding two tolas in weight, two tolas being the maximum weight of letters to be conveyed by Express.

On Newspapers, each Newspaper Office in Calcutta and Madras, will be allowed to receive two Newspapers at the ordinary rates of Inland postage, on all other Newspapers forwarded by Express a postage of five Rupees each will be charged, and no Newspaper will be received for the Express exceeding three tolas in weight.

N. B. One tola and a quarter is nearly equivalent to half an ounce avoirdupoise.

NOTICE.—With reference to the London Post Master General's Notification regarding the rates of postage to be charged upon Letters received from Bombay by the Government Express, which was published with a notice from this Office of yesterday's date, the following Letter since received from the Post Master General of Bombay on the subject, is also published for general information.

W. TAYLER,

*No.* 966 *of* 1847.

*General Department.*

To W. TAYLER, Esquire,
*Post Master General, Calcutta.*

SIR,—Adverting to my Letter, dated the 2d instant, I have the honor to suggest for your consideration, whether it would not be advisable to publish a Notice in the Calcutta Papers, intimating to the public generally, especially the Mercantile Community, that, if they desire their Overland Letters, to be forwarded on by the Government Overland Express, they should request their Correspondents to mark "per Express," and to keep within the *limited weight of two tolas;* and that, meanwhile, until the system becomes generally known, they ought to advise me, whether they wish any of their Letters, not so marked, to be sent on from Bombay by the Express.

2d.—By the last Express I dispatched as usual a number of Overland Letters, not especially marked, because, had I not done so, great disappointment would have been experienced by parties in Calcutta; but I intend to discontinue the practice, after a sufficient time has elapsed to admit of the public becoming aware of the privilege conceded by the Notification of May issued by the London General Post Office, and to dispa tch by the Overland Express those Letters only which are so marked.

3d.—The public ought moreover to be most especially warned not to mark "per Express" on letters *exceeding two tolas in weight*, because such letters cannot be so dispatched. They will invariably be detained (as was the case on the arrival of the last Mail,) for transmission by the post regular dawk, dispatched after the Express.

4th.—I shall feel much obliged by your favoring me with a list of "Newspaper Offices" in Calcutta, and by your informing the parties connected therewith that not more than two papers (whether sent out from England marked "per Express," or posted in Bombay to go by Express) will, in future, be forwarded by the Government Express. Some of the Newspaper Offices have as many as six Overland Papers marked "per Express," but, as they cannot be so forwarded, it is useless to have them so marked.

5th.—The new rule limits the weight of a Newspaper to 3 *tolas*, but, if that were acted up to, the Newspaper Offices would be deprived altogether of the privilege conceded by the Notification of May last, as an Overland Paper invariably weighs more than 3 and generally very nearly 6 tolas. I have therefore determined to send two Overland Papers to each Office, *without reference to that limit*, and shall continue the practice until I receive orders to the contrary from Government or the Home Authorities.

I have, &c.,

## STEAM TO DACCA AND GOWAHUTTEE IN ASSAM.

GOVERNMENT having decided on opening a Steam Communication with Gowahuttee in Assam *via* Dacca and Serajgunge, notice is hereby given, that the first boats for this line, a Steamer and a Flat, will be despatched on the 13th Proximo; and the communication be continued Monthly for THREE YEARS.

The following Regulations and Rates of Charge for accommodation of Passengers, and conveyance of Goods on the Government Boats employed in the above Navigation, are published for general information:

*Of Passage.*

All applications for Passage on the Government Boats proceeding to Dacca and Assam, must be made at the Boat Office in Calcutta, and all applications for Cabins on the Boats returning from Assam, must be made to the Steam Boat Agent at the nearest place to that of embarkation.

The distance between Calcutta and Gowahuttee is assumed to be 600 miles, and the distance from Calcutta to the different Stations as follows:

| | | |
|---|---|---|
| Burrisaul, | 200 | Miles. |
| Dacca, | 300 | „ |
| Seraj Gunge, | 400 | „ |
| Dewan Gunge, | 450 | „ |
| Bugwah, | 500 | „ |
| Gowalpara, | 550 | „ |
| Gowahuttee, | 600 | „ |

An Accommodation or a Cargo Boat will be employed in this line, as far as Dacca, the Steamer only going on to Gowahuttee until the demand for freight to and from places above Dacca is more than a Steamer can supply. In the first there are 3 classes of Cabins, but there will be no distinction in the charge, and the preference in the selection will be given to those who engage for the longest distances or otherwise, according to priority of application.

To Burrisaul or Dacca the charge will be Seventy-five Rupees, to Gowahuttee One Hundred and Fifty Rupees, or at the rate of Twenty-five Rupees for every 100 miles, of the estimated distance according to which the passage for intermediate distances will be rated.

One Servant is allowed to each Cabin occupied by one person, but if a Cabin be occupied by more than one person, an additional charge will be made of Nine Rupees, which will entitle the Cabin to a second Servant. All other extra Servants will be considered as Deck Passengers, the charge for which will be half an Anna per mile, or Eighteen Rupees Twelve Annas from Calcutta to Gowahuttee; Deck Passengers will pay Eighteen Rupees to Gowahuttee, or half an Anna a mile for any shorter distance.

The charge for passage on return voyages will be the same as above.

Passengers are allowed to carry such Baggage and Cabin Furniture within their Cabins as is necessary for the voyage; and this may include a Piano if required for use during the voyage and not in a packing case: but Pianos in packing cases and all other packages, as cases of Millinery, Saddlery, Glass and Earthen-ware, Beer and Wines, and other Stores, will be stowed in another part of the vessel; and to the extent of half a ton, or 25 cubic feet, be charged for at half the established rate of Freight; all in excess of half a ton will be charged at the full rate of Freight.

Deck Passengers are allowed one Roll of Bedding 2 feet wide, and a box of six cubic feet solid contents.

A Table is provided by the Commander at Four Rupees per Diem for each person, exclusive of Wines and Beer, which if provided by the Commander, are charged at regulated prices, of which a list is exhibited in the Dining Room, and all Refreshments required between the regular meals of Breakfast at ½ past 8, Biscuit, &c. at noon, Dinner at 3 P. M., and Tea and Coffee in the evening. Persons who provide their own Wines, will pay 3 annas for each cork drawn.

Children who do not come to the Table are provided at One Rupee per day, the same charge is made for Christian Servants.

Mussulman Servants may feed with the Crew, paying a rate of Two Annas per day. Hindoos must provide their own food.

The Passage Money, and a deposit of Four Rupees per day for the estimated term of the voyage, must be paid on engaging a passage, and any surplus of Table Money will be returned, or an additional charge be made by the Commander, as the voyage may fall short of or exceed the time for which the deposit was calculated. Half the Passage Money, and half the Table Money become forfeit by persons who relinquish a passage after having engaged it.

The despatch of Boats will be duly advertized, and if any change in the Boats occurs, Accommodation or Freight engaged for the one advertized, will be assigned on the one substituted.

*Of Freight.*

All Goods intended for shipment on the Government Boats must be sent to the Boat Office, in Church Lane, Calcutta, between the hours of Ten and Four, Sundays, Christmas Days, and Good Fridays excepted.

Goods will not be received for shipment unless they be addressed to a resident at the place at which they are to be delivered from the Boats. The direction must be marked on something not liable to be destroyed by vermin, and from which it may not easily be obliterated. A direction written on a card or marked with ink on a tin box, would be liable to the above objection.

The Boat Office will not be responsible for any damage or loss that may be occasioned by accident to the vessel or other cause whatever, not traceable to negligence or mismanagement of those belonging to the vessel.

All Goods sent to the Boat Office must be accompanied by a note, with suitable direction for the guidance of the Officers of the Department.

Goods not applied for on board the Boat by the Consignee, will be carried on and charged with additional freight, unless addressed to the Steam Agent, in which case they will be delivered to him. It must be understood, however, that although all persons are at liberty to consign their goods to the Steam Agent of the stations at which they are to be landed, *the Government is not responsible for such Steam Agent, or for the safety of the goods after the delivery of the same to the Consignee or to his order, whether such Consignee be the Steam Agent or any other person.* Goods intended for the final station, if not applied for within 24 hours after the Boat's arrival there, will be delivered to the Steam Agent at the risk of the shipper.

Freight on all Packages, excepting Treasure laden in Calcutta, or for which tonnage is reserved in Calcutta, and which do not exceed in weight 35lbs. per cubic foot, will be charged by the cubic foot.

Packages exceeding thirty-five pounds, or 17½ seers per cubic foot, will be charged by the weight.

*From Calcutta,*

| | Per Foot. | Per Seer.* |
|---|---|---|
| To Burrisaul,..... „ Dacca, ..... | 8 Ans. | 6 Pie. |
| „ Seraj Gunge, ..... „ Dewangunge, ..... „ Bugwah, ..... | 12 Ans. | 9 Pie. |
| „ Gowalpara, ..... „ Gowahuttee,..... | 1 R. | 12 Pie. |

For intermediate distances upwards for Goods not shipped in Calcutta, 3 annas per foot, and 2 pie per seer or 1 pie per pound, will be charged for every 100 miles.

The charge for Freight downwards will be 6 annas per maund for all distances above Dacca; articles weighing less than 35 lbs. or 17½ seers per cubic foot, to be charged by measurement at 4 annas per foot. From Dacca and places near Calcutta, 5 annas per maund, 2½ annas per foot.

*Dispatch of Boats, and probable dates of Arrival at different Places.*

It is intended that the Boats shall leave Calcutta the 13th of every month, except when the 13th falls on a Sunday, when they will be dispatched on the 12th. The following is the estimated time the Boats will take, and the date on which they will probably arrive at the different Stations up and down, leaving Calcutta on the 13th to get back there, by the 9th the boats will reach—

| Sheep or Dogs, Goats, ..... | 8† | If ditto at Rs. 2 ditto. |

* Goods will be charged by European or native weights, as they are entered in the Controller's or in the Steam Agent's Office; the charge per lb. will be half that per seer.

† Exclusive of the Groom or Keeper, who is to be considered a Deck Passenger, and charged as such according to the usual rate. The Shippers are to supply the food, and be at the expence of making the Stalls.

If brought down to the Presidency are charged 2-3rd of the upward freight.

*Freight on Treasure.*

To Burrisaul or Dacca,..... ¼ per cent.
To any distance beyond, ..... ⅓d ditto.

Intermediate ditto Two Pie per mile per thousand.

Freight on Copper Coins will be charged by the weight at 8 Pie per [illegible] from Calcutta—and down and intermediately, the same as on weighable Goods.

Treasure is deliverable to the Bill of Lading only, and parties neglecting to apply for Treasure will be subjected to additional Freight for the distance it may become necessary to carry it in consequence of their negligence.

Applications for Freight on the Vessel downward must be made to the Steam Boat Agent at Gowahuttee or Seraj Gunge, or at the nearest Station, by letter, describing the Goods to be despatched, their weight and measurement.

The Steam Agent will in reply, name the Boat in which he assigns tonnage, and if from any cause, as damage to the Boat, deviation from her intended voyage on unexpected demand on account of Government, a circumstance likely seldom to occur, the tonnage should be rendered non-available, the party for whom such tonnage has been registered must bear the inconvenience, and he will have no claim for indemnification by assignment of Freight in another Vessel to the detriment of any other person who may have engaged tonnage subsequently to the disappointed party, whose right to tonnage will be limited to such as may be available in the Vessel previously named, but in that Vessel, the claim to such tonnage as may remain available will be acknowledged according to priority of application. Thus the entire tonnage of a Boat may have been assigned in rotation by the Steam Agent to A. B. and C., after which the Government unexpectedly make a demand for more or less, the remaining portion will go to satisfy the claim of A. then of B. &c. The latter applications being thrown out partially or wholly, as the case may be.

The Agent will be instructed to acknowledge the applications made to him for tonnage in the following terms:—"Sir, in reply to your letter of the I beg to say tonnage for chests of Indigo and maunds of Sugar is assigned to you on the Registered No. of application."

The Agent is instructed to keep a correct Register of daily assignments, and to transmit a copy daily to the Controller of Steam Vessels.

The Boats will make the following stoppages, at different stations, during daylight:

| | | |
|---|---|---|
| At Burrisaul, . . . | 3 | hours. |
| „ Dacca, . . . . | 4 | ditto. |
| „ Seraj Gunge, . . . | 4 | ditto. |
| „ Dewan Gunge, . . | 3 | ditto. |
| „ Bugwah, . . . | 3 | ditto. |
| „ Gowalpara, . . . | 3 | ditto. |
| „ Gowahuttee, . . . | 48 | ditto, clear. |

Should Freight not be ready for shipment on the arrival of the Boat at the several stations, the Commander of the Steamer will have peremptory orders to proceed to the next Station.

Treasure laden on a Boat whose progress is arrested, will be retained on board until the Boat is enabled to proceed to her destination, unless the

Consignees holding the Bill of Lading of such Treasure may require its delivery, giving a full acquittance for the Treasure, and receiving such difference of Freight as may have been paid in excess of what would have been charged for conveyance of such Treasure to the place of its delivery.

The Steam Agents at the different Stations make no charge for landing Goods from the Boats into their Godowns; nor for shipping Goods delivered into their Godowns, provided such Goods are not merchandise, intended for traffick, nor animals nor machines for conveyance; for all such they will charge the following rates:

For embarking or landing a Horse, Cow or Bull, Rs. 2.

A Calf, Dog, Sheep, or Goat with or without Kid, Annas 2.

A Barouche, Phaeton, Palankeen Carriage, Britzka, Rs. 3.

A Buggy or Palankeen, Rupee 1.

A Box, Bale, Chest or Cask, large or small, Annas 2.

A bag of Sugar or Saltpetre ditto ditto Anna 1.

When Goods are consigned to Calcutta, it is optional with Shippers to pay the Freight or to leave the same to be collected on delivery of the Goods. Freight must be paid to the Agent or Commander of the Boat for all Goods shipped away from Calcutta, and not deliverable at Calcutta. And no Packages will be received into the Boat Office for transmission on which Freight is not paid at the time.

JAS. SUTHERLAND,

## NOTIFICATION.

*Fort William, the 27th September*, 1847.

OPIUM.—Notice is hereby given, that on Monday, the 29th November, 1847, at the hour of Eleven o'Clock in the forenoon, will be put up to Sale at the Exchange Rooms, at Calcutta, and sold by Public Auction, for Exportation by Sea, the undermentioned quantity of Opium, the provision of 1846-47, subject to the following Conditions, viz.

| | | |
|---|---|---|
| Produce of Behar Agency, | Chests | 1,830 |
| Ditto of Benares ditto, | „ | 780 |
| Total Chests, | | 2,610 |

### CONDITIONS OF SALE.

1st.—The Opium will be sold for Exportation by Sea only, and no Certificate will be granted except to cover such Export.

2d —The Opium will be ordinarily offered for Sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price; except under the circumstances for which provision is made by Clause 12th of the Conditions of Sale.

3d.—The Sale shall commence at the hour of 11 A. M., and shall not be continued after the hour of 5 P. M; but if at that hour any of the lots advertized for Sale shall remain unsold, the Sale may at the discretion of the Board of Customs, Salt and Opium, be resumed on the next day following (not being Sunday or a public Holiday) at the hour of 11 A. M., and so on until the whole of the remaining lots are disposed of; or, if the quantity of 2,610 Chests shall not be sold on the day advertized, the Board may dispose of the Lots which remain on hand at a future Sale.

4th.—Each Lot to contain Five Chests.

5th.—A deposit in a Promissory Note for 25 per Cent. even money of the amount for which each lot is knocked down, shall be made by the purchaser in the Sale Room, and before the lot is Registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the Purchasers at this Office, by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'Clock of the afternoon of Wednesday, the 1st December 1847; or on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid, shall have been delivered in, shall be re-sold at such time or times, and under such conditions of re-sale as the Board of Customs, Salt and Opium, shall see fit, and all loss and expences whatsoever attending such re-sale, shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6th.—The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 1st December 1847, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7th.—No Tender of Money, Sub-Treasurer's Receipts or Public Securities, on account of Opium, upon which the prescribed deposit may not have been made before 4 o'Clock of the 1st December, will be afterwards accepted.

8th.—The Opium now advertised for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Tuesday the 14th December 1847, and in case any lots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or any Public Securities that may have been deposited on account of such lots or chests, shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium, shall think fit, and the first Purchaser shall further be required to make good any loss or difference of price between that obtained at the re-sale, and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9th.—Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood, that the Certificates or Orders so taken out shall be considered final and not afterwards changeable for other Certificates or Orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less than the number of lots or chests originally required to be included in each Certificate or Order.

10th.—No Sub-Treasurer's Receipts, or Deposit of Public Securities, under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the Purchaser in the Sale Book, or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such Purchaser, and the Securities so deposited will be returned when clearance has been made by the said Purchaser or his order.

11th.—The Officer Superintending the Sale on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time, a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid.

12th.—With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified, that the Officer of Government Superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first bonâ fide bidder for a lot, after it has been offered for Sale in the mode here described, shall be held and declared to be the Purchaser of the said lot, and the Officer of Government Superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper; provided always, that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2d Clause of these Conditions.

13th.—The Purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of twenty-five lots, and for the lots so purchased, the Purchaser shall deposit for each lot 25 per Cent. even money of the amount bid by him for the first lot, and pay the same price per chest as that for which he purchased his first lot; provided always, that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th.—In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th.—The following Papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date, by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1—Certificate of the Opium now advertized for Sale.

No. 2—Report of the Examination of such Opium.

16th.—The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for the years 1846-47, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the Drug when packed at Behar and Benares, and a statement of the average weight of the chests indiscriminately taken for the purpose of comparison from the dispatches on arrival at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the Purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th.—Any further information respecting weight or quality of the Opium advertised for sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium; but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the drug which may be preferred in reference to chests after the sale and delivery of the Opium for shipment.

18th.—The Public are hereby informed, that in addition to the quantity above mentioned, the following quantities more or less of Behar and Benares Opium of 1846-47, will be brought to sale

If the Agents of the French Government shall not make the requisition for Opium within the time above-mentioned the entire quantity of about 31,315 Chests of Behar and Benares as above estimated will be brought to Sale in the usual manner, and if they shall make application for a quantity of Opium to be delivered to them out of the quantity advertized for Sale at each or any of the Twelve Sales above-mentioned, but shall not pay for it within the prescribed period of payment, the Deputy Governor of Bengal reserves to himself the right of disposing of the Opium which the French Authorities may so fail to pay for either by increasing the quantity reserved at the Sale next ensuing the date of payment, or by selling it at a Sale to be held expressly for the purpose.

Article of the Convention above referred to.

"Art. 6th.—With regard to the Trade in "Opium it is agreed be- "tween the high contract- "ing parties that at each "of the periodical Sales of that Article there shall "be reserved for the French Government, and "delivered upon requisition duly made by the "Agents of His Most Christain Majesty or by the "persons duly appointed by them, the number of "Chests so applied for, provided that such supply "shall not exceed three hundred Chests in each "year, and the price for the same shall be deter- "mined by the average rate at which Opium shall "have been sold at every such periodical Sale, it "being understood that if the quantity of Opium "applied for at any one time shall not be taken "on account of the French Government by the "Agents of His Most Christian Majesty within "the usual period of delivery the quantity so "applied for shall nevertheless be considered as "so much in reduction of the three hundred "Chests herein before-mentioned; the requisitions "for Opium as aforesaid are to be addressed to "the Governor General at Calcutta, within thirty "days after notice of the intended Sales shall "have been published in the Government Gazette."

By order of the Board of Customs, Salt and Opium,

NOTICE.—With reference to the London Post Master General's Notification regarding the rates of postage to be charged upon Letters received from Bombay by the Government Express. which was published with a notice from this Office of yesterday's date, the following Letter since received from the Post Master General of Bombay on the subject, is also published for general information.

*No.* 966 *of* 1847.

*General Department.*

To W. TAYLER, Esquire,
*Post Master General, Calcutta.*

SIR,—Adverting to my Letter, dated the 2d instant, I have the honor to suggest for your consideration, whether it would not be advisable to publish a Notice in the Calcutta Papers, intimating to the public generally, especially the Mercantile Community, that, if they desire their Overland Letters, to be forwarded on by the Government Overland Express, they should request their Correspondents to mark "per Express," and to keep within the *limited weight of two tolas;* and that, meanwhile, until the system becomes generally known, they ought to advise me, whether they wish any of their Letters, not so marked, to be sent on from Bombay by the Express.

2d.—By the last Express I dispatched as usual a number of Overland Letters, not especially marked, because, had I not done so, great disappointment would have been experienced by parties in Calcutta; but I intend to discontinue the practice, after a sufficient time has elapsed to admit of the public becoming aware of the privilege conceded by the Notification of May issued by the London General Post Office, and to dispatch by the Overland Express those Letters only which are so marked.

3d.—The public ought moreover to be most especially warned not to mark "per Express" on letters *exceeding two tolas in weight,* because such letters cannot be so dispatched. They will invariably be detained (as was the case on the arrival of the last Mail,) for transmission by the post regular dawk, dispatched after the Express.

4th.—I shall feel much obliged by your favoring me with a list of "Newspaper Offices" in Calcutta, and by your informing the parties connected therewith that not more than two papers (whether sent out from England marked "per Express," or posted in Bombay to go by Express) will, in future, be forwarded by the Government Express. Some of the Newspaper Offices have as many as six Overland Papers marked "per Express," but, as they cannot be so forwarded, it is useless to have them so marked.

5th.—The new rule limits the weight of a Newspaper to 3 *tolas*, but, if that were acted up to, the Newspaper Offices would be deprived altogether of the privilege conceded by the Notification of May last, as an Overland Paper invariably weighs more than 3 and generally very nearly 6 tolas. I have therefore determined to send two Overland Papers to each Office, *without reference to that limit,* and shall continue the practice until I receive orders to the contrary from Government or the Home Authorities.

I have, &c.,

(Sd.) A. W. RAVENSCROFT,

## STEAM TO DACCA AND GOWAHUTTEE IN ASSAM.

GOVERNMENT having decided on opening a Steam Communication with Gowahuttee in Assam *via* Dacca and Serajgunge, notice is hereby given, that the first boats for this line, a Steamer and a Flat, will be despatched on the 13th Proximo; and the communication be continued Monthly for THREE YEARS.

The following Regulations and Rates of Charge for accommodation of Passengers, and conveyance of Goods on the Government Boats employed in the above Navigation, are published for general information:

*Of Passage.*

All applications for Passage on the Government Boats proceeding to Dacca and Assam, must be made at the Boat Office in Calcutta, and all applications for Cabins on the Boats returning from Assam, must be made to the Steam Boat Agent at the nearest place to that of embarkation.

The distance between Calcutta and Gowahuttee is assumed to be 600 miles, and the distance from Calcutta to the different Stations as follows:

| | | |
|---|---|---|
| Burrisaul, | 200 | Miles. |
| Dacca, | 300 | „ |
| Seraj Gunge, | 400 | „ |
| Dewan Gunge, | 450 | „ |
| Bugwah, | 500 | „ |
| Gowalpara, | 550 | „ |
| Gowahuttee, | 600 | „ |

An Accommodation or a Cargo Boat will be employed in this line, as far as Dacca, the Steamer only going on to Gowahuttee until the demand for freight to and from places above Dacca is more than a Steamer can supply. In the first there are 3 classes of Cabins, but there will be no distinction in the charge, and the preference in the selection will be given to those who engage for the longest distances or otherwise, according to priority of application.

To Burrisaul or Dacca the charge will be Seventy-five Rupees, to Gowahuttee One Hundred and Fifty Rupees, or at the rate of Twenty-five Rupees for every 100 miles, of the estimated distance according to which the passage for intermediate distances will be rated.

One Servant is allowed to each Cabin occupied by one person, but if a Cabin be occupied by more than one person, an additional charge will be made of Nine Rupees, which will entitle the Cabin to a second Servant. All other extra Servants will be considered as Deck Passengers, the charge for which will be half an Anna per mile, or Eighteen Rupees Twelve Annas from Calcutta to Gowahuttee; Deck Passengers will pay Eighteen Rupees to Gowahuttee, or half an Anna a mile for any shorter distance.

The charge for passage on return voyages will be the same as above.

Passengers are allowed to carry such Baggage and Cabin Furniture within their Cabins as is necessary for the voyage; and this may include a Piano if required for use during the voyage and not in a packing case: but Pianos in packing cases and all other packages, as cases of Millinery, Saddlery, Glass and Earthen-ware, Beer and Wines, and other Stores, will be stowed in another part of the vessel; and to the extent of half a ton, or 25 cubic feet, be charged for at half the established rate of Freight; all in excess of half a ton will be charged at the full rate of Freight.

Deck Passengers are allowed one Roll of Bedding 2 feet wide, and a box of six cubic feet solid contents.

A Table is provided by the Commander at Four Rupees per Diem for each person, exclusive of Wines and Beer, which if provided by the Commander, are charged at regulated prices, of which a list is exhibited in the Dining Room, and all Refreshments required between the regular meals of Breakfast at ½ past 8, Biscuit, &c. at noon, Dinner at 3 P. M., and Tea and Coffee in the evening. Persons who provide their own Wines, will pay 3 annas for each cork drawn.

Children who do not come to the Table are provided at One Rupee per day, the same charge is made for Christian Servants.

Mussulman Servants may feed with the Crew, paying a rate of Two Annas per day. Hindoos must provide their own food.

The Passage Money, and a deposit of Four Rupees per day for the estimated term of the voyage, must be paid on engaging a passage, and any surplus of Table Money will be returned, or an additional charge be made by the Commander, as the voyage may fall short of or exceed the time for which the deposit was calculated. Half the Passage Money, and half the Table Money become forfeit by persons who relinquish a passage after having engaged it.

The despatch of Boats will be duly advertized, and if any change in the Boats occurs, Accommodation or Freight engaged for the one advertized, will be assigned on the one substituted.

*Of Freight.*

All Goods intended for shipment on the Government Boats must be sent to the Boat Office, in Church Lane, Calcutta, between the hours of Ten and Four, Sundays, Christmas Days, and Good Fridays excepted.

Goods will not be received for shipment unless they be addressed to a resident at the place at which they are to be delivered from the Boats. The direction must be marked on something not liable to be destroyed by vermin, and from which it may not easily be obliterated. A direction written on a card or marked with ink on a tin box, would be liable to the above objection.

The Boat Office will not be responsible for any damage or loss that may be occasioned by accident to the vessel or other cause whatever, not traceable to negligence or mismanagement of those belonging to the vessel.

All Goods sent to the Boat Office must be accompanied by a note, with suitable direction for the guidance of the Officers of the Department.

Goods not applied for on board the Boat by the Consignee, will be carried on and charged with additional freight, unless addressed to the Steam Agent, in which case they will be delivered to him. It must be understood, however, that although all persons are at liberty to consign their goods to the Steam Agent of the stations at which they are to be landed, *the Government is not responsible for such Steam Agent, or for the safety of the goods after the delivery of the same to the Consignee or to his order, whether such Consignee be the Steam Agent or any other person.* Goods intended for the final station, if not applied for within 24 hours after the Boat's arrival there, will be delivered to the Steam Agent at the risk of the shipper.

Freight on all Packages, excepting Treasure laden in Calcutta, or for which tonnage is reserved in Calcutta, and which do not exceed in weight 35lbs. per cubic foot, will be charged by the cubic foot.

Packages exceeding thirty-five pounds, or 17½ seers per cubic foot, will be charged by the weight.

*From Calcutta,*

| | Per Foot. | Per Seer. |

The charge for Freight downwards will be 6 annas per maund for all distances above Dacca; articles weighing less than 35 lbs. or 17½ seers per cubic foot, to be charged by measurement at 4 annas per foot. From Dacca and places near Calcutta, 5 annas per maund, 2½ annas per foot.

*Dispatch of Boats, and probable dates of Arrival at different Places.*

It is intended that the Boats shall leave Calcutta the 13th of every month, except when the 13th falls on a Sunday, when they will be dispatched on the 12th. The following is the estimated time the Boats will take, and the date on which they will probably arrive at the different Stations up and down, leaving Calcutta on the 13th to get back there, by the 9th the boats will reach—

* Goods will be charged by European or native weights, as they are entered in the Controller's or in the Steam Agent's Office; the charge per lb. will be half that per seer.

† Exclusive of the Groom or Keeper, who is to be considered a Deck Passenger, and charged as such according to the usual rate. The Shippers are to supply the food, and be at the expence of making the Stalls.

If brought down to the Presidency are charged 2-3rd of the upward freight.

*Freight on Treasure.*

To any distance beyond, ..... ⅓d ditto.

Intermediate ditto Two Pie per mile per thousand.

Freight on Copper Coins will be charged by the weight at 8 Pie per lb. from Calcutta—and down and intermediately, the same as on weighable Goods.

Treasure is deliverable to the Bill of Lading only, and parties neglecting to apply for Treasure will be subjected to additional Freight for the distance it may become necessary to carry it in consequence of their negligence.

Applications for Freight on the Vessel downward must be made to the Steam Boat Agent at Gowahuttee or Seraj Gunge, or at the nearest Station, by letter, describing the Goods to be despatched, their weight and measurement.

The Steam Agent will in reply, name the Boat in which he assigns tonnage, and if from any cause, as damage to the Boat, deviation from her intended voyage on unexpected demand on account of Government, a circumstance likely seldom to occur, the tonnage should be rendered non-available, the party for whom such tonnage has been registered must bear the inconvenience, and he will have no claim for indemnification by assignment of Freight in another Vessel to the detriment of any other person who may have engaged tonnage subsequently to the disappointed party, whose right to tonnage will be limited to such as may be available in the Vessel previously named, but in that Vessel, the claim to such tonnage as may remain available will be acknowledged according to priority of application. Thus the entire tonnage of a Boat may have been assigned in rotation by the Steam Agent to A. B. and C., after which the Government unexpectedly make a demand for more or less, the remaining portion will go to satisfy the claim of A, then of B. &c. The latter applications being thrown out partially or wholly, as the case may be.

The Agent will be instructed to acknowledge the applications made to him for tonnage in the following terms:—"Sir, in reply to your letter of the I beg to say tonnage for chests of Indigo and maunds of Sugar is assigned to you on the Registered No. of application."

The Agent is instructed to keep a correct Register of daily assignments, and to transmit a copy daily to the Controller of Steam Vessels.

The Boats will make the following stoppages, at different stations, during daylight;

| | | |
|---|---|---|
| At Burrisaul, . . . | 3 | hours. |
| „ Dacca, . . . . | 4 | ditto. |
| „ Seraj Gunge, . . . | 4 | ditto. |
| „ Dewan Gunge, . . | 3 | ditto. |
| „ Bugwah, . . . | 3 | ditto. |
| „ Gowalpara, . . . | 3 | ditto. |
| „ Gowahuttee, . . . | 48 | ditto, clear. |

Should Freight not be ready for shipment on the arrival of the Boat at the several stations, the Commander of the Steamer will have peremptory orders to proceed to the next Station.

Treasure laden on a Boat whose progress is arrested, will be retained on board until the Boat is enabled to proceed to her destination, unless the

Consignees holding the Bill of Lading of such Treasure may require its delivery, giving a full acquittance for the Treasure, and receiving such difference of Freight as may have been paid in excess of what would have been charged for conveyance of such Treasure to the place of its delivery.

The Steam Agents at the different Stations make no charge for landing Goods from the Boats into their Godowns; nor for shipping Goods delivered into their Godowns, provided such Goods are not merchandise, intended for traffick, nor animals nor machines for conveyance; for all such they will charge the following rates:

For embarking or landing a Horse, Cow or Bull, Rs. 2.

A Calf, Dog, Sheep, or Goat with or without Kid, Annas 2.

When Goods are consigned to Calcutta, it is optional with Shippers to pay the Freight or to leave the same to be collected on delivery of the Goods. Freight must be paid to the Agent or Commander of the Boat for all Goods shipped away from Calcutta, and not deliverable at Calcutta. And no Packages will be received into the Boat Office for transmission on which Freight is not paid at the time.

2d.—The Opium will be ordinarily offered for Sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price; except under the circumstances for which provision is made by Clause 12th of the Conditions of Sale.

3d.—The Sale shall commence at the hour of 11 A. M., and shall not be continued after the hour of 5 P. M; but if at that hour any of the lots advertized for Sale shall remain unsold, the Sale may at the discretion of the Board of Customs, Salt and Opium, be resumed on the next day following (not being Sunday or a public Holiday) at the hour of 11 A. M., and so on until the whole of the remaining lots are disposed of; or, if the quantity of 2,610 Chests shall not be sold on the day advertized, the Board may dispose of the Lots which remain on hand at a future Sale.

4th.—Each Lot to contain Five Chests.

5th.—A deposit in a Promissory Note for 25 per Cent. even money of the amount for which each lot is knocked down, shall be made by the purchaser in the Sale Room, and before the lot is Registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of

the Purchasers at this Office, by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'Clock of the afternoon of Wednesday, the 1st December 1847; or on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid, shall have been delivered in, shall be re-sold at such time or times, and under such conditions of re-sale as the Board of Customs, Salt and Opium, shall see fit, and all loss and expences whatsoever attending such re-sale, shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6th.—The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 1st December 1847, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

M. of Tuesday the 14th December 1847, and in case any lots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or any Public Securities that may have been deposited on account of such lots or chests, shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium, shall think fit, and the first Purchaser shall further be required to make good any loss or difference of price between that obtained at the re-sale, and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9th.—Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood, that the Certificates or Orders so taken out shall be considered final and not afterwards changeable for other Certificates or Orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less than the number of lots or chests originally required to be included in each Certificate or Order.

10th.—No Sub-Treasurer's Receipts, or Deposit of Public Securities, under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the Purchaser in the Sale Book, or his authorized Agent. 11th.—The Officer Superintending the Sale on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time, a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid.

12th.—With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified, that the Officer of Government Superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first bonâ fide bidder for a lot, after it has been offered for Sale in the mode here described, shall be held and declared to be the Purchaser of the said lot, and the Officer of Government Superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper; provided always, that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2d Clause of these Conditions.

13th.—The Purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of twenty-five lots, and for the lots so purchased, the Purchaser shall deposit for each lot 25 per Cent. even money of the amount bid by him for the first lot, and pay the same price per chest as that for which he purchased his first lot; provided always, that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th.—In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th.—The following Papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date, by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1—Certificate of the Opium now advertized for Sale.

No. 2—Report of the Examination of such Opium.

16th.—The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for the years 1846-47, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the Drug when packed at Behar and Benares, and a statement of the average weight of the chests indiscriminately taken for the purpose of comparison from the dispatches on arrival at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the Purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th.—Any further information respecting weight or quality of the Opium advertised for sale, that

may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium; but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the drug which may be preferred in reference to chests after the sale and delivery of the Opium for shipment.

18th.—The Public are hereby informed, that in addition to the quantity above mentioned, the following quantities more or less of Behar and Benares Opium of 1846-47, will be brought to sale in the present season on or about the dates specified below:

If the Agents of the French Government shall not make the requisition for Opium within the time above-mentioned the entire quantity of about 31,315 Chests of Behar and Benares as above estimated will be brought to Sale in the usual manner, and if they shall make application for a quantity of Opium to be delivered to them out of the quantity advertized for Sale at each or any of the Twelve Sales above-mentioned, but shall not pay for it within the prescribed period of payment, the Deputy Governor of Bengal reserves to himself the right of disposing of the Opium which the French Authorities may so fail to pay for either by increasing the quantity reserved at the Sale next ensuing the date of payment, or by selling it at a Sale to be held expressly for the purpose.

Article of the Convention above referred to.

"Art. 6th.—With regard to the Trade in "Opium it is agreed be- "tween the high contract- "ing parties that at each "of the periodical Sales of that Article there shall "be reserved for the French Government, and "delivered upon requisition duly made by the "Agents of His Most Christain Majesty or by the "persons duly appointed by them, the number of "Chests so applied for, provided that such supply "shall not exceed three hundred Chests in each "year, and the price for the same shall be deter- "mined by the average rate at which Opium shall "have been sold at every such periodical Sale, it "being understood that if the quantity of Opium "applied for at any one time shall not be taken "on account of the French Government by the "Agents of His Most Christian Majesty within "the usual period of delivery the quantity so "applied for shall nevertheless be considered as "so much in reduction of the three hundred "Chests herein before-mentioned; the requisitions "for Opium as aforesaid are to be addressed to "the Governor General at Calcutta, within thirty "days after notice of the intended Sales shall "have been published in the Government Gazette."

*Fort William, 9th October*, 1847.—*No.* 300 *of* 1847.—To ensure uniformity in the Registry and payment of all Native Military Out-Pensioners, and to bring the amount of all Pensionary charges on the proper accounts of the Pension Establishment, the Hon'ble the President of the Council of India in Council, with the concurrence of the Right Hon'ble the Governor General of India, is

pleased to resolve that all Native Military Out-Pensioners who are specially exempted from personal attendance on Pension Pay Masters, and allowed to receive their Stipends from Civil Treasuries, or from the Treasuries of Deputy Pay Masters, shall immediately be brought upon the Rolls of Pension Pay Masters, in common with other Pensioners receiving stipends direct from them, and also to direct that monthly payments or payments at irregular intervals be discontinued, and that from the 1st November next, Pensions be disbursed half yearly only, agreeably to the established Rule laid down in G. 5. The attention of all disbursing Officers is called to the Orders of Government of the 2d September 1842, which direct, that arrears for six months only, of the period for which Pensions may become forfeited, for neglect of attendance, are to be allowed, and therefore, without the special sanction of Government no Pensioner can be entitled to receive in one amount, Pension for a longer period than twelve months, viz. six months Pension for the half year, in course of payment, and when entitled thereto, six months of arrears.

6. This Order is intended in no way to release the disbursing Officers from the responsibility they are charged with in G. G. O. of the 16th September 1824, as regards the careful identification and payment of each individual Pensioner, or from the necessity of attesting every Bill, strictly, according to the Form prescribed therein, except in those special cases of exemption from personal attendance contemplated by G. G. O. 13th September 1822, and referred to in G. G. O. 31st January 1829, when the declaration of the disbursing Officer will require to be modified accordingly, and the certificate furnished by the absentee of his inability to attend in person, from severe indisposition, will be attached to the Bill, as a voucher for the disbursement.

*No.* 966 *of* 1847.

*General Department.*

To W. TAYLER, Esquire,
*Post Master General, Calcutta.*

SIR,—Adverting to my Letter, dated the 2d instant, I have the honor to suggest for your consideration, whether it would not be advisable to publish a Notice in the Calcutta Papers, intimating to the public generally, especially the Mercantile Community, that, if they desire their Overland Letters, to be forwarded on by the Government Overland Express, they should request their Correspondents to mark "per Express," and to keep within the *limited weight of two tolas;* and that, meanwhile, until the system becomes generally known, they ought to advise me, whether they wish any of their Letters, not so marked, to be sent on from Bombay by the Express.

2d.—By the last Express I dispatched as usual a number of Overland Letters, not especially marked, because, had I not done so, great disappointment would have been experienced by parties in Calcutta; but I intend to discontinue the practice, after a sufficient time has elapsed to admit of the public becoming aware of the privilege conceded by the Notification of May issued by the London General Post Office, and to dispatch by the Overland Express those Letters only which are so marked.

3d.—The public ought moreover to be most especially warned not to mark "per Express" on letters *exceeding two tolas in weight*, because such letters cannot be so dispatched. They will invariably be detained (as was the case on the arrival of the last Mail,) for transmission by the post regular dawk, dispatched after the Express.

4th.—I shall feel much obliged by your favoring me with a list of "Newspaper Offices" in Calcutta, and by your informing the parties connected therewith that not more than two papers (whether sent

out from England marked "per Express," or posted in Bombay to go by Express) will, in future, be forwarded by the Government Express. Some of the Newspaper Offices have as many as six Overland Papers marked "per Express," but, as they cannot be so forwarded, it is useless to have them so marked.

5th.—The new rule limits the weight of a Newspaper to 3 *tolas*, but, if that were acted up to, the Newspaper Offices would be deprived altogether of the privilege conceded by the Notification of May last, as an Overland Paper invariably weighs more than 3 and generally very nearly 6 tolas. I have therefore determined to send two Overland Papers to each Office, *without reference to that limit*, and shall continue the practice until I receive orders to the contrary from Government or the Home Authorities.

I have, &c.,

## STEAM TO DACCA AND GOWAHUTTEE IN ASSAM.

GOVERNMENT having decided on opening a Steam Communication with Gowahuttee in Assam *via* Dacca and Serajgunge, notice is hereby given, that the first boats for this line, a Steamer and a Flat, will be despatched on the 13th Proximo; and the communication be continued Monthly for THREE YEARS.

The following Regulations and Rates of Charge for accommodation of Passengers, and conveyance of Goods on the Government Boats employed in the above Navigation, are published for general information:

*Of Passage.*

All applications for Passage on the Government Boats proceeding to Dacca and Assam, must be made at the Boat Office in Calcutta, and all applications for Cabins on the Boats returning from Assam, must be made to the Steam Boat Agent at the nearest place to that of embarkation.

The distance between Calcutta and Gowahuttee is assumed to be 600 miles, and the distance from Calcutta to the different Stations as follows:

| | | |
|---|---|---|
| Burrisaul,..... | 200 | Miles. |
| Dacca,..... | 300 | „ |
| Seraj Gunge,..... | 400 | „ |
| Dewan Gunge,..... | 450 | „ |
| Bugwah,..... | 500 | „ |
| Gowalpara,..... | 550 | „ |
| Gowahuttee,..... | 600 | „ |

An Accommodation or a Cargo Boat will be employed in this line, as far as Dacca, the Steamer only going on to Gowahuttee until the demand for freight to and from places above Dacca is more than a Steamer can supply. In the first there are 3 classes of Cabins, but there will be no distinction in the charge, and the preference in the selection will be given to those who engage for the longest distances or otherwise, according to priority of application.

To Burrisaul or Dacca the charge will be Seventy-five Rupees, to Gowahuttee One Hundred and Fifty Rupees, or at the rate of Twenty-five Rupees for every 100 miles, of the estimated distance according to which the passage for intermediate distances will be rated.

One Servant is allowed to each Cabin occupied by one person, but if a Cabin be occupied by more than one person, an additional charge will be made of Nine Rupees, which will entitle the Cabin to a second Servant. All other extra Servants will be considered as Deck Passengers, the charge for which will be half an Anna per mile, or Eighteen Rupees Twelve Annas from Calcutta to Gowahuttee; Deck Passengers will pay Eighteen Rupees to Gowahuttee, or half an Anna a mile for any shorter distance.

The charge for passage on return voyages will be the same as above.

Passengers are allowed to carry such Baggage and Cabin Furniture within their Cabins as is necessary for the voyage; and this may include a Piano if required for use during the voyage and not in a packing case: but Pianos in packing cases and all other packages, as cases of Millinery, Saddlery, Glass and Earthen-ware, Beer and Wines, and other Stores, will be stowed in another part of the vessel; and to the extent of half a ton, or 25 cubic feet, be charged for at half the established rate of Freight; all in excess of half a ton will be charged at the full rate of Freight.

Deck Passengers are allowed one Roll of Bedding 2 feet wide, and a box of six cubic feet solid contents.

A Table is provided by the Commander at Four Rupees per Diem for each person, exclusive of Wines and Beer, which if provided by the Commander, are charged at regulated prices, of which a list is exhibited in the Dining Room, and all Refreshments required between the regular meals of Breakfast at ¼ past 8, Biscuit, &c. at noon, Dinner at 3 P. M., and Tea and Coffee in the evening. Persons who provide their own Wines, will pay 3 annas for each cork drawn.

Children who do not come to the Table are provided at One Rupee per day, the same charge is made for Christian Servants.

Mussulman Servants may feed with the Crew, paying a rate of Two Annas per day. Hindoos must provide their own food.

The Passage Money, and a deposit of Four Rupees per day for the estimated term of the voyage, must be paid on engaging a passage, and any surplus of Table Money will be returned, or an additional charge be made by the Commander, as the voyage may fall short of or exceed the time for which the deposit was calculated. Half the Passage Money, and half the Table Money become forfeit by persons who relinquish a passage after having engaged it.

The despatch of Boats will be duly advertized, and if any change in the Boats occurs, Accommodation or Freight engaged for the one advertized, will be assigned on the one substituted.

### *Of Freight.*

All Goods intended for shipment on the Government Boats must be sent to the Boat Office, in Church Lane, Calcutta, between the hours of Ten and Four, Sundays, Christmas Days, and Good Fridays excepted.

Goods will not be received for shipment unless they be addressed to a resident at the place at which they are to be delivered from the Boats. The direction must be marked on something not liable to be destroyed by vermin, and from which it may not easily be obliterated. A direction written on a card or marked with ink on a tin box, would be liable to the above objection.

The Boat Office will not be responsible for any damage or loss that may be occasioned by accident to the vessel or other cause whatever, not traceable to negligence or mismanagement of those belonging to the vessel.

All Goods sent to the Boat Office must be accompanied by a note, with suitable direction for the guidance of the Officers of the Department.

Goods not applied for on board the Boat by the Consignee, will be carried on and charged with additional freight, unless addressed to the Steam Agent, in which case they will be delivered to him. It must be understood, however, that although all persons are at liberty to consign their goods to the Steam Agent of the stations at which they are to be landed, *the Government is not responsible for such Steam Agent, or for the safety of the goods after the delivery of the same to the Consignee or to his order, whether such Consignee be the Steam Agent or any other person.* Goods intended for the final station, if not applied for within 24 hours after the Boat's arrival there, will be delivered to the Steam Agent at the risk of the shipper.

Freight on all Packages, excepting Treasure laden in Calcutta, or for which tonnage is reserved in Calcutta, and which do not exceed in weight 35lbs. per cubic foot, will be charged by the cubic foot.

Packages exceeding thirty-five pounds, or 17½ seers per cubic foot, will be charged by the weight.

*From Calcutta,*

| | *Per Foot.* | *Per Seer.* |
|---|---|---|
| To Burrisaul,..... | 8 Ans. | 6 Pie. |
| „ Dacca. ..... | | |
| „ Seraj Gunge, ..... | 12 Ans. | 9 Pie. |
| „ Dewangunge, ..... | | |
| „ Bugwah, ..... | | |
| „ Gowalpara, ..... | 1 R. | 12 Pie. |
| „ Gowahuttee,..... | | |

For intermediate distances upwards for Goods not shipped in Calcutta, 3 annas per foot, and 2 pie per seer or 1 pie per pound, will be charged for every 100 miles.

The charge for Freight downwards will be 6 annas per maund for all distances above Dacca; articles weighing less than 35 lbs. or 17½ seers per cubic foot, to be charged by measurement at 4 annas per foot. From Dacca and places near Calcutta, 5 annas per maund, 2½ annas per foot.

### *Dispatch of Boats, and probable dates of Arrival at different Places.*

It is intended that the Boats shall leave Calcutta the 13th of every month, except when the 13th falls on a Sunday, when they will be dispatched on the 12th. * Goods will be charged by European or native weights, as they are entered in the Controller's or in the Steam Agent's Office; the charge per lb. will be half that per seer.

† Exclusive of the Groom or Keeper, who is to be considered a Deck Passenger, and charged as such according to the usual rate. The Shippers are to supply the food, and be at the expence of making the Stalls.

If brought down to the Presidency are charged 2-3rd of the upward freight.

*Freight on Treasure.*

To any distance beyond, ..... ½d ditto.

Intermediate ditto Two Pie per mile per thousand.

Freight on Copper Coins will be charged by the weight at 8 Pie per lb. from Calcutta—and down and intermediately, the same as on weighable Goods.

Treasure is deliverable to the Bill of Lading only, and parties neglecting to apply for Treasure will be subjected to additional Freight for the distance it may become necessary to carry it in consequence of their negligence.

Applications for Freight on the Vessel downward must be made to the Steam Boat Agent at Gowahuttee or Seraj Gunge, or at the nearest Station, by letter, describing the Goods to be despatched, their weight and measurement.

The Steam Agent will in reply, name the Boat in which he assigns tonnage, and if from any cause, as damage to the Boat, deviation from her intended voyage on unexpected demand on account of Government, a circumstance likely seldom to occur, the tonnage should be rendered non-available, the party for whom such tonnage has been registered must bear the inconvenience, and he will have no claim for indemnification by assignment of Freight in another Vessel to the detriment of any other person who may have engaged tonnage subsequently to the disappointed party, whose right to tonnage will be limited to such as may be available in the Vessel previously named, but in that Vessel, the claim to such tonnage as may remain available will be acknowledged according to priority of application. Thus the entire tonnage of a Boat may have been assigned in rotation by the Steam Agent to A. B. and C., after which the Government unexpectedly make a demand for more or less, the remaining portion will go to satisfy the claim of A. then of B. &c. The latter applications being thrown out partially or wholly, as the case may be.

The Agent will be instructed to acknowledge the applications made to him for tonnage in the following terms:—"Sir, in reply to your letter of the I beg to say tonnage for chests of Indigo and maunds of Sugar is assigned to you on the Registered No. of application."

The Agent is instructed to keep a correct Register of daily assignments, and to transmit a copy daily to the Controller of Steam Vessels.

| | | |
|---|---|---|
| At Burrisaul, | 3 | hours. |
| „ Dacca, | 4 | ditto. |
| „ Seraj Gunge, | 4 | ditto. |
| „ Dewan Gunge, | 3 | ditto. |
| „ Bugwah, | 3 | ditto. |
| „ Gowalpara, | 3 | ditto. |
| „ Gowahuttee, | 48 | ditto, clear. |

Should Freight not be ready for shipment on the arrival of the Boat at the several stations, the Commander of the Steamer will have peremptory orders to proceed to the next Station.

Treasure laden on a Boat whose progress is arrested, will be retained on board until the Boat is enabled to proceed to her destination, unless the Consignees holding the Bill of Lading of such Treasure may require its delivery, giving a full acquittance for the Treasure, and receiving such difference of Freight as may have been paid in excess of what would have been charged for conveyance of such Treasure to the place of its delivery.

The Steam Agents at the different Stations make no charge for landing Goods from the Boats into their Godowns; nor for shipping Goods delivered into their Godowns, provided such Goods are not merchandise, intended for traffick, nor animals nor machines for conveyance; for all such they will charge the following rates:

For embarking or landing a Horse, Cow or Bull, Rs. 2.

And no Packages will be received into the Boat Office for transmission on which Freight is not paid at the time.

## CONDITIONS OF SALE.

1st.—The Opium will be sold for Exportation by Sea only, and no Certificate will be granted except to cover such Export.

2d.—The Opium will be ordinarily offered for Sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price; except under the circumstances for which provision is made by Clause 12th of the Conditions of Sale.

3d.—The Sale shall commence at the hour of 11 A. M., and shall not be continued after the hour of 5 P. M; but if at that hour any of the lots advertized for Sale shall remain unsold, the Sale may at the discretion of the Board of Customs, Salt and Opium, be resumed on the next day following (not being Sunday or a public Holiday) at the hour of 11 A. M., and so on until the whole of the remaining lots are disposed of; or, if the quantity of 2,610 Chests shall not be sold on the day advertized, the Board may dispose of the Lots which remain on hand at a future Sale.

4th.—Each Lot to contain Five Chests.

5th.—A deposit in a Promissory Note for 25 per Cent. even money of the amount for which each lot is knocked down, shall be made by the purchaser in the Sale Room, and before the lot is Registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the Purchasers at this Office, by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'Clock of the afternoon of Wednesday, the 1st December 1847; or on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid, shall have been delivered in, shall be re-sold at such time or times, and under such conditions of re-sale as the Board of Customs, Salt and Opium, shall see fit, and all loss and expences whatsoever attending such re-sale, shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6th.—The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 1st December 1847, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7th.—No Tender of Money, Sub-Treasurer's Receipts or Public Securities, on account of Opium, upon which the prescribed deposit may not have been made before 4 o'Clock of the 1st December, will be afterwards accepted.

8th.—The Opium now advertised for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Tuesday the 14th December 1847, and in case any lots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or any Public Securities that may have been deposited on account of such lots or chests, shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium, shall think fit, and the first Purchaser shall further be required to make good any loss or difference of price between that obtained at the re-sale, and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9th.—Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood, that the Certificates or Orders so taken out shall be considered final and not afterwards changeable for other Certificates or Orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less than the number of lots or chests originally required to be included in each Certificate or Order.

10th.—No Sub-Treasurer's Receipts, or Deposit of Public Securities, under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the Purchaser in the Sale Book, or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such Purchaser, and the Securities so deposited will be returned when clearance has been made by the said Purchaser or his order.

11th.—The Officer Superintending the Sale on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time, a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid.

12th.—With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified, that the Officer of Government Superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first bonâ fide bidder for a lot, after it has been offered for Sale in the mode here described, shall be held and declared to be the Purchaser of the said lot, and the Officer of Government Superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper; provided always, that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2d Clause of these Conditions.

13th.—The Purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of twenty-five lots, and for the lots so purchased, the Purchaser shall deposit for each lot 25 per Cent. even money of the amount bid by him for the first lot, and pay the same price per chest as that for which he purchased his first lot; provided always, that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th.—In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th.—The following Papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date, by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1—Certificate of the Opium now advertized for Sale.

No. 2—Report of the Examination of such Opium.

16th.—The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for the years 1846-47, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the Drug when packed at Behar and Benares, and a statement of the average weight of the chests indiscriminately taken for the purpose of comparison from the dispatches on arrival at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the Purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th.—Any further information respecting weight or quality of the Opium advertised for sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium; but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the drug which may be preferred in reference to chests after the sale and delivery of the Opium for shipment.

18th.—The Public are hereby informed, that in addition to the quantity above mentioned, the following quantities more or less of Behar and Benares Opium of 1846-47, will be brought to sale in the present season on or about the dates specified below:

If the Agents of the French Government shall not make the requisition for Opium within the time above-mentioned the entire quantity of about 31,315 Chests of Behar and Benares as above estimated will be brought to Sale in the usual manner, and if they shall make application for a quantity of Opium to be delivered to them out of the quantity advertized for Sale at each or any of the Twelve Sales above-mentioned, but shall not pay for it within the prescribed period of payment, the Deputy Governor of Bengal reserves to himself the right of disposing of the Opium which the French Authorities may so fail to pay for either by increasing the quantity reserved at the Sale next ensuing the date of payment, or by selling it at a Sale to be held expressly for the purpose.

Article of the Convention above referred to.

"Art. 6th.—With regard to the Trade in "Opium it is agreed be- "tween the high contract- "ing parties that at each "of the periodical Sales of that Article there shall "be reserved for the French Government, and "delivered upon requisition duly made by the "Agents of His Most Christain Majesty or by the "persons duly appointed by them, the number of "Chests so applied for, provided that such supply "shall not exceed three hundred Chests in each "year, and the price for the same shall be deter- "mined by the average rate at which Opium shall "have been sold at every such periodical Sale, it "being understood that if the quantity of Opium "applied for at any one time shall not be taken "on account of the French Government by the "Agents of His Most Christian Majesty within "the usual period of delivery the quantity so "applied for shall nevertheless be considered as "so much in reduction of the three hundred "Chests herein before-mentioned; the requisitions "for Opium as aforesaid are to be addressed to "the Governor General at Calcutta, within thirty "days after notice of the intended Sales shall "have been published in the Government Gazette."

By order of the Board of Customs, Salt and Opium,

GENERAL POST OFFICE, MAY 1847.

The Post Master General having been informed by the Court of Directors of the East India Company, that on and after the 1st June next, persons in this Country may forward private correspondence by the Government Express from Bombay to Calcutta and Madras, all persons desirous of availing themselves of this privilege, will be required to mark upon the covers of their letters the words "By Express from Bombay," and in addition to this special address, it will be necessary, that all letters intended to be forwarded by the way of Southampton, should be so endorsed as hitherto; the postage to be charged in India in the delivery of letters sent by this Express will be in addition to the ordinary Inland rates.

One Rupee for every letter not exceeding half a tola in weight.

Two Rupees for every letter above half a tola, but not exceeding one tola in weight.

Four Rupees for every letter above one tola, but not exceeding two tolas in weight, two tolas being the maximum weight of letters to be conveyed by Express.

On Newspapers, each Newspaper Office in Calcutta and Madras, will be allowed to receive two Newspapers at the ordinary rates of Inland postage, on all other Newspapers forwarded by Express a postage of five Rupees each will be charged, and no Newspaper will be received for the Express exceeding three tolas in weight.

N. B. One tola and a quarter is nearly equivalent to half an ounce avoirdupoise.

To W. TAYLER, Esquire,
*Post Master General, Calcutta.*

SIR,—Adverting to my Letter, dated the 2d instant, I have the honor to suggest for your con-

sideration, whether it would not be advisable to publish a Notice in the Calcutta Papers, intimating to the public generally, especially the Mercantile Community, that, if they desire their Overland Letters, to be forwarded on by the Government Overland Express, they should request their Correspondents to mark "per Express," and to keep within the *limited weight of two tolas*; and that, meanwhile, until the system becomes generally known, they ought to advise me, whether they wish any of their Letters, not so marked, to be sent on from Bombay by the Express.

2d.—By the last Express I dispatched as usual a number of Overland Letters, not especially marked, because, had I not done so, great disappointment would have been experienced by parties in Calcutta; but I intend to discontinue the practice, after a sufficient time has elapsed to admit of the public becoming aware of the privilege conceded by the Notification of May issued by the London General Post Office, and to dispatch by the Overland Express those Letters only which are so marked.

3d.—The public ought moreover to be most especially warned not to mark "per Express" on letters *exceeding two tolas in weight*, because such letters cannot be so dispatched. They will invariably be detained (as was the case on the arrival of the last Mail.) for transmission by the post regular dawk, dispatched after the Express.

4th.—I shall feel much obliged by your favoring me with a list of "Newspaper Offices" in Calcutta, and by your informing the parties connected therewith that not more than two papers (whether sent out from England marked "per Express," or posted in Bombay to go by Express) will, in future, be forwarded by the Government Express. Some of the Newspaper Offices have as many as six Overland Papers marked "per Express," but, as they cannot be so forwarded, it is useless to have them so marked.

5th.—The new rule limits the weight of a Newspaper to 3 *tolas*, but, if that were acted up to, the Newspaper Offices would be deprived altogether of the privilege conceded by the Notification of May last, as an Overland Paper invariably weighs more than 3 and generally very nearly 6 tolas. I have therefore determined to send two Overland Papers to each Office, *without reference to that limit*, and shall continue the practice until I receive orders to the contrary from Government or the Home Authorities.

I have, &c.,

## FREIGHT AND PASSAGE TO THE NORTH WESTERN PROVINCES.

The Accommodation Boat "Soorma," in tow of the Steamer "Berhampooter," will be despatched to the North Western Provinces on the 20th instant, at 8 A. M., via the Sunderbunds.

Applications for Freight and Passage to be made at the Office of the Controller of Government Steam Vessels.

By order of the Superintendent of Marine,

J. WOODLEY,
*Clerk of the Govt. Boat Office.*

*Steam Department, the 12th October*, 1847.

No. 413

## STEAM TO DACCA AND GOWAHUTTEE IN ASSAM.

GOVERNMENT having decided on opening a Steam Communication with Gowahuttee in Assam *via* Dacca and Serajgunge, notice is hereby given, that the first boats for this line, a Steamer and a Flat, will be despatched on the 13th Proximo; and the communication be continued Monthly for THREE YEARS.

The following Regulations and Rates of Charge for accommodation of Passengers, and conveyance of Goods on the Government Boats employed in the above Navigation, are published for general information:

*Of Passage.*

All applications for Passage on the Government Boats proceeding to Dacca and Assam, must be made at the Boat Office in Calcutta, and all applications for Cabins on the Boats returning from Assam, must be made to the Steam Boat Agent at the nearest place to that of embarkation.

The distance between Calcutta and Gowahuttee is assumed to be 600 miles, and the distance from Calcutta to the different Stations as follows:

| | | |
|---|---|---|
| Burrisaul, | 200 | Miles. |
| Dacca, | 300 | „ |
| Seraj Gunge, | 400 | „ |
| Dewan Gunge, | 450 | „ |
| Bugwah, | 500 | „ |
| Gowalpara, | 550 | „ |
| Gowahuttee, | 600 | „ |

An Accommodation or a Cargo Boat will be employed in this line, as far as Dacca, the Steamer only going on to Gowahuttee until the demand for freight to and from places above Dacca is more than a Steamer can supply. In the first there are 3 classes of Cabins, but there will be no distinction in the charge, and the preference in the selection will be given to those who engage for the longest distances or otherwise, according to priority of application.

To Burrisaul or Dacca the charge will be Seventy-five Rupees, to Gowahuttee One Hundred and Fifty Rupees, or at the rate of Twenty-five Rupees for every 100 miles, of the estimated distance according to which the passage for intermediate distances will be rated.

One Servant is allowed to each Cabin occupied by one person, but if a Cabin be occupied by more than one person, an additional charge will be made of Nine Rupees, which will entitle the Cabin to a second Servant. All other extra Servants will be considered as Deck Passengers, the charge for which will be half an Anna per mile, or Eighteen Rupees Twelve Annas from Calcutta to Gowahuttee; Deck Passengers will pay Eighteen Rupees to Gowahuttee, or half an Anna a mile for any shorter distance.

The charge for passage on return voyages will be the same as above.

Passengers are allowed to carry such Baggage and Cabin Furniture within their Cabins as is necessary for the voyage; and this may include a Piano if required for use during the voyage and not in a packing case: but Pianos in packing cases and all other packages, as cases of Millinery, Saddlery, Glass and Earthen-ware, Beer and Wines, and other Stores, will be stowed in another part of the vessel; and to the extent of half a ton, or 25 cubic feet, be charged for at half the established rate of Freight; all in excess of half a ton will be charged at the full rate of Freight.

Deck Passengers are allowed one Roll of Bedding 2 feet wide, and a box of six cubic feet solid contents.

A Table is provided by the Commander at Four Rupees per Diem for each person, exclusive of Wines and Beer, which if provided by the Commander, are charged at regulated prices, of which a list is exhibited in the Dining Room, and all Refreshments required between the regular meals of Breakfast at ½ past 8, Biscuit, &c. at noon, Dinner at 3 P. M., and Tea and Coffee in the evening. Persons who provide their own Wines, will pay 3 annas for each cork drawn.

Children who do not come to the Table are provided at One Rupee per day, the same charge is made for Christian Servants.

Mussulman Servants may feed with the Crew, paying a rate of Two Annas per day. Hindoos must provide their own food.

The Passage Money, and a deposit of Four Rupees per day for the estimated term of the voyage, must be paid on engaging a passage, and any surplus of Table Money will be returned, or an additional charge be made by the Commander, as the voyage may fall short of or exceed the time for which the deposit was calculated. Half the Passage Money, and half the Table Money become forfeit by persons who relinquish a passage after having engaged it.

The despatch of Boats will be duly advertized, and if any change in the Boats occurs, Accommodation or Freight engaged for the one advertized, will be assigned on the one substituted.

### *Of Freight.*

All Goods intended for shipment on the Government Boats must be sent to the Boat Office, in Church Lane, Calcutta, between the hours of Ten and Four, Sundays, Christmas Days, and Good Fridays excepted.

Goods will not be received for shipment unless they be addressed to a resident at the place at which they are to be delivered from the Boats. The direction must be marked on something not liable to be destroyed by vermin, and from which it may not easily be obliterated. A direction written on a card or marked with ink on a tin box, would be liable to the above objection.

The Boat Office will not be responsible for any damage or loss that may be occasioned by accident to the vessel or other cause whatever, not traceable to negligence or mismanagement of those belonging to the vessel.

All Goods sent to the Boat Office must be accompanied by a note, with suitable direction for the guidance of the Officers of the Department.

Goods not applied for on board the Boat by the Consignee, will be carried on and charged with additional freight, unless addressed to the Steam Agent, in which case they will be delivered to him. It must be understood, however, that although all persons are at liberty to consign their goods to the Steam Agent of the stations at which they are to be landed, *the Government is not responsible for such Steam Agent, or for the safety of the goods after the delivery of the same to the Consignee or to his order, whether such Consignee be the Steam Agent or any other person.* Goods intended for the final station, if not applied for within 24 hours after the Boat's arrival there, will be delivered to the Steam Agent at the risk of the shipper.

Freight on all Packages, excepting Treasure laden in Calcutta, or for which tonnage is reserved in Calcutta, and which do not exceed in weight 35lbs. per cubic foot, will be charged by the cubic foot.

Packages exceeding thirty-five pounds, or 17 seers per cubic foot, will be charged by the weigh

Treasure is deliverable to the Bill of Lading only, and parties neglecting to apply for Treasure will be subjected to additional Freight for the distance it may become necessary to carry it in consequence of their negligence.

Applications for Freight on the Vessel downward must be made to the Steam Boat Agent at Gowahuttee or Seraj Gunge, or at the nearest Station, by letter, describing the Goods to be despatched, their weight and measurement.

The Steam Agent will in reply, name the Boat in which he assigns tonnage, and if from any cause, as damage to the Boat, deviation from her intended voyage on unexpected demand on account of Government, a circumstance likely seldom to occur, the tonnage should be rendered non-available, the party for whom such tonnage has been registered must bear the inconvenience, and he will have no claim for indemnification by assignment of Freight in another Vessel to the detriment of any other person who may have engaged tonnage subsequently to the disappointed party, whose right to tonnage will be limited to such as may be available in the Vessel previously named, but in that Vessel, the claim to such tonnage as may remain available will be acknowledged according to priority of application. Thus the entire tonnage of a Boat may have been assigned in rotation by the Steam Agent to A. B. and C., after which the Government unexpectedly make a demand for more or less, the remaining portion will go to satisfy the claim of A. then of B. &c. The latter applications being thrown out partially or wholly, as the case may be.

The Agent will be instructed to acknowledge the applications made to him for tonnage in the following terms:—"Sir, in reply to your letter of the I beg to say tonnage for chests of Indigo and maunds of Sugar is assigned to you on the Registered No. of application."

The Agent is instructed to keep a correct Register of daily assignments, and to transmit a copy daily to the Controller of Steam Vessels.

The Boats will make the following stoppages, at different stations, during daylight:

| | | |
|---|---|---|
| At Burrisaul, . . . | 3 | hours. |
| „ Dacca, . . . . | 4 | ditto. |
| „ Seraj Gunge, . . . | 4 | ditto. |
| „ Dewan Gunge, . . | 3 | ditto. |
| „ Bugwah, . . . | 3 | ditto. |
| „ Gowalpara, . . . | 3 | ditto. |
| „ Gowahuttee, . . . | 48 | ditto, clear. |

Should Freight not be ready for shipment on the arrival of the Boat at the several stations, the Commander of the Steamer will have peremptory orders to proceed to the next Station.

Treasure laden on a Boat whose progress is arrested, will be retained on board until the Boat is enabled to proceed to her destination, unless the Consignees holding the Bill of Lading of such Treasure may require its delivery, giving a full acquittance for the Treasure, and receiving such difference of Freight as may have been paid in excess of what would have been charged for conveyance of such Treasure to the place of its delivery.

The Steam Agents at the different Stations make no charge for landing Goods from the Boats into their Godowns; nor for shipping Goods delivered into their Godowns, provided such Goods are not merchandise, intended for traffick, nor animals nor machines for conveyance; for all such they will charge the following rates:

For embarking or landing a Horse, Cow or Bull, Rs. 2.

A Calf, Dog, Sheep, or Goat with or without Kid, Annas 2.

A Barouche, Phaeton, Palankeen Carriage, Britzka, Rs. 3.

A Buggy or Palankeen, Rupee 1.

A Box, Bale, Chest or Cask, large or small, Annas 2.

When Goods are consigned to Calcutta, it is optional with Shippers to pay the Freight or to leave the same to be collected on delivery of the Goods. Freight must be paid to the Agent or Commander of the Boat for all Goods shipped away from Calcutta, and not deliverable at Calcutta. And no Packages will be received into the Boat Office for transmission on which Freight is not paid at the time.

## CONDITIONS OF SALE.

1st.—The Opium will be sold for Exportation by Sea only, and no Certificate will be granted except to cover such Export.

2d —The Opium will be ordinarily offered for Sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price; except under the circumstances for which provision is made by Clause 12th of the Conditions of Sale.

3d.—The Sale shall commence at the hour of 11 A. M., and shall not be continued after the hour of 5 P. M; but if at that hour any of the lots advertized for Sale shall remain unsold, the Sale may at the discretion of the Board of Customs, Salt and Opium, be resumed on the next day following (not being Sunday or a public Holiday) at the hour of 11 A. M., and so on until the whole of the remaining lots are disposed of; or, if the quantity of 2,610 Chests shall not be sold on the day advertized, the Board may dispose of the Lots which remain on hand at a future Sale.

4th.—Each Lot to contain Five Chests.

5th.—A deposit in a Promissory Note for 25 per Cent. even money of the amount for which each lot is knocked down, shall be made by the purchaser in the Sale Room, and before the lot is Registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the Purchasers at this Office, by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'Clock of the afternoon of Wednesday, the 1st December 1847; or on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid, shall have been delivered in, shall be re-sold at such time or times, and under such conditions of re-sale as the Board of Customs, Salt and Opium, shall see fit, and all loss and expences whatsoever attending such re-sale, shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6th.—The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 1st December 1847, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7th.—No Tender of Money, Sub-Treasurer's Receipts or Public Securities, on account of Opium, upon which the prescribed deposit may not have been made before 4 o'Clock of the 1st December, will be afterwards accepted.

8th.—The Opium now advertised for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Tuesday the 14th December 1847, and in case any lots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or any Public Securities that may have been deposited on account of such lots or chests, shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium, shall think fit, and the first Purchaser shall further be required to make good any loss or difference of price between that obtained at the re-sale, and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9th.—Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood, that the Certificates or Orders so taken out shall be considered final and not afterwards changeable for other Certificates or Orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less than the number of lots or chests originally required to be included in each Certificate or Order.

10th.—No Sub-Treasurer's Receipts, or Deposit of Public Securities, under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the Purchaser in the Sale Book, or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such Purchaser, and the Securities so deposited will be returned when clearance has been made by the said Purchaser or his order.

11th.—The Officer Superintending the Sale on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time, a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid.

12th.—With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified, that the Officer of Government Superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first bonâ fide bidder for a lot, after it has been offered for Sale in the mode here described, shall be held and declared to be the Purchaser of the said lot, and the Officer of Government Superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper; provided always, that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2d Clause of these Conditions.

13th.—The Purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of twenty-five lots, and for the lots so purchased, the Purchaser shall deposit for each lot 25 per Cent. even money of the amount bid by him for the first lot, and pay the same price per chest as that for which he purchased his first lot; provided always, that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th.—In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th.—The following Papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date, by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1—Certificate of the Opium now advertized for Sale.

No. 2—Report of the Examination of such Opium.

16th.—The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for the years 1846-47, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the Drug when packed at Behar and Benares, and a statement of the average weight of the chests indiscriminately taken for the purpose of comparison from the dispatches on arrival at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the Purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th.—Any further information respecting weight or quality of the Opium advertised for sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium; but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the drug which may be preferred in reference to chests after the sale and delivery of the Opium for shipment.

18th.—The Public are hereby informed, that in addition to the quantity above mentioned, the following quantities more or less of Behar and Benares Opium of 1846-47, will be brought to sale in the present season on or about the dates specified below:

Article of the Convention above referred to.

"Art. 6th.—With regard to the Trade in "Opium it is agreed be- "tween the high contract- "ing parties that at each "of the periodical Sales of that Article there shall "be reserved for the French Government, and "delivered upon requisition duly made by the "Agents of His Most Christain Majesty or by the "persons duly appointed by them, the number of "Chests so applied for, provided that such supply "shall not exceed three hundred Chests in each "year, and the price for the same shall be deter- "mined by the average rate at which Opium shall "have been sold at every such periodical Sale, it "being understood that if the quantity of Opium "applied for at any one time shall not be taken "on account of the French Government by the "Agents of His Most Christian Majesty within "the usual period of delivery the quantity so "applied for shall nevertheless be considered as "so much in reduction of the three hundred "Chests herein before-mentioned; the requisitions "for Opium as aforesaid are to be addressed to "the Governor General at Calcutta, within thirty "days after notice of the intended Sales shall "have been published in the Government Gazette."

By order of the Board of Customs, Salt and Opium,

CECIL BEADON, *Offg. Secy.*
